

Parents Urged To Register All New Students Soon As Possible

Superintendent Wilmer Shue Announces Students May Be Registered Any Day At School; Necessary So That Decision Can Be Made Regarding Half-Day Sessions

All new students who will be entering Newark Public Schools for the first time this fall should register just as soon as possible.

This statement was directed this week by Wilmer E. Shue, Newark superintendent, to the parents of all new students in the Newark Public Schools. Mr. Shue pointed out that registration days will be no specific registration days but that students can register any day between 9 a. m. and noon or any day between 2 p. m. and 5 p. m. No registrations will be accepted on the first day of school because of the many other things that have to be accomplished at that time.

Mr. Shue pointed out that the information regarding new students is essential at this time in order that a final decision can be made regarding the possibility of half-day sessions this fall.

It was pointed out this week by school officials that it is still difficult to determine just how many new pupils will register for the fall and until they do it is impossible to decide just how many of the classes will have to be placed on half-day schedules.

Only elementary pupils will be included in the half-day sessions, said the superintendent, and a definite announcement will be made concerning the matter about the middle of August. This announcement will be delayed until then in order that as much information as possible can be gathered regarding the number of new students.

For this reason, he pointed out, it is extremely important that new students be registered just as soon as possible.

Newark Merchants Reveal New Hours

Group Of Fifteen Will Be Open Wed., Fri. Evenings

A group of fifteen Newark merchants announced this week that effective August 6 new shopping hours will be observed for the convenience of local shoppers.

Beginning Wednesday, August 3, all the stores in the group will remain open on Wednesday and Friday nights until 9 p. m. In the past, most stores have remained open during the evenings only on Friday.

With the exception of Wednesday and Friday, the stores listed will be open on other days of the week from 9 a. m. till 5:30 p. m.

Stores observing the change are: Bridgewater Jewelers, Eagle Furniture Store, Faders', Jackson's Hardware, Murray's Toggery, Newark Farm and Home Supply, Patchell's Mens Shop, Danneman Mill Remnants, Fremberg Furniture Co., Louis Hoffman and Sons, Lee's Family Store, National 4 and 16 Store, Newark Department Store, The Smart Shop, Plinick's Shoe and Variety Store.

Winners Announced In City Hat Show

Peanut Hunt Tomorrow; Playgrounds Close Aug. 8

Winners in the hat show sponsored by the Newark Recreation Association last week for the children at the city headquarters have been announced.

Winners in the contest at the George Road Village site were: most original, Louis and Joanne Dawson; smallest, Fitch Morris; biggest, Pete Williams; fanciest, July Burns; most unusual, Billy Burns; prettiest, Betty Jo Share.

New London Avenue playground: most original, Gloria Lewis; most unusual, Stanley Saunders; prettiest, Catherine Perkins; fanciest, Arnold Saunders; largest, Frances Boston; smallest, Margaret James.

Social Security Payments To Increase With September Check

If you are now getting Social Security benefits, you are in for an automatic raise.

Starting every family in Delaware receiving old-age and survivors insurance payments will find a larger figure on the September checks due August 30. If the increase does not show on a check when it arrives, a later check will make up the difference. It is not necessary for people already receiving benefits to apply for the increased payments.

Alton Milbourn, manager of the Delaware social security office, stated today that the recent amendments to the law will mean monthly payment increases ranging from \$5 to \$50.00 for practically all retired insured workers in the State. The average increase for retired workers will be about \$5. In general, benefit payments to wives, widows, children, or parents will be increased proportionately. Mr. Milbourn pointed out, however, that the

Newark Women To Organize League Of Voters On Aug. 13

Steering Committee Will Be Appointed At Meeting Held In City Council Rooms

Steps will be taken to organize the first local League of Women Voters in the state of Delaware at a meeting on Wednesday evening, August 13, in the Newark Council Rooms in City Hall. All interested women are invited to attend.

Present will be Miss Christine Urban, national organization secretary, who will explain the program of the League. A local steering committee will be appointed to carry on after the meeting and make arrangements for permanent organization.

The League of Women Voters, a non-partisan organization, is interested in helping all citizens to become well informed so that they may participate actively and intelligently in their local, state, and national governments. The League obtains facts and acts only on facts. It never supports candidates or political parties. Rather, it makes available to the community non-partisan, factual information. It also organizes "Get out the vote" campaigns for local, state and national elections, and provides election information for all citizens.

League members are encouraged to work in the political party of their choice, but officers closely identified with the League's work cannot be active workers in their parties. This protects the League's non-partisanship.

