Students Elect Cherry Blossom Princess Today; Eleven University Coeds Entered In Contest

Pictured above are contestants for the U. of D. Cherry Blossom Princess. From left to right: Sue Robinson, Janice Thompson, Shirley Thomas, Mary Lou Bice, Joan Ford, Faye Green, Anne Marie Dumas, Mary Jane Guenveur, and Patty Phillips. Absent are Marilyn Haley and Marjorie Brennan. These compose the group from which is chosen Delaware's representative in the Cherry Blossom Festival held in Washington, D. C.

Cherry Blossom Festival Will Be Held In Washington, D. C.

One of eleven coeds nominated for 1953 Cherry Blossom Princess will be chosen in the election which closes at 5 p. m. today. Balloting is being held all day today (Friday) and yesterday afternoon in the Review office in the basement of the Memorial Library. The winner of the contest will be announced in Saturday's Wilmington Morning News.

The voting started at the close of college hour yesterday when the eleven candidates were presented to the students by William Nicoll, president of the SGA. All students of the University are eligible to vote for their choice.

Richard Saunders, promotions manager for the Review, announced the names of the candidates and their sponsors. The qualifications for nomination include a petition with 25 names, a resident of the state, a student of the University, and 18-25 years of age.

Infirmary Normal After Flu Epidemic

Dr. Robert H. Duenner, Student Health Director, escaped the virus that swept across the campus in epidemic proportions last week, but he felt the effects of it as much as most of its victims. With only three beds occupied and student treatments back to normal in the Health Center at the beginning of this week, Dr. Duenner and his staff were able to relax even in the course of the busy daily routine. Calls were limited to the Health Center, and the long climbs up dormitory stairs were over. The epidemic was on the wane.

The virus struck on the morning of Monday, February 23, and by noon that day 100 students had reported to the Health Center, complaining of gastric illness. Dr. Duenner reported that since the students did not all eat on campus, food was not to blame, and he concluded that a virus was the cause.

On Tuesday more than 150 calls were made, over half of them in the dormitories, and an offer from the DuPont Company of the loan of two doctors was gratefully accepted. Dr. Fenton Russell and Dr. J. M. Messick aided with the calls.

A resident physician of the Delaware Hospital, Dr. Douglas Saunders, shared the calls on Thursday, taking the men's dormitories and fraternity houses while Dr. Duenner made the rounds on South Campus. With Thursday's 90 calls, the spread of the epidemic was checked, and thereafter no outside assistance was required.

Of the total of 225 cases, Dr. Duenner described only ten as serious, the rest being only mild attacks. In addition to the extra doctors, extra nurses and clerical help were provided to relieve the staff of the Health Center, which was filled to capacity for three days.

The candidates are as follows:

Joan Ford, a junior from Mt. Cuba, Del., is an elementary education major and is sponsored by Alpha Epsilon Pi. Also an elementary ed. major is Janet Thompson, sponsored by Sussex Hall. Shirley Thomas is a junior from Wilmington sponsored by Kappa Alpha. Anne Marie Dumas was nominated by Cannon Hall, and she is also a resident of Wilmington.

Mary Jane Guenveur is a home economics major from Marshallton and is backed by Warner Hall. Faye Green is a physical education major sponsored by Cannon. The lone freshman in the contest is Sue Robinson, a history major from Seaford, sponsored by Eton Hall. Marilyn Haley, a junior in Home Economics, was the choice of New Castle Hall.

The Commuters nominated (Continued on Page 8)

College Hour Features May Queen Candidates

Candidates for the 1953 May Court will be interviewed before the student body during College Hour on Thursday, March 12, at Mitchell Hall. The actual balloting for the choice of a queen and court will begin at the close of the college hour program in the lobby of Mitchell Hall. From 1 p. m. until 4 p. m. the voting will be held at the west steps of Memorial Library. The ballot box will be at this same spot during Friday, also.

Ann Colona and Nancy Goynne are co-chairmen for this year's May Court festivities. Assistant chairman Trudy Gilgenast is conducting the current election.

Petitions for May Day Court candidates may still be filed as late as Monday, March 9. They should be addressed to Trudy Gilgenast, Box 497.

50 Students Cast In E-52's Production Of "Bloomer Girl"

"Bloomer Girl," the successful Broadway musical comedy which ran for 654 performances in New York, will be seen for the first time in Delaware when the E-52 Players present five performances of the popular show beginning Tuesday, March 10.

Heading the cast of 50 actors, singers, and dancers are Mary Little, as Evelina Applegate; veteran student actor Howard Seebach as Jeff, her lover; Mary Lou Conover as Aunt Dolly Bloomer; and Jane Banks as Daisy.

The story of "Bloomer Girl" concerns Evelina, sixth daughter of Horatio Applegate, manufacturer of ladies' hoopskirts in Cicero Falls, N. Y., who rebels against her father's decree that she shall marry a hoopskirt salesman, as her five sisters have obediently done before her. To make her rebellion complete, Evelina joins her aunt, Dolly Bloomer, in a campaign to put pantalettes on all women. She also supports her radical aunt as an abolitionist, which complicates matters when she falls in love with a handsome young Southern slaveholder, Jefferson Calhoun. Love and duets win the day.

When "Bloomer Girl" originally appeared in New York in 1944, it was so well received that it challenged even the popularity of "Oklahoma."

Reservations for any performance can be made by mail or through the Box Office which is open in Mitchell Hall from 3:30 to 5 p. m. and from 7 to 8:30 p. m. daily except Saturday and Sunday.

Prominent Educators Discuss Reading Programs In Schools

The Third Annual Reading Conference, sponsored by the Reading Clinic of the University of Delaware, will be held on March 6 and 7 in the Newark Public High School. "Developmental Reading," the general theme of this year's conference, directs attention to the broad aspects of the total school reading program.

As in previous years, panels composed of outstanding educators will discuss related topics. Dr. Laura Zirbes, professor of education at Ohio State University, will be the principal speaker for this reading conference. Dr. Zirbes has enjoyed a long and distinguished career in the field of education. She was awarded B.S., M.A., and Ph.D. degrees from Columbia University and later served as lecturer in education for her alma mater from 1922-28. In 1945, Dr. Zirbes served as educational consultant to Tennessee Valley Authority and in 1946, she was a staff member of the Educational Policies Committee of the National Education Association. In 1948, she was presented with the Achievement Award in Education of the National Women's Press Club. She is a member of the American Association of University Women, the American Childhood Education International, the American Education Research Association, the Association for Supervision and Curriculum Development, and many other educational and honorary organizations.

Other panel members include: Mrs. Mildred Patterson, helping teacher with the Wilmington Board (Continued on Page 6)

Patty Phillips To Give Recital

A voice recital by Miss Patricia Phillips, a junior music major at the University of Delaware, will be given in New Castle Commons on Wednesday night, March 11, at 8:15 p. m. Patricia, who specializes in voice in her music work, is presenting the recital as a requirement of the department of music.

With the accompaniment pro-

PATRICIA PHILLIPS

vided by Miss Margaret Pasf, Patricia will give renditions by Robert Shumann, Handel, and Donizetti. One of the more widely known selections is the aria, "Caro Nome," by Donizetti.

S.G.A. Amendment

Where Are The Freshmen?

How many people on campus know much about the S.G.A., an organization to which every member of the student body belongs? This organization, which runs the "Scrounge", helps to finance such things as the E-52 Players, absorbs the losses on dances so we can have name bands, contributes a sizable amount to the University Band, supports the Cheerleaders, finances the Blue Hen, and without whose support this article would be impossible for there would be no Review, is probably more or less vague in the minds of most students.

Who Represents You?

Oh, sure everyone knows Bill Nicoll is S.G.A. president and Bobbie Martin is veep. Do you know who is the representative of the School of Engineering or Home Economics or Education, or who your own particular representative is? If you don't, why not try to find out? The primary purpose of these representatives is to serve as speaker for the various groups in the university. For example, if the A.I.C.H.E. is in trouble and needs S.G.A. help, Lem Lilleht is their spokesman; if it's the Math Club, then the A. & S. representatives, if it's the D.S.T.A., see Joe Miller, he's education.

