## Only 30 Residents Present To Hear City Officials Regarding Proposed \$500,000 Bond Issue

Councilman Carl S. Rankin And City Engineer Neide Explain Proposed Water, Sewer Expansion Plan; Present Amount Is \$300,000 Less Than That Originally Requested

Only about 30 Newark residents were on hand at the local high school auditorium on Wednesday night to hear city officials present the facts relating to the proposed bond issue in the amount of \$500,000 which will be used to expand and improve the water and sewer facilities of the city.

Councilman Carl S. Rankin, who has assumed the leading role in preparing and presenting the facts of the matter to the residents, pointed out that the present amount is \$300,000 less than originally requested and said this was true because city residents had complained at the time of the original figure following the first public meeting some weeks ago.

Rather than risk the possibility of having the issue turned down by property owners, he said, City Council and Councilman Rankin, city engineer, reconsidered the matter and eliminated every item possible in order to reach the latest figure. All items which were deemed to be not absolutely necessary had to be dropped.

Mr. Rankin pointed out that practically the entire \$300,000 reduction was made in items relating to the expansion of water facilities, the major portion of which was due to the elimination of proposed additional water storage facilities. Newark is close to the minimum requirements for storage capacity at this time, he added, but can get along with present facilities for a while longer.

Mr. Neide outlined the proposed sewer expansion program which makes up the bulk of the total amount. Largest single item in the plan is the construction of the trunk sewer connecting residents of Newark's south side area with the county interceptor line. This item alone calls for an expenditure of \$234,400. Included in the plan are the new developments just getting underway on Elkton Road; two new developments, Cassinac and Elms will total more than 300 houses.

Other items in the sewer program include \$11,000 for lateral sewers in the south side area, \$18,000 for lateral sewers in the Capitol Trail area, \$40,000 for a pumping station to be installed in the Silverbrook area, \$32,000 for the Wilson Tract interceptor line, and \$27,000 for an additional pumping station in the East Park Place area.

The entire program will be paid for by a combination of direct assessment on property owners, increased water bills and the levying of a sewer service charge. Mr. Rankin estimated that the present water rates would be increased by as high as fifty percent. This would mean that residents would pay about \$21 dollars per year instead of the present \$14 rate. He estimated that the sewer charge would be in the neighborhood of \$1 per year. The total income to the city from these two items would be about \$40,000 per year which would be more than enough to carry the bond issue.

In answer to a question from the Newark Chamber of Commerce, Mr. Rankin stated that approximately \$25,000 would be needed by the city within the next couple of years to extend street and power facilities to the recently annexed areas of the city. This is not included in the present bond issue and will have to be borrowed at a later date.

The date for the referendum vote by the property owners of the city on the \$500,000 bond issue has not been definitely set as yet but will probably be held in the latter part of August.

## Carvel Proclaims State Fair Week

With the opening of the Kent and Sussex County Fair on Monday at the Harrington Fair Grounds, Governor Elbert B. Carvel has urged the citizens of this state to observe the week of July 20 as "Fair Week in Delaware." The chief executive pointed out that during this week people of our state will have an opportunity to get together and learn about the great agricultural assets possessed by the Delaware State and enjoy the wonderful agricultural and educational exhibits which are always so capably presented.

The Kent and Sussex County Fair is primarily held to give our farmers an opportunity to display publicly their products, livestock and the ingenuity by which they preserve them for their families and friends.

## Two Newark Officers Now Schooling At Fort Meade

Two Newark reserve officers are included among 150 civilian soldiers in two weeks active duty attending a special course in Command and General Staff functions at Fort George Meade, Md.

The lieutenants James L. Jackson, Jr. and Stanley Road, and William Southard Jones, Jr., both veterans of World War II, are attending the course which has as its purpose the qualifying of officers for division staff or higher level assignments.

## Board President

Joseph M. McVey

## Joseph M. McVey Reelected Head Of Local School Board

W. Franklin Wilson And Dr. C. M. Olson Also Named To Positions Previously Held

Joseph M. McVey was reelected president of the Newark Board of Education at the annual reorganization meeting of the group held last week according to announcement by William E. Shue, principal of the Newark High School.

W. Franklin Wilson was reelected to the post of vice president of the board. Dr. C. M. Olson was appointed by Judge Caleb R. Layton III to a four-year term on the board. He has been a member of the board for some time and was appointed to complete the unexpired term of the late R. S. Gallagher.

