Cosmopolitans Elect Bernier; Arrange Picnic

Marcel Bernier, junior, was elected president of the Cosmopolitan Club on Friday, April 25. Marcel came to this country from France when he was eleven years old and is completing his education here.

Other officers elected were Natalia Bohdan, sophomore, vice-president; Mare Runk, sophomore, corresponding secretary; Pleasants Peirce, freshman, recording secretary; Robert Hamilton, junior, treasurer; and Roger Martin, freshman, assistant treasurer.

The club will hold its closing function tomorrow with a picnic at the farm of Mr. and Mrs. Borchardt on New London Road. The rain date is Sunday. Anyone attending the picnic should meet in front of Kent Resident Hall at 2 p. m.

Festivities of the afternoon include games, dancing, swimming, and a picnic supper. The day will close with a campfire and the traditional outdoor songs.

During the summer, the officers of the Cosmopolitan Club

Last Campus Movie

To conclude the Campus Cinema program for this year, a series of short films including "The Loves of Franistan," "Autumn Fire," "Neighbors," "A Little Phantasy," "A Phantasy," and "Maskerage," will be shown this weekend, May 3 and 4.

The three showings in Wolf Hall auditorium are at 3:15 p. m. Saturday and at 8:15 p. m. Saturday and Sunday nights.

will be busy getting the names of prospective students from foreign countries and corresponding with them.

"This year has been a good one for the Cosmopolitan Club, under the guidance of Valdimir Bohdan, president. The members have done much to foster understanding through such programs as the Festival of Nations which gave us the opportunity to absorb some of their culture," states Mrs. Patterson, sponsor of the club.

Read Reflectively-- Elect New Course

Reflective Reading, an experimental course designed for the student who is seeking a "general education" elective, will be offered as a new course next year.

The purpose of the course is to enlarge the student's proficiency in the arts of reading, writing and discussion.

One short book per week drawn from the fields of literature, aesthetics, fine arts, philosophy, history, social science, natural science, and religion will be read and discussed.

There will be no lectures and no examinations. Each Friday, the student will submit a short outline-essay of the book read during the previous week. These form the basis of the discussion of the book in the class during the week.

Reflective Reading will be open to all sophomores, juniors, seniors and freshmen who obtain the permission of the instructor.

41 Undergraduates Win Individual Honor Prizes

Band, Choruses to Combine For May Day Pops Concert

The choruses and band of the university will combine on the north steps of the Memorial Library following the May Day dances on May 10, to present a Pops Concert.

The University Concert Choir, the Women's Chorus, and the Varsity Chorale will participate in the combined choral group.

The first number on the program is an instrumental called "Pan American Promenade" arranged by David Bennett. Following it will be "High Society" by Dan Swan, also played by the band, under the direction of J. Robert King, assistant professor of music.

The number will feature Frank Wickes on the clarinet, Neil

Fowser playing the tenor sax, Edward Podolnick, the trumpet, John Sooy, the trombone, and Robert Fewkes, the tuba.

Vincent Youman's selection will follow, sung by the combined choruses and band. It will include "Great Day," "Without a Song," "Drums In My Heart," "Time on My Hands," and "More Than You Know."

"A Tribute to Romberg," including such old favorites as "Golden Days," "Stout Hearted Men," "Deep In My Heart, Dear," "Your Land and My Land," and "Desert Song," will follow.

Again taking the spotlight, the band will play selections from Cole Porter's musical comedy, "Can-Can," including "I Love Paris," "C'est Magnifique," "It's All Right With Me," and "Live and Let Live."

For a concluding number, the combined choruses and band will present "Battle Hymn of the Republic."

Abel Wolman Draws Contract In Education

Military Students Pass In Review

Forty one Individual Honors Day recipients and members of nine honorary societies yesterday in Mitchell Hall heard Abel Wolman, professor of sanitary engineering at Johns Hopkins University, speak of the "Search for a perfect education."

Professor Wolman, also water resources and consulting engineer at the Maryland university, contrasted a "New Breed of Man" in education with that of 100 years ago. He said: "I won't say the scientific mind despises the humanities, but there was a time when the scientific mind was despised."

(Continued on Page 8)

Adams Steers Girl Commuter

Suzanne Adams, a junior, was elected president of the Women's Commuters Club at a recent meeting.

Assisting Suzanne will be Phyllis Shtofman, sophomore, vice-president; Fay LaGrange, sophomore, recording secretary; Mary Dalecki, freshman, corresponding secretary; Janet Jamison, freshman, treasurer; Peggy Dougherty, junior, historian; and Gail Murray and Noreen Murphy, sophomores, Womens Coordinating Social Committee.

Dr. Ann Weygandt, the new faculty advisor, and Mrs. Paul Hodgson, off-campus advisor, were also present at the meeting.

Keppel, Flaherty Talk to Counsellors

All recently selected men junior counsellors will meet with Dr. Gordon Keppel, director of Student Health, and Dr. Flaherty, in 210 Hullahen Hall on Thursday, May 8 at 4:10 p. m. to discuss "Junior Counsellor Relationships to Student Mental Health."

