Dear Dannie:

J. B. Avegno has sent me a clipping from the New York Times of November 22nd, an excellent article by George H. Morison from Zurich under the date line of November 21st, "Chade Price Fall Held Groundless". I am sure you have seen it and I have written a note to Avegno thanking him for sending me the clipping. I do not know who is responsible for this article, but it seems to me a factual and helpful one. I would not be surprised if Samuels may not have furnished the information. It is not often that so factual an article is written in the press on a matter of this kind.

Believe me with all good wishes,

Cordially and faithfully yours,

George S. Messersmith  
Chairman of the Board