The first job of a new League is to make a detailed survey of the local government and the services it offers its citizens. This may be made available to all householders as a community service. On the basis of knowledge obtained from this survey the membership selects an issue it wishes to support. As a League becomes better established it joins with local Leagues in other communities in following the same procedure in choosing county, state and national issues to support.

The League of Women Voters of the United States is composed of 110,000 members in 846 local Leagues throughout the United States and Hawaii. National president is Mrs. John G. Lee of Farmington, Connecticut. The national program, decided upon by the membership in its biennial convention in May has two items. The first provides that the national organization will support measures which contribute to world security, particularly international economic development, making use of the UN as much as practicable. The second item of the national League is to support measures aimed to improve the budgetary procedures of Congress in order to promote economy in federal expenditures.

Aetna Firemen Postpone Meeting Of August 8

The regular monthly meeting of the Aetna Hose, Hook and Ladder Company scheduled for August 8 has been postponed until August 15. The postponement was necessary in order that the company could take part in the Oxford firemen's parade on August 8.

Company officials have announced that the company will journey to Aberdeen on August 7 to participate in the firemen's parade there.

NOTICE

During the month of August Miss Alice Leak, Newark visiting nurse, will be on vacation and all calls for the office will be taken by Miss Mary Roberts.

Miss Roberts can be reached by calling Newark 2-1813.

Social Security Payments To Increase With September Check

Increases for dependents and survivors would be less than those for retired workers. In most cases, these increases will be about \$2 to \$5. In a few families the increase will go only to the retired insured worker.

"The reason for this," the local manager explained, "is that the law has always provided limits to the total of benefits which may be paid to any one family in a month. In some cases, the increased benefit of the retired worker alone will absorb all of the permissible increase. Under those circumstances the full increase will be given in the check to the retired worker and the benefits to the remaining members of his family will remain unchanged."

The 1932 amendments to the law also provide for larger payments to future beneficiaries. Mr. Milbourn declared, "Until now, the law has provided (Continued on Page 8)

Scouters Aid In Development Of New City Recreation Site

Scouts, scouters, fathers and friends of Scout Troop 55 got together last Thursday evening for a work spree at the new Newark recreation area at Silverbrook. After John Burns cleared a large area with his bulldozer the crew moved in and cleaned the pool back, removed dead trees and did other trimming the machine could not safely do.

The group enjoyed an evening of companionship and the satisfaction of helping the community. After seeing the available facilities plus the plans for and possibilities of this new area the fellows are more enthusiastic than ever and plan another work get-together this Thursday evening. They hope other groups will join them.

H. Rowland (Gibby) Gibson and Charles A. Moore (carpenter) started reconditioning the spring well on the

hill opposite the present clearing so that fresh drinking water may soon be available. They hope to finish walling, pumping, cleaning, and covering the spring this week. This park made possible by the cooperation and efforts of Hugh P. Gallagher, Jr., Arthur C. Rittenhouse, and the Newark Recreation Association is something every one should see.

More than 100 children and parents took advantage of the opening of the outdoor swimming pool located on the recreation site on Monday. Playground attendance at the various points throughout the city have been 100 per day at the Newark High site; 70 per day at the George Road Village site; and 65 per day at the New London Avenue site. All city playgrounds are scheduled to be closed on August 8.

Newark Soldier To Represent State In Jersey Ceremony

Pvt. William Wilson Chosen To Raise Delaware Banner At Asbury Park Affair

Highlighting the colorful 5th annual "Salute To The States" to be held at Asbury Park, N. J., on August 9, Pvt. William Wilson, of Route 2, Newark, will represent the State of Delaware when flags of all the 48 States will be dedicated in a picturesque mile-long pageant along the famous Boardwalk.

The unique celebration, believed to be the only one of its kind held annually in the U. S., will be climaxed with the raising of the State Banners by natives of each of the 48 states now serving in the nation's armed forces.

Designed to pay special tribute to the individual states and their people and the "part each has played in the historic development of our Nation," the annual "Salute" has been hailed by Governors across the nation each year since it was established in 1917.

White Clay Creek Group Plans Picnic

Will Be Held On Aug. 5 At White Clay Church

The White Clay Creek Fellowship will hold a picnic at White Clay Church on Tuesday, August 5 at 6:00 p. m.

The planning committee consists of Mrs. Ralph Larson, Mrs. Ralph Lindell and Paul Peach.

Arrangements are being made for a hot dog roast. Each family will bring a covered dish, a beverage and table service. The meat, rolls and dessert will be furnished by the committee.

The following are serving as a promotion committee: Rev. Bishop, Elizabeth Benson and Willard Johnston.

John Murray, president, announces that all young adults of the church and community are cordially invited to participate in this evening of fellowship.

