

PERSONAL

~~For~~ Ambassador Armour

I will appreciate very much your receiving Mr. Brosens, the General Manager of the CADE, who desires to see you on what I consider a very urgent matter which ~~my~~ very good friend, Dannie Heineman, brought to my attention last evening and in which I believe you will be very much interested and will be able to do something. I am writing you by airmail.

A handwritten signature in cursive script, appearing to read "Messersmith", with a long horizontal line extending to the right from the end of the signature.