Mr. Shue also announced that the board had approved the appointment of Mrs. Elizabeth A. Robbins to the faculty of the Newark Elementary School, Mrs. Robbins, a graduate of the University of Florida, taught for one year in the public schools at Starke, Fla. She will assume her duties here in September.

It was also announced this week that the job of sodding the high school athletic field was begun this week. The decision to resod the field was made after several unsuccessful attempts to resod the area. Mr. Shue pointed out that school officials had decided that although the resodding was quite expensive, it seemed to be better practice than constant reseeding which had not been successful to any degree.

## Play Equipment Is Installed At School

\$700 Worth Provided By Sale Of Magazines

Newark High School officials announced this week that more than \$700 worth of playground equipment has been installed on the school playground located directly behind the elementary school building.

The equipment was purchased with funds secured by the selling of magazines by students in the annual magazine sales campaign sponsored by the school last fall.

The installation doubles the amount of equipment previously available to the pupils. It was also announced that a large area of the playground is being amended to avoid the problem of mud during winter and spring months.

## Troop 55 Members Attend Session At Rodney Camp

Seventeen members of Newark's Troop 55 returned last week from a stay at Rodney Scout Camp where the Scouts engaged in various scouting activities under the leadership of Scoutmaster Bill McLaughlin. Those local Scouts attending were: Jack Christman, Barney Field, Wayne Connell, Fred Galner, Norman Hambleton, Harold Hambleton, James Lee, Richard Amos, Amos Jacques, James Lee, Richard Amos, Donald Moore, Peter Reinhardt, Skipper Shields, John Taffel, Earl Unruh, Ray Vannoy, and Donald Woodmansee.

## Rain Or Shine

Mrs. Bessie Ray, watchman at the B and O Railroad crossing is pictured here fording the small river which resulted from last week's torrential rains here in Newark. The miniature flood which resulted caused Mrs. Ray's watchman's box to appear more like a lighthouse, but caused no interruption in normal traffic over the crossing.

## Coverdale Questions Ethics of Mayor in Voting on Rezoning

William Coverdale, only member of Newark City Council to vote against the ordinance rezoning a section of East Main Street from residential to business on Tuesday night, caused a slight disturbance following the voting on the measure when he called upon City Solicitor John P. Sinclair to voice an opinion regarding the ethics displayed by Mayor Wallace M. Johnson in voting on the matter.

It was the belief of Mr. Coverdale that since the mayor owned a lot in the area rezoned he should have refrained from participating in the vote.

Mr. Sinclair stated that it was not within his province to discuss the ethics displayed by Mayor Johnson in voting on the measure. He went on, however, to point out instances in the state legislature when it was decided that representatives were obligated to vote on matters pertaining to the people they represented regardless of the fact that they might have a personal interest in the particular measure.

The solicitor also pointed out that the mayor's vote was not of consequence anyway. Since only a majority vote of the members was required to pass the rezoning measure ample votes were assured whether or not the mayor voted in its favor.

Pointing out that the property owned by Mayor Johnson was only a small portion of the area to be rezoned, Mr. Sinclair stated that there was actually nothing to prevent the mayor voting on the ordinance unless he personally chose to refrain for reasons of good taste.

## R. Harry Major Dies While Driving; Once Lived Here

Heart Attack Fatal While Driving Auto In Phila. Last Sunday; Buried Yesterday

R. Harry Major, 61, husband of Myrtle Logue Major of Wilmington, and former resident of Newark, died of a heart attack as he was driving at Broad and Spruce Streets in Philadelphia last Sunday afternoon. He was visiting his daughter, Mrs. Clifford Evans of Philadelphia.

Mr. Major, son of the late Mr. and Mrs. Clarence B. Major of Newark, is survived also by two brothers, C. Leon Major of Smyrna, Alvin J. Major of Seaford, a sister, Miss Mildred E. Major of Wilmington, and two grandchildren, Clifford L. Evans, Jr., and Deborah Lynn Evans.

Mr. Major was associated with his brother, Clarence, as vice president of Major Distributing Company. He was an elder of Eastlake Orthodox Presbyterian Church.

Funeral services were held at the James Mulliken Funeral Home, 2627 Market Street, at 2:30 p.m. Wednesday. The Rev. John P. Clelland, pastor of Eastlake Church officiated.