A committee of past junior counsellors—Jack Ellis, Bill Foster and Ed Zippe—headed by Bill Taylor plan the training for the men counsellors.

Two previous meetings have been held. At the March 25 gathering, Bill Walston, Bill Foster, and Ed Zippe were members of the discussion team. On April 15 Bob Hamilton, Skip DeRopp, Sidney Ezrailson, and Mike Bryant presented their suggestions and commented on past experiences.

As part of their training, announced Miss Margaret Black, head of the Junior Counsellor

program, the men will be ushers at the Honors Day exercises. Other counsellors have been called by Public Relations to conduct visitors on May 7 from Fawn Grove, Pa., around the campus.

Home Ecs Plan Fashion Show

With spring in the air, the home economics majors have begun plans for the presentation of the annual Home Economics Fashion Show which will be given May 13 and 14.

The show co-chairmen are Roberta Lee Hannold, senior, and Gail Kauffman Gore, junior. Other committees were also organized.

The plans are being carried out under the direction of Miss Mary Wines, tailoring instructor.

Jo Dennis was elected president of Kappa Delta Pi, honorary education society, at a recent meeting of the organization.

Miss Dennis, a junior education major, has been active this year as assistant head of house for Kent Dormitory, junior counselor, and secretary of the Modern Dance Club.

Serving as vice president for next year is Nancy Sparr. Other officers for next year are Janet Wickham, secretary; Connie Alexander, treasurer; and Dorothy Levy, historian.

Following the business meeting, Mrs. Gay Lupton of the Reading Study Center led an informal discussion about teaching reading.

St. Aubyn Repeats

Dr. Frederic C. St. Aubyn, assistant professor of modern languages and literature, has announced that he will repeat a graduate lecture next Wednesday on Satian existentialism.

Dr. St. Aubyn gave the lecture in February, but the attendance was lower than usual because of inclement weather. He will speak on the subject at 4:30 p. m., Room 2, Old College.

The lecture is part of a course in Contemporary French Literature. The public is invited.

Chemistry Majors to Attend ACS Meeting, Present Papers

The annual meeting of the student affiliates of the American Chemical Society will be held at Franklin and Marshall College, in Lancaster, Pa., tomorrow.

Dr. John C. Wriston, faculty advisor, recently announced that four students will represent the university: Ted Maugel and Guy Moses, senior chemistry majors; Nina Matheny and Bob Walsh, sophomore chemistry majors.

ACS

The American Chemical Society is a national organization composed of chemistry majors. The Delaware chapter is an official university club, and its functions include a private tutoring service, lectures by industrial chemists, and field trips.

The convention itself is not an official ACS function, but is the main activity of an informal intercollegiate affiliation of chemistry students from twelve colleges and universities from neighboring states. Some of the participating colleges will be Franklin and Marshall, Delaware, Drexel, Ursinus, Albright, Gettysburg, Haverford, Lafayette, Temple, and Lebanon Valley.

SENIORS PRESENT PAPERS

Both Maugel and Moses are prepared to present individual papers, but only one will speak at the convention. The topics

represent senior research projects which have been studied this past year. Maugel is preparing a talk on "The Oxidation of Phenylsacrosine by a System of Enzymes," while Moses' subject is "The Chloronalysis of Unsymmetrical Diaryl Sulfide."

The meeting will also include a luncheon between the presentations. Prizes will be awarded to the three top papers. They will be judged on the basis of originality and method of presentation.

The convention was held at Delaware last year.

Phi Kappa Phi

Holds Initiation

Phi Kappa Phi, honorary scholastic society held its annual initiation ceremony yesterday at 6 p. m. in the East Wing of Old College.

Dr. John A. Perkins, president of the University, spoke at the banquet in the West Wing of Old College, immediately following the ceremony. The title of his address was, "Proposed Federal Legislation to Promote Research and Scholarship in Education."

Janie Clark, Ed Myers Play 'Beauty and Beast' for E-52

BEAUTY AND BEAST — Beautiful Janie Clark accepts a rose from gentle but beastly Ed Myers, in a scene from the E52 Children's Theatre production, in Mitchell Hall today and tomorrow.

There will be a beast among us soon. However, there is no need to fear, for really he is a very kind and gentle beast. At least, that's what the E 52 Children's Theatre Group maintains. The group is presenting the old time fairy tale, "Beauty and the Beast." The play is an original adaption by Thomas B. Pegg, assistant professor of dramatic arts and speech, director of the production; and two students, Suzanne Kozak and Ed Myers.

The opening performance was in Mitchell Hall last evening. The show will be held today at 3:45 p. m. in Mitchell Hall and at the Playhouse in Wilmington, on Saturday at 1 and 3 p. m. for the benefit of the university's alumni association scholarship fund.

CAST

Cast members include: Janie Clark, as Beauty; Ed Myers, as the Beast; Ken Spevin, Floppy; Dorothy Kendall, Melinda; Mona Lawson, Lucinda; David Banks, the father; Margaret Hamblet, as Good Fairy; and Phyllis Jones, Sorceress.