Southern State Patrons Will Hold Meeting Aug. 6

Patron of Southern States Newark Service in the Newark area will hold their annual membership meeting Wednesday, August 6, at 8:00 P. M. at the Newark New Century Club, Newark. Chairman of the meeting will be Joseph A. Shields of Elkton, Md.

Highlights of the meeting will include the report on local Agency operations by Jacob Brown, the presentation of the Southern States annual report by district manager Julian L. Smith of Milford, Del., the election of the local Board of Directors and Farm Home Advisory Committee members, and the Come-N-Win Contest, in which all farm people of the Newark area will compete for prizes.

Final Rites Tuesday For Michael Bacchetta

The funeral of Michael Bacchetta, 78, retired Newark shoe repair man, was held Tuesday from the Joanna Corleto Funeral Home, 1810 West Fourth Street, with solemn requiem mass at 10:30 o'clock in St. Anthony's Church. Interment was held in Catholic Cemetery.

Mr. Bacchetta, who died Saturday in The Memorial Hospital, is survived by a son, Joseph; two step-daughters, Mrs. Rose A. DeRose, with whom he lived, and Mrs. Florence Amato, and two stepsons, Michael and Anthony Bright.

Newark Man Dies Of Broken Neck

Fatal Injury Received In Dive Into Christiana

Warren G. Harding Brooks, 31, of near Newark, died this week in Delaware Hospital from a broken neck suffered when he dived into the Christiana River near Smalley's Dam Saturday afternoon.

Brooks, a crane operator for the James Julian Construction Company, had been with the concern about three years. He had lived near Newark since last August.

A native of North Carolina, Brooks lived at Darlington, Md., for a number of years before coming here. He is survived by his wife, Mrs. Hazel Brooks; three children, Shirley, William and Warren Brooks, Jr.; his father, two sisters and four brothers in Maryland.

Services will be held at the Bailey Funeral Home at Darlington today. Interment will be in the Baptist View Cemetery at Rocks, Harford County, Md.

Soon To Be Occupied

DuPont Company officials announced this week that the first groups of Engineering Department employees will start moving into the new Louvers Building at Milford Crossroads around August 15. The movement of subsequent groups will continue throughout the month of September. Such necessary services as cafeteria, medical, mail and communications will be among the first to occupy the new building.

Committee Named To Select Teacher For Ford Award

Six Members Of Newark Faculty Make Application; Aug. 4 Set As Closing Date

Wilmer E. Shue, Newark superintendent, announced this week that a committee has been named to select the Newark High School faculty member who will be awarded the Ford Foundation Fellowship during the coming school year.

The committee named by Mr. Shue in accordance with the suggestion of the national committee are: Joseph McVey, board president; Frederick B. Kutz, high school principal; Dr. Howard Reed, PTA president; Dr. Matthew Pillard, lay member; George P. Nickle, teacher; Miss Ann Chalmers, teacher; Mr. Shue will serve as chairman.

The fellowship will give the teacher selected an opportunity to devote a year away from their regular duties to a program designed to enrich them as liberally educated individuals and to make them more effective teachers. The amount of the award will be generally equivalent to the salary the teacher will receive during the school year, but no less than \$3,000, plus reasonable allowances for necessary transportation expenses or for tuition in case the teacher registers at an institution for additional work.

So far Newark authorities have received applications from the following members of the faculty: Mrs. H. Duval Cleaves, Neil Osburn, Ellsworth Hoffman, Walter Matt, Eugene Smith, and Roman Ciesinski.

William Correll Completes Service

One Brother On Way From Korea; One Enters Navy

William Correll, son of Mr. and Mrs. Jacob Correll of South College Avenue, has been discharged from the U. S. Navy after four years service.

William, who held the rank Quartermaster third class, served aboard the USS Albany in the Mediterranean and North Atlantic. He is a graduate of Newark High School, class of '46.

Word has been received that a brother, Corporal Richard Correll will arrive in this country shortly from Korea. Richard has been rotated after serving the past year in Korea with the 23rd Infantry Division.

A third brother, Seaman Apprentice Henry Correll has just graduated from supply school at Newport, R. I., and has been assigned to the destroyer escort USS New. He will report to Norfolk, Va.

Large Crowds Expected During Dollar Days Program Today, Tomorrow, Saturday in Newark

18th Semi-Annual Event Sponsored By Newark Chamber Of Commerce Promises Host Of Money-Saving Bargains For Thrifty Shoppers Of City, Surrounding Communities

Local merchants are expecting thrifty shoppers from all neighboring communities as well as Newark to take advantage of the host of money-saving bargains featuring the 18th semi-annual "Dollar Days" program to be held here today, tomorrow, and Saturday.

