Mr. George S. Messersmith
44 Genova
Mexico City

Dear Mr. Messersmith:

Before leaving to-morrow morning, I wish to acknowledge receipt of your letter of May 15th.

The bill for your stay at the Carlyle as well as the Mayflower bill for the whole party were refunded to Mr. Heineman by Amintas and will be charged to Mexlight. Mr. Newman confirmed that everything was in order.

It was very kind of you to recommend us to the captain of the "America"; I will not fail to give your message to Gus. It would have been very nice if you and Mrs. Messersmith had made the trip with us.

With kindest wishes to you and Mrs. Messersmith and to Mrs. Hall, believe me,

as always
