Electricity certainly has taken a great many of the hard, laborious housecleaning tasks away from the homemaker since the days when grandma's rug cleaning was done with a "beater"—and a strong arm. At best, "housecleaning time" is still a much dreaded time of year. But it needn't be. Low-cost, dependable electric service is always ready to make each job easier... ready to lend a hand—or a dozen hands—to relieve you of drudgery. It does the laundering automatically while you are using your vacuum cleaner on the rugs, waxing the floors, or going about your other many tasks—electrically, of course. And, all the while, you can be entertained while you work. Your electric radio, of course. Every day in a great many ways, electricity is serving and saving... making your life pleasanter, easier, more comfortable than ever before.

STATE AAUW PARLEY HERE

Mrs. George W. Rigby, of Wilmington, was elected president of the Delaware State Division of the A. A. U. W. at the annual conference of the division last Saturday at the University of Delaware. Other officers elected were Mrs. Lynn Waller, of Seaford, vice-president; Miss Estelle Wheelock, of Newark, secretary; and Miss Caroline Boldt, of Dover, treasurer.

Miss Angelle Prevot, of Paris, who is doing graduate work at Johns Hopkins University in X-ray spectroscopy as holder of an A. A. U. W. foreign study grant, was the principal speaker at the luncheon session held in the Newark Presbyterian Church.

A feature of the afternoon session was the report of the A. A. U. W. educational committee headed by Mrs. Bert S. Norling. During last November and December, 98 members of the Delaware Division, including several from the Newark Branch, visited every public school in Delaware to examine its physical facilities. The survey was made under the auspices of the Delaware Council for Education.

A number of startling facts on school conditions were revealed in the report. Forty eight of the 164 public school buildings in the state are one-teacher schools, she said, with 22 of these forced to use kerosene lamps due to lack of electricity. At least 15 have outside toilets. 30 have no soap, and only 85, or fifty per cent of the total, have a cafeteria or facilities for providing hot lunches.

The principal speaker of the afternoon meeting was Dr. Joseph S. Gould, chief of the Economic Resources and Market Staff Research Department of the International Bank. Discussing the international bank and economic reconstruction, Dr. Gould stressed the importance of developing backward areas and the untapped natural resources of more progressive nations in order to maintain the stability of world trade. The United States, he said, must be assured of continued prosperity only through the revival of international commerce through private enterprise.

The conference closed with a tea in Warner Hall with members of the Newark Branch as hostesses.

Mrs. C. M. Olson, of Newark, was general chairman of the conference, with Mrs. George Rigby, Mrs. Frank Wezey, Mrs. Harry Sedwick, and Mrs. D. Myrea making up the program committee. Mrs. Raymond Heim is chairman of the hospitality committee for the Newark Branch.

The following study group meetings are listed for the coming week:

The Arts and Crafts group will meet on Tuesday, April 27, at 7:30 p. m. in the art room of the high school.

The Music Group will meet on Wednesday, April 28, at 8 p. m. at the home of Mrs. A. B. Miller, 107 Briar Lane. Mr. Edward Lawson will discuss Beethoven's 9th Symphony.

Princeton Seminary Choir to Sing at Presbyterian Church

A choir of twenty-five young men, all of them students for the Christian ministry, will sing a program of the world's great choral music at the 11 a. m. services Sunday at the First Presbyterian Church. The group will be led by Dr. David Hugh Jones, Director of Music at Princeton Theological Seminary and a member of the faculty of Westminster Choir College.

AIR FIELD IS TOURED

NHS Officials Visit Airbase

Superintendent Wilmer E. Shue, principal Frederick B. Kutz and Miss Jennie Smith represented the Newark Schools at an Aeronautical Educational Institute recently at the New Castle County Airport.

Purpose of the event, sponsored by the State Department of Public Instruction in conjunction with the CAA, was to acquaint educators with latest achievements in aviation in order to work such material into the modern school curriculum. The schoolmen got a first-hand, behind-the-scenes view of what goes on at a modern airport.