During the past ten years the E 52 University Theatre has presented to children throughout Delaware and neighboring states many of the favorite fairy tales remembered from childhood. Since the plays are for children, they have always taken care in seeing that the costumes, scenery and play are especially attractive to the younger set.

TOUR

The campus and Wilmington performances of the play will be the start of a 10-day tour that will take the cast and crew into Kent and Sussex Counties and Maryland and New Jersey for a total of 20 performances. The itinerary includes the Governor Bacon Health Center, Smyrna, Camden, Seaford, Georgetown, Lewes, Millsboro, Selbyville, Delaware, Harrington, Cecilton, New Castle, and Pennsville.

Not only is the Children's Theatre a unique experience for the children most of whom have never before seen a "live" theatre performance, but it is also an education in itself for the participating cast members, crew, and directors.

MEETING THE PLAYERS

The players look forward to the tour with no less enthusiasm than the youngsters from 4 to 84 that make up the audiences. The actors and actresses find that audiences attending the university's major productions each year are no more appreciative or critical — than the uninhibited youngsters, whose reactions to each performance are unmistakable.

The cast especially enjoys the moments following each curtain call, when the children are invited to visit with them on the stage. Heroes, princesses, and good fairies are frequently hugged and kissed, but the effectiveness of performances by villains and witches can be measured by the reluctance of spectators to approach them.

Neilan Tells ODK You Can Be What You Desire to Be

"Anyone can be what he wants to be, if he has the incentive," Edwin P. Neilan, president of the Bank of Delaware, told members of Omicron Delta Kappa, last Monday evening.

Mr. Neilan spoke to the group in the lounge of Brown Hall dormitory. The difficulty in achieving a goal, he said, is to determine first if it is worth the price.

"If there's one thing you learn it's that a series of compromises has to be undergone," Mr. Neilan said. "Leadership includes the ready willingness to choose the alternatives."

The speaker classified three types of leadership demonstrations: by examples of technical ability, by popularity, and by control upon fear. He remarked that the technical skill is acquired in the classroom.

"You acquire human knowledge through the people you meet every day." This group, the bank executive opined, "has a little edge" over the other kinds of leadership.

Decision-making is one of the necessary processes of leadership, Mr. Neilan emphasized. "Thirty years ago I was sure the decisions I made were right; 20 years ago I was not so sure; 10 years ago I had some doubt, and now I'm utterly confused."

"The longer you live the less likely you are your decision is the right one." Nevertheless, Mr. Neilan continued, you must be sure that you are proceeding in the right direction.

Skills in making decisions "can only be established by practice. Mistakes are normal and everybody learns from them."

'Diet Squad' Finished, But Results Aren't

The much publicized "Diet Squad" has come to an end, but the results are still inconclusive.

Some preliminary facts have been determined, Dr. Cheslock, assistant professor of nutrition in the school of home economics, reported.

The most apparent result was a general loss of weight which varied from one to four pounds. Dr. Cheslock is still reviewing the findings of the project to determine the effects of a deficiency in vitamin B6.

Despite the loss of weight, all the students were found in excellent physical condition on the final day.

To celebrate the conclusion of the experiment, the students were entertained with a full course dinner.

More significant findings are expected during the next three months when analysis of blood samples and other tests are completed, Dr. Cheslock said.

Janet Lee Keller Tassel President

Janet Lee Keller, recipient of the Wilmington Panhellenic Council Award for scholarship, leadership, and ability, in campus activities, will serve as president of Tassel next year.

Janet, a junior in the school of arts and sciences, was elected last Monday. Other officers of Tassel, honorary society for women possessing qualities of scholarship, leadership, and service, include: Connie Alexander, secretary; Mary Jo Dennis, treasurer; Dorothy Levy, historian; and Kay Hammond, representative to Women's Executive Council.

Mr. Neilan was introduced by William H. Walston, junior, president of the national honorary leadership fraternity.

Delaware Gov. J. Caleb Boggs greeted the group. He is a former member of the Beta Sigma Circle of Omicron Delta Kappa, the local chapter of the organization.

SAM Group Formed Here; Hunt President

A new student organization, the Society for the Advancement of Management, made its debut on campus on Monday, April 28.

Forty students became charter members of the student chapter of the organization which is being sponsored by the Wilmington Chapter of the well known national organization.

The charter presentation was made by R. L. M. Rice, of the DuPont Company, following a dinner meeting at 6:30 p. m. in the west wing of Old College. Dr. Carl J. Rees, provost, formally accepted the chapter as a bona fide campus organization.

In addition to Dr. Rice, Arthur Schmitt and Gilbert P. Church, both members of the DuPont Company and the sponsoring Wilmington Chapter, participated in the ceremonies. Mr. Church was the principal speaker.

Officers of the organization are: William Hunt, president; Carl Hoover, vice president; Richard Schaffer, secretary; and Larry Erdner, treasurer.

