## FIRE CODE IS ADOPTED BY COUNCIL ON MONDAY

### New Town Ordinance Sets Uniform Safety Rules

An ordinance setting up uniform fire safety regulations for all buildings in Newark, was given a final reading and acted without a dissenting vote by the Town Council at its April meeting Tuesday night in the council offices. A complete text of the ordinance will be published in next week's issue of the Post, town authorities said. The measure was drawn up by local attorney, Sam Handloff, and is regarded as an air-tight code, providing against all fire hazards. Adoption of the long-needed ordinance will give Newark's new fire marshal, Elmer Ellison, authority to enforce adequate and standard fire precautions in buildings throughout the town. Hereafter, although flagrant fire hazards have existed in many buildings, public and private, the town did not have the power to demand correction of such spots. Ellison will now be able to conduct inspections, point out violations and demand conformity with all regulations of the ordinance. Features of the draft are regulations for removal of fire hazards such as collections of waste and dust demanding repairs to dangerous buildings. The code provides that fire escapes be installed for all apartments above the second floor and lists rules for the storage of fuel for oil burners. The measure also forbids obstructions of fire escapes and standing in the aisles of public gatherings such as in churches or movies.

## ARRESTS IN MARCH TOTAL 71

### Most Are For Traffic Violations

A total of 71 arrests was made by Newark Police Force during March, according to Chief William Cunningham's report for the month. The violations are classified as follows: speeding, 7; disorderly conduct, drunk, 11; passing stop sign and auto and battery, 4 for each; trespassing and reckless driving, 3 for each; driving on the right, larceny, resisting arrest, threatening bodily harm and larceny of bailie, one for each offense. Investigations were as follows: accidents, 2; larceny, 6; breaking and entering, 7; one cleared; cars stolen, 2; runaway youths, 2; returned; arson, cleared. Three cases were dismissed. Magistrate J. H. Rumer reported 291 tickets in fines. The police car received 3,723 miles. Town Treasurer Vernon Steele reported electric light receipts for March being \$9,229.66, electric power receipts of \$5,451.06, and water rents amounting to \$1,530.739, making a cash total of \$64,156.66 less disbursements of \$22,505.06, leaving total cash on hand of \$16,561.

## UNIVERSITY ART EXHIBIT

### Water Colors By A. Sappe

Original water colors by Arthur Sappe, well-known New York artist, will be on display in the Art Gallery of the Memorial Library of the University of Delaware on Thursday, April 10. The public is cordially invited to view the exhibition, which will continue throughout the month. The gallery is open from 9:30 weekdays and from 2:30-9:30 p. m. on Sundays. Sappe has exhibited in galleries, museums from Vermont to Florida on the East Coast and on the West Coast in the San Francisco Museum of Art. The exhibition in the Memorial Gallery is composed of landscapes, still life and portraits; all in water colors. Work is described by Miss Harriett J. H. Rumer, head of the Department of Fine Arts at the university, as "original, sensitive, with an oriental quality."

## Daylight Saving Time To Be Effective Here On April 27

Newark will again observe Daylight Saving Time beginning Sunday, April 27, town officials said this week. The move was authorized to bring the town in line with other communities in this area.

Council also fixed clean-up days for April on Wednesday and Thursday, April 16 and 17. Residents are urged to have their waste and trash ready in containers to facilitate collection by town crews.

Police Commissioner, Norman Battersby, was authorized to secure bids on a new police car. The present patrol car, purchased a year ago, has traveled 50,000 miles, and officials feel its high trade-in value now would make the purchase of a new car an economical move. The newly installed short-wave police radio can be switched to a new car without cost to the town, it was said.

## 2 SENIORS AT NHS GET SCHOLARSHIP TEST AWARDS

### Kraemer And Fossett Earn Pepsi Contest Honor Mention

Two Newark High School seniors, John Leonard Fossett, and Paul Michael Kraemer, today received word that they have been awarded certificates of merit by the Pepsi-Cola Scholarship Board as runners-up for the 126 four-year college scholarships being granted this year. As certificate of merit winners, they will receive fifty dollars awards when they enter college next fall.

