Samuel Little Shot Sat. While Hunting

Ambulance Makes Record Time To Hospital; His Condition Hopeful

Samuel Little, contracting mason, who lives north of Newark on the Paper Mill Road, was accidentally shot early last Saturday afternoon and is in the Homeopathic Hospital, Wilmington, critically ill. The accident occurred on the farm belonging to Walter Carlisle, adjoining the Little farm.

Mr. Little, with his gun and bird dog, chatted with Mr. Carlisle and asked permission to exercise the dog in the field back of the Carlisle barn. He had been gone but a few minutes when Mr. Carlisle, who had gone to the barn for an implement, heard a sound of distress. Looking back of the barn, he found Mr. Little, who had staggered fully one hundred and fifty yards to call for help. As soon as he had made known his injury, he fell to the ground, but did not lose consciousness. The flesh on the left side of his breast and under his arm was torn away from the bone.

The prompt response of the Newark ambulance and the physician is perhaps all that saved the man's life. Witnesses think that it was less than five minutes before the trip to the hospital was started, and in fifteen minutes, the patient was in the hospital. The latest reports are that while he is critically ill, Mr. Little has a chance to recover.

Mr. Little was able to tell Mr. Carlisle how the accident happened. He had started to crawl through a piece of wire fence, when his foot caught in a bit of broken wire, throwing him on the end of the barrel of the gun. His fall caused the trigger to be pulled by a piece of wire which had caught in the gun. No explosion was heard, because the unfortunate man's body covered the gun. A few shots had penetrated one lung, but the flesh wound is more serious.

William Cunningham drove the ambulance.

Ambulance Responds Seven Times in Week

Besides the two accident cases reported elsewhere in this issue of The Newark Post, the Newark ambulance has made five other runs during the past seven days; making an average of one response a day for the week.

On Thursday, Tony Deangelantonio, laborer for the Pennsylvania railroad, was taken to the Delaware Hospital, suffering from injuries received when a bar struck him on the chest. William Cunningham and Norman Battersby made the trip.

Mrs. Lloyd Adley, of Philadelphia, who was here on a visit to her husband's parents, Mr. and Mrs. Michael Adley, on Annabelle street, was taken to the Delaware Hospital, Thursday, for treatment. Horace Null drove.

Edith B. Cotman, colored, was taken to the Delaware Hospital, Thursday. Horace Null and Frank Gates attended.

Henry Whitman, high school athlete, was driven, Thursday, to the Homeopathic Hospital by Pete Stiltz and Bert Crowe. Whitman is suffering from rheumatism.

On Sunday afternoon, Florence Clayton, Head of Christiana, was driven to the Delaware Hospital by Sheldender and Poole.

THETA CHI DANCE

The fourth annual dance of the Theta Chi Fraternity will be held in Old College on Friday evening. Shorter's orchestra will play. The patronesses will be: Dean Robinson, Mrs. George Dutton, Mrs. McCue, Mrs. Bloughton, Mrs. J. G. Lewis, Mrs. Bonham, Mrs. Mary McKelvie, Mrs. C. L. Beck, Mrs. Wesley Eyer, Mrs. F. C. Warner.

CORRECTION

In March 16 issue of The Newark Post, Mr. Paul Lovett was reported as "among those attending" the hearing at Dover of those opposed to the bills proposing to extend the limits of the town of Newark. The Post erred in checking this information. Mr. Lovett did not attend the hearing.

CELEBRATE VICTORY

Following a tradition, probably founded by the original aborigines, that victory must be celebrated with fire, the Newark High School students lighted a bon fire back of the school Monday night. They were lauding the girls basketball team, which brought back the State D. I. A. A. championship on Saturday night.

After the rain had soddened the last embers, the crowd paraded the town in an orderly fashion giving cheers and other noisy plaudits to the team and its individual members. Even the bell on the Grammar School broke its customary evening silence and tolled a paean of victory. The celebration ended when the members of the team were given gold basketballs.

M. E. Conference Meets at Salisbury

Dr. Crooks and F. A. Cooch Go As Delegates

The fifty-ninth annual session of the Wilmington M. E. Conference will convene today at Asbury Church, Salisbury, Maryland.

Dr. E. B. Crooks is the delegate and Francis A. Cooch, alternate from the Methodist Church of this town. J. Wilkins Cooch, II, and John McCue will represent the Sunday School and Epworth League of this church at the Older Boys' Conference on Thursday and Friday.

Reverend Frank Herson, who has been pastor of the Newark church for nine years, asked to be transferred to another church at this session of the Wilmington Conference. It is understood that he will go to Milford. Reverend Diaston W. Jacobs, of Milford, has been called to the Newark church, and has accepted the call, subject to the approval of the conference.

Miss Anne Ritz Soloist In Recital

Miss Anne Ritz, of this town, was soloist at the second orchestra concert of the Wilmington Music School, which was given Monday evening in Wilmington, under the auspices of the New Century Club. The program was as follows:

I. Overture—Iphigenie in Aulis; Gluck.

II. B Minor Symphony (First Movement) Schubert.

III. "Voi lo sapete, o mamma"—Aria from Cavalleria Rusticana, Mascagni; Anne Lois Ritz.

IV. a. The Last Spring, Grieg; b. Andante Cantabile (from String Quartet) Tchaikowsky; Strings only; c. Menuetto—E Flat Symphony, Mozart.

V. a. Song of the Open, La Forge; b. Lullaby, Cyril Scott; c. A Birthday, Woodman—Anne Lois Ritz.

VI. Suit L'Arlesienne, Bizet; a. Minuetto; b. Adagio; c. Le Carillon. Adolph Vogel was the conductor.

BOY THROWN FROM HORSE NOT SERIOUSLY INJURED

William Lyons, the fourteen-year-old nephew of Mrs. S. J. Smith, was thrown from his horse on Sunday afternoon and is suffering from severe bruises. The boy, in company with his uncle, Colonel Smith, was riding on the road below the Pennsylvania Railroad, when his horse stepped into a hole, lost his balance, throwing the boy, and falling on his thigh.

It was thought at first that there might be a serious fracture and young Lyons was rushed to the St. Francis Hospital in Wilmington. The X-ray was negative, and the patient was returned to his home here on Monday evening. He hopes to be about again in a few days.

Ira Shellander and W. Bolton drove the ambulance.