Dr. Charles N. Lanier, chairman of the department of economics and business administration, is advisor to the group, and John Russell was program chairman for the initial meeting.

The Society for the Advancement of Management encourages its members to study and participate in management problems. There are both technical seminars for the members and guest speakers.

Beta Beta Beta Elects Officers

Beta Beta Beta, honorary biological society held elections at a meeting held last week. W. Michael Bryant, a junior premed major, was elected president.

Assisting him in his duties will be: Judith Storm, vice-president; Joan Thompson, secretary; Larry Cordrey, assistant treasurer; and Kay Carson, historian. Dr. Robert S. Howard is treasurer and advisor to the society.

Initiation of new members took place in Brown Hall Lounge last night. A banquet at the Hollows Inn followed with Dr. Conway Zurkel as speaker.

Activities of Beta Beta Beta have included blood typing, tree tagging, and tutoring. Plans are being made for an active program next year.

Walker Elected

Ray Walker, junior, was recently elected president of the student chapter of the American Society of Civil Engineers.

Assisting Ray will be Ralph Tilleli, vice-president; John Stizaker, secretary; and Robert Samworth and John Mordas, senior and junior representatives, respectively, to the Engineering Council.

Mr. Leonard Ray, assistant professor in the school of engineering, was elected as the new faculty advisor.

16 Seniors Named ROTC Distinguished

DISTINGUISHED STUDENT Jim Marvel (right) receives a Distinguished Military Student emblem from Col. Daniel N. Sundt, professor of Military Science and Tactics. Accompanying the Col. is Lt. Col. Roger W. Snow, junior associate professor of Military Science and Tactics.

Awards Based On Character, Military Skill

Colonel Sundt Decorates Men

Sixteen seniors were honored as distinguished military students recently.

The students received emblems of recognition from Col. Daniel N. Sundt, professor of military science and tactics. They are:

John Pollack, Richard Meier, Fred Weinstein, John Kane, Jr., Harry Stecker, Daniel Tatman, Clifton Browning, Frank Waller, Peter Laman, Earl Alger, Morton Collins, Richard Atkinson, Thomas Walls, John Brady, Asa Mosher, and James Marvel, Jr.

A distinguished military student is supposed to have outstanding qualities of military leadership, high moral character, and definite aptitude for the military service. He must have attained an academic standing in the upper half of his class.

Senior Class Show Set for Thursday

"The senior class is planning a talent show. It will be held next Thursday at 8 p.m. in Mitchell Hall," according to Tom McThenia, director.

The class will be given assistance by some members of the faculty and administration, continued McThenia.

There will be seven or eight student acts and four administrative acts.

Student acts will include participation by the girls in Warner and Cannon, John Walsh, and Elaine Christiansen and Marty Simmerman.

Some of the same talent that was displayed at the carnival-auction will return by popular demand on May 8," he stated.

There will be an admission charge of \$5.00.

Newark **DEPARTMENT** Store

WHERE PARKING IS NEVER A PROBLEM IN THE NEWARK SHOPPING CENTER

Foreign Students

And IFC Cooperation

The fraternities here can do a great service to themselves and the university. Last week Rajai Atalla, graduate student in chemical engineering, and Thomas Waters, February graduate, brought this argument to Kappa Alpha to launch an effort to improve the foreign student's social activity on campus.

First of all, they argued, the fraternities would do themselves a favor by starting some sort of program to take in these students for membership. They contend that someone from abroad is inherently interesting and that contact with him will help solve the age-old problem of international understanding. Secondly, Waters and Atalla believe that the student from overseas is left out of the social life. We agree.

Atalla, a Jordanian who has been here for five years, can now look on the situation as an American and a foreigner. He realizes the problems that would relate to a foreigner's membership in a campus fraternity. Most sensitive would be that of the student from Asia. Several fraternities have restrictive clauses in their constitutions and by-laws. How could one whose skin color is not white and who does not profess a belief in Christ become a member of a fraternity?

We believe that this should be left up to the fraternities, but that there should be some program by which the door will be opened. The university doesn't recognize a social member. As far as it's concerned such a thing doesn't exist. There are, however, Greek affiliates, transfer students who are members of fraternities not on this campus. They are treated as brothers.

There ought to be some way the foreign student can be treated as a brother. The Inter-fraternity Council ought to arrange to take in foreigners, with exception to none. The university ought to recognize this membership, even though there is now no way for this recognition to take place. If the IFC took the first step, it would do a service to the university. If the university agreed to its move, both would benefit. The most important service, however, would be to the person who would motivate the project himself.

RSW

Bring Elections to Student, Remove IFC Caucus: Alger

April 22, 1958 To the Students.

I write the enclosed letter as a fraternity man deeply concerned with the future of the fraternities on the Delaware campus and also in my capacity as Chairman of the Elections Committee for 1957-58. I hope the criticism is accepted in the constructive way in which it is intended.

