that - as long as it does
not cause the real Mexican
I had for over a week until yesterday.

Marian's sister is still here with
her friends and the story in Mexico is
doing her a lot of good. She returns to
Wilmington April 3. Marian + I will be
in Cuernavaca all this week and
go to the City April 1. I hope by that
time to have the Colites whipped
again for a while.

I'm sure you all are looking for-
ward to your trip in April and I
think you will enjoy it. This is just
a short note and I hope to write
you at more length next week
when I have the opportunity to
dictate to my secretary in Mexico
City.
I do want to tell you however,

that Clarence Street, who was
for years with the New York Times,
and left it some years ago to
devote himself to the Magazine
"Freedom + Union", published in
Washington, came to see me yesterday

to have him call on you
at Greenwich some time when
he is in Venetia and Erth of
you would find it interesting to
exchange views. He shares the admiration
you & I and so many others have for
Adenauer & hopes to have the opportunity
of talking with him some time. Street
knows most of the important people in
the American picture.

I took the liberty of giving him your
address & telephone number. He knows a
good deal about you, and is keenly
interested in spending a few hours
with you. As I said before, I think it
will be very interesting for him, and I
think you will enjoy talking
with him.