AEROPLANES LAND

Last Thursday two aeroplanes, piloted by Thomas Gurley and Norman Smith, from Pine Valley, New Jersey, landed in Newark. When they took off late in the afternoon, Waldo Lovett accompanied them. They returned to Pine Valley.

BISHOP COOK AT ST. THOMAS' CHURCH

Bishop Cook was the speaker at the Lenten service at St. Thomas' last evening.

There will be a Friday afternoon service at four o'clock. Sunday services will be as usual.

\$25,000 Night Fire Menaces North East

Checked After Destroying 3 Buildings; Newark Responds

A \$25,000 fire, discovered shortly after midnight Friday, threatened for a while to wipe out the entire business section of North East. The blaze destroyed a large ice storage house, a garage and a combination garage and apartment building. The cause of the fire, which started in the ice house, is unknown. The Aetna Fire Company responded to a call to the blaze about 12:30, but did not run any lines.

The buildings destroyed were a two-story ice storage house, on Mill Lane, owned by William Craig; a large garage on the adjoining lot, also owned by Craig, and a combination garage and apartment house across the street, owned by Jesse Harvey. One of the two apartments was occupied by Grant Cresswell and family, who had ample time to remove their belongings.

The timely arrival of the fire fighting apparatus in all probability saved the Cecil Hotel, which was directly in the path of the flames. The roofs of several neighboring buildings caught fire from flying embers, but were extinguished.

Quantities of sawdust in the ice house provided excellent fuel for the flames which soon enveloped the building and jumped to the next building. The garage adjoining the ice house held two trucks and an automobile belonging to Craig and an automobile belonging to Roger Morton. All these machines were destroyed.

Besides Newark, fire companies from Elkton, Perryville, and Rising Sun responded.

Saturday evening the ruins of the demolished buildings burst into flames again, but were quickly extinguished by the Elkton Fire Company.

Mayor Frazer Will Preside At Dinner

Mayor Eben B. Frazer will preside at the annual banquet of the Maryland Society, which will be held tomorrow night in the Gold Ballroom of the Du Pont-Biltmore Hotel, Wilmington. Mayor Frazer is president of the society.

This dinner is one of the high spots in their annual program and the main speaker this year will be Henry Breckinridge, of Kentucky, Assistant Secretary of War during Woodrow Wilson's first administration. Governor Ritchie, of Maryland, has accepted an invitation to attend.

Dairy Council Meets

A number of local dairy farmers attended the meeting of the Interstate Dairy Council held in the City Hall, Wilmington, last Thursday. New Castle County Agent R. O. Bausman presided.

C. I. Cohee, director of quality control of the Interstate Dairy Council, was the first speaker. His title was, "Who Is Making Money in the Dairy Business and Why."

H. D. Allebach, president of the Interstate Milk Producers Association gave an address, "Some New Problems of Our Dairymen."

Professor "Happy" Goldsmith, humorous speaker of the National Dairy Council, Chicago, gave one of his talks, "The Face Value of Your Community."

The meeting ended with an amusing mock trial entitled, "Judge For Yourself."

\$10 DRUNK

David Rogers, of Washington, D. C., was found in a drunken stupor last night, in a truck parked along the highway. There was no other occupant of the truck and Rogers' explanations were vague. Highway Officer Leach placed him under arrest and locked him in the Newark jail for a hearing this morning. He pleaded guilty to Magistrate Thompson on a charge of drunkenness and was fined \$10. He said that the driver of the truck had left him in the truck and that he was not the driver.

FIELD FIRE

Last Thursday, the Aetna Fire Company was called to extinguish a field fire, just below Welsh Tract Church. There was no damage.

CONDITIONS AGREED ON IN COMPROMISE

The following changes in the bills and methods of administration were agreed on by the Town Council and Committee of Proposed Extension in a compromise:

1. That there shall be a referendum on the bill providing for bond issues, all taxpayers voting.
2. That the boundaries be changed to exclude certain unimproved property.
3. That in redistricting, the new sections will receive equal representation with the old town, and every effort bent to include that representation in April election.
4. That the cost to abutting property owners on new sewer lines will be between \$1.50 and \$2.00; the cost of man-holes to be prorated among property holders in new area; the town to assume cost of additions to disposal plant and return pipes.

School Board To Improve Grounds

Cup To Be Awarded Girl Champions; Contesting For Speaking Honors

All members of the Board of Education of the Town of Newark were present at the regular meeting, held last Wednesday night in the High School. The board consists of: John S. Shaw, president, Harrison Gray, R. S. Gallaher and Ira S. Brinser, superintendent of schools and secretary of the board.

As a part of a comprehensive plan to improve grounds and buildings, the board awarded a contract to the R. H. Johnson Company, of Wilmington, to reconstruct the drive north of the High School building. The drive will be rebuilt to provide proper drainage and will be widened from 12 to 15 feet. It will be bordered with a curbing of Avondale stone. The grass plot north of the building will also be provided with a border of Avondale stone.

A cup donated by the Wilson Company, sporting goods house supplying balls for championship games, will be awarded to the Newark High School girls basketball team, champions of the D. I. A. A. The policy of holding the cup has not yet been decided.

Preliminary contests in debating and oratory are being conducted at the High School, this week. Four winning contestants will be selected to represent the school in the County contests to be held in the du Pont School on April 18. The County contest will be in two parts: 1, declamatory, and 2, oratory. Declamatory contestants will give memorized selections, while oratory participants will give an original essay on some phase of the Constitution. Winners of the oratory contest will compete in the national contest.

SCHOOL BOARD CANDIDATE

Mr. Mark P. Malcom, of South College avenue, has announced his candidacy for member of the Board of Education, representing special district of Newark. Mr. Malcom is vice-president of the Newark Parent-Teacher Association and has the unique record of being the only member of that body with perfect attendance at meetings for the last three years. He has three children in the Newark public schools and two daughters in the Women's College.

Mr. Malcom served five years on the county board of education in Mercer County, North Dakota. He was also nominated on both tickets for county commissioner in 1914.

DE MOLAY AT SALEM

Forty-eight members of the Wilmington chapter of De Molay attended the services last Sunday afternoon at Salem M. E. Church, of which Reverend Preston W. Spence, Jr., is pastor. These young men attend divine worship in a group one year, and their coming to Salem was a matter of interest.

MEETING

A meeting of the Men's Club of St. Thomas' Episcopal Church will be held on Thursday evening, March 24, at 7.45. The program will be an educational one. Superintendent Ira S. Brinser will discuss High School problems and Dr. Hullahen will speak on education from the college viewpoint.

