## Prefatory Note

This is the eighth series of Delaware Notes. These volumes are issued as material warrants, and not as of any definite date. The articles of the present volume were written in view of the Centenary of the University of Delaware, and furnish, it is hoped, much valuable information concerning the history of our institution.

EZRA B. CROOKS,  
Editor.

University of Delaware,  
Newark, Delaware.  
May, 1934.