## Osceola Lodge Will Install Officials

Herman Wollaston Will Take Over Duties As Commander

Willie T. Gray, grand chancellor of the state of Delaware, and his staff will officiate at the annual installation ceremonies of Newark's Osceola Lodge No. 5, Knights of Pythias to be held on Monday evening, July 21, at the Newark Fraternal Hall.

Herman Wollaston will be installed as chancellor commander, succeeding Dr. John R. Downes who has held the position during the past year.

Other officers elected at the July 7 meeting who will be installed at the same time include:

Walter Gainer, vice chancellor; Wallace Butterworth, prelate; Donald Hill, master at arms; Charles Hunter, inner guard; Harry Jones, outer guard.

## Automobile Insurance Rate Is Raised \$4 to \$9 in This Area

New automobile liability insurance rates for Delaware were announced this week by the National Bureau of Casualty Underwriters, effective immediately. This revision is part of a countrywide movement to bring the rates for this form of insurance into line with the current accident frequency and cost of claims incurred by insured motorists, the Bureau said.

The revisions apply to rates for basic limits coverage, which means protection up to \$5,000 for bodily injury per person, up to \$10,000 for bodily injury resulting from one accident, and up to \$5,000 for property damage. The rate changes are not uniform throughout the state but vary by territory, depending upon the loss record of each such territory. For private passenger cars the revisions result in rate increases ranging from a minimum of \$3 to a maximum of \$9 for bodily injury and property damage combined, according to the Bureau. For commercial cars, the rates for bodily injury remain unchanged while those for property damage increase an average of 9.6 percent.

William Leslie, general manager of the National Bureau of Casualty Underwriters, made the following statement in explanation of the revised rates:

"The rate increases are made necessary by mounting accident frequency and increasing claim costs. As to the latter, there has been a steady upward rise in the average cost of claims with no evidence of any apparent leveling off in the foreseeable future. Claims settled in 1951, for instance, were 70 percent above the 1941 level for bodily injury and property damage combined." (Continued on Page 8)

## No Paper On August 7 Closed For Vacations

The office and plant of The Newark Post will be closed from August 4 to August 9, inclusive, for vacations.

The Newark Post will not be published on Thursday, August 7, 1952.

Commercial printing orders will be received and processed as usual with deliveries to be made during the week following.

## Soroptimist Club Holds Annual Picnic At Cronin Home

Cornelia Mylrea and Eleanor Reed Will Attend Meeting In Washington Next Week

On Tuesday, July 15, the Soroptimist Club of Newark held its annual picnic at the home of Peggy Cronin in Charlestown, Md. about 20 members and their guests attended.

On Sunday Mrs. Cornelia V. Mylrea, newly elected president of the local group, and Mrs. Eleanor Reed, secretary, will leave to attend the 12th Biennial Convention of the American Federation of Soroptimist Clubs in Washington, D. C.

Founded in 1921, by a group of civic minded executive women, the Association has grown into first an American federation, and later into an international federation including the British and European clubs. It is a classified club, having but one women in any business or profession in each locality.

In the years since its founding, the American federation has grown to 500 Clubs including those in United States, Canada, Alaska, Cuba, Brazil, and Hawaii. The name "Soroptimist" means "The Best for Women," and the clubs, purely service clubs, have accomplished much in their chosen fields.

The Washington meeting will be held in the Statler Hotel from the 20th through the 25th of July and will hear such speakers as Margaret Hickey, editor of public affairs for the Ladies Home Journal, Frieda Miller, director of the Women's Bureau of the U. S. Department of Labor, and several women from abroad. Following this meeting there will be one of the International Federation in Copenhagen, Denmark later in the summer which will be attended by two members of the local club.

## Newark Merchants Plan Dollar Days

Semi-Annual Event Will Be Held July 31, August 1 and 2

Under the sponsorship of the Newark Chamber of Commerce, local merchants are busy completing preparations for the 17th semi-annual dollar days program to be held on July 31, August 1 and 2.

According to an announcement this week by William J. Warwick, executive secretary of the group, no effort is being spared to make this usually successful event even more outstanding this summer.

Alvin Handloff and Alfred Maclary head the Chamber of Commerce committee in charge of arranging the event. Members of the body's board of directors met on Tuesday evening to complete final arrangements.

## Churches To Form Softball League

All Interested Persons Urged To Contact Louis Mattison

Considerable interest is being aroused in a proposed softball league for boys and young men from junior high to and including members of adult classes, with teams sponsored by the different churches of the community.