Perhaps by now you're wondering where Joe Doakes, the individual, is represented. The president, vice-president, and S.G.A. representative of the three upper classes are voting members of the S.G.A. They are the people who must voice what they believe to be the opinion of the individuals in their class. This creates for them a double job; that of class officer and S.G.A. position.

The Forgotten Faction

In the preceding paragraph only the officers of the three upper classes were mentioned. What about the freshmen? What happens to the largest group in the school? If this whole thing is to be a practical lesson in democracy, where are the freshmen representatives?

This brings us to the purpose of this article. According to the present constitution, this particular class elects two co-chairmen in October, whose primary function is to organize a freshmen pep-fest (!) and then hold another election in February to elect its regular officers. These officers hold office about one month and are then supplanted by Sophomore Class officers elected in early April! Why bother with an election in February? Can't the officers be elected in October and serve a double purpose of representing the class and dispensing with an unnecessary election?

The Choice Is Yours

Your S.G.A. officers think it can be done and have passed an amendment to provide for a fall election. But the real decision is up to you, the student body. The ratification of an amendment requires 2/3 of the votes cast providing 25% of the student body is represented in the election. Don't let it die because of poor support.

You won't have to vote until the end of March, but think about it before then. If you think very hard you'll vote "yes."

Reviewing

The REVIEW

By PAULINE PEPPER

TEN YEARS AGO . . .

Ten years ago Delaware College had three terms a year instead of two, as we now have. It was about this time of the year that the student council passed a motion to hold all class elections one month earlier, making election day March 12. According to the Constitution anyone who could get 15 signatures on a petition for his candidacy was eligible to appear on the

ballot, providing the names on his petition did not appear on any other petition. Elections for Student Council representatives were also held at this time.

Ten years ago, on March 9, the University of Delaware was very fortunate in having Mr. Gregor Patigorshy, world-famous cellist, as guest soloist of the Community Concert Association.

Mr. Robert L. Durkee announced that April 2 and 9 are the dates for the Pulitzer Prize-winning play, Allison's House, which will be presented by the E-52 Players.

Other Headlines . . .

Navy V-12 college training started July 1, 1943.

(Continued on Page 6)

Letters To Editor

Dear Sir:

In Pete Runkle's editorial of two weeks ago, he mentioned a Spring Carnival sponsored by the Student Union Committee. Vague plans are already taking shape, and a tentative date has been set. The carnival idea is a good one but can only become a reality through a great deal of cooperation.

For anyone who has anything that they feel would contribute toward giving Delaware a weekend like those of many other schools, there will be a meeting in the S.G.A. room on next Wednesday at 4.

If you cannot attend the meeting, contact Box 937 or see me personally.

Dave Menser

Dear Sir:

We, the active chapter of the Theta Chi Fraternity, derived from the story on the Development Fund Campaign, contained in your February 12 issue, full comprehension of the actual needs of our University. We thank you for having made so clear to us details of those needs. We feel deeply our responsibility and it is our keen desire to help promote this Development Fund Campaign. We have delivered to the Alumni Office a check for \$102.50, payable to the University of Delaware, which constitutes a one hundred percent contribution of active members and pledges: Don Aanstad, John Allen, Warren Allen, Ralph Barrow, John Borrenson, Harry Brake, Pete Braungart, Gary Buckwalter, Rocky Carzo, Carmine Crisconi, Ed Cunningham, Adam Czarnecki, Rip Drobeck, John Eagle, Art Elsner, Ed Etyweiler, Tom Fannon, John Faraone, Dan Ford, William Gurney, Frank Gyetvan, Bob Hagerty, Harry Hall, Frank Heilig, Bob Hooper, William Hopson, Dave Hoy, Paul Hunter, Dick Jackson, Bernard Janicki, William Lawless, Garry Lyons, Walter Martin, Warren McCallister, Howard McCurdy, Dev McCarthy, Jack Messick, Jim Meyer, John Micich, Don Miller, Joe Miller, Don Montgomery, Paul Mueller, Gordon Murray, Don Monaco, John Mulcahy, Dick Nagle, Sam Newell, Tom Oves, George Panarello, Joe Rizzo, Ferdinand Susi, Andy Schmidt, Joe Sherwood, Ralph Snowberger, Vince Stallone, Ed Stout, Joe Stout, Charles Sullivan, Jim Taylor, John Williams, Stan Wojciechowski, Vince Yokals, Ingo Zelse, Ed Kwiatowski, Tom Marshall, Buck Jones.

Very truly yours,
Devereaux J. McCarthy
President, Alpha Xi Chapter
The Theta Chi Fraternity

Dear Sir:

In reference to Pete Runkle's Editorial "Who Cares"—WE DO.

But just one thing was not clear in the editorial. We do agree on the definite need for a student union. What can we do to help? We don't have any spare millions lying around, but we would like to do something. Give us the word.
Cannon Hall

Dear Sir:

I think a Student Union would be terrific. At last an opportunity for the students to get to know each other. However, until that time, may I offer this piece of consoling verse to the friendless and lonely?

Who comforts me in moments of despair?
Who runs fingers lightly through my hair?
Who cooks my meals and darns my hose?
Who squeezes nosedrops in my nose?
Who always has a word of praise?
Sets out my rubbers on rainy days?
Who scrubs my back when in a shower?
And walks me at the proper hour?
Who helps me to keep on the beam?
And figures in my every dream?
I do. Name Withheld

Creative Writing Contest

Opportunity Knocks

Have you ever realized how many various opportunities are offered to every individual at our university? More important, do you take advantage of these opportunities? Every American has an equal chance to prosper from them, although the majority of us seems to pass them by. Why? When we read of the various contests, scholarships, and conferences available to each and every student alike, a lot of us seem to think that they are for the other fellow. Surely we all are interested in these opportunities and campus activities, and therefore, we should be actively participating.

With particular reference to the coming Creative Writing Contest, this editorial is stressed. Now is the time for all of us to develop those innate writing abilities which have been waiting patiently to be expressed. This contest also affords to everyone a chance to demonstrate his creative talents. In addition, the self-satisfaction derived from this literary competition, books bearing plates with the seal of the University will be awarded to the winner of the best works in the three fields of poetry, fiction, and essay at the annual Honors Day Program in May.

Here's hoping that many of us will enter this contest which ends on March 27. For rules of this contest, consult last week's Review and keep posted with future articles. Good luck to all and may the best men win!

B.S.M.

Brotherhood Week

Worth Considering

Think, reader, think. There are many things in this world well worth thinking about. You have read and heard of the terrible purges which are taking place in some countries of the world. People are expelled from their homes and persecuted without mercy because of their religious beliefs. This activity does not occur only abroad, however; it happens in America. Racial and religious minority groups in this country are subjected to much mental, and sometimes physical, torture at the hands of tormentors.

The motivation behind this oppression is called prejudice — a disease which infects insecure minds. This is a disease of unthinking people who by rationalization seek to cover their own failures by placing the blame upon others. Yet, this means of self-aggrandizement by belittling other men satisfies only the little mind. Men of intelligence respect the dignity and worth of other individuals, because this attitude frees each individual to fulfill his highest interest and yet respect the rights of his fellowmen. This is brotherhood, wherein man respects man, and compromise reigns.

February 28 saw the close of Brotherhood Month. Have you considered the meaning of brotherhood? Do it! The United States is a free country. Freedom demands mature, intelligent thinking. Are you infected by the disease of prejudice, or do you practice the democratic ideal of respect for individual dignity? This is the basis of our security, for this is the basis of compromise! Think about this!

ALUMNI NOTES

By

Martha

Shillito

The present KA's send a "thank's" for coming and come again soon" to the Grads who visited their manse a week ago Saturday. Sam Marshall, a Charter Member and grad of 1904 arrived with his son, Sam, Jr., also a KA. Also present were Ralph Wilson and Hayes Wilson, cousins, and Marvell Wilson.