This will be the second such program of the year and is sponsored by the Retail Merchants' Section of the Newark Chamber of Commerce. Chamber of Commerce officials pointed out this week that merchants will provide real bargains in every line for thrifty shoppers during the program. No expense or effort has been spared to make this truly a "shoppers' delight."

Alvin Handloff and Alfred Maclary, members of the committee arranging the program, pointed out that the money-saving offerings will include every conceivable item needed in the home, on the farm, in the workshop, or outdoors. Those items appearing on the merchants' shelves during these "Dollar Days" will be quality goods and not just things to be gotten rid of.

Over 10,000 special circulars have been printed and distributed to residents of Newark and surrounding areas giving in detail some of the bargains available.

Mayor Wallace M. Johnson, in a statement this week, gave his support to the program. "I feel," he said, "that Dollar Days will do much to stimulate business in this community, and please be assured that you have my wholehearted support in this enterprise."

"City officials welcome out-of-town shoppers and they will be shown every courtesy and convenience. Our stores are among the finest in the state and we welcome residents of other towns to visit us and benefit from our bargains."

No Paper On August 7 Closed For Vacations

The office and plant of The Newark Post will be closed from August 4 to August 9, inclusive, for vacations.

The Newark Post will not be published on Thursday, August 7, 1932.

Commercial printing orders will be received and processed as usual with deliveries to be made during the week following.

50 Orphans Guests Of Local Firemen At Annual Party

Two-Hour Visit To Kiddie Land Highlights Afternoon Of Fun, Refreshments

More than 50 children from the Our Lady of Grace Home or Ogletown Road were guests of the Aetna Hose, Hook and Ladder Company recently at a party which included a two-hour visit to Kiddie Land located on the DuPont Highway.

For over ten years the local volunteer fire company has made a practice of inviting the children to the annual fireman's carnival for an afternoon of fun. Due to the fact that the present state laws have made it necessary to drop plans for his year's carnival, the local firemen, knowing how disappointed the kids would be at missing the party, arranged with local and state merchants to provide the afternoon of fun as usual.

Mr. Galler, Kiddie Land owner, donated the facilities for the use of the children during the afternoon at which time they were free to ride any of the attractions.

Local and other merchants donating various things for the enjoyment of the children were: Bayshore Industries of Elkton, Huber Baking Company, Powells Ice Cream, Felens Meat Co., Stiltz Bus Co., Coca Cola, Pepsi Cola, Hires Root Beer, Trivis Service Station, Neighbors Pharmacy, Nardo's Delicatessen, and George Keely.

Following the two hours of fun at Kiddie Land, the children returned to the local fire house where they were served refreshments by the members of the Aetna Auxiliary.

Cost Of Living Reaches New Peak

Government figures released this week indicated that the cost of living attained a record-breaking peak during the month of June.

Measured by the price of food, clothing, rent, entertainment and other basic living costs, the new index of the Bureau of Labor Statistics stood at 189.6 per cent of the average between 1925 and 1929.

This was five-tenths of a point above the January record of 189.1.

It was six-tenths of a point higher than last month, 4.4 higher than June last year and 11.4 above the index two years ago, when fighting began in Korea.

Cpl. William Anderson Home From Korea

Corporal William Anderson, son of Mr. and Mrs. J. Franklin Anderson of Nottingham Road, is at present time spending a 30-day leave at home after returning from a tour of duty with the U. S. Army in Korea.

Upon the completion of his leave Cpl. Anderson will report for assignment to further duty in the Pacific area.

Three Newark Students Take Championship Prizes At Fair

Championship prizes were received by three Newark High School students at the Kent-Sussex Fair. These were Jack Richards, Earl Swain, and Robert Greenplate, are agriculture students and members of the Future Farmers of America.

Richards received Hampshire championship prizes with one of his Hampshire sows and one of his Hampshire boars. One of Swain's Duroc sows was judged champion of the Duroc-Jersey breed. Greenplate's Berkshire sow received the championship prize for her breed.

Other Newark boys who participated in the Fair and received prizes for their livestock entries were: Charles Hummel, Homer Cleaver, Lane Phillips, Raymond McCall, Allan Rowe, and Clark Weber.

A great deal of success was achieved in the field crop, vegetables, and poultry entries at well. Donald Long received first prize for his entries of barley grain, mixed hay, and alfalfa hay. First prize for soybean hay went to Edward Howell, and first prize for timothy hay went to Earl McMullin.

