Dear, dear heart! -

I am here at Granville and
alone in my room thinking of you.
- Just as I started this letter,
one of the old high school boys from
High Ten came in to visit me and
it is now time to go to the opera
house. This strikes me as being
very hard on me as it is a col-
lege town & you never know where
the fellows are going to break out.
I am now reading after the
darling and then thinking of you.
Shall start if nothing happens.
Tomorrow night or fall on day morning.
Love to me and mine, thousands
of them for yourself.
Loveingly Harrison