Talks were given by state education officials and aviation authorities. Afterwards, the visiting educators made a tour of the field, including the TWA hangers, shops, weather bureau, control tower and the CAP planning center.

Climax of the afternoon for the educators was a short ride in an Eastern Airlines luxury liner, provided for the occasion by Capt. Eddie Rickenbacker.

VFW PLAN IS GAINING

3 Civic Clubs Offer Support

Seeking aid in their campaign to erect a permanent war memorial here, representatives of the local V. F. W. this week addressed a number of civic clubs, including the American Legion, the Junior Chamber of Commerce and the Lions Club.

The reaction in all quarters was favorable, V. F. W. officials said, adding that the Jaycees went so far as to offer to stage a canvass of local business houses to secure the funds, if necessary.

Speaker at the Legion session was Ren Geoge, while Claude Galyen addressed the Jaycees and Joe Crossan the Lions.

According to William Coverdale, memorial committee chairman, the V. F. W. feels certain on the basis of town response that a memorial befitting Newark's veterans will be established here.

Suggestions on the project, made at several meetings, will be worked in the final plans, they said.

Zeitler Owned Guernsey Sets State Champion Mark

Elizabeth Zeitler, Glasgow, has made a state champion record on her registered Guernsey cow, Sister Sue of Green Acres. Sue's production of 16,077 pounds of milk and 900 pounds of butterfat is the highest record in the state made by a five-year-old milked three times daily for a ten-month period.

WOMEN AT U. OF D. SEEK ROOMS HERE

Looking For Off Campus Quarters

Rooms in Newark homes for out-of-state girls who will be attending the University of Delaware next fall are being sought by Miss Amy Restrew, dean of women at the university.

Miss Restrew said that in the present year, the first in which women students have been permitted to live off-campus, 43 girls have lived in Newark residences because of the extreme shortage of dormitory space.

In the school year beginning in

September, said the dean, as many girls, or more, will be seeking off-campus rooms. She reported a good rate of acceptances among residents to date, and urged that any Newark residents with a room available inform her at the university. After the university has approved a room, she said, the final agreement, including rate, is subject to arrangement between the owner and the student.

New out-of-state students are admitted only on condition that they find housing off-campus. Miss Restrew pointed out and "while we don't guarantee to find the housing, the students naturally look to us for help."

MILITARY BALL POSTPONED

The Military Ball of the ROTC of the University of Delaware, which was being sponsored by the recently-formed Scabbard and Blade military honor society, has been called off because of lack of time to complete necessary arrangements. The formal affair would have been held this Saturday.

Letter To Editor

C. C. Hubert Makes Retiring Statement

April 19, 1948

To The Citizens of Newark:

In leaving the office of Mayor I wish to thank you for your many courtesies extended me while in office for the past twenty years, and wish to submit the following statement for your consideration:

When I first became a member of Council in 1928, the bonded indebtedness of Newark amounted to \$262,500.00. This amount was finally paid off during the Fiscal year ending February 28, 1942.

The light and power customers have increased in the past twenty years from 960 to 1700 and the water consumed from 942 to 1350.

I am pleased to report that the members of your Council have managed to keep Newark free of debt and have yet placed in Newark as one of the most progressive towns in our State at a minimum of expense to our citizens and freeholders.

I am pleased to present to the citizens and freeholders of Newark, the president of Council's report for the Fiscal year ending February 29, 1948.

Not since 1927 and 1928 has the Council of Newark made as many improvements to the utilities and sewer system as were made during the past two years.

The largest and most important project in process is the constructing of the "North Side" sanitary sewer. The contract price for this project being \$75,661.98, of which \$33,406.94 has been paid to date.

The electric distribution has been greatly improved by the construction of larger size primary feeders and the constructing of an auxiliary primary feeder on East Delaware Avenue. The work is still in progress and on being completed, Newark's electric distribution system will be suitable for a fifty to twenty year growth. The cost of this work to date is about \$17,000.00.