The recent elections again showed the power and yet terrible unfairness of the fraternity caucus system. We fraternity men at the university, if we followed the dictates of the IFC, voted as blindly as do the people in a

dictatorship. We were bound to party lines regarding the candidates for whom we voted; we were "asked" not to run if we were not fortunate enough to have gained the nomination for a particular office; and we again showed our lack of semblance of the democratic spirit of free elections. I urge the fraternity system to rid itself of this annual disease, the caucus.

So far as I can see, the only valid reason for having a caucus would be in the event the fraternities could not find enough qualified men in the houses to allow for competi-

"There's always one way you can tell it's fraternity weekend!"

Senate to Install Members Monday

Installation of new Senate members will take place on Monday at 4:15 p.m. in the west wing of Old College.

There will be a banquet for the new and old members of the Senate and members of the faculty who have worked with the Senate at 5 p.m.

Jean Ashe, outgoing president of the Senate and Pete Steele, incoming president will welcome the new members. Dean Hocutt and Dean Collins will make short congratulatory speeches.

Following the installation, Dean Borison, dean of students at the University of Maryland, will speak about student government.

REW Head Needs More Student Aid

Students interested in helping plan Religious Emphasis Week for next year are urged to contact Pete French, REW chairman.

Interested students should send their name and the committee on which they wish to serve to Peter French, Box 423.

THOUGHTS

By SIDNEY EZRAILSON

Women's fashion is the subject for this week. Let me explain at the outset that this is not an amateur male speaking. Having spent last summer in Paris, and most of the time watching the current fashions walk by my seat at the sidewalk cafe, I feel qualified to speak with some semblance of authority. As a matter of fact, I even attended a fashion show there.

First, I would like to discuss the chemise, sack or whatever they are called. My first impression was to ignore them completely — perhaps they would go away. However, I have been told by some young ladies, that the chemise is quite comfortable, and far be it for me to deny anyone comfort.

Frankly, now that I have gotten used to seeing such things, I almost like them. Somehow though, I feel that a 1928 Oldsmobile or Pierce Arrow is required when dating any young lady in a chemise. But go to it, girls, it seems that such good garments would convert to good maternity dresses.

Bermuda shorts are apparently a co-ed fashion. When Bermuda shorts first hit the college campus, I was frank-

To the Editor

Someone at Delaware has finally attempted to demonstrate a little of what is generally called "campus spirit" at most schools. Friday afternoon witnessed a military procession with drums and rebel soldiers on South Campus for the purpose of extending formal invitations to a fraternity week end. Hurrah to the "Boys in Grey" who were such gallant gentlemen escorting their fair ladies, with General Lee leading the parade on horseback. A formal secession proclamation by the president climaxed the affair, and the group departed to the strains of "Dixie" prepared for 72 hours of Southern hospitality. (Continued on Page 5)

ly opposed to them. I viewed them as an attempt of the British to regain America as a colony. College friends of mine who have visited Bermuda during College Week, commented that the only Bermuda-short-wearers were the American visitors. It seems that there is some inconsistency, somewhere — no Bermuda shorts in Bermuda.

I recognize my defeat now, as a matter of fact, I even have a pair of my own. I will confess that my mother bought them for me. One of these days, with the Dean's permission, I'll wear them to the dining-hall. But somehow I'll feel that I forgot to put something on.

One thing I still can't stand is young ladies wearing dungarees. Such attire is quite popular in all-girl schools. Dungarees on women, in my view, create a third sex, not masculine and downright not feminine. I can see no beauty in them, and what's more I don't think they are any more comfortable.

Please, girls, don't take all this seriously. Don't you dare write any letters to the editor, and nobody else is writing Thoughts till next year.

'Neath the Arches

By DeANNA SELTZER

And the rains came, and came, and came. Luckily, nothing could dampen the ardour of Kappa Alpha, Theta Chi, and the Deltas, and their weekends went off in a flurry of excitement and fun.

KA SECEDES

Kappa Alpha started their annual Dixie Celebration by having the resurrected Confederate Army and two frisky horses march down campus to present the official invitation to their annual "Old South Ball" to the fair young belles at the southern end of the Delaware plantation. Then "Robert E. Lee" seceded from the Union, and a rousing chorus of "Dixie" was sung with southern drawls.

SWEETHEARTS

Later on in the evening, Sandra Baker, pinned to William Thompson, was picked as KA Rose; and to round the evening off, large teddy bears were given as favors to keep the girls from longing for their "lost youth."

Theta Chi picked Richard Duerr's girl, Leonia Zaieser, as their sweetheart, and gave all their damsels walking advertisements of their fraternity, great big beach towels with their name on it. Deltas selected cartoonist Bill Rudrow's fiancee Elaine Crittendon as sweetheart, and all

the girls received lipstick cases.

ROMANCE UNDAMPENED

As for Cupid, his ardour couldn't be cooled by the damp weather, and his arrows hit many targets: Mary Jean Astolph and Herman Bruce, Sigma Nu; Judy Leek and Brian Sealy; and Louise Groves and Howard Sipple became pinned. Urban Bowman, Sigma Nu, and Allene Brown and Joan Parker and Bart Smith received Cupid's full treatment and became engaged. Good luck to good aiming.

