Sweet heart wife:-

It is just 4:30 p. m. and
here I sit in my pyjamas be-
fore my fire just getting read-
y to pop into bed before the
snow making come off.

I got your dear letter today
and am more and more anx-
ious to be home especially as I
found a brown hair on my
own coat today.

I have the Record article, &
Dr. Tobey is so pleased with
it that he is going to have it
published in pamphlet form.

I am feeling just rate now
but am getting homesick.
I hope to bring home, though
200⁰⁰ as the result of my
ten days employment.

I hope that ma and you
are preparing up. How?

THE UNIVERSITY OF CHICAGO

Dec 12 1848

Dear Sir -

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the purchase of a copy of the "Annals of the University of Chicago" for the year 1848. I am sorry to hear that you have not been able to obtain a copy of the same. I have no doubt that the demand for the work is very great, and that it is difficult to procure a sufficient quantity to meet the requirements of the public. I have, however, the pleasure to inform you that I have now a few copies of the work on hand, and that I will be glad to send you a copy of the same if you will send me the price of the book. I have the honor to be, Sir, your obedient servant.

should like to see you both.

I have written in answer to Con-
nell's letter giving him the first
Friday in January. I shall
leave the library! — Perhaps! —

With love to all but worried for
'little influences'
from that bureau.

Just laid my nicely laundered
cuff in some ink. I'm pretty
comfortable, thank you.

I forgot to tell you I had not
had a tear since I've been
gone and haven't even tasted
liquor for nearly a week, but
wait till I get home!