The Young Adult group of the First Presbyterian Sunday School is sponsoring a team through a committee of interested members. Dr. Sid Cox has agreed to serve as manager and Bob Sherman will coach the pitching staff.

A practice game with a team from the Methodist Sunday School was played Tuesday night and there will be regular practice game on the high school field each Tuesday evening at 6:45 p.m.

Any boys or young men who are interested are urged to come out and try for the team.

It is hoped that other Sunday Schools will form teams and join in organizing a league for the summer. For further information call Louis Mattison, phone 2-0043.

## Andrew Kerr, Once Resident, Dies In Pittsburgh, Pa.

Word has been received here of the death of Andrew Kerr, Sr. on July 9 at his home in Forest Hills, Pittsburgh, Pa.

In addition to his wife, he is survived by one son of Toledo, Ohio, and two sisters, Misses Mae and Alice Kerr of this city.

Mr. Kerr was a graduate of the University of Delaware and had been retired for several years.

## City Council Finally Passes Ordinance Rezoning East Main Street Section For Business

Councilman William Coverdale Is Only Dissenting Member As Measure Is Passed By 6 To 1 Vote; Able Property At Corner Of Tyre Avenue Is Excluded

By a vote of 6 to 1 City Council on Tuesday night passed an ordinance rezoning from residential to business that portion of East Main Street located between Tyre Avenue and the Pomeroy Railroad tracks. The area rezoned excludes the property of A. H. Able situated on the corner of East Main and Tyre Avenue.

Abraham Hoffman, Wilmington attorney, appeared before Council with a petition signed by ten residents of the general area opposing the rezoning. He called upon members of Council to vote against the measure which he claimed was not in accordance with the recommendations of professional planners who had been paid fees amounting to \$4400 to study the situation with regard to growth problems in Newark.

The petition was signed by the following: Fannie A. Rothwell, William J. Bailing, Jean C. Bailing, Alfred S. Maclary, William B. Swan, Geneva E. Springer, Franklin S. Springer, William J. Morrison, Kathryn Morrison, William Crossan, and John C. Cunningham.

After lengthy examination of property records of the area, J. Francis Neide, city engineer, reported that the signers did not constitute the twenty percent of the property owners involved which would require a three-quarter vote to pass the measure, so Council proceeded to vote on the matter.

As it turned out it would not have made any difference since the vote was 6 to 1 in favor of the change. Councilman William Coverdale, representative from the eastern district, was the only dissenting vote.

Prior to Council action on the matter, and in answer to argument by Mr. Hoffman, Mayor Wallace M. Johnson read a letter from Newark Planning Commission giving the body's reasons favoring the rezoning of the area and reasons for excluding the Able property.

## Newark Children To Present Second Show On Campus

Public Invited To Comedy Night Sponsored By City Recreation Group July 23

July 23rd is comedy night at Mitchell Hall when the Department of Dramatic Arts and Speech in cooperation with the Newark Recreation Association present their second playbill.

Laughs aplenty are predicted when E. B. Conkle's hilarious one-act comedy "SPARKIN'" is given along with scenes from J. M. Barrie's ALICE SIT BY THE FIRE, a delightful comedy in itself.

Theatre goes will recall the offering of the youthful Newark summer theatre group on July 2. As before, the young people have been meeting daily from 2:00 to 4:00 p.m. industriously painting, building sets, and rehearsing.

Judging from preparations and past performance, Dr. C. R. Kase, Director of the Dramatic Program, and Mr. Herman Middleton, Technical Director of the University Theatre, expect a full house Wednesday evening, July 23, when the curtain goes up at 8:15.

As before, an evening of delightful entertainment will cost theatre patrons nothing but a trip to Mitchell Hall the night of the performance.

"SPARKIN'" will be directed by Mrs. Helen Loatman. The cast includes:

Ricky Park as Orry Sparks; Ginger Lanier as Susan Hanna; Edna Wood as Leslie Hanna; Sue Roberts as Granny Painsbary; ALICE SIT BY THE FIRE will be directed by Raymond J. Lotts, Jr. The cast will include:

George Arthur as Cosmo; Jacqueline Chiekey as Alice; Carolyn Chickney as Amy; Alice Coverdale as Ginevra; Kay Golt as Fanny; Patsy Hall as The Nurse; and Raymond Lotts as Robert.