DANCING

Behind the Phi Kappa Tau house on May 2 at 8:00, social dancing including square dancing and polka will be held. Music will be provided by a five-man combo for any couples who wish to attend.

THE BEAST

Before signing off, a word to the wise. There's a mysterious stranger prowling around campus, species unknown. Girls, don't be surprised, if when passing the bushes near the dorms at night, The Beast shot id jump out at you. He's only trying to be friendly.

Be nice to him, and he may turn into your Prince Charming.

(Continued from Page 4)

The beginning of tradition? We hope so. In fact, we would like to see it become an annual tradition. Why haven't we had this spontaneous show of spirit in previous years with the exception of pepfests? No possible harm

could have resulted. It was carried off with a seriousness of purpose that resulted in "good, clean fun." Perhaps it will be an instigator for college spirit in the future and end Delaware's reputation as a suitcase college.

Sincerely,
Some girls of
South Campus

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

If you answered "No" to all questions, you obviously smoke Camels — a real cigarette. Only 6 or 7 "No" answers mean you better get on to Camels fast. Fewer than 6 "No's" and it really doesn't matter what you smoke. Anything's good enough!

But if you want to enjoy smoking as never before, switch to Camels. Nothing else tastes so rich, smokes so mild. Today more people smoke Camels than any other cigarette. The best tobacco gives you the best smoke. Try Camels and you'll agree!

Have a real cigarette - have a **Camel**

Sports Slants

(Continued from Page 6)

Last Saturday, Bucknell's overconfident tennis team ran into a game bunch of Blue Hens. The result was a 4-4 victory for the latter and some howling from the former.

The turning point of the match occurred in the Ray Walker-Bob Poindexter #2 singles match.

The Hens trailed in the match, 3-2, at the time and Walker was on the verge of having his service broken through in the third set. Ray fought off a couple of "game" points and won the game. Then he broke through his opponent's service and proceeded to win the set, 6-3, to tie the match, 3-3.

At this point, sensing possible defeat, Bucknell began complaining about everything from lack of sportsmanship on the part of the Hens to lack of oranges.

The Bisons' #1 doubles team won, but the #3 Hen team of Clayton Kauffman-Bob Woodruff rallied to victory after losing the first set. This put the fate of the Blue Hens on the shoulders of Russ Givin and Dick Dieckman in the #2 doubles.

The Hen team divided the first two sets with their opponents. The last set was the longest and most exciting of the day.

With the rest of the team cheering for every point they won, Givin and Dieckman pulled it out, 9-7.

Not only had the Hens defeated the top team in the Northern Division of the MAC but they had kept their own undefeated record of 6-0 intact.

Saturday was simply a great day for Blue Hen sports. Besides the tennis team, the lacrosse team rang up an impressive victory, walloping F&M, 22-4. Even defensemen John LaFountain and Bob Jones got into the scoring column.

Lee Elia got a measure of revenge for the game-saving catch made against him in the ninth inning of the Villanova game. Elia made a similar catch of a ball belted a literal mile to center field by Upsala's huge first baseman, Bob Meningall, last Friday in the Hens' 4-0 triumph.

Theism-Study Of God' to Be Wesley Topic

"Theism: A Study of God" is the topic of the discussion which will take place at the Wesley foundation meeting this Tuesday at 7:15 p.m. at the Wesley house.

The Reverend Leland B. Hall, will guide the discussion. This concluding program in the group's discussions of Theism, will be concerned with the relationship of man as a creature of God with particular emphasis on freedom of man, and man as a consequence of this freedom. Thus far in their discussions the group has described God as what an individual can expect of him.

At a recent meeting, Bill Foster was elected president of the Wesley group for next year. Other officers are Betty Kintigh, vice-president; Jean Jaquette, recording secretary; Katie Collins, corresponding secretary; Jackerman, treasurer; and Jim Leatum, house manager.

The Wesley retreat on May 3 and 4 will take place at Dewey each. At the retreat plans will be made for next year's program. On Tuesday the foundation will sponsor a sandwich sale in the dorms at 10 p.m.

Home Ec Girls Hold Banquet

The Home Economics Club is sponsoring its annual Helen H. Richards Banquet on Tuesday, May 6, at 6:30 p.m. in Alison Hall.

The banquet is centered around an international theme. Mrs. Martha MacDonald, assistant home demonstration leader, Northampton County, Pa., will speak on Israel.

Mrs. MacDonald was an international farm youth scholar in 47. As a member of this exchange program, she lived in Israel for six months with a rural family.

The banquet is named in honor of Helen H. Richards who organized the first group meeting of women dealing with home economics. This is the organization which grew into the American Home Economics Association.

Golf Team Splits Decisions With Haverford and Hopkins

By JAY GORRY

The golf team concluded last week's activities by splitting two decisions. The team lost to Haverford, 14-4, and beat Johns Hopkins, 12-6.