William Walther received first prize for his bundle of wheat, and Charles Greenplate for his bundle of wheat. Gene Dempsey received first prize for his entries of brown eggs and Irish Cobbler Potatoes. Jack Cochran received first prize for white potatoes other than cobbler. Earl Swain's white corn entries of ten and single ear samples were selected as first, and Herbert Muller's yellow corn was selected as first for yellow corn entries.

Other Newark boys who received prizes for crop and poultry entries were Harry McCormick, Jack Richards, Ferris Lee, Robert Salski, James Insings, Albert Jezyk, William Donnell, Charles McCall, Herman Samesdinger, David VarPelt, John Leas, and Raymond Leas.

THEIR MIDDLE NAME IS SERVICE

Many, many people in Delaware know the two Sharp sisters by their first names, Hazel and Grace.
And lots of people agree that their middle name is service . . . service to their community.
Hazel is a nurse, an RN with four years' experience. Soon after graduation from Harrington High School, she started training at Delaware Hospital in Wilmington, where hundreds of patients now know her as Assistant Head Nurse in the Women's Ward.
The work Grace does, too, is highly important to the community. She is one of the girls you meet when you go into a Business Office to discuss a matter of telephone service. As a Service Representative she made many friends in both Dover and Wilmington. Today she is Business Office Supervisor in Georgetown.
It is girls like Hazel Sharp who help so much when illness strikes. And it is people like Grace Sharp . . . alert, responsible, helpful people . . . who make your telephone service so dependable in emergencies, so useful every day in the year.

State Farmers Are Reported In Best Condition In History

The events and outcome of farm operations in Delaware reached record levels last year, according to George Simpson, chairman of the agricultural committee of the Delaware Bankers' Association.

Delaware farmers borrowed less money in 1951, Mr. Simpson says. In recent years the state's banks have reported steadily with their own customers in maintaining the farm and equipment of Delaware farmers, Mr. Simpson said.

"This program has been so successful and the state's farms are now in the best condition in our history, and farmers have found it possible to produce high production of vitally important farm products and still realize their borrowing."

In 1951 Delaware banks serving agricultural communities loaned \$8,409,000 to 2348 farmers to meet all types of financial needs, compared with \$7,665,000 production loans, totaling \$5,765,000 during 1950, according to the eleventh annual national survey of agricultural lending by the American Bankers Association.

In 1951 there was also a marked decline in real estate borrowing and a very small increase in the total amount of bank-held mortgage debt compared to the previous year, indicating that farm mortgage borrowing is being held to a minimum, Mr. Simpson said.

Annual State 4-H Camp Will Be Held Aug. 18-23

The third annual State 4-H Camp for boys and girls will be held August 18 through the 23rd at Camp Honesdale near Frankford.

Plans are underway for both weeks of the camp, and county 4-H Club agents are accepting registrations.

Samuel M. Gwin, state 4-H Club leader, announced this week.

Four-H members may attend either week of camp August 18-23, or August 23-30. The Leaders' and Links' weekend will be held between the two weeks—August 23-24.

Mill Creek Hundred News

Sir Pennington Evans, Correspondent
Phone Hockessin 598

The combined clans of the Woodward and Klairs met for their biennial reunion last Saturday afternoon at the Hockessin Friends Meeting House. There were 160 present coming from the three states of Maryland, Pennsylvania, and Delaware. Joseph Mitchell, president, welcomed the group. Games were played by the children in charge of Mrs. Harvey Woodward. The men enjoyed horseback and softball. After a basket picnic supper served on the lawn, an election of new officers was held. Mr. Edward A. Naudain of Paper Mill Road was chosen president; Mrs. Harvey Woodward of Hockessin, vice president; Mrs. Horace Woodward of Centerville Road, secretary and treasurer. These clans descended from Frederick and Hannah Supplee Klair and their daughter, Mary who married Joseph Woodward.

The Klairs came to Mill Creek Hundred in early 1810 settling on a farm on the Limestone Road which is the present home of Miss Annie Klair and her sister, Mrs. Bertha Armour. The Klairs had eight children. Mary was their fifth child. Her home also a farm, located on the present residence of William Moore, 2709 Main Road, Bocklee. The honor of being the oldest member present went to Mrs. Adeline Klair Buckingham, age 86, and Cherry Ann Gregg, six-weeks-old daughter of Mr. and Mrs. Rodman Gregg of Duncan Road, the young-

est. Greetings were sent to Mr. William Moore who is in the Delaware Hospital and Mr. Irwin G. Klair, another sick member.

The ministry and council committee of Hockessin Meeting will serve a supper tomorrow at 6:30 p.m. preceding the session of Center Monthly meeting. Mrs. Lewis Palmer is chairman.