The water distribution system was improved at a cost of \$18,359.33. This mainly consisted of the extension of mains and the cost of connecting to the Delaware Water Company for an auxiliary supply of water.

Improvements to the sanitary sewer plant which included the erection of a wire protective fence around the plant, cost \$8,000.00.

In all, the total amount of money returned to capital accounts for the year was \$88,734.87.

Street improvements for the year as contracted for amounted to \$20,060.18.

Excess of revenues over expenditures of the Light and Power Department was \$75,076.25, and the Water Department \$24,507.24.

Of this amount it was necessary to use \$60,496.84 for deficit coverage of the Street, Sewer and Police Departments.

\$70,000,000 of U. S. Treasury Bonds were sold and invested in Capital outlays.

The present condition of our water

and electric distribution system have been greatly improved all to the benefit of our consumers, and the improvements to present sanitary sewer system will be of great benefit to the general welfare of our citizens.

The financial condition of the Town is as follows, as of February 29, 1948:
U. S. Treasury Bonds \$30,000.00
Cash in Newark Trust Company 4,391.73
Cash in Farmers Trust Company 5,436.38
Newark Trust Company,
Sewer account 234.69
Cash Drawer 100.00
Petty Cash 125.00
Total \$40,288.00

Again thanking you for your cooperation, I wish to remain
Yours very truly,
C. C. HUBERT.

An oratory contest for local school students, sponsored by Osceola Lodge, No. 5, Knights of Pythias, will be held in Fraternal Hall on Monday night, April 26 at 8:45 p. m.

The winner of the competition here will represent the lodge in a District Contest. Finalists there will go into sub-district contest in Toledo, Ohio, May 2; the final contest will be held at Milwaukee, Wis., in August where the first prize will be a \$1,000 scholarship. Scholarships of \$250 will be given the next five finalists.

The speeches, limited to 10 minutes, will be on "The Debt of the Modern World to Ancient Greece." The public is invited to attend the local contest.

Chicago School Teach Tolerance

A group of Chicago women has opened a campaign to promote the teaching of human relations in the nation's schools.

The women's division of American Brotherhood, formerly the National Conference of Christians and Jews, has urged that textbooks be published, and teachers trained in the subject.

Platinum Cost Up \$26 In Two Weeks

Platinum shot up another \$12 an ounce last week, for a total advance of \$26 in two weeks.

Dealers here quoted the white metal at \$98 an ounce wholesale and \$101 retail. This was the highest price since 1927, when it sold at \$104.38.

EDUCATORS' PARLEY HERE ON SATURDAY TO DRAW 300

Smaller Meet To Follow General U. Of D. Session

Following a general session in Mitchell Hall the 300 or more state educators expected on the campus of the University of Delaware on Saturday, for the annual State Educational Conference will divide into smaller groups for sectional meetings, it has been announced by Dr. W. Earl Armstrong, dean of the School of Education, who is in charge of program plans.

Five such sectional meetings have been arranged. James B. Owen, of Georgetown High School, will serve as chairman for a meeting on "Guidance," for which Dr. Stanley Ostrom, State Supervisor of Guidance, and Dr. Henry Weitz, director of the University of Delaware's Veterans Guidance Center, will be discussion leaders. This group will meet in Mitchell Hall at 10:45.

At the same hour in Room 206 Wolf Hall, Dr. John C. Robertson, assistant professor of Secondary Education at Temple University, will lead a discussion of the "Secondary School Curriculum." Chairman for this group will be Edward Minka of Claymont High School.

"Teacher-Pupil Planning" will be the topic in Room 216, Wolf Hall, with Mary Lynn, of Bayard Junior High School as chairman. Dr. Armstrong of the host university will guide the discussion.

A similar discussion involving the articulation of high school and college will be led by Dean J. Conrad Seegers, of Teachers College, Temple University. Clarence A. Fulmer, principal of Wilmington High School, will preside over this meeting.