Against Haverford, Hal Reed, who has held the number 1 position for three years, was defeated 3 and 1 despite shooting a 78. Jack Smith beat Bill Walker of Delaware, 5 and 4, while Joe Smith defeated Jerry Connel, 1 up. Jim Andrews defeated John Watson, 5 and 4.

WALKER WINS

Delaware's only winner was Johnny Walker who defeated Steve Shapiro, 1 up. Maynard Eaton was defeated by Fred See, 2 and 1.

Against Johns Hopkins captain Reed again shot a 78, but again he was defeated when his opponent, Bob Lentz, sank a long putt on the eighteenth green. In the second position, Bob Schwartz defeated Gene Gallagher, 1 up, despite Gallagher's 81.

Jerry Connel defeated Dave Parks, 5 and 4 and Bill Walker defeated Bob Sanford, 6 and 4. In the next two spots, John Wal-

ker and Maynard Eaton both won. "It was our best meet in the way of scores," commented Coach Wisniewski.

THREE POINTS PER MATCH

For those who are not familiar with golf, the score at the end of the match is not medal play but match play in number of holes won. One point is awarded to the man who wins the first nine holes, one for the second nine, and one for the total.

The team's record is now 2-3 with victories over Hofstra and Hopkins and losses to Rutgers, Lehigh and Haverford.

The individual standings are:

Reed:	1-3-1
Gallagher:	2-2-0
Connel:	1-2-0
B. Walker:	3-2-0
J. Walker:	2-3-0
Eaton:	1-2-0
Watson:	0-4-0
Pruett:	0-1-0

ST. JOES CANCELLED

This week the Hens faced Swarthmore on Tuesday. St. Josephs of Philadelphia was scheduled for Thursday, but due to a mix-up in schedules, the Hawks

match was cancelled. The varsity met the freshmen instead.

Although the frosh have no schedule, Mike Turnbull and Dick Humphreys have shown promise as future varsity candidates.

Commenting on this year's team, Captain Hal Reed said "this is the best team in the last four years with very good prospects for the future. We are very lucky to have the use of the best course in the state, the Louviers Course. The golf professional there gives us all a lot of help."

GOLF GAINING POPULARITY

Reed continued to say that golf has gained in popularity here because of "better teams, a good course, and the adoption of golf as a sport at the high school level."

On the tenth of May, the top four on the team will journey to Mt. Union, Pa., to compete in the Middle Atlantic Conference championships. This is a 36 hole medal score. Nineteen or twenty other schools will compete.

Where there's a Man... there's a Marlboro

The cigarette designed for men that women like

A long white ash means good tobacco and a mild smoke.

The "filter flower" of cellulose acetate (modern effective filter material) in just one Marlboro Selectate Filter.

Mild-smoking Marlboro combines a prized recipe (created in Richmond, Virginia) of the world's great tobaccos with a cellulose acetate filter of consistent dependability. You get big friendly flavor with all the mildness a man could ask for.

Honors Day

Continued from Page 1

He jokingly showed the difference of opinions between students of science and those of the arts, the first an "Essentially illiterate technicians, whose intellectual diet consists of slide rules," and the "Suave young dilettant who speaks and spends most of his free hours at a bar."

The Honor's Day ceremonies included recognition of the members of the honorary societies: Alpha Zeta, agriculture; Beta Beta Beta, biology; Kappa Alpha Pi, education; Omicron Delta Kappa, men's leadership and scholastic; Phi Beta Kappa, scholastic; Phi Kappa Phi, scholastic; Psi Chi, psychology; Tassel, Women's scholastic and leadership; Tau Beta Phi, engineering.

Those who received individual awards were: Rosemarie A. Battaglia, Academy of American Poets Prize; Michael G. Timko, Alpha Zeta Prize; Joan L. Mulrooney, American Association of University Women award; Elaine M. Christiansen, American Association of Teachers of Spanish Medal; Mary Lou Mintzer and Alan L. Goodman, American Chemical Society Prizes in Chemistry; James F. Leathrum, American Chemical Society Prize in Chemical Engineering.

Also receiving awards were: Philip MacAvaney, American Institute of Electrical Engineers award; Dorothy Voshell, Samuel Bancroft, Jr. Memorial Prize; Thomas Hayman, Bank of Delaware Prize; Nancy Newsome Danforth Freshman Award; Nancy Lee Price, Danforth Junior Award; Kathrine Hammond, Delaware Home Economics Association Award; W. Alvon Sparks, Jr., Delaware State Society of Certified Public Accountants prize.

AWARDS

Others receiving awards were: William Walston, Jr., The Delaware State Society of Cincinnati Prize; Richard Haines, Charles B. Evans Prize; Daniel Tatman, William M. Francis award; Earl Alger, Walter Hulihan Memorial Trophy; Kenneth Zeiger, Institute of Radio Engineers award; Gretchen Berguido, Tony Mitchell Acting Award; James Leathrum, Monsanto Chemical Company award; Carol Spindell, Al-

ice duPont Oriz award for Poetry; and Marie Oemler, Pen Women's Prize for Prose. Mary Hoover, Donald Jost, Ruby Kumpel, Joan Mulrooney, and Raymond Saatman comprised a panel of distinguished seniors who received monetary awards for outstanding scholarship.