Announcement of the awards was made by Frederick B. Kutz, principal of Newark High School, who stated that 38,364 candidates elected to represent 9,157 of the nation's high schools participated in this contest, which is financed by the Pepsi-Cola Company as one of its public services. One hundred and eight Delaware students from 32 public, private, and parochial schools entered the competition. Of Newark High's two winners, John Leonard Fossett, 17, is the son of Mr. and Mrs. Leonard Fossett of 17 Center Street. Planning to specialize in science, he will apply for entrance to the University of Delaware following his graduation in June.

Paul Michael Kraemer, 17, the son of Mrs. Huldah F. Kraemer, of Greenbank Road, plans to enroll at the University of Delaware in the autumn where he will major in natural history. This year an additional scholarship winner was selected from among the three Negro boys and four girls representing two schools of the Delaware colored school system. The winner is Harry Daniel Tunnell, 17, the son of Mr. and Mrs. Alfred Walker, 76 West Cleveland Avenue, Newark. He plans to enter Lincoln University, following graduation from Howard High School in June, where he will specialize in the field of medicine.

The two full-tuition college scholarships granted in Delaware this year were won by Robert George Jahn, a student at the Tower Hill School in Wilmington, and Theodore Helmut Schwedenberg, a senior at Seaford Special School.

Principal Frederick B. Kutz reported that four outstanding seniors of Newark High School were elected by their classmates to try for the scholarships.

## Rehabilitation Work Is Outlined To Lions

Fremont Loeffel, supervisor of physical restoration for the Delaware Rehabilitation Office, was the speaker at the weekly Newark Lions Club meeting, with Dan Stoll, second vice-president, presiding. Mr. Loeffel was assisted in his talk by Dick Roberts, Lion member who is employed by the Rehabilitation Office. A film "Comeback," showing the latest techniques for assisting the physical handicapped to achieve a normal life, was shown. Wilson Worrall was a guest of John Fader.

Also announced was the fact that the club will again award two \$10 prizes to outstanding Newark High School seniors. J. D. Coughlan, popular Lion member who intends to move to Pittsburgh soon where he will take up residence with his family, attended his last meeting here. He is employed by Coopers, Inc., and is being transferred to the Pittsburgh district of the company.

## ELEMENTARY REPORTS

Report cards will be issued elementary students at the Newark Schools on Monday, Supt. Wilmer E. Shute announced this week.

## RESPONSE TO CANCER DRIVE HERE IS PRAISED

### 17 Volunteer Workers Are Seeking Funds In Community

An enthusiastic response greeted the first week of the Cancer Drive here, officials said yesterday, adding that the public in general seems fully aware of the importance of the cause. Some 17 volunteer workers are soliciting funds in the Newark area, with more expected to join in the work this week.

Mrs. T. D. Mylrea, state chairman for the campaign, is also directing the local phase of the drive, which seeks \$28,000 in New Castle County.

Funds raised in the state and throughout the nation will be used in cancer research, service to cancer victims and aid in diagnosis and treatment as well as in a broad educational program designed to acquaint the public with the latest facts uncovered about cancer.

Local solicitors seeking contributions in their neighborhoods are: Warren Ellis, Mrs. James McNeal, Mrs. Robert Levis, Mrs. Richard Coch, Mrs. Milton Draper, Mrs. A. J. Doordan, Miss Elizabeth Grime, Kingdon Watt, Miss Edna Campbell, Mrs. C. R. Humphreys, Miss Nell Wilson, George Haney, Mrs. Charles Gibb, Mrs. R. W. Heim, Mrs. James L. Leitch, Mrs. Thomas F. Manns, and Mrs. Cora Thomas. Names of others will be published as revealed.

Mrs. Mylrea also reported that coin boxes for cash donations have been set up in the following stores: Rhodes Drug Store, Neighbors Pharmacy, State Theatre, Newark Department Store and the Community Co-op on New London Avenue.

## MEMORIAL DAY MARCH IS PLANNED

### Ashbridge To Direct Committee

A full-scale Memorial Day parade is promised for Newark again this year, with Town Council already beginning plans for the big event. Funds for the March were voted and a committee was appointed at the Tuesday night's council meeting.

