VOLUME 36

NEWARK, DELAWARE, MAY 26, 1920

NUMBER 29

Hopkins Latest Victims of Blue and Gold Speedsters

Wilson and Pitman Star as Record Breakers; Delaware Squad Shows Excellent Form and Comes Out on Long End of 64-48 Score

Delaware's record breaking track team kept up its fast pace by submerging Johns Hopkins by the score of 64 to 48. The meet was closely contested thruout and ideal weather made the track fast.

Five Delaware records went by the boards. "Mike" Wilson showed wonderful endurance and ability by breaking the one mile and two mile records, both formerly held by himself. He romped home with the mile in 4 minutes and 41 seconds, and inside of half hour won the two mile race in 10 minutes and 20 seconds. He shattered his old two mile record by five seconds. Bartels, Hopkins' captain, was defeated by "Mike" in the mile race; this upset of dope was the turning point of the meet.

Pitman again demonstrated his running ability by sprinting the 220-yard dash in 22 seconds. This is one of the best records Delaware has and will undoubtedly stand many years of competition before it will go by the boards. Tom McDonnell, not to be out done, vaulted 11 ft. 7 1/4 in., a new record for Delaware College. He also jumped 5 ft. 6 in. in the high jump, tying Arbuckle for second place.

Fred Harmer to complete the afternoon, clipped a little more time off the 440, this time lowering the record to 51 3-5 seconds. All eyes are turned to the Muhlenberg meet, when Fred will endeavor to run the half-mile in even time. It is interesting to note that Swarthmore tied Rutgers in a dual meet Saturday. Rutgers is the Middle States champion and considering the fact that Delaware defeated Swarthmore in a dual meet it is not too much to say that the Blue and Gold has one of the best, if not the

best track teams in the Middle States. Great credit is due Coach "Jimmie" Le Cato for his masterly training of the squad.

Summary:

220-Yard Dash—First, Pitman, Delaware; second, Tebo, Delaware. Time: 22 seconds.

100-Yard Dash—First, Pitman, Delaware; second, Tebo, Delaware. Time: 10.2 seconds.

440-Yard Dash—First Harmer, Delaware; second, Thompson, Hopkins. Time 51 3-5 seconds.

880-Yard Run—First Edwards, Hopkins; second, Lilly, Delaware. Time: 2 min. 6 sec.

1-Mile Run—First, Wilson, Delaware; second, Bartels, Hopkins. Time: 4.41.

2-Mile Run—First, Wilson, Delaware; second, Norwood, Hopkins. Time: 10.20.

Pole Vault—First, McDonnell, Delaware; Lynam, Hopkins. Height: 11 ft. 7 1/4 ins.

Discus—First Loose, Delaware; second, Carter, Delaware: Dis. 115 ft. 6 ins.

Javelin—First, Humphries, Delaware; second, Loose, Delaware. Dis. 149 ft. 6 ins.

Broad Jump—First, Aaronson, Hopkins; Thompson, Hopkins. Dis. 21 ft. 13 1/4 ins.

120 Yds. Hurdles—First, Firor, Hopkins; second, Alexander, Delaware. Time: 17 2-5 seconds.

220-Yds. Hurdles—First Thompson, Hopkins; second, Aaronson, Hopkins: 26 2-5 seconds.

Shot Put—First, Calkin, Hopkins; second (tied) Loose and Humphries, Delaware. Dis. 35 ft. 7 1/2 ins.

High Jump—First, Firor, Hopkins; second (tied) Arbuckle and McDonnell, Delaware. Height, 5ft. 7 1/2 ins.

Shakespearean Play Draws Large Crowd

Advance Sale of Tickets Far Exceeds Expectations; Cast of Play Exceptionally Strong

It will soon be impossible to secure additional tickets for "A Midsummer Night's Dream." Already the advance sales have equalled the total receipts from the Electra last year, with an unusually large proportion of tickets going to people who live out of town.

At least four high schools will be well represented, and many older people who are not attracted to the college by other student activities will come to see the play. Unless the weather should make postponement necessary, Thursday evening will see the largest and most representative audience which has been brought together in Newark this year.

The cast of sixty students of the two colleges is an exceptionally strong one. Broughall, appearing in a comic part for the first time in his theatrical career, is a real star as Bottom, and has been winning long and loud laughter at rehearsals. Olcott, as Lysander, is at home as an ardent young lover, displaying even more virtuosity in the part than he showed in the Electra last May. There are very few men in college who can act the part of a lover naturally—on the stage; but Olcott is one of the very few. Fairbanks, as the gracious Duke; Robbins, as the sportive Puck; Rowan, as the imperious Oberon; Mulrooney as the hot end testy Egeus; Allen, as the rival lover; and, in fact, all of the other men in the cast, are doing good work.