## Lawrence Dougherty Dies; Buried Here On Sunday

Funeral services for Lawrence Dougherty, 68, an employee of the Phillips Packing Company, Newark, were held at 2 p.m. Sunday at his home, 382 South College Avenue, Newark. Interment was in Newark Cemetery. The Rev. J. J. Bunting, Jr. of Newark Methodist Church officiated.

Mr. Dougherty, son of George and Martha Dougherty, had lived in Newark all his life. He had worked for the Phillips Company for 20 years. He was unmarried and his only survivor is a brother, Willard A. Dougherty, with whom he lived.

## 48 Newark Children Attend Day Camp

Forty-eight children between the ages of 8 and 11 years attended the Newark Day Camp held from June 30 to July 12 this year under the sponsorship of the Newark Parent-Teacher Association.

A report by Mrs. Grace Gibb, director, indicates that the program of hikes, craft periods, swimming, hot dog roasts, and story periods was enjoyed by all.

Camp counsellors assisting Mrs. Gibb were: Mary Bueche, Phyllis Harrison, Marcia Warwick and James Seydel.

## AETNA BAND WINS PRIZE

About thirty members of the Aetna Hose, Hook and Ladder Company took part this week in the parade at North East, Md., which highlighted the annual firemen's carnival there. Newark's band was awarded the \$50 first prize presented to the best band in the parade.

## Kent Fair Show To Explain Role Of Civil Defense Group

"The Big Call," a highly interesting demonstration depicting how the Air Force and the Civil Defense organization would coordinate and execute their respective responsibilities in case of an enemy air attack, features the Diamond State Telephone Company show at the Kent-Sussex fair at Harrington next week.

The dramatic presentation has the full approval of Col. D. Preston Lee, State Director of Civil Defense, and he urges the general public, and particularly those persons associated with the various civil defense units, to see the show at the fair.

It is the most complete presentation of its kind ever to be told. One part of the show vividly describes the various actions taken from the time ground observers spot enemy planes until the "red" and "all clear" alerts are sounded. The second phase depicts Civilian Defense in Action and dramatically explains what the various elements of the organization do after an explosion occurs.

Dairymen can help prevent milk from having a bad flavor if they are careful about their feeding methods. Purnice comes from a Latin word which means foam.

## Capitol Trail News

Marjorie M. Bishop, Correspondent  
Phone 6518

The sound of digging has begun to emerge from the site on Kirkwood Highway acquired for the new Elementary School. This together with well-digging operations near by leads one to believe that construction of the badly-needed building will soon begin in earnest.

The big news of the past week which shared the spotlight with the Republican National Convention was the big rain and resulting floods. Those who cruised about on Wednesday morning were amazed to see rivulets and waterfalls rushing down every incline, making their way to the angry swollen waters of White Clay Creek.

The highway in front of Jack's Self-Service Market had to be forded with care. Travelers along Red Mill Road were turned back as the water had completely covered both bridges.

In spite of extensive damage to gardens, drive-ways and cellars in this section, we are fortunate to have escaped the major flood suffered by our Brack-Ex and Elsmere neighbors.

The State Highway Department is to be commended for placing a large black and yellow arrow on the curve leading to the bridge over White Clay Creek warning those who approach from the direction of Newark. Also the installation of a blinker light on the bridge itself may help greatly to reduce the number of after-dark accidents at this danger point.

Anyone interested in acquiring a large swarm of bees is invited to contact the trustees of White Clay Creek Presbyterian Church. The former church affiliation of the bees is not known but at the present time they are well established on the north-east corner of the church roof.

Rev. James H. Bishop, Kirkwood Highway, attended the Past Commander's Club Banquet of the Walter

L. Fox Post Number 2, American Legion, held in Dover, Delaware, on Thursday, July 17.

Rev. Bishop who is Chaplain of the J. Alison O'Daniel Post Number 10, Newark, is a delegate to the annual convention of the Department of Delaware, American Legion, being held in Seaford, Delaware, on Friday and Saturday of this week.

Mrs. Lola Playtor of Delaware Manor has returned home from her nursing duties in New York City.

Miss Susan Plant of Media, Pa. was the guest of Rev. and Mrs. James H. Bishop on Thursday of last week.

Mrs. Miller Darrell, Kirkwood Highway, is entertaining her two grandchildren, Carol Lee and Dale, of Carney's Point, New Jersey, this week.

Roseville Park Branch Library at the home of Mr. and Mrs. Charles Raymond, Laurel Ave. Hours: Tuesday-7:00 to 9:00 P.M.; Saturday-10:00 A.M. to Noon.