Town Meeting Unravels Extension Bill And Factions Compromise

After Hot Session And Apparently Hopeless Deadlock, Committee And Council Agree; \$1.50 to \$2.00 to be Assessment; Unofficial Referendum to be Held Friday. Bills Likely to Go Through.

At the only town meeting ever held in the town of Newark, with the exception of two meetings on school problems, the Town Council, representing the incorporated township, and the committee, representing those objecting to certain portions of the bills providing for the extension of the town limits, granting a further bond issue of \$100,000, and giving the right to extend improvements to the proposed annexation, reached a tentative compromise and agreed to cooperate with all possible dispatch to amend the bills and have them passed at this session of the State Legislature. The meeting was held Friday night at Wolf Hall.

The town meeting Friday night was called by the Council for the purpose of explaining the purpose of the bills and to answer any questions that any might have in regard to the bills. Those who had objections to features of the bills had held a meeting the night before and appointed a committee consisting of George Medill, chairman; Dr. T. F. Manns, Harry Cleaves and George M. Phipps, to represent them at the town meeting. The committee was instructed to ask for a referendum; a redistricting to give equal representation to both town and annexed territory; and to obtain a vote for the annexed sections in the next election in April; a change in proposed boundary lines to exclude certain portions of unimproved property; and to obtain a readjustment of the proposed sewer assessment that had been announced to amount to \$3.00 a foot frontage. Should a compromise be affected on these measures, the meeting voted to add all support possible to have the bills passed at the present session of the Legislature. A permanent committee, composed of Dr. Manns, chairman; J. P. Wilson, E. L. Richards, George L. Medill and George Phipps, was appointed to keep in touch with matters, work with the Council and function educationally.

George Phipps was chosen chairman of the meeting on Thursday and introduced Dr. Manns, who exhibited comparative tests of water. Dr. Manns, after reviewing his experiences with epidemics and water supplies in the Philippines, showed tests of the Newark supply, and water that had been contaminated. Dr. Manns stated that he held no brief for cesspools and that his purpose was to report on existing conditions. His tests showed the Newark supply to be free from contamination at present, and he stated that he had been making tests of the supply for years without ever detecting traces of contamination. However he stated that contamination was possible, but when it might become a menace no one could say. He showed tests of water that had been slightly exposed to contamination to prove how sensitive the tests were.

Town Meeting

Mayor Frazer was in the chair at the town meeting Friday night, and in opening the meeting reviewed the

situation back of the bills. He called on the committee of the objecting faction for questions and George Medill answered with questions on finances. Frank Collins, former representative, was called on to give a report he had prepared after a careful examination of the town books. In his report, Mr. Collins showed the town to be a very profitable going concern; one that would be attractive to any public utility organization. He stated the book value of the light and water plants, as carried in the town report of March 1, 1926, was \$152,035, which was far below the cost of reproduction less depreciation. He also quoted a supreme court ruling establishing 8% as a reasonable return on the cost of reproduction less depreciation. Mr. Collins' report in part, follows:

Collins' Report

As of March 1, 1927, the indebtedness of the Town of Newark was as follows:

Water and Light Bonds	\$37,500
Water Extension Bonds	75,000
Total Funded Debt	\$112,500

Old Sewer Note	\$ 3,000.00
Note, Farmers Trust Co.	10,000.00
Note, Newark Trust Co.	8,478.20
Note, Consolidated Eng'g Co.	8,013.78

Total Demand Loans	\$26,500.98
--------------------	-------------

You will note that the Funded Debt was incurred for the Light and Water Plants, and that the outstanding notes are practically all for the sewer system.

There are no debts for street improvements. These have all been paid for.

The accounts of the Water and Light Departments, for the year ending March 1, 1927, are as follows:

Light rentals	\$51,175.96
Current used in street lighting	7,037.28
Water rents	21,841.78
Rentals, 61 fire hydrants	2,440.00

Total gross earnings	\$82,495.02
Expenses of Light Plant	\$33,162.48
Expenses of Water Plant	13,015.14
Total	\$46,177.62

Net before depreciation	\$36,317.40
Less 5% of gross earnings for depreciation reserve	4,124.75

Net profit for year	\$32,192.65
---------------------	-------------

Using 8 per cent as a reasonable return and \$32,192.65 as the net profits, I find the Town's Light and Water Plants are worth to the Town of Newark as a going concern the sum of \$402,408.00, that is they are earning the Town 8 per cent on \$402,408.00.

Will say that the practice of the Town is to charge up as expenses minor extensions, meters, etc., whereas they are really capital outlay, so that the net profits are somewhat larger than my figures show.

The taxes collected from the prop-

A Call For Voluntary Referendum

TO THE PROPERTY OWNERS IN THE PROPOSED ANNEX TO THE TOWN OF NEWARK:

Your Committee in conference with the Town Council has learned on advice of legal authority that the referendum provision cannot be embodied in the Bill providing for extension of the Town Limits, therefore in order to give the property owners the opportunity to have the privilege of a referendum vote, a meeting of all property owners in the proposed annex section will be held Friday evening, March 25th at 8:00 p. m., in Wolf Hall, for the purpose of voting for or against said Annexation.

Each property owner in the Annex Section will be entitled to one vote and it is suggested that property owners be prepared to establish their right to vote by exhibiting 1926 Tax Receipts.

Opportunity also will be given for all to become acquainted with the compromise that has been effected by your Committee with the Town Council.

It is hoped that every one interested will attend this meeting.

Record Enrollment This Year In The Citizens' Military Training Camps

Unprecedented Rush Of Applications Forces Quota System; Delaware's Quota 117. No Expense To Selected Volunteers

Major-General James H. McRae, commanding the Second Corps Area at Governors Island, announced Saturday that the youth of Delaware, New York and New Jersey were responding to the call of the Citizens Military Training Camps at the rate of 150 a day; 1,517 volunteers applying since the opening of the lists three weeks ago. This eclipses all previous records for enrollment.

Because of this unprecedented rush, General McRae announced the allotment of separate quotas of vacancies to each of the 86 counties comprising the three States of the Second Corps Area, thus assuring equal opportunities to the young men of all sections. The six thousand applications allotted to the Corps Area this year by the War Department were apportioned among the counties by General McRae on the basis of the civilian population and the mileage separating each county from the nearest training camp.

Acceptance of qualified young men between the ages of 17 and 24 years to fill the county quotas will be carried out by citizens of local prominence recently appointed in every county of the Second Corps Area, General McRae said.

