DEMOCRAT  
CHRIS  
**COONS**  
New Castle **County Executive**

*In the September 9th Democratic Primary,*  
**KEEP NEW CASTLE COUNTY  
MOVING FORWARD.**

*From restoring fiscal responsibility  
and creating good-paying jobs  
to investing in our parks,  
libraries and first responders...*

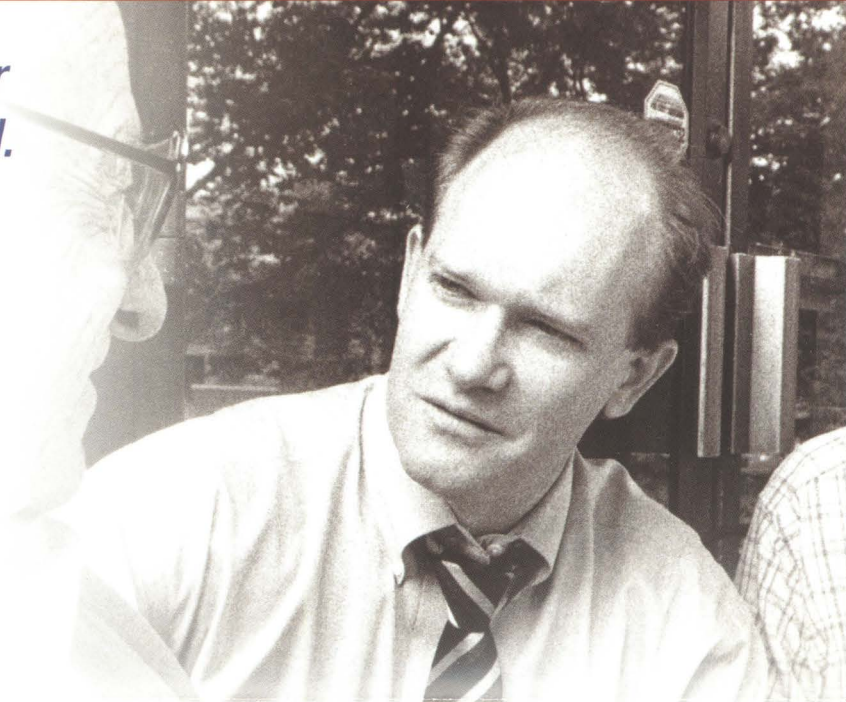

*Four years ago, the New Castle County Executive's office was in disarray...*

*Overrun by mismanagement, investigations into abuse of office and a loss of public trust - the administration of Tom Gordon and Sherry Freebery was an embarrassment.*

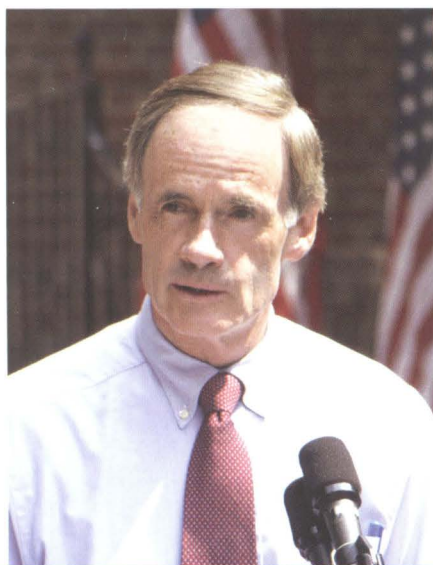

***Thankfully, Chris Coons took over and is turning our County around.***

Chris led the fight for change. He restored fiscal responsibility and accountability to county government and turned the focus to revitalizing our neighborhoods and local parks, investing in public safety and building new libraries. Chris will continue improving our quality of life by expanding community programs and reinvesting in neighborhood parks, while making our communities safer through innovative partnerships that target drugs and violence.