Col. Donald M. Ashbridge, director of business guidance and placement bureau at the University of Delaware, has agreed to serve again as chairman for the affair. Others invited to serve are: Ren George and Ford McBerry, local V. F. W. and Legion commanders; Wilmer E. Shute, superintendent of schools; and Lt. Joseph Balbach, commander of Newark's Battery "C."

It is expected the parade will again be composed of several military units, including a contingent of sailors from Bainbridge, the university R. O. T. C. unit, Battery "C," as well as the school band and groups of war veterans and school children.

Officials are aiming to rival last year's colorful march, which was lauded as one of the most elaborate and successful ever held in this community.

## PAPY TO HEAD ROTC

Robert H. (Bob) Papy, Jr., a University of Delaware football lineman, has been appointed lieutenant-colonel and battalion commander of the student ROTC unit at the university for the balance of the school year. He lives in Newark with his family.

Announcement of his appointment was made this week by Col. Randolph T. Pendleton, professor of military science and tactics, who also appointed Kurt L. Seligman, as battalion executive and major. Both men are Army veterans who served overseas.

The new battalion adjutant is George L. New, a former paratrooper, who will be a first lieutenant. Other cadet officers are Philip R. Tainall and James M. Myers, battery commanders of Batteries A and B, respectively; Richard G. Silver, platoon leader and first lieutenant; Benjamin J. Campagna, platoon leader and first lieutenant; Weston H. Beale, a Newark High School graduate in 1942; as platoon leader and first lieutenant; and Wallace F. McFaul, also as platoon leader and first lieutenant.

## \$61,880 IN BUILDING PERMITS GRANTED

### Construction Shows Marked Increase Here During March

New construction took a decided spurt here the past month, with Town Council issuing 14 permits authorizing buildings to cost a total of \$61,880. The largest went to Herman Wollaston for two concrete block and stucco dwellings on Sunset Road to cost \$26,000.

Two others totaling \$19,000 were issued F. Vansant, one for a \$9,000 concrete block stucco addition at 87 East Main Street and the other for a \$10,000 concrete block and stucco dwelling on Winslow Road.

The remainder were granted as follows: Eric Mayer, \$3,000 in additions and alterations to garage for conversion to snack bar at 92 East Main Street; Edgar Trivits, four frame garages and back porch to cost \$650 at 306 East Main Street; Edward Doyle, basement room and side porch costing \$1,000 at 324 Wyoming Road; C. E. Marshall, \$300 single car garage attached to dwellings at 174 Elkton Road; Joseph Reed, two \$9,600 concrete dwellings on Continental Avenue; Dr. C. M. Cox, \$600 concrete block addition at 174 East Main Street; Bessie A. Wright, \$350 enclosed porch, 28 Prospect Avenue; Harry N. Truitt, \$355 enclosed porch, 42 North Chapel Street; Walter Foraker, \$350 concrete block two car garage, 189 South Chapel Street; John Trivits, \$25 for sink, 71 East Delaware Avenue; and W. D. Stonecipher, \$450 concrete block garage, 310 Ashley Road.

Town Engineer, Cleaver Price, reported the connection of two new electric services during the month and the renewal of four old services, which were damaged by high winds. A survey of all transformers for additional data for the Delaware Power and Light Company has been made, he said.

Two new water taps and two sewer taps were installed during the month. One water tap was renewed and three leaks repaired. Water and sewer extensions on Wyoming Road were completed. The work on the sewage treatment plant is now 95 per cent complete.

During March 18,069,900 gallons of water were pumped for a daily average of 582,900 gallons. The figure marks a daily increase of 3114 gallons over February and a jump of 861,200 gallons over March 1946.

## SPRINGER ADDRESSES ROTARIANS

### Surgeon Talks On Courts And Penal System

Dr. Harold L. Springer, chief surgeon of the Delaware Hospital, Wilmington, and staff member of the New Castle County Workhouse, was the speaker at the weekly meeting of the Newark Rotary Club, presided over by W. S. Hamilton.

Discussing some of the defects of our penal system and courts of justice observed by him during his 25 years at the Workhouse, Dr. Springer said the jury system, in particular, frequently circumvented justice, since jurors, selected by lot, are often incompetent to deal with the case in question and lack sufficient judgment to render an intelligent decision. The trial itself, he said, many times defeats its own purpose, which, presumably, is to secure justice and determine the true facts of the case, since frequently it degenerates into a battle of wits between opposing attorneys interested not in a just decision but merely in winning their point.