Must be a good frat when it stays in families like that. This is also an invitation to come back again and don't wait so long between visits next time. All you other Grads: how's about taking a look-in at the '53 Brothers? Seriously, the House is open and the residents will welcome any visits.

Archie Rappaselli, the '51 Phys Ed Major is now helping to occupy Europe. Have you found a place in some continental cutie's heart yet, Arch?

Another Udell will soon be answering to the name "Papa." J. R. Wheatley, who received his MA in Horticulture in June is now working for the Union Carbon and Carbide Company in New York. He was a member of Alpha Zeta, the honorary Ag. Society. He and his wife, Ellen, expect the little addition in a very short time.

Bloomer Girl will draw a '51 Thete, now a Navy Looie. Parke Perine, remembered for his work in E52 and especially as "Og" in Finnian's Rainbow, is coming to see how the clan is getting along without him. You won't be disappointed, Parke.

Theta Chi took a bow last week over the exploits of an ex, Ernie Metnett. This week it's Sig Ep's turn to gloat. Robert De Fiore, class of '49, has been chosen "Airman of the Week" at the Williams A. F. Base in Arizona. Chick was a mem-

ber of the I. F. Council during his years at Delaware and also was President of his Frat.

One of the most valuable ex-Thetes is now a valuable (?) asset to the U. S. Signal Corps. Reds Dunn, grad of '52, has been one of the lucky employees of Uncle Sam since last February.

LAFAYETTE COLLEGE

International Affairs School Offers Middle Eastern Tour

The Lafayette School of International Affairs is again offering summer study hours as an important part of higher education. In the past, tours of Europe, South America, and the rest of the world have been available to students. This year a tour has been added which covers five countries of the Middle East. The trips are designed to provide low cost travel to broaden students' education and promote friendship with people of all nations.

ROLLINS COLLEGE
Council Votes Hundred to Flood Relief Fund

Acting on an appeal made by Diane Evans, President of International Relations, Student Council voted to contribute \$100 to be used for the Netherlands flood relief program. The money will be turned over to one of the international relief organizations, such as the World Student Service Fund for the Foster Parents Plan, to be spent where it is most needed.

(Continued on Page 7)

Women Commuters Hold First Election For New Club

On Monday, March 2, a luncheon meeting of the newly organized Women Commuters Club was held in the Women Commuters' Room in Robinson Hall. The first issue taken up was the selection of officers. Those elected to serve were: president, Lois Wittchen; vice president, Dot Pierson; secretary, Peggy Woerner; and treasurer, Bernie Patterson.

The representatives from each class were also elected as follows: senior, Marcia Boone; junior, Gunvor Thureson; sophomore, Kay Knighton; and freshman, Milmo Fox. Special thanks for help in the organization of many details involved in beginning the club are given to Kay Knighton, Cynthia Flery, and Carolyn Weimer.

Next on the agenda was the appointment of various committees. The "Margie Brennan" committee, whose function is to promote publicity for Margie as a candidate for the Cherry Blossom Princess, consists of Anne Nealon, Kay Knighton, Joan Peterson, Valerie Patterson, Celia Blumenfeld, and Mary Dougherty.

To investigate the possibilities of actively participating in Women's Weekend, the committee is as follows: Irene Klahr, Phyllis Baker, Annette Ely, Betty Logue, Gunvor Thureson, and Celia Blumenfeld.

The next committee drawn up is to work on the Women Commuters' Room. Many improvements have already been made. The room has been painted; new springs have been provided for the cots; cushions for the couches and chairs have been cleaned; rugs and folding chairs have been provided, while a hot plate complete with instant coffee, tea, sugar, cups and spoons has also been furnished.

Part of this committee's duties is to work on regulations which will be needed for operation of the room. Its members are: Dolores Roeper, Gwen Hesslan, Dot Pierson, Carole Kelly, Shirley Fisch, Filomena Giammarco, Carolyn Dickerson, Pat McCall, Beatrice Kaminshy, Doris Palese, and Dolores Heffner.

Beverly Sharpless has been placed in charge of sports. Anyone interested in joining any of the committees is urged to attend the meetings, which will be held on the first and third Mondays of the month, and also to contact Lois Wittchen, Box 1493.

I'll Meet You There

The Race Is On!

By MARV BALICK

Tomorrow at 10 a. m. in front of Old College gate, the contest initiated fifty years ago will once again take place. Reference here is being made to the already twice held "walking" contest from Newark to Wilmington via the commuters highway.

Mr. Charles Bush, the present Dean of Admissions, initiated this contest in 1903 and set the "record" time of 2 hours and 45 minutes. Leon Heck and Howard Smith revived the event in 1943, and bettered Mr. Bush's time by 23 minutes.

A picture of all those starting the race will appear in the Review. THE TWO WINNERS WILL HAVE FRONT PAGE PICTURES AND THEIR STORY OF SUCCESS!

Because there will be no judges to follow the participants along the way, all "walkers" will be on their honor to abide by the rules of the contest.

The rules are as follows:
1. Starting time 10:00 sharp.
2. Men and women are eligible.
3. Must take the route prescribed before the race by the starters.

4. No varsity or J.V. track or cross country men are eligible to enter.
5. Contestants may "pace" themselves if they wish. It is not necessary to keep a walking pace the entire time.

Those contestants entered to date are such huskies as Sid Balick, Bill Colona, Joe Miller, Ralph Schwab, Bill Reed, Mark Rappaport, Charlie Sullivan, Marty Apostolico, Lyn Brandschain, Penny Ernest, Phoebe Adams, the Barbara Sobosinski.

Let's have a rousing send-off for the participants tomorrow at 10:00 a. m. in front of Old College gate.

Seventeen Organizations Enter 11th Play Festival

Thirteen high school dramatic organizations and four community theatres have entered the Eleventh Annual Delaware Play Festival, which will be presented at Mitchell Hall on March 20 and 21. The festival will open with high school performances starting at 10 a. m. Friday morning and will continue through the day. The community theatres will compete for the coveted prizes for the best actors and director on Friday night beginning at 7:30 p. m. Saturday morning the festival will proceed with the high school plays at 10 a. m.

The critic judge will be Professor Reifsnelder from the Department of Dramatic Art at Pennsylvania State University, who will award the prizes to the Community Theatre winners and will give constructive criticism to each high school entered.

The following high schools have entered the Play Festival: Alfred I. du Pont High School, Conrad High School, Dover High School, Felton High School, Harrington High School, Laurel High School, Mount Pleasant High School, Smyrna High School, Tatnall School, and Ursuline School.

The four community theatres which have entered the Festival are: Arden Theatre Guild, University Drama Group, Walnut Street Y Theatre Guild, and Wilmington Drama League.

Dr. P. Miller Speaks At Decorative Arts Program

Dr. Perry Miller, Professor of American Literature at Harvard, will be the second speaker in the American Decorative Arts Program Tuesday night at 8:15 p. m. This lecture, part of the Winterthur Program, will be given in the Brown Laboratory auditorium.

Having earned his Ph.B. degree at the University of Chicago in 1928, Dr. Miller received his Ph.D. degree from the same university in 1931. He is a member of the Massachusetts Historical Society, the Colonial Society of Massachusetts, the American Antiquarian Society, and the Modern Language Association.

Dr. Miller is the author of Or-

thodoxy in Massachusetts, The Puritan with T. H. Johnson, The New England Mind, Jonathan Edwards, and edited Jonathan Edwards' Images or Shadows of Divine Things.

NOTICE

Students in residence wishing to apply for scholarships or employment (waiterships, etc.), or to renew scholarships or employment for the session 1953-54, may obtain application forms at the office of the Dean of Students. For scholarships in Agriculture, Education, and Home Economics, application is made to the dean of the school concerned.

Dr. Day Gives Lecture

Dr. Cyrus Day of the English Department will present another in the series of Graduate Lectures on Monday, March 9 at 4:10 p. m. in Room 220, Hullahen Hall. The topic of Dr. Day's lecture will be "The Anti-Christian Implications of 'The Ice-man Cometh'."