Supplanting the Cavalry C. M. T. Camp, which was filled this week, the Plattsburg encampment which opens July 1, is now attracting a record number of enrollments, General McRae declared. Of the 1,450 original vacancies at this camp, less than half remain open. He urged youths seeking admission to Plattsburg to apply at once.

Other encampments reported filling rapidly were the Basic and Infantry camp at Fort Niagara, N. Y., also opening July 1; the second Plattsburg camp, which opens August 5; the Basic and Infantry camp at Du Pont, Del.; the Basic and Coast Artillery camp at Fort Hancock, N. J.; the Basic and Signal Corps camp at Fort Monmouth, N. J., and the Field Artillery camp at Madison Barracks, N. Y.

"No applicant can be accepted for less than the full thirty days," General McRae said in commenting upon numerous requests for shorter enrollment. "Every student must be of good moral character and average health. All must pass the simple physical tests of the Government. While volunteers must range between 17 and 24 years, especially qualified young men with prior training will be accepted up to 31 years."

"Those who meet the camp requirements will be sent to the training encampments without personal expense. Upon completion of the course they will receive railroad tickets to their homes. While at camp an abundance

of wholesome food, Army uniforms, athletic equipment, and other accommodations will be supplied. There is no obligation for future military service in any form."

A departure from other years will be that at all but one of the eight C. M. T. C. encampments of the Second Corps Area first-year students with no previous experience will be accepted for training. The single camp not offering a Basis course is the Field Artillery camp at Madison Barracks.

At every C. M. T. Camp the training will be divided between camping, hiking, shooting, athletics, and citizen-study studies, with the students enrolled in four classes. Basic, or first-year students, will receive only elementary drilling, most of their training being devoted to building up bodily strength and health by out-door sports.

"Real democracy is attained at the C. M. T. Camps to a degree never before reached in America," General McRae declared. "These camps afford the young men from factory, shop, or farm the same opportunities that are accorded college men or the sons of the wealthy and influential. Both President Coolidge and Secretary of War Davis, our two highest officials in the Army, enrolled their sons in the C. M. T. Camps. The camps are places where all rub elbows and meet the tests of life on a common basis of equality and all benefit equally by the broadening influence exerted by the healthy life."

Delaware's quota of 117 vacancies were distributed to three counties. These were Kent, 10; New Castle, 87, and Sussex, 20.

Green Food?

In order to grow strong, healthy chicks and keep layers and breeders in the pink of condition it is necessary to feed them regularly a certain amount of fresh, green tender plants. In an effort to get the truth about this question for the poultrymen of Delaware, the Extension Poultryman has collected all the up-to-date information on this subject from the leading experiment stations in the United States. The stations that have work-

ed most extensively on this question and who seem surest of their results are in Wisconsin, Indiana, California and Ohio.

These stations all have found that chickens require the following food elements: Proteins; Carbohydrate and fat; Minerals; Water; and Vitamins A, B, D, and E.

These elements must be supplied in a form that is digestible, wholesome and appetizing, but do not have to come from any one particular kind of feed. In preparing their rations, poultrymen should try to make use of the feeds that are the least expensive and easiest to get.

For this section the various food elements may be supplied from the following sources:

Protein—Meat scrap, fish meal, milk, soy beans, and a certain amount from corn, wheat, oats and their by-products.

Carbohydrates and Fats—Corn, wheat, and other grains and their by-products.

Minerals—Meat scrap, fish meal, milk, bone meal, salt, green food, oyster shell, lime stone, etc.

Water—water and milk.

Vitamins: A—Greenfeed, yellow corn, alfalfa leaf meal, cod-liver oil; B—Corn, wheat, and their by-products, green feeds; C—not needed for chickens; D—Sunshine, cold-liver oil, milk.

Summary

Fresh green plants are not abso-

lutely necessary in the ration to grow good chicks and get good egg production.

The principle values of green feed are its Vitamine A, minerals, and appetizing effects. Vitamine A can be supplied by cod-liver oil, yellow corn or alfalfa leaf meal. The minerals can be supplied in other ways.

But it is difficult to take the place of greens as an appetizer. Furthermore, not every sample of yellow corn, cod-liver oil and alfalfa leaf meal has the Vitamine A. Their value in this respect depends upon the way they have been prepared. Tests have shown that all fresh, tender green plants give a sure supply of Vitamine A. Leaves that are bleached white do not contain much of Vitamine A. Neither do such things as beets, turnips, apples, etc. Experiments have shown them to be of little value in the poultry ration.

1. Fresh green plants are a sure and economical source of supplying Vitamine A which is absolutely essential for growing chicks.

2. Fresh greens are valuable for their mineral contents.

3. Fresh greens help to maintain the birds' appetite and increase food consumption.

By using a double yarding system to supply a pasture of greens the yards are cultivated frequently, and the birds switched from one yard to another, which helps to ward off diseases.

Egg Records For Feb. Show Good Results

Averages Given On 70,000 Birds; Winter Averages Compare With Vineland Standard

One hundred and eighty-six members of the Delaware Farm Egg Record Club reported to H. S. Palmer, Extension Poultryman, for the month of February. More than 70,000 layers were represented in these reports, of which 33,000 were pullets, 19,000 hens, and 18,000 hens and pullets in mixed flocks. The average number of eggs per bird figures as follows: Pullets, 14.1; hens, 11.9; mixed flocks, 12.4.

The high record for pullets for February was made by a flock of 200 birds which laid an average of 20.8 eggs per bird. The high average for hens came from a flock of 15 birds which laid an average of 24.2 eggs per bird. The best mixed flock, composed of 52 birds, had a record of 19.5 average per bird.

In the summary of the four winter months of November through February, the average per bird for pullets stood at 44.9, 4.9 higher than the Vineland Standard, which is accepted as one of the highest standards in the poultry field.

The following is the report of the Delaware Farm Egg Record Club for the month of February:

Total No. farms reporting	186
Average No. of pullets	32,836
Average No. eggs per pullet	14.1
Average No. hens	19,586
Average No. eggs per hen	11.9
Average No. hens and pullets (mixed flock)	17,932
Average No. eggs per bird	12.5

The Town Meeting

We have had a town meeting and there were no casualties; in fact, much good was accomplished, in spite of the few irregularities and heated flings which seem characteristic of gatherings of that kind. The presence of R. C. Beckett, of the State Board of Health, was a great help to the cause. It was the first time that a great many people had had a satisfactory and business-like explanation of conditions.