Rained out of their scheduled game with Johns Hopkins at Baltimore on April 14th, Delaware's Blue Hens did considerable pouring on of their own last Saturday at Bethlehem, Pa. Drenched by the Hens' torrent of 15 hits were the Lehigh Engineers. After being shut-out for five innings, and trailing 1-0 at that stage of the contest, Shack Martin's men mauled the opposing moundsmen during the four remaining stanzas to register a 13-1 win and balance their season's ledger at 3-1. Each man in the Delaware line-up swatted out at least one safety and Albie Thorpe and Billy Cole bolstered their batting averages with three bingles each.

Having sharpened up their spirits and their batting eyes at the expense of the Lehigh twirlers, the Blue Hens should be "up" for their three important ball games this week. First they take a short journey to Swarthmore on Wednesday (21st) to meet the Little Quakers in a Middle Atlantic Conference tilt. Then on the following day they make their first appearance before the local fans on Frazer Field with West Chester Teachers as the opposition. On Saturday afternoon Washington College comes to town for the first of a home and away series with the Sho'men.

Washington College is always tough for the Delawareans to take, but it looks as though the two preceding games will be even stronger tests for the Hens. In their last outing the Little Quakers made a good showing before being edged 7-5 by the Army at West Point. But it is almost certainly one of the strongest nines which the Martin-coached combine will meet all year that will be here Thursday for the home debut. Glenn Killinger's Teachers from over in Chester County have already subdued Navy and Pennsylvania.

It's hard to believe, we know, but another World Series is only a matter of about five and half months and some 1200-odd major league baseball games away. All of which is merely another way of saying that the major league ball seasons are again in full swing.

Those who are supposed to know, are being quoted to the effect that it will be two of the following teams which square off against each other come next October—St. Louis Cardinals, Brooklyn Dodgers, New York Yankees, and Boston Red Sox. It may be so, too, but it's our unsolicited and inexperienced opinion that there will be plenty of surprises and much reshuffling of positions on the league ladders before any pennants are run up. Perhaps the manner in which Connie Mack's Athletics upset the bean pot up there in Boston on Monday when they twice took the measure of Marse Joe McCarthy's Red Sox is fair warning of the way in which many of the favorites will meet their come-uppances as the season gets into full swing.

As another season of the nation's favorite sports pastime got under way we took time out to look up a few facts and figures on the game—and as result we thought you might be interested in reviewing a few of the things about baseball which you've known but possibly forgotten. So here they are.

It was between September 7 and September 30, 1916, that the New York Giants compiled the longest winning streak in modern baseball—26 victories in a row.

It was in 1919 that Babe Ruth set a new home run record by swatting 59 round trippers. Eight years later the mighty Babe set the record which still stands of 60 homers.

The longest baseball game on record in the majors was played on May 1, 1920, and was called on account of darkness with the score tied at 1-1. Brooklyn scored in the fifth inning and Boston tallied in the sixth. Then followed 20 scoreless innings. And both starting pitchers went the entire 26-inning route. The game lasted three hours and 50 minutes.

The series of All-Star games was inaugurated in Chicago in 1933 and the initial game was won by the American League.

On May 23, 1935, the first major league night baseball game was played in Cincinnati between the Reds and the Phillies before 30,000 spectators.

In 1941 Joe DiMaggio established a major league record by hitting safely in 56 consecutive games. The streak started on May 15 and was halted by Cleveland on July 17. In those 56 games DiMag got 91 hits and had a batting average of .408.

Cleveland's great hurler, Bobby Feller, established the existing modern strikesout record in 1946. In 46 games Rapid Robert fanned 349 would-be hitters.

It was also in 1946 that the longest scoreless tie in major league history was played. The game went 10 innings—and you'd be wrong if you thought Dem Bums didn't have something to do with it. In fact the game was played in Brooklyn with Cincinnati being the other participant.