For the girls, Miss Dorothy Ford, in the part of the slighted Helena, perhaps the most difficult part in the play, is showing dramatic ability of a high order. Miss Ford, who had had no experience in dramatics before her appearance in the Electra last May, was a star as Everyman in the Sophomore Plays in Wolf Hall last November. Misses Groves, Hanchett, Butz, and Francis are exceedingly well adapted to their parts and are sure to keep the acting of the play at a high level of excellence.

The latest recruit in the cast is G. C. Brower, whose midnight serenades on the cornet have made Quality Hill famous. Brower is cast as Theseus' trumpeter.

As in Barrie's recent play, "Dear Brutus," which is in many respects suggested by Shakespeare, "A Midsummer Night's Dream" will be acted in three scenes. The first act takes place in the courtyard of Duke Theseus' palace in Athens, and in the street adjoining. The second, third and fourth acts are set in the forest near Athens, and will be presented without intermission. The fifth act, like the first, takes place in the palace. All costumes, scenery, lighting effects, and dances have been designed especially for the Delaware College production of the play, under the direction of Dr. J. R. Moore and the other members of the Executive Staff who are in charge of the performance.

The play will begin at eight o'clock sharp, and will end shortly after ten o'clock, in ample time for visitors to take the returning Pennsylvania train to Wilmington.

FIFTIETH ANNIVERSARY PLANS COMPLETED

History of College Feature of Celebration; Hon. Thomas Nelson Page to Speak

Commencement this year will have special significance in that the fiftieth anniversary of the reopening of the college will be celebrated at this time. Much stress is being laid upon this anniversary and preparations are being made for the large crowd of Alumni and visitors who are expected to be present.

One of the features of the commencement will be the first appearance of a complete history of Delaware College, entitled "Fifty Years of Delaware College, 1870-1920," a volume of 150 pages, which is being written by Dr. E. N. Vallandigham, of the class of 1873. The main body of this volume will be given to a somewhat detailed sketch of the college for the past 50 years, together with comment upon incidents, record of development and growth in science, sports and other interests and an account of even such trivialities as student pranks. The appendix will contain statistics, a financial statement, reminiscent letters from alumni, old and young, and a rapid sketch of college history from the beginning.

This is but one of the special features which have been planned. On Friday, Saturday and Monday, June 11, 12 and 14, the varsity baseball team will be seen in action on Frazer Field. Saturday, June 12 is Alumni Day, with the Alumni banquet and fraternity reunions in the evening. On Sunday, the baccalaureate sermon will be delivered by Rev. William Holloway Main in Wolf Hall, and on Monday, the commencement address will be delivered by the Hon. Thomas Nelson Page, late United States Ambassador to Italy, whose father studied at Delaware College before entering the University of Virginia, as shown by college records. Mr. Page is also a writer of note and his address alone will repay any inconvenience to which the Alumni may be put in returning for the celebration.

Chemists To Hold Banquet In Old College

The regular meeting of the Delaware Section of the American Chemical Society will be held at Delaware College on the afternoon and evening of Saturday, May 29. This society is a branch of the American Chemical Society for the State of Delaware and has about four hundred members all of whom are actively engaged in chemical work in the State of Delaware. For the past two years it has been their custom to hold one meeting each year at Delaware College. After an inspection of Delaware College and The Women's College in the afternoon, dinner will be served at Old College at six o'clock, following which a meeting will be held in Wolf Hall. The speaker of the evening will be Mr. Edwood Hendrick, of New York City, his subject being "Chemistry and Civilization." Mr. Hendrick is a chemist of national reputation and will treat his subject in a non-technical manner. The public is cordially invited to this meeting which will be held at 7.30.

Chicks Defeat St. John's 2-0

Blue and Gold Registers First Shut-Out of Season; Rothrock Goes Well

In a closely contested game on Frazer Field Saturday, May 22, the Blue team dealt out a white-washing to its ancient rivals, St. John's. The boys from Annapolis exhibited the fighting pep thruout the contest, and it was only by the sterling pitching of Joe Rothrock in the pinches that Delaware was able to secure a 2-0 victory.

The total score came in the first inning. "Skeeter" Wilson got on by a muff of his hit. "Ted" Dantz came thru with a bingle and the play ended with "Skeet" on third and "Ted" on second. George Madden displayed his usual batting form and got a clean hit which brought in the two runs.

St. John's then settled down and held the Chicks scoreless for the remainder of the game. Pitching honors were about equally divided. Robert's delivery was puzzling and Delaware secured only 4 hits, Madden being high man with two.