The variety show being staged by the MYAF for the jubilee on Aug. 9 at 8 p.m. promises to be a treat for all attending this entertainment. "Flavia's Fling" is the title of the show which will be the story of a maiden lady touring the countries around the world. As she visits each country she will be entertained by typical scenes and customs. Her itinerary will include Hawaii, Japan, Spain, Italy, Switzerland, France, Holland, England, and Ireland. The role of Flavia will be played by Mrs. Melvin Dempsey while Mrs. Gilbert Unger will be the ticket agent. The cast will consist of members of the church and the community. Mrs. Richard La Fountain and Mrs. Paul Nelson are in charge. The jubilee will be held in Little's Grove unless stormy then, the affair will be in Harmony Grange hall. Starting at 1 p.m. on Aug. 9 with a baseball game, there will be a program at 2 p.m. when the Rev. James Hughes will speak. A baked ham supper will be served at 5 p.m. There will be recreation and games for children. Cake, candy, gift drinks, ice cream, and fancy work will be on sale. The entire affair will prove enjoyable to adults, teen-agers and children.

Herbert Moller was honored by the MYF last Saturday night when they gave him a surprise farewell party at his home here, the residence of

Interesting Women Of Our Community

From time to time there will appear in these pages articles calling the attention of readers to the variety of jobs done in our community by women. Some of them will be familiar to many, while others, along with their various occupations, are known to only a few. The purpose of these articles is to bring the little-known ones to the attention of the community.

The idea comes from a committee of the Newark Branch, American Association of University Women. This committee, called the Status of Women Committee, has interviewed several women who in its opinion are doing interesting jobs. The committee realized that there are probably many more who would qualify in this category, and if you will contact the group, the committee will consider them for inclusion in this series.

Twenty-five years experience as an office employee in a coal and lumber yard have made the words: 2 x 4's, risers, treads, board footage, etc., everyday occurrences in the life of Hannah Marsey.

Miss Hannah Marsey

Miss Marsey became acquainted with these terms as early as 1925 when she accepted a position in the office of H. Warner McNeal who owned a coal yard, feed store, and ice plant located near the B and O tracks opposite the present Hollingsworth Lumber Company.

Prior to this time she had worked for Chapman's Department Store—a store carrying both drygoods and groceries—located on West Main Street where the R. T. Jones Funeral Home is now. When the store moved to the present location of the Newark Department Store, Miss Marsey went along and remained until 1925 when it was purchased by Aaron Handloff.

In 1930 Mr. McNeal sold his business to Hollingsworth and she remained for a while but soon after left to accept a position as clerk with the Newark Lumber Company which at the time had only about 12 employees. Now there are 30.

According to Miss Marsey her duties now include pricing all charges, see that orders for lumber and coal are filled and delivered, and occasionally help with the fuel oil orders.

Another interesting phase of her work is the weighing in of coal trucks. Every morning she balances the scales over which the trucks drive. First she weighs the truck empty, then full and thus determines the weight of the coal delivered.

After working hours Miss Marsey finds numerous ways to keep herself busy. She is a member of the Aetna Fire Company Auxiliary which means she is continually planning or helping with cakes and card parties. She is also in charge of the Methodist Church dining room for church suppers where she is responsible for the setting of tables and the obtaining of waitresses.

And so it follows as usual that a busy woman is one who finds time to do lots of things along with her job. Hannah Marsey is a busy woman.

Surviving are his wife, Mrs. Edith F. Morrison; five sons, Robert W., John S., Robert J., William H., George C. and Curtis Morrison, and three daughters, Mr. James Foster, Mrs. Harry C. Ivins and Mrs. Ernest Bland, all of Newark and vicinity; nine grandchildren and 12 great grandchildren.

Funeral Services Held For Taylor Infant
Private funeral services for Diana Aileen Taylor, six-day-old daughter of Mr. and Mrs. W. Kenneth Taylor, of near Newark were held at 2 p.m. last Friday at the Newark Funeral Home, 121 West Park Place, Newark. The Rev. Dr. J. J. Bunting, Jr., pastor of Newark Methodist Church officiated. Interment was in Newark Methodist Cemetery.

The infant died last Wednesday in Wilmington General Hospital. The couple have one other child, Linda Susan. Also surviving are the child's grandparents, Mr. and Mrs. Andrew J. Taylor and Mr. and Mrs. Jesse Winchester, all of Newark.

Wedding Announced

Mr. and Mrs. William J. Heidecker

The marriage of Miss Ethel G. Crowe, daughter of Mrs. Carressa B. Crowe of Wilmington, and the late Mr. George W. Crowe, to Mr. William J. Heidecker of Wilmington, Pa., took place Saturday afternoon, July 12, in Sacred Heart Church, Wilmington. The Rev. Gertrude Glaser, pastor, performed the double ring ceremony.

