ADDRESS OFFICIAL COMMUNICATIONS TO
THE SECRETARY OF STATE
WASHINGTON, D. C.

DEPARTMENT OF STATE
WASHINGTON

H - Letter (Cohn)

January 17, 1939.

Dear Friend: Luncheon

Dr. Josef Cohn, who is in this country in connection with the movement for the furthering of Jewish interests in Palestine, came to see me late last evening with a word of introduction from you. Unfortunately he came to Washington at a time when the oral examinations for the Foreign Service are in progress and, with the best will in the world, I could have but very little time with him. I am, however, keeping in constant touch with all the problems in which Dr. Cohn is interested and I think I need not tell you that his problem and so many other related ones are receiving our earnest attention in this Department.

I wrote you yesterday to say how pleased Mrs. Messersmith and I are to know that you are planning to come over towards the end of this month and how much we look forward to seeing you. I do hope Mrs. Heineman will be coming with you and I am sure she would enjoy a visit with us here in Washington while you are going about attending to some of the things in which you are interested.

With all good wishes,

Faithfully yours,

D. N. Heineman, Esquire,
38, Rue de Naples,
Brussels, Belgium.