Coach Shipley used some of his youngsters in this game, and they made a creditable showing. Nutter is developing into a good catcher; and "Jesse" Hughes, who relieved "Bess" Carter in the eighth inning, pulled down several hard catches for put-outs. "Skeet" Wilson replaced "Mike" Underwood, who is nursing a wrenched knee, at short stop. Ted Dantz replaced "Dorse" Donoho, also injured, in right field.

The game was characterized by clean playing, few errors, and good sportsmanship.

The score:

St. John's					
	R.	H.	O.	A.	E.
Everett, 3b	0	0	4	2	0
Tall, lf	0	0	2	0	1

Kappa Alpha Holds Dance in Old College

Old College presented a scene of merry-making last Saturday night, when the Kappa Alpha Fraternity held its last informal dance of the season. Billy Wilson's orchestra of Wilmington delivered an extra good sample of modern dance music which included some of the latest numbers as well as the old favorites. Many of the Alumni and several out of town guests were present, making about seventy couples.

At eleven-thirty sharp the dancing ended and refreshments were served. The patronesses were: Mrs. E. L. Smith, Mrs. George Dutton, Mrs. Walter Steele and Miss Mary E. Rieh.

Juniors Prepare For Farewell Hop

The Junior Class is now making final plans for the Farewell Hop. The dance will be held in the Armory and the class has limited the sale of tickets to the student body to one hundred. George Madden is making arrangements to bring a first class imported orchestra to Newark to furnish the music for the evening and part of the morning. The Committees on Decorations, Floor, Invitations,

Programs and Refreshments are carrying out their respective plans to make this the BEST "Farewell Hop."

A. A. E. Holds Discussion

The regular meeting of the local chapter of the American Association of Engineers was held in the Lounge last Thursday evening. President Boggs opened the discussion, telling the aims and plans of the local chapter, and urged each member of the association to assist the officers in making the chapter a real force in our college life. This discussion was followed by a general discussion covering the ethics of the engineering profession.

The form of the meeting was an innovation in the history of the engineering societies at Delaware. In view of the success of this meeting, it is likely that many meetings of a similar nature will be held next year.

W. H. Buntzen, ex-'22 is now a cadet engineer in the U. S. Merchant Marine. Bill visited the college over the past week-end and was heartily welcomed by all who knew him.

THE COACH

For several days the rumor of Coach Shipley's resignation has been passed around the campus, and like other rumors of its kind, it has lost nothing in the telling. Whether or not there is any real basis of fact underlying such a rumor is not definitely known; but should such a thing materialize, it would be difficult to find words with which to express the loss that the student body, the College and the State would feel.

During his two years stay at Delaware, Coach Shipley has worked untiringly for the benefit of the athletic interests of the Blue and Gold. The standard of athletics has risen immeasurably. Several years ago, Penn. Navy, Yale, Princeton, California were figments of the imagination of ambitious and far-seeing men, working for the athletic good of Delaware College; now they are realities on the schedules which Delaware is working out. The air-castles of years ago have more than materialized and Delaware is fighting her way, through her athletic prowess, to recognition among the great universities of the country and of the world. And yet, it is rumored, the man who has done most to accomplish such glorious achievements is to leave. Such a thing to our minds would be a catastrophe, a blow not only to athletics, but to the college and to the State. Can it not be stopped?

Whether he goes or stays, however, "Ship" will always have the friendship and admiration of the men of Delaware, the men who have worked under him and for whom he has toiled. If he must go, it will be hard to say good-bye. We repeat

THE HONOR SYSTEM

With final examinations looming so ominously in the future, it would seem only natural that something should be said at this time concerning the Honor System. The Honor System is the one direct and obvious result of student government. So long as it lasts, and continues to be the force that it should in college affairs, just so long will student government remain intact.

In the coming examinations, it is up to each student to assume the responsibility of carrying on the work of the Honor System, and to see that nothing is said or done which will detract from its force. It is not enough to merely govern ourselves into complying with the honor pledge individually, but as members of the student government association, it is our duty to see that others respect the Honor System and comply with its rules. We have now reached the most critical period in the life of the Honor System. It has ceased to be an experiment and is just beginning to be felt as an actual factor in the life of the student body. Just at this time, we can either give it a boost

which will assure its success in future years, or we can deal it a blow from which, in all probability, it would never recover. We must realize that the Honor System is an actual fact and we must not allow it to become a "dead issue."

