Dear Sister

I think you like to hear the
news Rachel Whiteley is dead
she died very sudden last night -
at eleven o'clock she went to Dover
yesterday last night at 9 1/2 o'clock
she was up to see Mrs Young ~~at~~ and
had her valise packed to visit -
her and the box to day so she died a
runing. it was not coming to my
house that killed her as Lizzie
would not let her come she tried
to make you believe that is what
killed Mother

Yours truly
John W Hall Jr

P.S. We are expecting to see you and
the children next week and are
all prepared for you I mean
Lizzie and myself