This play, written by Eugene O'Neill, is the last of the author's to be presented on Broadway. Eddie Dowling directs this Theatre Guild production with Dudley Diggs in the leading role. O'Neill's play has caused much controversy because of the obviousness of its purpose and meaning.

Dr. Day's lecture is open to anyone who is interested in attending — students, faculty, and other parts of the university community.

The Armchair Umpire

By CHARLIE WILLIS

THE VICTORS —

After two fairly close shaves against Swarthmore and Drexel plus a miss against a keyed-up Haverford squad last week, our Delaware cagers at last "brought home the bacon" for Coach Fred Emmerson, a second straight court year by beating PMC by an eyelash on a Skip Crawford jump shot a week ago in Carpenter Field House. That slang of "bringing home the bacon" refers to Delaware's winning the southern division title of the Middle Atlantic and this happens to be no small achievement. Fred Emmerson summed it all up yesterday when he remarked with a wry grin, "It surely is never an easy job to win that Middle Atlantic Championship."

DIFFICULTIES —

In this corner, it appears that this season, now practically over, has been marked by a number of events calculated to keep any basketball coach biting his nails. First of all, in losing captain Dick Evans and "Jumpin'" Jack Loomis at the end of last term, the Delaware five was being deprived of Evan's 8.4 point average per game and Loomis' neat total of 12.4 points a contest. That meant the Blue Hens had to do without something like a possible 20 points each game, with the departure of Evans and Loomis. That slack has been hard for the rest of the Hoopsters to take up. No doubt, some of those close games here at the important tailend of the season would have been almost walkaways for the Hens if the Original five of the Delaware team had remained intact for the entire schedule. In addition to losing these two key men, injuries also cut into the ranks of the squad on several costly occasions. For instance, Big Bob Morrow was a strong replacement for Matt Lamkin at center until "Moose" injured his ankle. He was lost to the team for a time . . . apparently not yet made a complete recovery. Frank White suffered a foot bruise and the able sharpshooter's services were sorely missed over something like a three-game span. Elongated Mathew Lamkin is another case in point, for the Hen center was among the numerous students on campus hit by that pesky flu bug. It was mainly Matt's conspicuous absence from the lineup in the Field House against Haverford that proved to be a big factor behind the cellar-dwelling Haverford squad's triumph over the Hens.

COACH COMMENTS . . .

Recently Emmerson told this writer, "In order to have a good basketball club, you've first got to have five men who can work the ball well together out there on the court. At the start of the season, we played pretty smoothly because our five starters could work the ball well. But then we lost two good men and our combination was broken up. That, coupled with certain injuries to the team, made us use a string of players going in and coming out of each game toward the end of this season."

Emmerson's eyes lit up when the Middle Atlantic Conference was mentioned. "Well, we started the season with the primary aim of winning the Southern title in the Middle Atlantic. And let me say that the idea of a conference, a league is a great thing in my book. It gives athletes something to work and compete for, and creates considerable interest on the part of the student body. It made that PMC game important, and not just another basketball game."

By way of a concluding note, Coach Emmerson, the guy who piloted his basketball quintet to another conference crown, was already worried about another ball game — tomorrow night's clash here at home against high-scoring Muhlenberg. "The only chance we have of beating them is to hold down their scoring attack, which is a lot better than ours right now," he was muttering as I left his office.

Lacrossemen Fail To Beat Swarthmore

Delaware's revenge-minded Blue Hen lacrosse team played host to highly-touted Swarthmore last Saturday, February 28, and for a while it looked as though the Hens might even up the count with the Garnet, who had severely thumped them at Swarthmore the previous weekend. It was easy to see that the visitors missed the leadership of their All-American attackman, Bunky Blake, bedridden with the flu, since they were a pretty even match for Coach Milt Robert's undaunted Blue Hen six.

A good-sized crowd ignored the chill of the hangar to see the Hensmen jump off to a three goal lead in the first minute of play. The Blake-less Garnet seemed unable to get their machine rolling until the second period, when their three lines of close attack swung into high and finally outlasted the two lines of close attack used by the Hens.

Goalie Pat Morris displayed the fine form that won him his Honorable Mention All-American honors last season. Captain Jack Kinter paced the Blue Hens attack scoring three times, one of them a sizzling newly-patented back hand shot. Other Robertsmen to break into the scoring column were Norm Williams with two markers, Bill Gurney, Dick Knoll, Pete Brosius and Wayne Kirklín, each with one tally apiece. Boyd Cook, returned veteran of two years ago, turned in his usual fine performance as did veterans of last year's varsity and new men riding for spots on this year's varsity squad. These veterans and new men included Dick Knoll, Wayne Kirklín, Frank Goeckler, Larry Ottman, and freshmen Pete Brosius, Bob Ferguson, and Wally Cook.

Coach Roberts and his men are, starting this week, practicing on Frazer Field every afternoon. The next attraction here will be the star-studded Maryland Lacrosse Club, who will engage the Hens in an informal game March 21.

Temple Trackmen In Saturday Meet

The second practice track meet of this year is being held this coming Saturday as the Temple Owls invade the confines of Carpenter Field House. The Blue Hens did not fare so well against the Philadelphia cindermen last year as Temple took first place in every event but the half mile to down the Hens 86-27. Coach Sterns feels that Delaware's runners will make a much better showing this Saturday.

Some new arrivals have added a great deal of strength to the team. Frank Pettyjohn (high jump), Mike Ferver (broad jump), and Aldo Magistrelli (shotput) should be a welcome addition to the freshman squad. Bill Evans (440 yard), Ed Cunningham (shotput), Fred Smith (high jump), Dick Jarvis (sprinter), Bill Colona (middle distance runner) and Lyle Carney (high jump), will enter the varsity ranks.

Carney was not in school last year but he set the freshman high jump record of 5' 8 1/2".

Hen Courtmen Face Muhlenberg Tomorrow In Finale Of Season

Larry Friedman, all around Muhlenberg court flash, figures to be in the thick of the scoring against the Hens in tomorrow night's curtain ringer.

Tomorrow night the curtain will be closed on the 1952-53 edition of the Delaware five when they engage Muhlenberg here at the Carpenter Field House. The Mules are just above the .500 mark with 11 wins and 10 setbacks, their last at the hands of St. Joseph's by a score of 79-61. The Blue Hens enter the contest with a record of 18 victories and 6 defeats. The Hens gained the MAC title for the second year in a row last Saturday with a 62-60 thriller over PMC.

Delaware jumped into the lead with 12 quick points before the Cadets could score at all. The Hens held a seven point margin at the halfway mark, and it looked as though they would coast to victory. However, in the final period, Ernie Wentzel got hot and help the Chester five to knot the score at 60 apiece.

Ray Crawford put the game in the win column for Delaware with a two-pointer three seconds from the final buzzer. Frank White led the Blue and Gold scorers with 16 points, and Crawford followed him with 14. Other scorers were Matt Lamkin (12), Pete Kelleher (11), and Don Miller (9). These five were the only Hens who played. Ernest Wentzel took scoring honors for the game with 26 points.

Tomorrow night's contest with Muhlenberg will feature the shooting of Larry Friedman, former ace from Central High in Philadelphia. Friedman in 20 games has racked up a total of 345 counters. Other starters for the Allentown five include Dick Rudolph and Bob Maxwell at forwards, Dick Eckert at center, and Jim Cutko in the other guard position.

Skip Crawford is the leading point-getter for the Delaware team with 462 points in 23 games for an average of 20.1.

Blue Hen Matmen Travel To Easton

Coach "Whitey" Burnham's 1952-53 wrestling squad, led by Captain Tom Schultz and classy Vince Stallone, ended their dual meet campaign last Saturday in fine form as they humbled Bucknell's burly Bisons 21-9. This win brought the season's record to a fine six victories, one defeat.