Also receiving awards were: Amy McNulty and H. Rodney Sharp, III, Phi Kappa Phi Sophomore Awards; Kenneth Rice for the Evans House, President's Scholarship Plaque; Bernard Shapiro and William Walston, Jr., Scott Foundation Awards; James Chowning, Jr., Ida Conlyn Sedgwick award for Prose; John Jones, Ida Conlyn Sedgwick award for poetry; Earl Erdner, Margaret Collins Seitz award; and H. Rodney Sharp, III, Tau Beta Pi Prize.

Others who received awards were: Joyce Gottshall, University Drama Group Award; Angela Matalena, Venture Dormitory Award for Women; Charles Crompton, Venture Interfraternity Prose Award; Alvon Sparks, Jr., and Ralph England, Wall Street Journal Awards; Jean Ashe, Emalea P. Warner Award; Delmer Nicholson, Westinghouse Achievement Scholarship; and Janet Lee Keller, Wilmington Panhellenic Council Award.

MILITARY REVIEW

At a Military Review held in the afternoon, the following awards were made: Cadet Private Brian Von Kleck, Cadet Corporal Laurence Cordrey, Ca-

det. M. Sgt. Neil Fowser, and Cadet Lt. Col. Richard Meier, General J. Ernest Smith Prizes; Cadet First Lt. Wilbur Rudrow and Cadet Corp. Charles Orth, Delaware Rifles Trophies; Cadet M. Sgt. William Walston, Association of the United States Army Medal; Cadet Private Anthony A. Sholl, Cadet Corp. William Walston, Cadet Major Morton Collins, Superior Cadet Ribbon awards; and Cadet Corp. Frederick Trutt, Scabbard and Blade Medal.

Also receiving awards at the review were: Cadet Col. John Pollack, Cadet Lt. Col. John Kane, and Cadet Col. Richard Meier, Reserve Officers Association Medals; Cadet Private Richard Humphrey, Daughters of Founders and Patriots of America Prize; Cadet Capt. Earl Alger; and Cadet Capt. Clifton Browning, Veterans of Foreign Wars Prizes; Cadet Lt. Col. Fred Weinstein, Lt. Clarke Churchman Prize; and Cadet Lt. Col. John Kane, The Armed Forces Chemical Association Award.

Other military awards were: Cadet Capt. George MacMasters and Cadet M. Sgt. Carl Borrer, The Sons of the American Revolution Award; Cadet Major Daniel Tatman, American Colonists Award Cadet Corp. James Gentry, The ROTC Rifleman award; and Cadet First Lt. Michael Klapinsky, The Armed Forces Communications and Electronics award.

The program was coordinated by a faculty committee headed by Dr. Harold Kwart, assistant professor of chemistry.

Sociologists to Give 2-Hour Documentary On Rise of Hitler

The Sociology Club will present a two hour documentary film in Wolf Hall Wednesday evening at 7:30 p.m.

The spectacular consists of captured German news reels. It traces the rise of the Nazi movement with particular focus on the mass meetings and propaga-

anda techniques by which Hitler enlisted popular support in the 1930's.

Previous to the showing of this film, Professor Walther Kirchner, professor of history, will deliver a commentary on the period leading up to Hitler's usurpation of power and final domination of the Third Reich.

Professor Kirchner was born in Berlin, Germany, and received his initial education in the German capital at the Francaise Gymnasium. When Hitler was gaining dominant control, Dr. Kirchner came to America and received his B.A. and Ph.D. at UCLA.

In 1945, Dr. Kirchner came to the university. In 1952-53, he studied under a Fulbright award at the University of Denmark in Copenhagen. In 1956, Professor Kirchner was awarded membership in the Institute for Advanced Study at Princeton and is currently president of the Reformation Society of America.

Dr. Charles Tilly, instructor in the department of sociology, was instrumental in obtaining this film for the entire student body, members of the faculty and their families.

Admission is free.

Preregistration

To Start Monday

Preregistration for the fall semester will take place Monday through Friday from 1:30 to 4:30 p. m. in Brown Lab Auditorium.

Students are to secure preregistration cards and class schedules from the Records Office.

After securing the advisor's approval students will take the approved schedule card to Brown Lab Auditorium on the day scheduled.

Students will preregister according to the following schedule: Monday, juniors; Tuesday and Wednesday, sophomores; and Thursday and Friday, freshmen.

You'll be sittin' on top of the world when you change to L&M

Light into that

Live Modern flavor

You get a more effective filter on today's L&M

Look for the patent number... on every pack... your assurance that you are getting L&M's exclusive filtering action

Best tastin' smoke you'll ever find!

Put yourself behind the pleasure end of an L&M. Get the flavor, the full rich taste of the Southland's finest cigarette tobaccos. The patented Miracle Tip is pure white inside, pure white outside, as a filter should be for cleaner, better smoking.