The bride, who was given in marriage by her brother, Mr. George W. Crowe, wore a ballerina length gown of white organdy eyelid over ice blue tulle with white accessories. She carried a white Bible mounted with a white orchid.

Mrs. Eleanor Jaremchuk was matron of honor. Her gown was of pink lace and net over pink tulle with pink accessories. She carried an arm spray of purple asters with pink satin ribbon.

Mr. Harry Jaremchuk was best man and Mr. John Dale played the wedding music.

Following the reception which was held at the home of the bride's cousin, Mrs. Harry Needles, Lancaster Avenue, Wilmington, the couple left for a wedding trip to Niagara Falls and Canada, stopping at Buffalo for a short visit with Mr. and Mrs. T. Leslie Crowe, brother and sister-in-law of the bride, before returning to 1505 Gilpin Avenue, Wilmington, where they will make their home.

The bride is employed by Hercules Power Company, Wilmington. The groom is associated with the News Journal Company, Wilmington.

Newark Scores First-Round Win In State Semi-Pro Tournament

Two Big Innings Bring Locals Victory Over Milford; Harry Anderson Leads Way With Single, Triple, Homer As Jim Kenart Limits Losers To Six Hits For Win

Concentrating their scoring in two big innings, five in the third and four in the ninth, Newark A. C. defeated Milford A. A. 13 to 1, in the first round of the Delaware State Semi-Pro Baseball Tournament which opened last Friday night in Milford.

Newark took advantage of an epidemic of Milford errors in the third inning, scoring five times with the aid of only one hit. The hit was a tremendous homer by Harry Anderson over the right field fence with two mates aboard.

Anderson was the big gun in the Newark attack connecting for a single and triple in addition to his homer and driving in three runs and scoring three.

A triple by Bunny Blaney and a double by Harvey Ogden featured the four-run spurge in the final inning by the winners. Jim Kenart hurled the entire game for the local club giving up only six hits while walking only two.

Fort Meade, one of the tourney favorites, won its first start by knocking off Sharptown, 9-1.

Trivits Trounces Blue Jays, 12-5 In Final Contest

Will Meet Local 404 This Week In Semi-Finals League Playoff; Finals Next Week

Trivits trounced the second-place Blue Jays, 12 to 5, in scoring their twelfth consecutive win of the season in the Newark Recreation Association softball league last week. The winners thus completed an all-victorious campaign of twelve wins and no losses to walk off with first place in the final standings.

This week Trivits will meet Local 404, third place finishers, in the semi-finals of the round-robin tournament between the first four teams in the league standings for the championship. Local 404 took down third place with a record of 7 wins and 5 losses.

In the other semi-final match, the Blue Jays will meet Curtis which finished in fourth place with a 500 record of six wins and six losses.

Next week the winners of the semi-final round will meet in a best two-out-of-three series for the league title.

Newark Post Bunts Way To Victory Over Durney, 9-7

J. Allison O'Daniel Post defeated Durney Post, 9 to 7, last week in a Junior American League contest played on the local field.

Trailing 4 to 1 in the third inning, Newark literally bunted the opposing pitcher off the mound. No less than five successful bunts coupled with bases on balls and errors enabled the locals to score six runs and take a lead they never relinquished.

Durney scored single runs in the sixth, seventh, and eighth to pull up to within striking distance but Hurm kept control of the situation. In addition to hurling well for the winners, Hurm collected three hits in four trips, including a triple in the eighth inning to account for two runs.

Phillies Announce Baseball Excursion For This Saturday

Will Serve As Rain Date For June 21 Game Not Played; Train Fare \$1.55 For Adults

Officials of the Philadelphia Phillies baseball club announced this week that Saturday, August 2, will be the third DuPont baseball excursion of the season and at the same time will serve as a rain date for those Newarkers who purchased tickets for the June 21 excursion which was rained out.

The Saturday visit to Shibe Park will serve as a rain date for the June 21 affair which was washed out as the Wilmington and Newark special pulled into Philadelphia. The train will leave the Pennsylvania Railroad Station in Wilmington at 6:40 DST Saturday, and proceed to the North Philadelphia Station, approximately six blocks from Shibe Park. The Wilmington group will occupy a special reserved section in the lower stands on the first base side of the field. The train will leave for Wilmington approximately forty-five minutes after the game.

Price of the tickets for adults, including rail transportation and admission to the park, is \$3.25, and for children under twelve, \$2.75. Fans holding rain checks from the June 21 excursion may purchase rail transportation for \$1.35 for adults and 65 cents for children from Walter Kelk in room 10448 of the Nemours Building. The reserve seat rain coupons from the June 21 date will be honored at the park.