The Hens will wind up their season this weekend when they travel to Easton, Pa., for the Middle Atlantic Championships. Schultz will be the defending champion in the heavyweight class. The Bucknell meet saw little Neil Thomas win his first match of the year and Don Rumer show some real class as he bested previously undefeated Al Cappellini of the Bisons. Gene Holland, this year's rookie sensation, added another win to his collection in the one hundred sixty seven pound bout. Vince Stallone who ended the season like a "house on fire" scored his fourth straight first period win and definitely must be considered a threat in the Middle Atlantic.

Tom Schultz also scored a sound first period pin to show he is ready to defend his title.

Summary:

123 lb. class: Thomas (D) pinned Dear (B).
130 lb. class: Rumer (D) decisoned Cappellini (B).
137 lb. class: Cunningham (B) decisoned Collingwood (D).
147 lb. class: Reiso (B) decisoned Angelo (D).
157 lb. class: Davenport (B) decisoned Rodriguez (D).
167 lb. class: Holland (D) decisoned Bitzen (B).
177 lb. class: Stallone (D) pinned Brown (B).
Heavyweight: Schultz (D) pinned Tashy (B).

Chick 'n' Chat

By VIRGINIA WELLS

Basketball games are scheduled thick and fast for the next few weeks, so be sure to keep that third eye glued to the game schedules on the bulletin board in the main lobby of the women's gym. This season the "theme" of basketball is that of each team shooting for that elusive ole basket. The basket represents the winning score of sixteen points, while the ball is moved higher and higher up the point scale for each game won or tied. The ball is moved two points for a game won, two points for a forfeit win, one point for a tie, and no points for a loss. Up until Monday, Cannon had nosed out Eton to win their first game of the season, while Boletus triumphed over Windsor to take their "first." By next week we'll have a lot more games to report. The tournament is still wide open, and anyone can win that coveted championship. Good luck to all!

There is still a little time left to sign up for ping pong, so get busy and join up — this doesn't mean the foreign legion!!! So far, there are ten girls signed up for the singles race, while there are only three pairs working for the doubles championship. We need a lot more to make things exciting, so hurry—hurry—hurry.

The Modern Dance Club is really working all out for their big spring concert to be given April 22 and 23. The program promises to be as varied as it will be interesting, for it is destined to include a section on syncopated rhythms, dances to popular music, and many other enticing routines. We'll all be looking forward to April 22, I'm sure.

Meanwhile, the Aquatic Club girls are becoming more waterlogged with each passing day. Slowly their hair is turning to seaweed, and those bloodshot eyes "are for real!" However, they're glad to go through all this in order to bring you a super-duper show each spring. Seems like they are having a great time preparing for the show. It is coming up soon, March 24, 25, 26, so be sure to keep one of those nights free!!

Practice Begins For Vars. Football Men

Spring football practice for all varsity candidates for the 1953 football squad will begin on Monday, March 16.

A meeting will be held on Tuesday, March 10, which all those interested in participating in the spring drills should attend. Head Coach Dave Nelson expressed a desire for newcomers to come out. Last year both Tony Candelora and Marty Apostolico won varsity berths with their first efforts coming the previous spring.

The Hens have about twenty returning lettermen, but a good majority of them participate in spring sports and will not take part in the spring drills.

Equipment may be drawn from the locker room at the present time.

NOTICE

Anyone interested in varsity tennis should contact Coach Roy Rylander, who will handle the team this year. There will be a brief meeting. Contact the coach for details.

Hen Mermen Close Triumphant Season

Harry Rawstrom's splash men closed another successful season last Saturday by downing Lafayette College, 55-29. It was Rawstrom with victory in nine starts. The only defeat was suffered at the hands of Middle Atlantic Champs Lehigh. Besides Lafayette, the Hens have felled powerful Penn, LaSalle, F & M, P.M.C., Swarthmore and Temple.

To start the meet off right in the first event, co-captain Art Mayer, Bob Wagner, and George Ester set a new Delaware team and Taylor Pool record in the 300 yard medley relay by a 3:06.

Lorin Krusberg took the 220 and 440 yard freestyle in stride. Dick Goodley took the 50 yard free in a close race to the finish.

The other co-captain, Charlie Presnell, and Middle Atlantic Diving Champ broke his already existing Delaware Pool and Taylor Pool record of 85.74 with 90.11 points. The three diving judges gave Charlie's last dive 23 points. This is the most he had ever been awarded for a single dive.

Art Mayer and Ted Zutz went one, two in the back stroke, while Delaware's Bob Wagner and Tony DiMaio scored a second and third in the 200 yard breast stroke.

In the 400 yard freestyle relay the Blue Hen "make-shift" four won a disqualification by Lafayette.

This was the last dual meet in which the two captains, Art Mayer and Charlie Presnell, and George Ester will appear in a Blue and Gold uniform.

Art Mayer holds numerous pool and team in the backstroke class at Delaware and other college pools in the district. Art was Middle Atlantic Champ in the 150 yard individual medley and 200 yard backstroke last year.

Charlie Presnell, the Hens' leading diver, also holds the pool and team record at Delaware. Charlie grabbed a second in M.A. competition in his Soph Year and came away with the gold medal last year.

George Ester, the mighty monk, has posted a record in every freestyle event in the books for the freshman and varsity. His name appears in both relays, the 440 and 220; the 100 and 50.

These three departing senior athletes will figure heavily in the Middle Atlantic Championship Meet which will be held this Saturday morning, afternoon, and evening at F. & M. Delaware has a fine chance of grabbing top honors at this meet, but there is always the constant threat of Coach Christian's Lehigh mermen who sank the Hens early this year in a dual meet.

Delaware hopes to take a few first places, backed up by a few seconds and thirds to cop the meet from the Engineers. Good luck! Bring that trophy home.

300 yd. medley relay—Delaware (Mayer, Wagner, Ester). Time 3:06.
220 yd. freestyle—Krusberg (D), Plummer (L), Reynolds (D). Time 2:24.8.
50 yd. freestyle—Goodley (D), Paleologos (L), Scott (L). Time 25.6.
150 yd. ind. medley—Montague (L), Zutz (D), Iehle (L). Time: 1:46.6.
Diving—Presnell (D), McKinley (D), Devante (L). 90.11 points.
100 yd. freestyle—Quinn (L), Krusberg (D), Presnell (D). Time: 57.7.
200 yd. backstroke—Mayer (D), Zutz (D), Twining (L). Time: 2:27.
200 yd. breaststroke—Montague (L), Wagner (D), DiMaio (D). Time: 2:35.4.
440 yd. freestyle—Krusberg (D), Brown (L), Plummer (L). Time: 5:40.2.
400 yd. freestyle relay—Delaware (Goodley, McDaniel, DiMaio, McKinley).

Intramural Highlights

By FRED BROWN

The new intramural basketball champion is P. B. C. of the Delaware League. In a playoff game last Tuesday night, the P. B. C. boys dined Sigma Nu 42-39. You might say history repeated itself, for the previous week the training house boys beat the "Snakes" by the same margin. In the semi-final round Sigma Nu downed Brown Hall for the second time by a 51-44 margin. Joe Louletta was the pace setter for P. B. C. in their conquest for the game's high.

Another phase of the intramural season was completed last Thursday as Alpha Epsilon Pi copped the foul shooting contest. The men from the hill dethroned last year's winner, Sigma Nu, by cashing 114 fouls. Sigma Nu was second with 111. Each man shot 35 fouls and the AEPi team averaged 22.8 shots per man. Individual honors were shared by Marvin Balck of the winners and Bill Anonnio. Each scored 30 fouls for a new intramural record.

The overall intramural picture has had little alterations. Don Lewis of Sigma Nu has assumed a 13 point lead over Lyle Carney of Kappa Alpha, season's previous leader. The team lead still rests with Sigma Nu. The "Snakes" have amassed 273 points, 36 more than runner-up Kappa Alpha.

The swimming meet took place last Tuesday, and the results will be posted in next week's issue. Intramural volleyball started Monday and the defending champion is Kappa Alpha.

Boxing and wrestling will be held the week of March 16. The finals are March 23.