The "cause," which is fundamentally the extension of the sewer and not the extension of the town limits, would, according to good authority, have suffered defeat in the legislature if the factions of the town had continued to disagree. The very end for which the town, and a great number outside the town limits, have been working, would have been lost if there had been no getting-together, no spirit of compromise.

When the sewer was first discussed in Newark, years ago, there was much more heated feeling than there is at present. It seemed impossible to carry the project through. Some of those who were much opposed at that time cannot tolerate the present situation. They have realized the value of a sewerage system to health and property. They remember the scourge of typhoid that for several years visited the town and wish to safeguard the town in every way.

We feel that no appeal for the health of the community, considerately and fairly made, will be voted down. Understanding is the big word.

The Mercy Car

Even those of us who have not been obliged to send out a call of distress for the Newark ambulance, are nevertheless grateful for its existence and for the spirit of the "minute-men," who drive it. The need of the car has been demonstrated many times, but never more clearly than last Saturday when Mr. Samuel Little was rushed so quickly to the hospital in Wilmington, after he had accidentally shot himself. His condition was most serious, and he could not have safely been carried to Wilmington in an ordinary car. We are told that the ambulance reached the Carlisle farm in less than five minutes after the call, and that in fifteen minutes, the patient was in the hospital.

One citizen, when he heard the above report, exclaimed, "Is that ambulance paid for? They may have ten dollars from me at any time!" No, the ambulance is not paid for. In spite of generous contributions, there is still a debt of twelve hundred dollars, partly covered by unpaid pledges. We have not been authorized to start a drive to wipe out the accounts, but we have been told that help would be gratefully received. If you are not able to give more than one dollar, give that, and get the thrill of helpfulness that will come to you every time the car drives out. John R. Fulton is chairman of the committee; Warren Singles is treasurer.

Town Meeting Unravels Extension Bills

(Continued from Page 1.)

erty holders and individuals for the year ending March 1, 1927, amounted to \$15,196.82 and comparing this amount with the net profits of the utility plants this situation is revealed, that for every dollar paid in as taxes, the utilities yielded two dollars as profit.

The Board of Assessment for New Castle county showed for June 1, 1926, a valuation of property in the Town of Newark of \$2,506,222.35.

Had the Council of Newark used the County assessment list for last year, a rate of approximately 62c on \$100 would have sufficed, instead of \$1.10, as was necessary under the Town assessment.

Reverting to the interest charges of the Town's indebtedness, will say that the profits from the utilities will pay these charges practically five times over.

In conclusion, Mr. Collins stated that no one need have any apprehension about coming into a town that was in such splendid financial condition.

Mr. Medill then asked if the town charter did not call for a sinking fund and that there should be no notes outstanding in banks above \$10,000. He further asked if these portions of the charter were being complied with. He was answered by the Mayor, who replied that it had been impossible because of emergencies to comply with these rulings, and on advice of counsel they had disregarded them.

The matter of referendum was then brought up and objections were immediately voiced to a two-thirds vote that was incorporated in the committee's request. Several persons, who stated that they were in the proposed new territory, rose to explain that the committee did not represent them.

Mr. R. C. Becket, of the State Board of Health was introduced by the Mayor to report on the technical

phases of the situation. He corroborated Dr. Manns testimony on the water supply, but said that no one person could tell when a menace would become acute and that the investment was too valuable to take chances with. He further stated that, if necessary, the State Board could establish a zone a mile each way from the wells in which all property owners would be forced to put in expensive sewer systems, bearing the total expense themselves. He showed a map carrying the present sewer lines and proposed lines and cited experiences of other towns in handling costs of sewer systems.

The discussion then centered on costs and methods of distributing them and the two factions became deadlocked in their debate. It was suggested that the committee and the council get together around a table and thresh the matter out, but the heat of argument shelved the suggestion. Mr. Phipps addressed the chair and asked for a spirit of compromise, saying that the matter was vital to both factions and they should bend every effort to get together. The Council and committee then retired for a closed session.

After one hour and three quarters of discussion, they became tentatively agreed on the points in question and arranged to push with all possible dispatch amendments to the bills in order that they might be acceptable to all parties concerned. A referendum was decided on to be held as soon as possible.

At a meeting held last night the conditions were framed and plans made to expedite matters in having the bills passed. It was found that a referendum providing for a vote on annexation could not be embodied in the bill providing for annexation, so it was decided to hold an unofficial referendum Friday night in Wolf Hall, at 8 o'clock, for all property

A BOY AND HIS DOG

We predict that Homer Malcom, of this town, will make a success in life. He is now but ten years of age, but he knows what he wants and how to go about getting it. And we predict also that a certain Alaskan "husky" has found a friend. But let us give you the story.

Homer wanted a dog, an Eskimo dog, and he wrote a letter to the Daily News-Miner, at Fairbanks, Alaska, making a business-like proposition. The paper co-operated with the boy, giving his letter needed publicity. The article and Homer's letter read as follows:

WHEN A FELLER NEEDS A FRIEND

If You Have An Extra Eskimo Dog
Laying Around, Here's Your
Chance to Unload

Here is opportunity for some enterprising dog man, who would not be averse to a purely commercial transaction. The matter is somewhat involved, and therefore the News-Miner, fearing the consequences of a middleman's role, passes the request on just as received:

Newark, Del., Dec. 19, 1926.

Dear Friend:

I would like to have an eskimo dog very much. If you could get one for me in trade I would be very grateful to you. I guess you would like to know who I am so I will tell you. I am a boy 10 years old.

Sincerely yours,

HOMER MALCOM.

P. S. Things I would like to trade for dog, apples, peaches-pares-engine run by gaslion 22 horse power.

This was printed January 20, 1927. Family and friends discouraged the boy, telling him that he would never hear from the letter again. But fortune was with Homer. From William N. Beach, of New York City, came a letter asking him if he thought a dog might be shipped to him from that place without suffering illness from the journey; also just what references he could send showing that he would give a dog a good home and proper care.

Promptly went back the reply that there could certainly be no ill-effects to the dog from a trip of that distance, and, as to references, Mr. Beach might call on such persons as the bank officials of this town, the pastor of the Presbyterian Church, and Mr. Walter Blackwell, Homer's Sunday-School teacher.

Unable to withstand such assurances of moral and financial dependability, Mr. Beach wrote, under date of March 18:

March 18, 1927.

Mr. Homer Malcom,
Newark, Del.