Touching on other aspects of the crime problem, he said that the current increase in juvenile delinquency is mainly the fault of parents and that criminals are not usually outright villains so much as persons who are mentally ill. Capital punishment, he said, has not proved successful in preventing crime, and the Delaware whipping post had been found equally ineffective in curbing criminals. In fact, the speaker said, punishment in any form seldom if ever reforms a criminal and is an inefficient and unintelligent way of dealing with anti-social behavior.

Warren Buckingham, mayor of Middletown, was a guest at the session, along with Wallace Cook, also of Middletown.

## New Bank Official

Alton F. Hillis

Edward F. Matthews, treasurer of the Newark Trust Company, announces that the Board of Directors has elected Alton F. Hillis to serve as assistant treasurer. Mr. Hillis will assume his duties on May 1.

Mr. Hillis is a local man, having graduated from the Wilmington schools and local business colleges. He has had wide experience in banking and was formerly connected with banks in Wilmington. He is leaving a position as examiner in the state banking department to join the Newark Trust Company.

## DR. DOWNES RESIGNS AS RED CROSS DRIVE CHIEF

### Withdraws As Head Of Yearly Fund Campaign; Thanks Public

In a statement this week thanking the public and volunteer workers for their "splendid cooperation" in the recently concluded Red Cross drive here, which netted over \$6500, Dr. John R. Downes, veteran chairman of the annual canvass, announced his retirement from future Red Cross campaigning here.

Dr. Downes, whose withdrawal will come as a severe loss to the Red Cross work in the local area, has directed the annual campaign here for the past six years and has never failed to lead his corps of volunteer workers "over the top" in drive for funds.

The full text of Dr. Downes' statement is as follows:

To committee members, captains, solicitors, and contributors.

Greetings:

"The 1947 campaign for the Red Cross Fund came to an end March 31, and in this, my sixth annual message, on behalf of the committee and organized workers I wish to thank the contributors and workers for their splendid support. We feel Area No. 1, including Newark, Ogdontown, Glasgow, Christians, Bear, Milford Cross Roads, Korne Ketch, and environs, have again shown their approval of the good work being done by the American Red Cross. Your liberal support in work and money is worthy of praise; no area could have been more cheerfully loyal.

"Personally, I want to thank you for continued support through the years and to announce my retirement from this activity. I am especially glad to have this year's record to look back on it has been a pleasure to have been associated with you in this work, and I am sure you will all continue your support in future campaigns."

Sincerely,

J. R. Downes, M. D., Chairman.

## Evaluation Committee Is Entertained At Assembly

The music department of NHS presented an assembly program yesterday, consisting of band, double octet, and vocal solos. The program was directed by Miss Margaret Fitzsimmons and Ernest R. Wilder and conducted by Ann Van Sant, drum majorette.

The evaluation committee as well as the student body attended. The following selections were played: Entrance March, "WMB" Band; Morning Exercises, Ann Van Sant; "America Excitant," Band; Vocal Selection, Janice Olson; Double Octet, directed by Miss Fitzsimmons; Saxophone solos, Alex LePer; Battle Hymn of the Republic, Band; Exit March, "S. I. B. A." Band.

## DANN TOPS WHEELLESS IN CLOSE VOTE ON TUESDAY

### Ramsey Gets Big Majority; Battersby Is Elected By 71

Two veteran councilmen, George Ramsey and Norman Battersby, were swept back in office by large pluralities in Tuesday's election, while the third contest, between Rodney Dann and F. A. Wheelless, developed into a nip and tuck battle with Dann winning out by the slim margin of three votes.

The balloting through the afternoon was the most spirited seen here in a number of years, with a record of 553 votes being cast, almost double the usual number.

Largest number of voters turned out in the Western District where the two political newcomers fought it out for a Council seat. Out of 243 ballots, Rodney Dann drew 123 against 120 for F. A. Wheelless, with the two contestants running almost neck and neck from the moment the polls opened.

Widest margin of public support went to Ramsey in the middle district who drew 147 votes against 71 for Robert Davis, a majority of 76. Ramsey, popular Council member since 1935, will be entering his seventh term on the town governing body.