Coach Ed Bernauer is shown giving tips on running to Dante Marini while other interested members of the squad look on.

Hen Hoopsters Cop MAC Titles

For the second consecutive year, Coach Fred Emmerson has led his University of Delaware cagers to the Middle Atlantic Conference basketball title. As was the case last year, P.M.C. was the team to beat for the title again this year. The team proved equal to the occasion last Saturday night by ed-

ing a fast closing Cadet five 62-60. Skip Crawford, Delaware's all-time scoring champion, sunk the winning goal in the last twenty-five seconds for the exciting victory. Frank White, recently recovered from an ankle injury, paced the attack with 16 points while Matt Lamkin had 12 and

Kelleher 11 markers. However, scoring honors went to Earl Wentzel of the Cadets who bucketed 26 points. Wentzel was kept in check until the last quarter in which he caged 17 points.

Not to be outdone, however, is the frosh basketball squad which has copped the freshman title of the Middle Atlantic Conference. The frosh, coached by Irv Wisniewski, has swept past conference opposition undefeated and boast a winning streak. Against the P.M.C. yearlings last week the Blue Chicks had little trouble in breezing to a 75-47 verdict.

The sweep of varsity and freshman cage titles represents a record for conference schools as this is the first time in conference history that one school has captured both titles at the same time.

However, the Blue Hens are not content with merely the conference title but are striving for 19 victories this year, a new university record. This season also marks the end of three straight winning seasons which ties a record of three victorious campaigns held by the "Big Five" of the 1919-20 through 1921-22.

Coach Emmerson and the entire team should be commended for the fine record turned in this year.

Coach Ed Bernauer is shown giving tips on running to Dante Marini while other interested members of the squad look on.

Freshmen Complete Fine Court Season

Delaware's freshman basketball team continued to dominate their opposition as they downed P. M. C. 75-47 Saturday. The previous Wednesday they defeated Haverford.

With only tomorrow's contest with Muhlenberg remaining on the slate, the Frosh now have a record of 11 wins and 2 defeats, not including Wednesday's contest against Ursinus, since the results were too late for publication in *The Review* today.

Against the Cadets, four bantam Blue Hens hit the cords for double figures. Bob Hart and Dallas Green each tallied 15 times, and Jim Kinch poured in 12. Ralph Bingham lent a helping hand with 10. These four accounted for more points than P. M. C. garnered.

The Blue Hens played without the services of Dick Messick and Jack Waddington, who were out with the flu. However, Bingham and Ed Kwiatkowski more than made up for the loss.

It took a lot of engineering to make a better "grasshopper"

Engineers at Western Electric's St. Paul Shops are well pleased with their new-style "grasshopper" fuse—a small fuse used in Bell telephone central office equipment. The former model—in production for years—had been gradually refined 'til it seemed almost beyond further improvement. It was simple, inexpensive, efficient, came off the line fast. But...

It's an old Western Electric engineering custom to keep trying to make Bell telephone equipment still better, at still lower cost. The "grasshopper" was studied by a young engineer out of the University of Minnesota, Class of '40, who joined the Company in 1946. His studies indicated the most effective way to improve efficiency and cut costs further was to change the design.

Pursuing this lead the engineer and his group saw their opportunity to make an important contribution. They investigated the latest tooling techniques, new metals, finishing materials and methods, all of which are constantly under study by engineers at Western Electric plants. A simplified design, which permitted the use of the most modern tooling methods, resulted in a better fuse at lower cost that is saving thousands of dollars a year for Bell telephone companies.

There's an endless stream of such challenging assignments at Western Electric. Engineers of varied skills—mechanical, electrical, civil, chemical, metallurgical—find real satisfaction in working together on the important job of providing equipment for the best telephone service on earth.

How the grasshopper fuse works

Small fuses like this are used by the millions to protect certain telephone central office circuits against current overloads. Odd in appearance, the fuse is called the "grasshopper" because of its spring which is released when the fuse blows, displaying an indicator "flag" in open view and tripping an alarm so the trouble can be spotted and corrected at once.

Engineer and punch press operator check production of parts for newly designed grasshopper fuse.

A UNIT OF THE BELL SYSTEM SINCE 1882

ROTC STUDENTS ATTEND CAMP THIS SUMMER

Colonel Joseph B. Hafer, Professor of Military Science and Tactics, announced today that seventy-two advanced ROTC students of the university will attend military camp this summer. Fifty-two will attend the Anti-Aircraft Artillery ROTC camp at Fort Bliss, Texas, and twenty will attend the Chemical Corps ROTC camp at Fort McClellan, Alabama. Both camps will begin June 20 and end July 31.

Fort Bliss, home of the Anti-aircraft and Guided Missiles Center, will have approximately 1500 anti-aircraft artillery ROTC students from the entire United States and Puerto Rico. During the six weeks period, the Delaware students will receive a practical and intensive course in anti-aircraft artillery, to include firing of the 40-mm and the .50 caliber light anti-aircraft artillery and the 90-mm gun at the various desert firing ranges.

The twenty Chemical Corps students will receive intensive courses in the study and investigation of toxicological warfare, including chemical, biological, and radiological warfare and defense.

In addition to the seventy-two students scheduled to attend the summer ROTC camps, two officers and six enlisted members of the staff of the Military Department at the university are scheduled to attend the following camps in the capacity of instructors:

Lt. Colonel Chester Dombrowski, Chemical Corps ROTC Camp, Fort McClellan, Alabama; Lt. Colonel Bernard I. Greenberg, AAA ROTC Camp, Fort Bliss, Texas; Master Sergeant Edwin J. Crosby, Jr., Infantry ROTC Camp, Fort Meade, Maryland; Master Sergeant Charles Dohrens, Ordnance ROTC Camp, Aberdeen Proving Grounds, Maryland; Master Sergeant Benjamin H. Evans, AAA ROTC Camp, Fort Bliss, Texas; Master Sergeant Marvin L. England, AAA ROTC Camp, Fort Bliss, Texas; Sergeant First Class William J. Fanning, Chemical Corps ROTC Camp, Fort McClellan, Alabama; Master Sergeant Ronald A. McLain, Chemical Corps ROTC Camp, Fort McClellan, Alabama.

The government will furnish transportation to and from the various camps, and the student will also receive the pay of an enlisted man during the camp.

The writers of this column feel it's about time we either make a few apologies or explain about the frequent inaccuracies that appear in this column.

It is not due to any malice on our part . . . please believe us! We either get some misinformation which people SWEAR IS TRUE, some gremlin in the office adds or cuts words, or else we just get bored and try to be funny and people misunderstand. Sad, ain't it?

We thought perhaps any item you particularly want included in the future could be put in the Review Office with a suitable note attached.

Frenchtown entertained a mob of UDs on Saturday nite. For the benefit of those who like to see their names in print, we hereby submit a partial list of those present: Don Rittenhouse and Faye Meredith, Tony and Franny, Lois

Mary Little and Tony Mitchell, leads in the new E-52 production, "Bloomer Girl," which opens Tuesday night on Mitchell Hall stage.

Four Faculty Sub-Committees Plan Campus Cultural Activity

The Cultural Activities Committee was instituted in 1948 by faculty action as a standing committee of the university. It was the result of a committee formed in 1947 by Dr. Carlson, who was then President of the university, to make a thorough study with recommendations of the cultural activities on campus. The research done by the formative committee, including considerable correspondence and many visits to other institutions, discovered a need "to stimulate and promote the establishment of activities which would enhance the cultural life of the university community." These functions have been carried out by four sub-committees: the Sub-committee on Art Projects, the Sub-committee on University Hour and Visiting Scholars, the Sub-committee on Artist Series, and the Sub-committee on the Bookstore.

At the present time the committee consists of twelve faculty

members and four students, who are appointed each year by the Student Government Association.

One student is assigned each year to each of the sub-committees. From time to time the various sub-committees call upon other faculty members to meet with them, and student opinion is at all times requested and welcome. On several occasions there have been special meetings with representatives of the Student Government Association. The Committee also has had a delegate on the Committee for Coordination of Student Affairs.