White Clay Creek Presbyterian Church Willard Johnston, Sunday school superintendent, announces that the school voted last Sunday to hold its annual picnic at Lenape Park, the date to be announced later.

At a meeting of the session held following church service last Sunday morning it was voted to hold the next regular meeting in September.

The Executive Committee of the Women's Missionary Society met on Tuesday afternoon of this week at the home of the president, Mrs. James H. Bishop.

Mrs. Atwood Johnston, president of the Improvement Society, announces that the annual picnic of that organization will be held on the church lawn on Wednesday, July 30th at 6:30 P.M.

Each family will bring a covered dish, a beverage and silver. The committee is providing paper plates and cups. Dessert will be served following the program.

Miss Hazel Johnston, program chairman, asks that each family come prepared to put on a skit. Judges will award prizes.

Elizabeth, Norris and Gaylor Brown wish to thank the many friends who sent flowers and messages of comfort in their recent time of bereavement.

John Murray, president of the White Clay Creek Fellowship, announces that all young adults of the church and Sunday School are cordially invited to attend a picnic to be held at church on Tuesday, August 3.

Paul Peach and Ella Larson are in charge of the program. Hazel Johnston is serving as Chairman of the Promotion Committee with the following members—Rev. Bishop, Willard Johnston, Elizabeth Benson.

Next Sunday, July 20, in the 11 A.M. church service the pastor will bring a message on "The Beacon Life."

## BLUE HEN 4-H GUESTS OF THE GEORGES

Edward Wilson, president of the Blue Hen 4-H Club conducted the business session of the July meeting which was held on Tuesday, July 15, at the home of Esther and Roger George. Eleven members were present. It was voted to hold the club picnic at White Crystal Beach and plans are for an all-day program.

Final plans were made for taking guests to the Kent-Sussex Fair. Esther George displayed the Scrap Book she had completed to be entered in the Reporter's contest. Congratulations were extended Sylvia Field on her winning the State Dress Revue held at Wolf Hall, Newark during last month.

John Field, Roger George, Edward Wilson and George Jarman will take the course on Land Judging given for 4-H members under the direction of Soil Conservationist, Mr. Wilmer Allen. Club members scored a canning exhibit with Carolyn Jones instructing. Sylvia Field gave pointers on clothing judging and Edward Wilson on vegetables.

## GREEN MEADOWS CLUB PICNIC FRIDAY JULY 18

Kathy Lane, Judy Lane, Alya Rae Carter and Edwin Jewell comprise the committee planning the picnic for the Green Meadows 4-H Club to be held on Friday evening, July 18, at the home of Edwin Jewell. A short business meeting will be held after the picnic and Edwin Jewell will demonstrate how to cull a chicken.

Picnic supper will be served at 6:30 P.M.

## HELPERS CLUB SPONSOR SUPPER ON JULY 19

The Helpers Club of Christiana-Salem Methodist Churches will hold a chicken salad and ham supper, Saturday evening, July 19, at the Christiana Methodist Church. Mrs. Katherine Lynch and Miss Frances Vancott are co-chairman. Serving will start at 4 o'clock. The date of the poultry supper of the Salem Methodist Church has been changed from the first Wednesday of November to the first Wednesday of October, which will be October 1, 1952.

## LANDENBERG 4-H CLUB MEETS JULY 18TH

Landenberg 4-H Club met at the home of Beverly Field on July 11 at 2 P.M. with 13 members and both leaders present. Miss Pauline Kriebel and the leaders, Mrs. D. Akerman and Mrs. W. Filipi, assisted the girls in cutting and fitting their official suits. Most of the girls will have their suits cut out by the next meeting and some have their sewing well under way. The girls voted to have a picnic or social gathering toward the end of the summer season, when their suits are finished. Next meeting of the Landenberg 4-H Club will be held at the home of Elm Filipi on Friday, July 18th at 7 P.M., at which time final plans for the county-wide picnic will be made. The county-wide picnic will be held on July 21st at 10 A.M. at Lenape Park.

## V.F.W., Knights of Pythias Win City League Softball Contests

Win Over A and P Gives V.F.W. First Victory Of Season Against Five Losses; League Playoffs To Begin On Monday, July 28 In Series Between First Four

V.F.W. scored its first win of the season in the city softball league sponsored by the Newark Recreation Association last week when they scored a single run in the final inning to turn by A and P, 9 to 8.