In the Eastern District Norman Battersby was returned for his third term by a plurality of 52 votes over his opponent Harold Sheaffer. A total of 92 ballots were cast in the district, with 72 going to Battersby and 20 to Sheaffer.

## NHS SENIORS WILL JOIN IN GIRL'S STATE

### Auxiliary Unit Hears Reports At April Meet

Two Newark High School seniors, Louise Maronsek and Betty Johnson, will serve as representative and at-tache, respectively, in the annual Girl's State to be held at Dover on April 26.

The announcement was made by Mrs. Robert Davis, local chairman for the affair, at the April meeting of the J. A. O'Daniel Unit, No. 10, American Legion Auxiliary, in the Legion rooms Monday night. Mrs. Leonard Rhodes, president, presided.

Further business included a report from Mrs. John R. Fader on the unit's annual poppy sale, plans for which are now underway. The Pan American Study Committee announced that Columbus, South America, has been selected as this year's subject. Pan American Study was adopted by the Auxiliary in 1940 to replace Fidae.

An informative talk on the Auxiliary's child welfare program was given by Mrs. J. Harvey Dickey, unit chairman for the program. Pointing out that the theme for the project is "The Whole Child," Mrs. Dickey said that no particular phase of the youth problem, such as delinquency or health, is being stressed to the neglect of others equally important. Rather, she said, the Auxiliary is attempting to carry out a broad program aimed at assisting young people to become responsible citizens.

The object, she said, is to organize a series of activities, which, among other things, will encourage better home life promote spiritual training, improve health conditions, and assist in providing educational advantages, including vocational training and guidance.

The members also heard a report from Mrs. Richard L. Coch, rehabilitation chairman, who gave details on the tea dance sponsored by her committee for the veterans at Perry Point recently. Members were invited to attend the next dance on April 19.

## Dates For Pre-School Clinic Here Are Set

Dates for the pre-school clinic for young pupils planning to enter the first grade of the Newark Schools in September were announced this week by school officials. The clinics, which will offer a complete physical check-up to prospective pupils, will be held at the New London Avenue school on April 15 and at the Newark High School building on May 12.

The physical examination will cover eyes, ears, throat, heart and teeth and will certify the pupil as in proper physical condition for entering school. Immunization injections will also be offered free of charge.

### LOCAL POST OFFICE JOB EXAMS OPEN

Applications for the examination to substitute clerk-carrier at the Newark postoffice, the original deadline for which was April 7, has been extended to April 14, local authorities said yesterday.

Substitutes start at \$1.04 per hour while Regular employees are paid from \$2.100 to \$3.100 per year. Applicants must actually reside within the delivery of the Post Office or be bona fide patrons of such office. Persons now employed in the Post Office will be considered bona fide patrons.

There are no experience requirements needed for this position. All applicants will be required to take a written examination. Because the use of motor vehicles is required in city delivery service, no person will be appointed as substitute city carrier who does not drive an automobile.

Applicants must have reached their eighteenth birthday but must not have passed their fiftieth birthday on the closing date for receipt of applications and must be citizens of or owe allegiance to the United States, or must be citizens of the Republic of the Philippines. The age limits will be waived for veterans.

Applications for this examination must be on file with the Director, Third U. S. Civil Service Region, 103-A Customhouse, Philadelphia 6, Pennsylvania, not later than the close of business on April 7.

Interested persons may obtain further information and the necessary application form from the Commission's Local Secretary Mr. W. Singles, located at Newark Post Office, or from the Director, Third U. S. Civil Service Region, 103-A Customhouse, Philadelphia 6, Pennsylvania.

### UNIVERSITY TO SPONSOR DRAMA FETE

The Fifth Delaware Play Festival, featuring plays by two newly-formed community theatre groups, will be held at the University of Delaware next Friday and Saturday, April 18 and 19. It has been announced by Dr. C. R. Kase, director of the university's dramatic center. Nine plays will be given by school and community theatres in this area.

The new groups are the Oxford Drama League of Oxford, Pa., and the New Players Group of Wilmington, which recently gave the world premiere of a new play by Robert Frost, "A Masque of Reason."