In the final analysis, the Honor System is merely the putting of a man upon his honor, and it is left to him to determine what points his personal honor should cover, and to apply these same principles to the question of his duty in the classroom. On the same principle, we feel that the professors in charge should give their examinations on the basis that they are dealing with men of honor, and should refrain from being over-suspicious of the actions of a student. Therefore, it is up to us to help make the Honor System a real force and to work for its advancement in everyday life.

SUPPORT THE BLUE HEN!

Years come in and years go out but the college goes on forever. So it is with certain institutions, customs, and traditions within the college. For many years, the Blue Hen, until recently a biennial publication, has represented the college as a year book. This book has held between its covers a review of the events of each year or of each succeeding two years,—history for all time to come. Its pages reflect truth more clearly than does the report of the President to the Trustees or of the Trustees to the people of the State.

The Blue Hen Board of each class is responsible for all that the book should be. Do your duty and subscribe now!

DRAWING ROOM LIGHTS

In spite of the efforts being put forth by the Department of Mechanical Engineering to supply the students with an adequate and up-to-date lighting system for the drawing room, some person or persons is or are starting to tamper with the various parts of the lighting equipment. As these lights were secured at a considerable cost, if the above practice continues, means will have to be taken to prevent men from gathering in the room during the evenings. This should not be necessary. It will not be necessary if the students let well enough alone. A word to the wise is sufficient!

**Interesting Experiments
Carried On In Wolf Hall**

Miss Clara Langenbech has been working for some time in Wolf Hall trying, by experiments on some of "Bill" Lilly's white mice, to find the causes and a possible cure for cancer. Although confronted by huge difficulties, she has

worked steadily and with surprisingly good results. In speaking of her work, Miss Langenbech made the following statement:

"From many of our daily papers we learn that the American Society for the Control of Cancer has planned a campaign between May 13 and May 29, to disseminate knowledge of cancer and to impress upon both the medical profession and the laity that cancer if treated in time can be cured.

"As 'the proof of the pudding is the eating of it,' so the little menagerie of some hundred and fifty mice in the basement are doing the eating part. Some interesting and even conclusive results have already been obtained during the short time the experiments have been running upon this slow growing disease. Because this parasite organism is so very common that Dr. Manns has aptly named it 'Soil Rot,' we are probably taking in small doses of it frequently during our lives, which in their slow development are acting like the vaccine given us for smallpox,

THREE HARD GAMES FOR BLUE AND GOLD

Delaware will soon meet three worthy opponents when it locks horns with Swarthmore, Maryland State and the University of California. All three of these colleges have been going at a fast clip lately and the Blue Hen's Chicks will have their work cut out for them in showing a clear pair of heels to such a classy field.

June 3 is the date set for the tilt with Swarthmore, Delaware's biggest rival. The "Little Quakers" are out for blood. The two spankings administered them in basket-ball and track by the lads in Blue are still smarting and the Maroon and White athletes are looking for a chance to slip the K. O. blow to Delaware's baseball aspirations. With Shipley's squad going at top speed, however, it is not too much to say that any team in the country would find that hard to do.

On the 7th of the same eventful month, Maryland State College will make its baseball debut on Frazer Field. For several years, ever since the advent of Coach Shipley, the friendly rivalry between the two State Colleges has been growing, and it is with real pleasure that Delaware welcomes Maryland on that day. No pains, however, will be spared to give the visitors a warm reception when they line up against the "Chicks" for the second game of this season.

Friday, the 11th of June, will be probably one of the biggest days in the athletic history of the college. The University of California, representative of the athletic prowess of the West, will try conclusions with Delaware's best, and when "best meets best" something is bound to happen. Never before in the annals of the college has such an institution from such a distance appeared on Delaware's field and it is expected that there will be the biggest turnout of spectators ever seen in Delaware. Whether Delaware wins or loses, they will win well or lose well, as Delaware teams always do.

Sophomores Victors In Close Contest

In a game characterized both by sensational and loose playing, the Sophomores defeated the Freshmen 3-2 on Frazer Field on Tuesday. Victory was hard sought by both teams and the game, which was scheduled for seven innings, went nine innings.

The heady pitching of both moundsmen, Brandt for the Fresh, and Deppe for the Sophs, was one of the features. Time and again the sacks were occupied, but the pitchers, respectively, pulled out of the "bad holes" and the runners died.

The first tally for the Sophs came in the second inning when Ivory doubled, was advanced by Lilly's sacrifice and came home on Challenger's clean bingle.

The Fresh netted their full quota in the fourth frame. Hughes scored on Nutter's double and Nutter scored on Bland's triple. The fireworks ended with this rally and the Sophs held their opponents to a row of goose eggs for the rest of the game.

The Sophs earned their second run in the fourth inning by clean hitting, Ivory scoring on Stewart's bingle.

