Ambassador George S. Messersmith,
United States Embassy,
Havana, Cuba.

Dear Friend:

I am in receipt of your letter of October 9th, and wish to thank you for all the trouble you have taken on behalf of the Gunzbourgs. I feel confident that thanks to your kind intervention this matter will soon reach a satisfactory solution.

I intend to go down to Charlotte this coming weekend to see my wife, who, I am glad to say, is feeling much better and will soon return to New York.

I enjoyed very much having you with us, and only regret that your visit was so short.

With kindest regards to Mrs. Messersmith, believe me,

Very cordially yours,

DH:MG

Dannie Heineman.