Plays will be performed on Friday and Saturday nights and on Saturday afternoon. The school theatres which will present the plays have been chosen, for the most part, as a result of regional elimination tournaments.

Scheduled for Saturday afternoon presentations these contestants are: Henry C. Conrad School, representing New Castle County; Dover High School, representing Kent County; Georgetown High School, representing Sussex County, and the Ursuline Academy, representing the private schools.

The community theatres represented are: Wilmington Drama League, the Oxford Drama League, the University Drama Group of Newark, the New Players Group of Wilmington and the Kennett Little Theatre of Kennett Square, Pa. These productions will be given on Friday and Saturday nights. Dr. Kase will announce, in the near future, the selection of a critic-judge with a national reputation in the theatre to preside at the festival. It will be the authority's job to choose the best productions in the various divisions and to make a critique of all the productions.

### State FFA Conference At U. Of D. Tomorrow

About 325 Future Farmers of America will gather here from school chapters through Delaware for a conference of the Delaware Association of FFA tomorrow at the University of Delaware.

Following a number of judging contests in the afternoon, the delegates will be entertained at a banquet in the Methodist Church here in the evening. The evening will be devoted to a public speaking contest and awarding of Diamond Farmer Degrees.

### 8 FIRES IN TOWN DURING PAST MONTH

#### Local Firemen Answer Total Of 17 Alarms

Eight fires, caused property damage totaling \$200, occurred in town during March, according to fire recorder Charles E. Moore's report submitted at the monthly meeting of the Aetna Hose, Hook and Ladder Company last Friday night. The volunteers responded to eight calls in the district and one outside the district.

The ambulance made 41 mercy runs during the month, Moore said, covering 1160 miles. The longest was in response to an emergency call from Singery, Md., when an ill child was in need of an oxygen tank. Although the Newark volunteers made the run in record time, the local equipment was unable to save the 21-month-old infant.

Another outburst of grass fires, none of which caused serious damage, gave the local fire fighters little rest the past week. A total of six calls were received all for field fires, the first coming Friday afternoon for a blaze on New London Avenue. Another was extinguished the same afternoon on Harmony Road.

The third occurred Sunday on the property along Haines Street in the rear of the Continental baseball diamond.

Three calls were sounded in rapid succession on Monday afternoon, the first for a blaze on the farm of Ray Lewis. Shortly after the volunteers returned, a call came from the same spot where the flames had broken out again. Half an hour later, another alarm sounded for a minor blaze behind the First Presbyterian Church.

## 1945 Death Toll From T. B. Lowest On Record

Tuberculosis killed fewer people in the United States in 1945 than in any previous year the U. S. public health service reported recently.

The 1945 toll was 52,916, a drop of 3.3 per cent under the 54,731 in 1944 and 24.4 per cent under the 70,080 of 1945.

The death rate two years ago was 40.1 for each 100,000 population. The rate the previous year was 41.3 for each 100,000 persons; in 1900, it was 194.4.

## 43 Pct. Increase In Whiskey Output In Feb.

Whiskey production took a 43 per cent spurt during February with an output of 21,461,881 gallons, compared with 14,974,183 in the same month of 1946.

A treasury report which disclosed this recently also showed that stocks in bonded warehouses have been built up from 359,000,000 gallons at the end of February, 1946, to 424,000,000 gallons this year.

## CONNIE PARKER WINS ART CONTEST IN STATE

Connie Parker, daughter of Prof. and Mrs. Frederick Parker, Taggart Apartments, received notice that she has won the state first prize for the Second Grade in the Milton Bradley "America the Beautiful" crayon drawing contest.

Connie competed with young folks in the same grade from all over the state and will soon receive a handsome engraved plaque from the Milton Bradley Co., of Springfield, Massachusetts, sponsor of the contest.

Art editors of the Saturday Evening Post, Parents Magazine, Woman's Home Companion, Farm Journal and Pathfinder, served as judges of the contest which attracted thousands of entries from children all over the United States.

Connie's picture "Country Life" was mounted and submitted by Mr. Kelechava, art instructor of the Newark Public Schools, who supervised the contest in the local schools and submitted the pictures for the children.

Connie is a student in the second grade of the Newark Public Schools and is in Mrs. Helen Douty's room.

