Dear family - I was having a pleasant restful uninteresting and uneventful trip home so far on this steamer. The <sup>last</sup> few days since Rio have been stinking hot - hotter than I have ever experienced in these waters.

Make some suggestions. It  
seems more <sup>and quicker</sup> practical to send  
the two drafts to Goydon  
instead of to you, which I

Have some ideas as to  
my plans by then.

Hope you & June & the  
children are well. The sea

is still - eager to get

home! The trip is really

fine & the boat wonderful -

but I don't like tropical heat

any more. All the best

from us both - Cordially

P.S. There are a few  
paragraphs of general interest  
and importance I want to put  
in my report. They will be  
very short and I will draft  
them after we leave Trinidad  
I get out of the boat!