Trailing five to nothing at the end of the fourth inning, V.F.W. rallied for four runs in the fourth and four in the sixth to set the stage for the game-winning tally in the seventh. Baldwin, A and P shortstop, was the leading hitter of the contest with a perfect four-for-four at the plate.

The victory brought the V.F.W. record to one win and five losses for the season. It was the fourth loss for A and P which has won three games.

Knights of Pythias rallied for five runs in the fifth inning of their contest with Local 404 to down the latter, 9 to 6, and account for their second win of the season against five losses. It was the third loss of the season for Local 404 which now holds down third place in the league with a record of three and three.

On Monday, July 28, the championship playoffs will begin with the first four clubs in the final standings playing a round-robin series to determine the league winner. The first and third place finishers and the second and fourth places winners will meet in the semi-finals in a two-out-of-three series. The winners of these two series will meet in the finals to determine the league champions.

## Cardinal Baseball Tryout Camp Will Be Concluded Today

Scouts Ollie Vanek, Frank Crespi Will Search For More Stars Like Musial

Scouts Ollie Vanek and Frank Crespi have been appointed to conduct tryout sessions in conjunction with the Red Bird tryout camp to be held at West Chester yesterday and today.

Vanek broke into pro baseball with Burlington, Iowa, in 1933. By mid-season 1937 he managed the Cardinals' Monessen, Pa., farm club where Stan Musial first came to his attention while trying out for that club.

It was upon Vanek's recommendation that Musial was signed to his first Cardinal contract. Vanek continued to play and manage for Red Bird farm teams until the end of the 1946 season. He was appointed to a full-time scouting position with the Cardinals in February of 1949.

Crespi had a brilliant major league career cut short by a broken leg suffered in the Army during World War II. In his abbreviated career with the Red Birds from 1937 to 1943, he displayed the great spirit and hustle synonymous with the Gas House Gang of the early thirties. One of the greatest second basemen ever to don the Red Bird uniform, Crespi was a mainstay of the 1942 World Champion Cardinals.

Commenting upon the appointment of Vanek and Crespi to conduct the West Chester tryout sessions, George Silvey, director of the Cardinal tryout system, related, "Both Vanek and Crespi have a great number of years experience in professional baseball. Their extensive and comprehensive knowledge of the game qualifies them as expert judges of young baseball talent."

Tryouts each day will begin promptly at 11 A.M. Expenses incident to attending the camp will be refunded to players who are signed to a minor league contract.

## Dave Douglas To Play In Canadian Tournament

Newark's Dave Douglas has been selected to take part in a golf match August 26-27 between the six top money winners of the Professional Golfers Association and top Canadian professionals to be played in Canada.

The match will be played at the Baccanfield Country Club in Montreal. Other American top money-winners who will take part in the Canadian event are: Jack Burke, Jr., Lloyd Mangrum, Cary Middlecoff, Ed Oliver and Jimmy Demaret.

## Newark Ladies Play In DSGA Tourney

Seven Included In Field At Brandywine Club Monday

Grover Surratt, Delaware State Golf Association official announced this week that the entry deadline for the DSGA Women's State Championship tournament slated for the Brandywine Country Club July 21, 22, 23, and 24 found seven entries from the Newark club included in the field.

Those members of the local club to enter the tournament were: Mrs. John N. McDowell, Mrs. Halsey McPhee, Mrs. Benjamin Frye, Mrs. Fred Steigler, Mrs. Richard T. Ware, Miss Eugenia Wright, and Miss Martha Wright.

The qualifying round will be played on Monday, July 21, with the low sixteen qualifiers making up the two flights.

Included in the field are, in addition to the seven from Newark, 10 from Wilmington-Concord, six from Brandywine, four from DuPont, two from Hercules, and one from Rock Manor.

## Dollins, Stewart To Play For Title

Will Compete For Newark Country Club Title Sunday

At Dollins, defending champion and present Delaware state amateur champion, and Robert Stewart, Jr., will meet Sunday in the final round of the Newark Country Club Championship Tournament.

Dollins gained the finals by a default on the part of Ellis Taylor, former champion, who was unable to play the semi-final match at the local club due to the fact he was competing in the semi-final round of the Shawnee-On-Delaware tournament held last week.

Stewart won his way into the finals by defeating George Anderson last Saturday, 2 and 1.