Victory came in the ninth when Lilly beat out a bunt, stole second and third and came home on Haines' throw of Stewart's fly.

The championship will be decided Thursday next, when the Sophs play the Juniors.

The score by innings:

	R.H.E.
Sophs	0 1 0 1 0 0 0 0 1-3 6 5
Fresh	0 0 0 2 0 0 0 0 0-2 6 4

Results of Student Elections

The results of the student elections for next year's officers, which took place on Tuesday, were as follows:

Senior Class

President—George H. Madden.
Vice President—J. A. Barnard.
Secretary—Jos. Fairbanks.
Treasurer—Marion P. Boulden.
Nominees for Student Council—

1. George M. Sipple; 2. Howard B. Alexander; 3. W. T. Anderson; 4. James A. Horty.

Athletic Council—E. George Tonkin.

Junior Class

President—T. R. Dantz.
Vice President—Gerald C. Smith.

Secretary—A. C. Reed.
Treasurer—Oliver Goffigan.
Nominees for Student Council—

1. Gray Carter; 2. J. E. Wilson; 3. Stanley F. Twoes; 4. Alvan Allan.

Athletic Council—To be elected.

Sophomore Class

President—John D. Williams.
Vice President—Edwin A. Hoey.
Secretary—W. H. Rawson.
Treasurer—Arnel C. Nutter.
Nominees for Student Council—
1. James P. Robbins; 2. Earl D. Brandt.

Athletic Council—

The final vote on representatives to Student Council and nominees for the managers and assistant managers of the various athletic teams will take place in a student meeting on Thursday at eleven in Wolf Hall.

Loosely Played Game Goes to Dickinson

Chicks Get Setback in Eleven-Inning Contest to Tune of 5-4; Errors and Misplays Feature

Six glaring errors and six measly hits characterized the game with Dickinson on Friday, May 21. A bestowal of 1920 beverage by Jupe Pluvius during the last part of the contest added to the general sloppiness of the entire fiasco, which by the way, was just a little too entire, considering that our rivals won in the eleventh inning. It is to the credit of Dickinson that their pitcher registered 14 strike outs and that they played good baseball.

The playing of the Chicks was by no means up to standard, and the only alibi seems to be that of accrediting the slump to some unknown jinx. Coach Shipley used almost the entire string to stop the Dickinson tide, but to no avail.

In the ninth inning the Blue team started a rally and came thru with three runs, enough to tie the score. Dickinson secured the winning tally in the eleventh. Hughes, who replaced B. Carter at first, showed up well and strengthened the infield materially.

The score:

Dickinson

Tennis Team Drops

Three on Trip

The Tennis Team returned from their Southern trip Sunday with the jinx still on their trail. Blue Ridge, Johns Hopkins and Maryland State each took the measure of the local team.

Capt. "Jimmie" Horty was, as usual, the star performer for Delaware. "Jimmie" won his singles in all three matches by decisive scores.

The complete scores follow:

Blue Ridge College 4; Delaware 2. Horty (Capt.) Delaware, d. McDaniel, Blue Ridge, 6-1; 7-5. Mauss, Blue Ridge, d. Jack Challenger, Delaware, 6-4; 6-3. Putnam, Blue Ridge, d. Bob Challenger, Delaware, 2-6; 6-4; 7-5. Oleott, Delaware, d. Dunbar, Blue Ridge, 6-4; 6-1.

Doubles	
McDaniel and Mauss, Blue Ridge, d. Horty and J. Challenger, Delaware, 2-6; 6-4; 6-4.	Horty, Delaware, d. Hammond, J. H. U., 9-7; 6-4.
Putnam and Dunbar, Blue Ridge, d. Oleott and B. Challenger, Delaware, 5-7; 6-2; 6-4.	Duffy, J. H. U., d. B. Challenger, Delaware, 6-1; 6-3.
Johns Hopkins 4; Delaware 1.	Craft, J. H. U., d. Oleott, Delaware, 6-4; 7-5.
	Rowland, J. H. U., d. J. Challenger, Delaware, 6-3; 6-1.

Doubles	
Craft and Jacobson, J. H. U., d. J. Challenger, Delaware, 6-1; 6-0.	Latta, State, d. B. Challenger, Delaware, 6-2; 8-6.
Horty and Oleott, Delaware, vs. Hammond and Duffy, J. H. U., (Rain).	White, State, d. J. Challenger, Delaware, 6-2; 7-5.
Maryland State 4; Delaware 2.	
Horty, Delaware, d. Slanker, State, 4-6; 6-4; 6-1.	
Haig, State, d. Oleott, Delaware, 6-3; 6-3.