Dear Sir:

I enclose express receipt covering shipment to you of the Alaskan husky. Hope it reaches you O. K. and that you will be pleased with it.

Yours very truly,

WILLIAM N. BEACH.

Meanwhile, before this letter arrived, Homer, confident that the dog would be sent to him, made arrangements at the railway station that he should be notified at once of his dog's arrival. He also gave an order to the butcher for a proper meal for the expected friend.

We would not have written this story if it had not a happy ending. "Husky," the Alaskan dog, arrived at the B. & O. Express Station in Newark on March 19, and Cap Stubbs and Tippie are only chance acquaintances compared with Homer and Husky.

holders in the proposed new territory. This vote will serve as an indication of agreement or disagreement to the Legislature in their vote on the bill. A referendum feature will be attached to the bill providing for the bond issue to be voted on by both the present town taxpayers and those in the annexation. Arrangements will be made in redistricting to give the new sections equal representation with the old town. The boundaries of the proposed new area were altered slightly to exclude certain unimproved property. The sewer assessment was adjusted to amount to a sum between \$1.50 and \$2.00 a foot frontage, with an allowance of 125 feet on corner properties. The cost of the man-holes will be pro-rated among the taxpayers in the new territory. The town will assume the cost of the return pipes of 12 inches and additional units to the disposal plant. A bond issue will be made to cover this expense.

If a favorable showing is made at the referendum on Friday evening, the matter of having the bills passed by the Legislature will be a matter of form, according to general opinion. Inasmuch as the Town Council and the Committee of the objecting faction have come to a satisfactory and definite understanding, both sides feel that the bills will go through at this session of the legislature.

LANK-BAILEY

The marriage of Miss Oriana Bailey, daughter of Professor and Mrs. Albert Edward Bailey, of Newton Centre, Mass., and Mr. Herbert H. Lank, son of Mr. and Mrs. Albert J. Lank, of Seaford, took place March 19 at 8 o'clock p. m., in the First Congregational Church, Newton Centre. Mr. William Lank, brother of the bridegroom and student at the University of Delaware, was best man. Miss Elizabeth Hollis, daughter of Dr. and Mrs. Charles M. Hollis, also a student at the university, was one of the bridesmaids. This was a double event as Marion Bailey, another daughter of Professor and Mrs. Bailey, was married to Mr. Edward J. Sparling, of California, at the same time. A reception followed the double nuptials at the home of the parents. Mr. Lank and his bride sailed on a wedding trip to Bermuda and Mr. Sparling and his bride will spend their honeymoon in California. Mr. Lank is a graduate of the Seaford High School and of the University of Delaware, class of 1925, and is now employed in the DuPont plant at Parlin, N. J. He and his bride met in Paris, France. Mr. Lank was a member of the Foreign Study Group at the Paris University from the University of Delaware and his bride was enroute on a trip to Egypt. She is a graduate of Smith College.

became the bride of Milman Edward Prettyman, son of Mr. and Mrs. James Prettyman, of Lewes. The bride was given in marriage by her father. Miss Mary Egan, daughter of Mr. and Mrs. John Egan, of Philadelphia, was maid of honor, and Howard Long, Jr., (Continued on Page 4.)

Miss Edwina Long will entertain the Monday Evening Card Club at the Faculty Club Room in Residence Hall next Monday evening.

Mrs. Jennie Campbell is spending this week with her daughter, Mrs. Clarence Keyes, of Farmington.

Mrs. Fannie Long, of Columbus, Ohio, and C. C. Palmer, of Dayton, Ohio, are guests of Dr. and Mrs. C. C. Palmer.

Mr. and Mrs. Harry Mayer, of Dover, visited their daughter, Miss Mary Louise Mayer, at Women's College last Saturday.

E. A. Perreghaux, of the staff of Cornell University, and W. H. Walling, a senior at the same University, were week-end guests of Professor and Mrs. H. S. Gabriel.

Mr. and Mrs. Robert Jones entertained four tables of friends at a supper bridge at their home last Thursday evening.

Misses Ford and Keegan, of the Flower Hospital, entertained two tables of friends at bridge last Thursday evening.

R. H. Stratton, of Berkeley, California, was the week-end guest of Mr. and Mrs. Walter Layfield.

David L. Medill and family have moved this week to Colorado Springs. Mr. Medill has been in business here for several years.

Miss Mary Powers, who has been teaching in St. Petersburg, Florida, for two years, was the guest last Saturday of Mrs. Clara Nickerson, of this town. Miss Powers accepted a position on Monday teaching mathematics in the Wilmington High School.

Butler Thompson and Frank Crawford, of Washington, D. C., were guests last Saturday at the home of Mrs. Laura Hossinger. Messrs. Thompson and Crawford were en route for South America.

Mrs. Sarah Mosher, who has been ill for some time at the home of her nephew, Dr. R. B. Mathews, is very much improved.

Mrs. Emma Jones and her sister, Mrs. Mary McKean, will move into Mrs. J. Wilkins Cooch's house on Thursday, the 24th, for three months. At the end of that time, they will move into an apartment owned by Mrs. Angie Perkins. Mrs. Jones at present is a patient at the Flower Hospital.

Miss Martha A. Good, of Middletown, was a dinner guest and spent the evening at the home of Mr. and Mrs. Herman W. Stradley, East Main Street, on Wednesday.

Miss Harriet Wilson spent last week-end with her parents, near Milton.

Massey Gum, of Philadelphia, visited friends here last week-end.

Johnson Rowan spent the week-end with friends at Tome.

Miss Hazel Wright, of Washington, D. C., spent last week-end here with Dr. and Mrs. J. R. Downes.

The benefit "movie" which was shown at the Newark Opera House last Friday evening for the benefit of the Milk Fund for the Primary School, netted over sixty dollars. The movie was sponsored by the Education Committee of the Newark New Century Club, of which Mrs. Manns is chairman and Mrs. Wheelless and Mrs. Paine are members. The committee feels gratified over the result and very grateful to the management of the Opera House.

New porches are being built at the homes of Mrs. Charles Penny, C. A. Owens and Chester Ewing.

Mrs. Ed Willim was a guest at a bridge luncheon at the home of Mrs. Francis O'Neal in Smyrna last Saturday.

THE SICK

Henry Whiteman is a patient at the Homeopathic Hospital in Wilmington.

Owen Moore, an officer of the Farmers' Trust Company, is ill with rheumatism at his home on West Main street.