## MRS. BARCZEWSKI HOSTESS TO HOMEMAKERS CLUB

Mrs. Steven Barczewski, president, was hostess on Tuesday afternoon of this week to the Glasgow Home Demonstration Club.

A letter was read from Mrs. M. M. Daugherty, former New Castle County Home Demonstration Agent, who is now in Japan. Mrs. Daugherty gave an interesting account of her trip to Japan and of her activities there.

Announcement was made of the State Home Demonstration Club meeting to be held at Dover, on May 8, to which all of the club members are invited. Exhibits of projects of this club will be shown in one of the Farm and Home Supply windows. National Home Demonstration Week will be observed from May 4 to May 11.

There were two guests present, Miss Martha Ford and Mrs. Edwin Shakespear.

## LOCAL GIRL SCOUTS ENJOY HIKES

On April 2nd and 3rd the girls of Troop 1, under the leadership of Mrs. Charles Cooper, went on an overnight hike to Country Center. In spite of the rain the girls cooked breakfast on the porch and went on several hikes.

The girls of Troop 103 went to Country Center on March 31. They are the youngest Girl Scouts and have never been on an overnight hike before. The troop leader is Mrs. Leighton Jackson. Her assistant is Mrs. Kish. The girls went on nature walks and practiced their newly learned out-door skills.

On April 8 the girls of Troop 1 and 8 began a First Aid Course under the direction of Mrs. Clark, a Red Cross instructor from Wilmington.

# U. OF D. ASKS FUND AID

During the University of Delaware's Development Fund as "more than charity, it is an investment." Dr. W. Owen Sypher, former president of the university and general chairman of the fund campaign, told alumni recently it was their "responsibility" to respond generously "the first time your university has asked you to support a vast project."

Dr. Sypher spoke on WDEL in a program planned by members of the Alumni and Alumnae Associations of the university. Included in the program was a dramatic sketch illustrating the need of a social center on the campus. The Development Fund's goal is such a building, to be known as the Student Union. The fund now exceeds \$2,000.

"Give more generously than ever before to your university's Development Fund, in order that this great need may be fulfilled in the near future," said Dr. Sypher. "I know that you receive many requests for aid from local, national and world organizations; your college is not the least of these. Charity begins at home. The Delaware campus is your home, now and always, even though you no longer are a student. Indeed, a contribution to the Development Fund is more than charity; it is an investment in the future citizens of the state and of the world, and in yourselves."

## Veteran Benefits Show Decrease At Month's End

The total of 4,699 veterans in this state receiving educational and on-the-job training benefits from the Veterans Administration at the end of last month represented a decrease of \$1 from the February total, according to Thomas H. Sullwell, manager of the Wilmington regional office.

Mr. Sullwell's March report said 4,321 of these were under the GI Bill of Rights, while 369 were under Public Law 16 for disabled veterans.

Despite the decline in those classes it was disclosed that 3,247 were receiving subsistence allowances at the end of March—which is 188 more than for the preceding month.

## Newark Antique Show Exhibits To Be On Sale

Plans are progressing for the Second Annual Newark Antique Show. All exhibits this year will be for sale. It has been announced.

All exhibition space has been taken and the committee has been assured of a wide variety of items.

The leading dealers in this locality, as well as from Pennsylvania and Maryland, have engaged space.

The show which runs from May 7 to 9 is being held in the Newark Country Club. The doors will open at 1 p. m. each afternoon and the closing hour is 10 p. m.

The committee headed by J. R. Ernest are confident that it will be an exhibition of importance.

## Last Rites Yesterday For John Q. Stewart

Funeral services for Mr. John Q. Stewart, who passed away at his late residence, 168 Elkton Road, on Saturday morning, April 5, were held yesterday from his home, with Rev. Evan W. Renne in charge. Interment was in Head of Christiansa Cemetery.

Mr. Stewart, who was in his 70th year, was a retired farmer, having lived in this vicinity all his life.

In addition to his wife, Mrs. Marie F. Stewart, he is survived by two brothers, J. Lamont Stewart, Drexel Hill, Pa., and Hugh L. Stewart, of Floral Park, N. Y. One sister, Miss Stella Stewart of Drexel Hill, Pa., also survives.