NEWARK SHOWS PROMISING FORM DOWNING NORTH EAST 4-3, IN EXHIBITION MATCH

Every Member Of Club Works Out Here Sunday Against Invaders; 4 Moundsmen Show Stuff; Outfit To Open Against Elkton Here, May 2

A pre-view of what Newark will have to offer in the Susquehanna Baseball League race this season was given local fans last Sunday, when the home club downed North East, 4-3, in an exhibition game on the Continental Field.

Showing promising form, every member of the Newark club was given a taste of action. Particularly heartening to local fans was this year's array of mound talent. Four hurlers, Whiteman, Hoek, McCormick and Kerns, working out against the invaders, and the quartet held North East to a total of seven hits. McCormick earned the laurels as the winning pitcher.

SALLIES NIP NHS NINE'S STEAK OF 3

Riding the crest of a three game winning streak, the Newark Yellow Jacket nine faltered Tuesday afternoon and went down before Salesianum, 3-1. The Jackets will be trying to climb back on the victory bandwagon tomorrow afternoon when they meet Claymont on the latter's field.

Newark already boasts a lopsided win over the Indians this year, and chances are good they will duplicate tomorrow. Next Tuesday they meet Conrad for the first time this season in a game set for the local athletic field.

The Jackets were flying high until they ran into the Sallies this week. Previously they clipped A. I. duPont, 3-1, then on Monday trounced Brown Vocational, 8-1.

Against Brown, the locals took a single run lead in the second and were never headed. Home runs by Bob Gregg and Don Martin contributed to the one-sided triumph. Dick Davis held the Browns to only three hits.

A. I. fell victim to the Jackets last Friday. Newark gained a two run lead in the second, added their final in the fifth for a 3-0 lead, but they were given a scare in the sixth when A. I. broke through to score two and come close to tying the count.

The two-hit pitching of George Bader accounted for the Sallies' triumph on Tuesday. The Wilmington club took a one run lead in the first, earning two more in the fifth, when Newark also collected its single tally. The Jackets two hits were made by Bob Gregg and Julian Wallace.

Softball League Here To Organize At Meet Tuesday

Managers of teams planning to enter the community softball league, to be sponsored here this spring and summer by the Newark Recreation Association, are urged to gather at the Old Academy Building by 8 p. m. Tuesday night.

Harry Rawstrom, league director, will be on hand then to sign up teams and players and begin drafting a schedule.

Anyone interested in joining the loop, whether a team representative or individual player, may attend the session and enroll for a spot in the competition.

About eight teams, the same number as last year, are expected to enter. Play will start around the middle of May, Rawstrom said, and continue throughout August.

In an innovation this year, a hardball league will also be sponsored by the Association for boys between 12 and 17. An organizational meeting will be held Monday at 10:25 a. m. in the high school auditorium.

SOUTHSIDE BOYS' CLUB IS FORMED

The move to organize a number of boys' clubs in various sections of Newark in order to push intra-community sports rivalries and encourage year-round recreational programs was stepped up this week with an announcement that a new Southside Boys' Club has been formed.

This is the second such sports club to be established here in recent weeks, the first being the Cleveland Avenue Clippers, who have announced plans for a baseball team and a general sports program.

The new Southside Club elected Ronald Bramble president and Joe Gregg vice-president at an organizational meeting last week in the Methodist Church. The session was under the direction of Phil Harrison, sponsor of the group.

Aim of the club is to promote close fellowship between boys 11 to 15 who live south of Main Street and east of Academy Street. Suitable recreation programs will be offered at weekly meetings.

In addition, a baseball team is being organized under the label "Southside Indians." The outfit soon will issue a challenge to the Cleveland Avenue Clippers as well as other clubs in its age group.

Anyone in the club's area interested in joining the outfit is urged to notify Joe Gregg or sponsor Phil Harrison.

HENS MEET WEST CHESTER TODAY IN FIRST HOME TILT FACE WASHINGTON ON SAT

Two Previous Rained-Out Games Make Today's Contest First On Field Here Delaware Balances Year's Record With Overwhelming, 13-1, Win Over Lehigh

Rained out in two previous home games, the Blue Hens will be seeing action on Frazer Field for the first time this season today when they meet the West Chester Teachers nine from Pennsylvania.