Lester Scotten was operated on last Saturday at the Delaware Hospital in Wilmington for mastoid trouble. Mr. Scotten is improving.

Mrs. Edna Reed, who has been a patient at the Flower Hospital for some time, is very much improved and was able to go to her home on Delaware avenue yesterday.

Saunders Carr, of Christiana, while working at the Consolidated Specialty Company Plant, near Ogetown, caught a finger in a circular saw, lacerating the member badly.

Mr. and Mrs. A. C. Huston spent the week-end with Mr. and Mrs. A. L. Colison, in Baltimore.

Mr. and Mrs. John R. Fulton and Mrs. John Grier spent yesterday in Philadelphia.

Mrs. Helen Wilson left yesterday for Leesburg, Virginia, to attend the funeral of her friend, Mrs. Stuart Tschiffely, today.

Miss Ethel Hauber spent last week-end with her aunt, Mrs. George Derbyshire, in Philadelphia. While there, she saw Mary Eaton in "Lucky." Mr. and Mrs. Hauber motored to Philadelphia on Sunday and their daughter returned with them.

The ladies who won in the duplicate bridge tournament which was held here recently, were the guests of the gentlemen who played in the tournament at a dinner and theatre party in Philadelphia last Saturday evening. Newark Girls Win D. I. A. A. Crown

Defeat Laurel 26 To 22; Anne Chalmers' Cage Work Deadly; Frankford Beats New Castle For Male Honors

The Newark girls basketball team saved the day, or rather the evening, for the Northern part of the State on Saturday night when they defeated Laurel, Southern champions, 26 to 22, for the State D. I. A. A. championship. The fact that it was Laurel's supremacy that Newark proved questionable, greatly sweetened the taste of the victory. In the boys' division, Frankford defeated New Castle, 39 to 35. The games were played in the Dover gymnasium.

Ann Chalmers never scintillated with greater brilliance than she did on Saturday night, getting 6 field goals and 10 fouls, just enough to equal all the points that Laurel could garner. There is a suspicion that this coincidence was a deliberate gesture of contempt on Ann's part for anything Laurel. Newark was never headed and finished the first half leading 15-14. Both teams exhibited a strong defense and the game developed into a duel of marksmanship between Miss Ralph, Laurel forward, and Ann Chalmers. Miss Ralph excelled from the floor with 9 ducies, but Ann was so deadly from the foul line that she more than overcame the advantage that she yielded from the floor. The scores:

University Teams Shaping Nicely

Baseball, Track And Tennis All Have Seasoned Candidate; Tennis Schedule Announced

The University of Delaware athletes, in the various branches of Spring sport, have settled down to serious training. The baseball squad is showing signs of hitting power, and Coach Doherty has dug up some promising mound material to bolster that weak spot. Coach Forstburg has seasoned track material to work with and is sanguine of a good season. The tennis team, with four letter men, has been practicing in the gym and the schedule has just been announced.

There is a hot fight for positions on the baseball squad and some of the Freshmen candidates look likely for berths. Taylor, former Beacom star and a strong man with the stick, is almost certain of a job in the outfield. Ryan, a newcomer, has produced some puzzling slants and will add strength to the hurling department. Garret, a pitcher with a record about Wilmington, is expected to report. With these two and Cosgrove, veteran twirler, the pitching problem seems solved.

Coach Forstburg has little elementary instruction to give his track squad as most of them are last year's men. Captain Loveland, Roser and Steele, all vets, are available for the dashes. Angelo, Reybold and Ablemen, weight lifters, are also letter winners. Tremaine, Hanby, Hodgson and Wheatley are training for the distance events, with Riggin, freshman, who is showing a hardy pair of heels. Lohmann, Kerbin and Rose are flinging themselves over the bar. Garrett, javelin expert, bids fair to eclipse his last year's marks.

Newark Collegians Lose to Cubs

The Newark Collegians, basketball players recruited from the Delaware squad, and apparently hardened to punishment, lost a game in Wilmington Saturday night, when they opposed St. Hedwig's Cubs. The score was 46 to 32. As far as the sum total went the Cubs had things their own way, but LeCarpentier, Collegian, took individual honors with 14 points to his credit. The score:

Elk Mills Bouts Furnish Action

Martin Beats Canago In Hot Exchange; Akers Is Knocked Out

Al Martin, of Baltimore, and young Carrago, Philippino, put up the fastest fight that has been offered yet on the Elk Mills Friday night card when they clashed in the eight-round final last week. Martin, the more finished boxer, won on points. The weights were: Martin 117½, and Carrago 112.

In the semi-final Jack Akers, Rising Sun middleweight, who has run up an imposing knockout record, went out of his class in weight and walloping power when he engaged Jack Barry, light heavy, from Cleveland. Barry dropped him for the count in the third. In the first prelim, a featherweight affair, Jimmy Jones, Elkton, won easily from young Campbell, Perryville. Roland Wilson, Newark and Laurance Holland, Elkton, colored welters, were the second entertainers. Wilson won by 10 seconds in the second. Newton Albense, Elkton, and Walter White, Newark, lightweights, fought a draw in the third four rounder.

Delaware Places 3rd In Intercollegiates

Takes Relay From Rutgers; Losing Second Place By One-Half Point; Drops Meet To Hygeia Friday

The University of Delaware swimming team suffered its first setbacks of the season over last weekend, yet gained considerable honor in defeat by finishing third in the Eastern Collegiate Championships at Easton on Saturday. Rutgers won the meet with Lafayette second, just one half point separating Delaware from Lafayette. The day before Delaware had met the strong Hygeia Swimming Club at Atlantic City, entraining immediately after the meet for Easton, where the intercollegiates were held in the Lafayette tank. Hygeia won Friday's meet 52 to 11.

Delaware, a last minute entrant in the intercollegiates, furnished the surprise of the affair. Rutgers, with the best swimming team in a history punctuated with major natorial honors, and favorites for the all-collegiate title to be decided this week, was topheavy favorite to cop all first places in the Eastern championships, but Delaware upset this dope in the first event by winning the relay in the same heat with Rutgers and Lafayette. Delaware had 13½ points, while Lafayette had 14. Rutgers, Lehigh, Lafayette and Delaware were in the same heat. Reese, Delaware's lead-off man, got a good start, finishing in a tie with Raleigh, of Lehigh, with Charley Lewis, Rutgers' ace, two yards ahead. Reybold, swimming second, also finished in a tie for second, but this time with Lafayette, Lehigh having fallen behind. Taylor swam his best relay of the season when he beat in the Lafayette third man, Bew, who later got second in the fifty. This gave Captain Nobis a slight lead over Captain Yates, of Lafayette, each swimming as anchor man on their respective teams. Nobis got a bad turn, however, and when they came out of the turn they were neck and neck. Nobis won by inches in a finish that caused an argument between the judges.