Mr. Stewart was a life long member of the Head of Christiansa Church and of the Board of Trustees of the Church.

# OTONKA TO OPEN

Mrs. George Ehinger, chairman of the District Y. W. C. A. Camp Committee, has announced that Camp Otonka near Dagsboro, Delaware, on the Indian River would open June 28. Two camps will be operated, each for a period of four weeks. Enrollment may be for as many as four weeks. The committee is putting forth every effort to secure an experienced, mature staff. Councillors will be announced at a later date.

Many activities are enjoyed at camp, including swimming, boating, canoeing, singing, dancing, softball, nature study, camp-fire building, hiking, handicraft, dramatics.

Mrs. Ehinger suggests that children be given the advantage of camping experience, valuable to every youth. From the standpoint of health, the child will receive out-of-door physical training, regular hours for rest and play and balanced meals. Socially she will gain experience in living together with others of her age—learning to live happily with others.

## To Offer Demonstration Of Food Freezing Methods

A demonstration on the preparation of fruits and vegetables for freezing will be given next Wednesday in the auditorium of the Chemistry Building, University of Delaware, Newark, at 8 p. m., announces Miss Nancy A. Kelly, New Castle County home demonstration agent.

The proper preparation of fruits and vegetables for freezing will be shown by Miss M. Gertrude Holloway, Extension nutrition specialist for the University of Delaware, who will also discuss packaging and the types of containers suitable for freezing these products.

Mr. Glenn Holden, director of locker plants operations for the Southern States Cooperative, Richmond, Va., will explain the operation of the recently-opened locker plant in Newark and the services it offers.

## Dr. C. L. Day To Give Benet Reading Tuesday

### PLAY BALL!

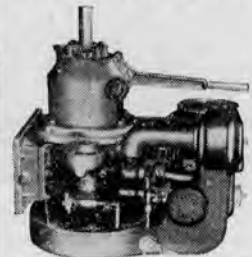

The pennant race, it now appears, will be the best in many years. Each club, by trades, or otherwise, has taken steps to mobilize the type of team, whose brilliant play, could set the pace from day to day. The brand of ball that we shall see, should border on sheer wizardry.

Talk about wizardry! You should see the sensational new electrical appliances among the new 1947 models. You can see them at the Newark Electric Co., 173 East Main Street. Why not drop in TODAY?

### Services In Morning At Head Of Christiana

Services will be held in the morning at the Head of Christiana Presbyterian Church this Sunday. Sunday School will be held at 10 o'clock, and the morning worship will begin at 11 o'clock.

The superintendent, Patrick Morgan, will be in charge of the Sunday School, when the class will consider the lesson topic, "Bases of National Greatness."

The pastor, Rev. Evan W. Renne, will deliver the sermon at the morning worship hour on the subject "The Afterglow of Easter." The Junior Choir will sing. All are welcome.

The Westminster Fellowship will meet at 8:45 p. m., followed by the Junior Choir rehearsal.

The annual congregational meeting of the church will be held on Monday at 8 p. m. All members and friends of the church are urged to attend this important meeting.

## McCULLY OUTLINES PLAY PLAN

Edwin T. McCully, recently re-elected president of the Newark Recreation Association, Inc., reviewed the past years activities of that organization for his fellow members at the Junior Chamber of Commerce meeting last Thursday at the Academy Restaurant. A little over a year ago Mr. McCully with a small committee of J. C.'s laid the ground work for the formation of a Recreation Program which developed into the Recreation Association as it is today. Mr. McCully reported that the enthusiastic participation of the townspeople in the various activities of the Association during its first year of operation had been gratifying. In review of the activities, Mr. McCully mentioned the Teen Age Canteen, the softball and basketball leagues, the Community Sings, the Block Party, the ice-skating rink, use of the College Pool for swimming and the High School Gym for badminton, and supervised playground for the children. Of the equipment which the Recreation Association now has, it was stated that the record player and public address system has been widely used by various groups for dances, church services and other occasions.

Mr. McCully then outlined the plans for the proposed camp site and picnic grounds a short distance outside of Newark which the Association is going to finance and operate.

At the close of the meeting, the membership accorded Mr. McCully a vote of appreciation for his fine work as head of the Recreation Association.