Another home appearance is scheduled for Saturday when Washington College will be on hand here. After that, the Hens are scheduled for a rest until April 30, on which date they will meet the Lehigh Engineers at Lehigh, Pa.

Last Saturday, Delaware balanced its record sheet for the season at three wins against nine losses by smothering Lehigh University, 13-1, in a game played at the latter's home.

The lopsided count against the Lehigh team was the result of a lead in the opening frame and a nine after having passed with a remaining scoreless, the Hens were able to score on each of the next two runs.

But, finally in the fifth, the Hens slipped across two runs to slightly the complexion of what was promised to be a tight clash.

For there on, though, the magic began to take hold. In the sixth, the Hens' bats were in. In the seventh, they poured across six runs to add two more in the eighth and the route with three in the ninth.

Every Delaware batsman stepped up for at least one hit, with Bill Cole and Al Thorpe getting three apiece and holding the Engineers to seven for the entire contest.

The score:
DELAWARE 13
LEHIGH 1

Griffith, cf 2 3 0 0

Guests will include Newark High faculty members and coaches, University of Delaware coaches, members of the Board of Education, school physician, Dr. J. R. Downes, and others.

F. B. Kutz, principal of the high school, will be toastmaster.

Awards will go to the following athletes:

LADIES' NITE AT ROTARY ON MONDAY

Newark's Rotarians honored their ladies Monday night at their annual Ladies' Night fete in the Country Club.

After a turkey dinner "with all the fixin's," President William S. Hamilton greeted the guests and turned the meeting over to the toastmaster, Gilbert Nickel.

J. Frank Blake, Jr., president of the Elkton Rotary Club and Ellis Learone, president of the Middletown Rotary Club, and their wives, were introduced.

Other guests were Miss Winifred Taylor, president of the newly formed Soroptomists Club; Mrs. R. O. Bauman, president of the Newark Junior Chamber of Commerce and Mrs. Turk; and Mayor and Mrs. Ford McBerry.

Newly elected officers, who will take office July 1, were also introduced, including president-elect and Mrs. Kenneth Steers; vice-president-elect and Mrs. Jack Handloff and the new elected directors and their wives: Mr. and Mrs. Rodney Dann and Mr. and Mrs. W. S. Martin.

Mr. Martin, chairman of the affair, was formally thanked on staging a successful evening. Next Monday, Renard George, representing the V. F. W., will discuss a proposed war memorial for Newark. Jack Handloff will be program chairman.

ANTIQUES TO BE EXHIBITED

3-Day Show To Open Wednesday

Exhibition of rare furniture, glassware and china to be shown from a three-story area will mark the 3-day antique show opening here Wednesday on the Country Club Hotel. The show will be from 10 a. m. to 10 p. m. daily Wednesday through Friday.

The show will be the third annual display sponsored here by St. Thomas Episcopal Church.

A door prize consisting of one of the items from the dealers' displays, will be offered each night. Drapery and upholstery material appropriate for homes furnished in antiques will be on sale.

A well balanced show is promised by officials, who say that 800-odd merchandise in wide variety will be shown. For those inexperienced in antique collection, books on the subject will be displayed.

Vets May Enlist Now For European Service

Prior servicemen of the Army, Navy, Marine Corps, and Coast Guard can now enlist in the Regular Army for assignment to the European Command under new enlistment procedures announced by 1st Sgt. Robert Boltz, Army and Air Force Recruiting Officer for Newark.

Enlistments are limited to white applicants of the third enlisted grade or below. Many prior servicemen can retain their discharge grade depending on their previous Military Occupational Specialty and the time they worked at the specialty.

Veterans whose prior service qualifies them for service only in the U. S. Air Force will not be eligible for the above assignment.

For further details visit your local Army and Air Force Recruiting Office located in Room 1, Post Office Building, Newark, Delaware.