The Sub-committee on Artist Series is charged with two major responsibilities, the first of which is naturally the presentation of the Artist Series Concerts. Other related music projects are also conducted by this sub-committee; such as: the purchase of phonograph records which are placed in the library for university and community

NEATH THE ARCHES

by Dave Allen and M. E. Bull

and O. E. Schupp, Bill Phillips and Julie Richardson, Dean Dahlen and C. Goodley, Don Rumer and Jan Smith, and a lot of stags. Whatsa da mat, boys? No money?

In passing: Carrie Weimer and Irv saying "hi!" to the folksies at the game.

Friday afternoon matinees being indulged in by the gals of South Campus . . . Marty Apostolico and Charlie Sullivan taking a long walk along with 10 others on March 7 . . . John DeVries' guest, Debbie Damon, watching

Jazzy organ music at Linton's? . . . Why doesn't somebody ask Billy Valler what happened to his birthday surprise? . . . With all the beautiful girls in Topsy, why didn't they put someone up for Cherry Blossom Princess? . . . AEPI's Buccaneer's Ball called on account of late chaperone sheet.

Place of the Week: The Infirmary.

Pinned: Cec Kerchoff and Skip Crawford; Pug Dobb and Bob Sweezy.

Co-ed: "I'm not asking anything for myself, God, but please send my mother a son-in-law."

SHOCKING!

By

BATTERY

The little bear sleeps in his little bear skin; he sleeps very well I am told. Last night I slept in my little bear skin and I got a heck of a flu. "Hey, Mac, you goin' to the dance this weekend?" "Nope can't make it, my date went home, sick" . . . It's not who you know, it's your knows (pardon me, nose). Seemed like everyone's pastime these days is being sick—I escaped, both roommates went home, but I stayed down and boozed it up—oops, sorry, dean, I'll whisper next time . . . Nothing like a few good shots to keep your ills away. A way down yonder in New Orleans is where I wish I was but I'm not, I'm here at Delaware with a bunch of susceptibles. AWAY MEN, and girls—TO FLORIDA!!!—as POGO says, "Skmx compms rmpsp poot sorta gbx!"

"A fresh guy tried to pick me up on the street yesterday. Boy, what an apartment he's got."

"Do you like bathing girls?" "I don't know, I never bathed any."

She: "How was your party last night?"

Voice on the phone: "We're having a fine time."

The college athlete was having trouble dancing with a lovely, but rather prim, partner. After stepping on her toes a few times, he ventured an apology:

"Sorry, I guess I'm a bit stiff from lacrosse."

"Well!" sniffed the haughty lovely, "I never would have danced with you if I'd known you were drinking!"

Guy: "I'd like to see your stockings—"

Gal: "Sir—"

Guy: "—that are on sale."

Gal: "—tainly."

Private Educators

(Continued from Page 1)

of Education and a graduate of the University of Delaware; Mrs. Marjorie S. Johnson, supervisor of the Reading Clinic Laboratory School, Temple University; Mr. Wilbur Scott Hoopengardner, Director of Instruction for the Board of Education of Washington County, Hagerstown, Maryland; and Mr. Charles W. Whyland, principal of the Glen Burnie High School, Glen Burnie, Maryland. Mrs. Patterson will participate in a discussion, "Directing Reading Activities."

Mrs. Johnson will be one of three prominent educators on a similar panel devoted to reading activities at the secondary level. She is consultant for the Maryland State Department of Education and a regular contributor to educational publications.

Mr. Hoopengardner will participate in the panel on "Organizing and Developing Reading Programs." He is a graduate of the Frostburg State Teachers College and was awarded a master's degree by Columbia University Teachers College, continuing his graduate work at the University of Maryland and Boston University.

Mr. Whyland will take part in a panel discussion of "Directing Reading in Different Curriculum Areas." He received his bachelor's degree from the St. Johns College of Annapolis and his master's degree in education from Johns Hopkins University. He is a member of the Maryland State Teachers Association, National Education Association and the National Association of Secondary School Principals.

Reservations may be made by contacting the Reading Clinic at the University of Delaware. In order to encourage student attendance, a special student registration fee of \$.50 will be charged. The annual conference luncheon will be served on Saturday, March 7, at 12 noon in the cafeteria of the high school.

A girl's clothes are at their best when she feels the coolest and looks the hottest.

"I get twice as much sleep as you do."

"No wonder—you have twice as many classes as I do."

A small porcupine was taking a morning walk. Suddenly he stepped back into a cactus plant and asked, "It that you, ma?"

"And where is Cadet Smith?" "A.W.O.L. — after women or liquor."

"Is that girl's dress torn, or am I seeing things?" "Yes!"

Reviewing

(Continued from Page 2)

FOUR YEARS AGO . . . The Review of four years ago carried the following news—

The E-52 players revealed at this time their plan to present the first musical in Mitchell Hall, the title, "Again It's Yesterday." Dr. Kase remarked, "'Again It's Yesterday' is being presented because it fulfills a long felt desire for a musical on this campus."

March 2, 1949, marked the formal installation of Delaware chapter of Alpha Tau Omega fraternity. The speakers included Col. John M. MacGregor, national president of the fraternity; the university president, Mr. William Carlson; and Mr. George H. Loving, the sponsor of the group.

March 12, 1949 marked the appearance of Woody Herman and his band, here on the Delaware campus for the annual Spring Formal. Tickets—\$4.00 a couple.

Other Headlines . . .

It was announced that the finals of the Delaware Play Festival were to be held on campus April 18 and 19.

The Delaware Scholastic Press Association met in Mitchell Hall on March 4, 1949. The role of student journalists in America free press was stressed at this annual conference.

TWO YEARS AGO . . .

"Finian's Rainbow" was chosen as the annual musical comedy to be presented in 1951. The University was probably one of the first non-professional groups to present this since it had just been released for amateur production.

Mr. David A. Nelson, head football coach at the University of Maine, was appointed as head football coach and Director of Athletics at Delaware.

The annual Education Conference was held at the University on March 3 and 4. Several hundred teachers from all sections of the state heard talks by prominent educators on the theme: "Reading Instruction in the Total School Program."

Other Headlines . . .

The Deadline for SGA nominations was March 9.

Petitions for Nomination for Cherry Blossom Queen had to be turned in by March 5.

Tassel Sponsors Bridge

Tassel, the senior women's honor society at the university, will hold its annual benefit bridge on Saturday, March 7 at 2 p.m. The benefit will be held in the faculty room in the basement of Warner Hall. The admission is 50 cents for students and one dollar for non-students.

Prizes will be awarded to the winner at each table. There will also be a door prize awarded. Refreshments will be served during the afternoon. Come and spend an enjoyable afternoon playing bridge. Please bring your own cards.

Anyone interested please contact Doris Simon. Write Box 1272 or phone Newark 2965.

Four Faculty

(Continued from Page 6)

use, the purchase of music scores, and the sponsoring of presentations of special recitals, concerts, and musical activities.

The University Hour Subcommittee selects and brings to the campus speakers of reputation for the University Hour sessions, and also for evening platform appearances, which reach larger community audiences. It procures films of generally higher quality than those offered in commercial movie houses and shows them at no admission charge on the university campus.

Three separate responsibilities are delegated to the Subcommittee on Art Projects. They are the Permanent Collection of Originals owned by the university, the exhibitions lent by various larger art galleries, and the Student Lending Collection.

The Subcommittee on the Bookstore mainly deals with the responsibilities of policy in the Trade Book Section of the University Bookstore.

WESLEYAN, CONNECTICUT

Tyson, Dutch Student, Collects Funds to Relieve Homeland

Frank Tyson, born in Hague and now a Wesleyan freshman, remembers Holland rebuilding from the inundation of the war. With the help of Wesleyan students, Frank wants to see Holland rebuild from the recent inundation of the sea. He believes she can do it.