Elkton Increases League Lead With Shutout Of Newark

Marylands Account For Tenth Consecutive Win To Just About Sew Up League Title

Elkton batters fattened their averages last Sunday as the Susquehanna League leaders combed the offerings of three Newark pitchers for 17 hits in scoring a 10 to 0 win over the locals.

It was the tenth straight win for the Marylanders who have just about locked up the league title by winning fourteen while losing only once.

Only two of the Elkton players failed to get as many as two hits. Norm Abrams failed to hit safely in four trips and hurler Jim McElwee got only one for five. Challenger and Thompson were high men with three hits each.

Bunny Blaney was the only Newarker to get more than one hit, getting three for four, as McElwee limited the locals to eight.

Robin Hood Theatre Comedy Ends Sat. 'The Petrified Forest' Opens On August 4

"The Road To Rome," hilarious comedy hit currently at the Robin Hood Theatre in Arden, Del., will give its final performance on Saturday evening. The play, which features Cynthia Rogers as a seductive Roman lady and John Drew Devereaux as the warrior whom she "conquers," is by Robert E. Sherwood.

Starting Monday, August 4th, another great play by Sherwood will be given by the Robin Hood company, when Barbara Bel Geddes returns as "Gaby" in "The Petrified Forest." John Drew Devereaux, who co-starred with her in "Liliom," will be seen in the part created by Leslie Howard, and Jack Klugman has been cast as Duke Mantey, the gangster role which first brought fame to Humphrey Bogart. Mr. Klugman appeared in the Robin Hood production of "Detective Story" at the Wilmington Playhouse last fall, and has given outstanding performances this summer in both "Liliom" and "The Road To Rome." Heading up the large supporting cast are Cynthia Rogers and Howard Morison, two of the company's most popular players.

"The Petrified Forest" marks the fifth production to be staged at the summer theatre by the Robin Hood troupe which Windsor Lewis brought there in 1948. With Broadway star Barbara Bel Geddes, who in private life is Mrs. Lewis, making several guest appearances, their season playbill is proving the most varied and successful. In choosing a fifth play for presentation, Mr. Lewis turned to one of America's greatest playwrights, Robert Sherwood, three-time Pulitzer Prize winner.

"The Petrified Forest" remains one of Sherwood's most glamorous and appealing plays. It is a vivid combination of excitement, comedy and a dramatic comment on aspects of American life. It is a play packed with thrills and action, as well as tender moments. Starring Barbara Bel Geddes in a warm and winning characterization, "The Petrified Forest" promises poetry comes nearer to vital truth than history.

Barbara Bel Geddes

to be one of the highlights of the fifth summer season at the Robin Hood Theatre. Tickets are already on sale, and phone reservations may be made by calling HOLLY OAK 6606.

Social Security (Continued from Page 1)

vided for payments to most such newly retired persons, equal to 50% of the first \$100 of his average monthly wage after 1950, plus 15% of the next \$200. The new law just passed provides for a benefit of 55% of the first \$100 of average monthly earnings plus 15% of the next \$200. The effect is an increase of up to \$5 a month. Proportionate increases for dependents' and survivors' benefits will be based on that of the worker. This revised formula will apply generally to most persons who will become eligible for benefit payments in the future.

State Schools Join In Organizing New Study Council

Newark Takes Part In Cooperative Study Of All Problems In Coming Year

School administrators in Delaware are making plans for cooperative study of their professional problems for the year 1952-53. The University of Delaware and the State Department of Public Instruction are collaborating in the studies.

The Delaware School Study Council was organized during the past school year when the University of Delaware engaged Dr. Matthew J. Ellard to direct activities in school administration here. The twenty-seven participating school systems of Delaware are engaged in three separate studies. One study concerns the problems of finance, another deals with school buildings, while a third group is making an analysis of the school administrators' functions.

The executive board of the study council has planned for a general meeting to be held in September when the program will be further developed by the members. On the executive board are Albert W. Adams, principal of the John M. Clayton School, David M. Green, superintendent of the Dover schools, John A. Tallafiero, principal of the Absalom Jones School, Dean William O. Penrose and Dr. Paul Dolan from the University of Delaware, Dr. John Shilling from the State Department of Public Instruction, Dr. Ward I. Miller, Superintendent of the Wilmington Public Schools, and Charles E. Smith, Principal of the William Penn High School and Chairman of the study council's executive board.

Newark school administrators are participating members of this organization for professional improvement.

As of last June 30, 14,265,783 persons, not counting military personnel, were receiving checks from the Federal government each month.