## Hickory Nine Defeats Newark To Keep Pace With Elkton Club

Bob Peterson Scatters Five Newark Hits To Saddle Locals With Ninth Loss Of Season As He Records His Fourth Mound Victory; Moxie Brown Loser

Bob Peterson won his fourth game of the season last Sunday as he scattered five Newark hits to hurl second-place Hickory to a 4 to 2 victory in a Susquehanna League contest played on the Hickory diamond.

By scoring the win Hickory kept pace with the league-leading Elkton nine which won its eighth straight by scoring a run in the tenth inning on a single by Peanuts Riley to down Aberdeen, 7 to 6.

Harvey Ogden, Newark first baseman, knocked in both of the runs scored by the locals on a double and an outfield fly. Both Newark and Hickory tallied single runs in the first inning. Hickory took the lead in the fifth with another single tally and scored the clinching two runs in the seventh off Hi Miller who took over in that frame from Moxie Brown who was charged with his second loss. He has yet to win in league competition.

The loss was the ninth of the season for Newark which has scored three victories and rests in fifth place in the league standings.

Clace Heaps was the batting star of the contest getting three hits in three trips while Bunney Blaney was the only Newark batter to get two hits. He collected two singles in four trips.

## Worrlow Urges Farmers Observe Farm Safety Week

July 20-26 Will Be Safety Week For Nations Farmers In Observance Of Annual Event

Encouraging all farm residents to adopt right attitudes toward farm safety is the goal set by the Delaware Safety Council during the ninth annual observance of National Farm Safety Week, July 20-26.

George M. Worrlow, vice president for farm safety, endorsing the National Safety Council's theme says the number of unnecessary casualties from accidents can be greatly reduced by the exercise of caution and intelligent effort on the part of each farm family.

He urgently requests every farm resident to cooperate in carrying out effective safety measures, and all organizations and persons interested in farm life to join in the Council's campaign to emphasize the importance of developing attitudes toward safety which will help prevent accidents on the farm. In discussing plans for National Farm Safety Week, he pointed out the importance of farm safety to the well-being of the nation and the happiness of the home.

He said there are two excellent reasons for adopting right attitudes toward farm safety. The first is that today's farmers are depending upon machinery to step up production per worker. An injury to any farm worker, therefore, affects the food supply more than ever before. The second, and humanitarian, reason is that right attitudes help prevent accidents to farmers and their families.

### Sharing

When you're feeling so blue  
And so all alone, too,  
That you wonder if anyone's caring  
Whether you come or go  
Then it helps lots to know  
Of the wonderful habit of sharing  
Both your joys and your woes  
With a friend who, too, knows  
That a load can be light, when two  
bear it—  
And that most of the fun  
Is in having some one  
Whom you love, there beside you to  
—share it. C. C. H.

The Census Bureau reports that Delaware farmers spent more than \$6 million dollars in 1949 for livestock and poultry feed.

injury, and 100 percent above for property damage.

The National Bureau explained that for automobile liability rating purposes, Delaware is divided into two rating territories as follows: Territory 1, City of Wilmington and that part of New Castle County north of the Chesapeake and Delaware Canal; Territory 2, remainder of state.

Following are the new and the old rates for basic limits bodily injury and property damage combined coverage for the three classes of private passenger cars, according to territory.

Class 1, car for non-business use and no operator under 25 years of age: Territory 1, Old Rate—\$34, New Rate—\$39.

Territory 2, Old Rate—24, New Rate—27.

Class 2, car for both business and non-business use and with an operator under 25 years of age:

Territory 1, Old Rate—\$56, New Rate—\$65.

Territory 2, Old Rate—39, New Rate—44.

Class 3, car individually owned, for business and non-business use, and no operator under 25; also cars owned by corporations, copartnerships and unincorporated associations, regardless of age of operator:

Territory 1, Old Rate—\$49, New Rate—\$56.

Territory 2, Old Rate—34, New Rate—38.

The new and old basic limits bodily injury and property damage combined rates according to territory, for two common classifications of commercial vehicles follow:

Class 5CA, vehicles used by retail stores, department stores, contractors, electric light and power companies, etc.:

Territory 1, Old Rate—\$56, New Rate—\$61.

Territory 2, Old Rate—33, New Rate—34.

Class 4CA, vehicles used by towel and linen supply services, bottled beverage distributors, cleaners and dyers, frozen food distributors, gasoline and oil dealers, grocers and butchers, laundries, wholesale distributors, etc.:

Territory 1, Old Rate—\$66, New Rate—\$72.