Frank learned that his family was safe, although the outskirts of his town were under water. Frank received letter upon letter from his friends describing to him in detail the devastation of Holland. Frank felt he must do something. He brought his ideas to the student body. With the help of many students, Frank posted appeals to the Wesleyan Community for financial assistance to Holland. Wesleyan responded generously to Frank's appeal for aid. As Frank put it, "It will be put to good use."

DAVIDSON COLLEGE

Students Sean Skies; Sight Several

The Davidson College ROTC 32 class went into action when they took part in "Operation Sky-Scan," an operation planned to train both townspeople and students in watching for enemy planes. Townspeople are being trained for duty in the summer months when ROTC is not functioning.

Tom Legion, who was chief watcher, said that about 50 planes were spotted over Davidson in the five hour period. From present reports, it is concluded that the Davidson "Sky-Scanners" are rated at the top in efficiency, speed, and observance in this district.

**Greek Column
Kappa Alpha**

Greetings everyone from the Castle. The old homestead on 19 Amstel has undergone a thorough interior facelifting. Thanks to the supervision of Brothers Wilson and Harrington, all the downstairs rooms have newly painted walls. Also if you will excuse the pun, everyone is getting a charge from the new rugs.

Belated bouquets to Jack "Movie-tone" Ryan and Franny DiRocco on their recent pinning. We knew that those frequent trips to Wilmington would bring results.

Congratulations to the basketball team on the close win over PMC. Seen after the game at the Hilltop were Pete "Banana Boy" Runkle and Gail Conway; Ken Smith and Jackie Hackett; Paul Hodgson and Jean Sloman; and Dick "Igor" Thompson and Joan Steinmetz. The "birdog" patrol was also there in force, led by such stalwarts as Frank "Sot" Hayes and the inimitable "Podmo" Knapp.

Our sincere congratulations to the fine group of men whom K. A. pledged this year. We welcome you as prospective brothers.

We proudly announce that lovely Shirley Thomas has been selected as the K. A.'s choice for Cherry Blossom Princess. We wish you the best of luck.

Alpha Epsilon Pi

This week AEPi welcomed into pledgeship twelve men. We all wish them the best of luck.

Due to the virus epidemic, many of the men went home, and if they didn't, their dates did. Among the brothers who appeared at the basketball game stag were Carl Goldenberg, Lenny Rosenbaum, and Ted Zutz.

Some of the fortunates who managed to get dates went out to The Playhouse Saturday night to see "I Found April." In the group were Dave (Oaf) Schulman and Lee (It's You) Lang, Leo Zuckerman, and Gerry Weinroth, along with Harvey Porter and Lois.

Sunday saw a crew of the brothers migrating to Atlantic City for various reasons. Allen Jacobs, Hank Bertuch, and Dick Okonow all took in some of the salty air.

To round out the weekend Alf (Prexy) Isaacs and Ellie Nathan

**A Southern belle once said to me,
'I'd like to tell you—all
That I smoke Luckies 'cause they're free
And easy on the draw!'**

Richard H. Levine
University of Vermont

Nothing-no, nothing-beats better taste

and **LUCKIES TASTE BETTER!**

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?
You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy-GO LUCKY!

In spelling class we get high grades
Because we plainly see
That better-tasting cigarettes
Spell L.S./M.F.T.

Margaret Johnson
Duquesne University

**I went to see the Registrar—
He sent me to the Dean.
The Dean said, "Son, smoke Lucky Strike—
They're smooth! They're fresh! They're clean!"**

William A. Spiegler
Northwestern University

Where's your jingle?
It's easier than you think to make \$25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay \$25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.

took in the hot spots in Philly Saturday night.

Alpha Tau Omega

Best of luck to Art Johnson, Stan Crewe, and Art Holveck, who were initiated last Sunday. The new officers were also installed. We are looking forward to a great year under the "new regime." Following the ceremonies, a large contingent traveled to the Glass Kitchen for a terrific meal.

This weekend most of the Alpha Tau's are traveling to our Muhlenberg chapter in Allentown, Pa., for our biannual convale. This promises to be one of the best times of the year, as we will be meeting with brothers from nine other chapters. The schedule calls for a banquet, a dance, and a "beverage" party among other events.

Our very deepest thanks to the retiring officers for so ably guiding us throughout the past year.

Sigma Nu

Sigma Nu is happy to welcome into pledgship: Jay Badgely, Tom Baker, Rex Barber, Dale Boyd, Pete Brosius, Clark Carbaugh, Al Dougherty, Tom Duff, Mike Ferwer, Ron Haines, Bob Hines, John Hopkins, John Kennedy, Bud Kimmel, Bill Lotter, Bob Manolakis, George McBride, Jack Miller, Frank Pettyjohn, Dave Sharp, Bob Strouss, Jim Swyler, Dave Tate, Dick Taylor, Ed White, Sandy Whitney, and Dave Wood.

Delta Kappa's contribution to Sigma Nu's nationwide annual service week was commenced last Saturday as 34 of the brothers and pledges helped rebuild a local orphanage's barn. The organized chaos produced quite a bit of results, surprisingly enough. At least, two more Saturdays will be spent at the orphanage. Maybe this will make better carpenters of the boys.

Theta Chi

Congratulations to newly initiated brothers Miller, Oves, and Yokis. The brothers of Alpha XI will venture to U. of Maryland this coming weekend to participate in the annual regional championships.

Pledge Joe Evan received the red heart award for breaking the sound barrier.

Seen at the game: Jim Meyer and Mary Jane Horty, Tom Fannon and Janet Leary, Joe Miller and Faye Green, John Allen and Dot Horty, Ed Cunningham and Ginny Carmer, Rocky Carzo and Terry McDermott, Dev. McCarthy and "Snooky" Larkin.

The brothers will venture to Lehigh on March 28 to attend the annual convention. The boys on the hill all seem to be coming along well with their chin foliage. The new pledges have already begun to ready the house for the annual "Bowery Brawl."

Pi Kappa Alpha

A great sigh of relief was heard at the end of last week coming from the Pi Kap house on top of the hill. This sigh came from the brothers who are now resting after a very successful rushing season, from the six new brothers, and from the old pledges who now find they do not have to carry on so much of the working load.

Congratulations are due to the six new Pi Kaps, who were initiated last week. They are Herb Hackman, Tom Redfield, Bob Cornwell, Remo Mazzetti, Walt Timm, and Steve Butcher. We especially congratulate Herb and Steve, who waited so long for their initiation that we were about to make them life-long pledges, and to Tom, who was awarded the Outstanding Pledge Award.

To the seven new pledges: Biff Eason, Bob Staib, Bill Halley, Reese Savage, George Vanech, Dick Singley, and Don Learn, we extend a hearty welcome to the Pike fold.

Delta Tau Delta

This past weekend saw pledges Al Tanyer, Bob King and Jack Pollock "questing" in the general area of Washington and the University of Maryland. Al thrilled the sorority girls with his tango lessons; Bob had a little difficulty filling "Little Mo's" football uniform; and Jack got some odd responses when collecting autographs in Lafayette Square. Saturday night the three joined over a dozen brothers at the National Press Club for the annual Founders' Day Dinner sponsored

by our National Capital Alumni Association. At the dinner Dorrance Barrell was awarded a plaque as the outstanding undergraduate of Delaware's Delta Upsilon Chapter. On the return home, several cars passed through Baltimore, and Eggie is still hunting for the mirage he saw at the Oasis.

Due for praise is the fine spirit shown by our new pledge class. Lee Rice was also pledged shortly after the regular rushing period ended.

"Things were rough in '52,

But nothing now can top the flu."

Cherry Blossom

(Continued from Page 1)

Margie Brennan, a junior English major. Mary Lou Bice was nominated by Warner Hall and is an elementary ed. junior. Patricia Phillips was nominated by Delta Tau Delta and is a music major.

The festival will take place in Washington, D. C. on April 8 through 12. The News-Journal Company will be hosts to the Princess and her family on the trip.

A sample ballot is on the front page of the Review.

Campus capers call for Coke

No matter if the big act goes wrong, you can't beat a skating party on a winter night. Be sure there's Coke along... for refreshment.