Wilson Boyer, Delaware's star diver, showed great form on the board, but to the great surprise of every one but the diving judges, he got only a tie for third. Boyer's performance warranted at least a second, but the erratic judging produced some queer final results.

Nobis finished second to Eddie Levis, for the third time Eastern Collegiate back-stroke champion, in the 150-yard back-stroke race.

Taylor swam a good race in the 440, getting fourth from a fast field. He was nosed out of third place and a medal by a scant four feet.

Nobis entered the 100-yard free style in the same heat with Levis, of Rutgers, and Yates, of Lafayette, and although rather tired from the relay and backstroke, came through with a third place in the finals. He was second in his heat to Harry Lewis, who covered the distance in 5.2. Yates was several yards behind Nobis. Johnson, of Rutgers, bettered Nobis' time in another heat and got second place, while Warner, Rutgers 440 star, was fourth.

Delaware lost little prestige in its defeat by the Hygeia Club, for they faced an aggregation of all-star swimmers, most of whom are out of collegiate class. Further, Delaware

was loath to give its last ounce in that contest, preferring to save it for the intercollegiate swim, which was the more important event.

The Summaries
200-Yard Relay—Won by Rutgers (Brown, Tilly, Johnson, Lewis); Delaware (Reese, Reybold, Taylor, Nobis) second; Lafayette (Hartjie, Sandt, Bew, Yates), third; Lehigh (Raleigh, O'Callaghan, Heitzler, Lewis), fourth. Time, 1.44.

Fancy Dive—Won by Readinger, Lafayette; Curry, Rutgers, second; Hayes, Lehigh, and Boyer, Delaware, tie for third.

50-Yard Free Style—Won by Tilly, Rutgers; Bew, Lafayette, second; Johnson, Rutgers, third; Brown, Rutgers, fourth. Time, 0.25 7/10.

150-Yard Back Stroke—Won by Lewis, Rutgers; Nobis, Delaware, second; Larkin, Lafayette, third; Leader, Lehigh, fourth. Time, 1.55 5/10.

440-Yard Free Style—Won by Warner, Rutgers; Lewis, Rutgers, second;

Webb, Lehigh, third; Taylor, Delaware, fourth. Time, 5.45 2/5.
200-Yard Back Stroke—Won by Brown, Rutgers; Cox, Lehigh, second; Leader, Lehigh, third; Lindahl, Swarthmore, fourth. Time, 2.53 8/10.
100-Yard Free Style—Won by Lewis, Rutgers; Johnson, Rutgers, second; Nobis, Delaware, third; Warner, Rutgers, fourth. Time, 0.56 4/10.

INSTRUCTS IN OVEN CONTROLLED COOKING

Mrs. Mary V. Gambeau, director of the Home Service Department of the Gas Company is aiding Newark housewives in the operation of oven controlled ranges. Through the use of a thermostat, a housewife is enabled to cook an entire meal at the one time, saving considerable feet of gas to the consumer. If the various dishes were cooked on four or five of the holes the consumption of gas would be three or four times as great as when cooked all together in the oven. It has been figured out that the oven consumes as much gas as one giant burner.

The services of Mrs. Gambeau will be given free of charge to any housewife who wishes expert instruction in the use of oven controlled cooking.

ional's latest picture, "Subway Sadie," which plays at the Hanark Theatre next Wednesday.

Dorothy Mackaill, Jack Mulhall and Charles Murray are featured, and First National could not have made a better selection of players. These three are ideally cast.

"Subway Sadie" is a story about a New York working girl who meets a subway guard. They fall in love with each other. But the course of true love never does run smooth, even in pictures. The romance is called off when Sadie gets her cherished opportunity to go to Paris as buyer for her store.

University Teams Shaping Nicely

(Continued from Page 6.)

wards of the track team are making preparations for the annual interscholastic track meet which will be held on Saturday, May 7. Entry blanks have been sent to the various high schools in Pennsylvania, New Jersey, Maryland and Delaware. It is thought that this year's meet will be the best that has been held on Frazer Field, in recent years.

With Meredith, captain, Creamer, Eastburn and Vincent, of last year's team, Captain Whittemore has a strong foundation for his tennis team. Pyle, Taylor and LeCarpentier, all former stars at Wilmington High and Hill, a promising candidate from Peekskill, are also working out.

The following tennis schedule has been arranged: April 23, Drexel, home; April 30, University of Maryland, away; May 4, Ursinus, away; May 7, open; May 13, Swarthmore, away; May 14, Haverford, away; May 17, Franklin and Marshal, away; May 21, St. John's, home.

No decision has as yet been reached by the Athletic Council regarding a successor to Head Coach Forstburg, who has tendered his resignation, to take effect at the end of this term. Among those being considered are: Joe Rothrock, a Delaware graduate who accumulated three letters while

at college, and Joe Lightner, of Dickinson. Rothrock has had a successful career as coach of a prep school at Peekskill, N. Y. Lightner, a protege

of Hugo Bezdeck, developed strong football at Dickinson. Captain Kirkleski, last year Lafayette star, has been considered.

Women's College Notes

Last Saturday was a gala day at Women's College. In the afternoon, from four to six, the members of the Junior Class entertained the members of the Senior Class at a tea dance in the Hilarium. Herb Clark's orchestra played. In the receiving line were Katherine Horton, vice-president of the Junior Class; Elizabeth Wiley, president of the Senior Class; Dean Robinson, Miss Spencer and Miss Templeman. Marjorie Johnson, president of the Junior Class, and Dorothy Pierson, secretary of the class, poured. The Freshmen who served were: Adeline Downes, Virginia Sparklin, Grace Jump, Elizabeth Donohue, Mildred Sherwood, Sara Stearns and Katharine Noonan. The Hilarium was beautifully decorated with spring flowers, and with huge sprays of pink roses which were given to the Juniors by the Senior Class.

Three W. C. D. girls have enrolled as councilor at Camp Cochnewagen, at Monmouth, Maine. Margaret Nunn, '27, will be dietitian; Eleanor Edge, '28, will teach music; Agnes Thoms, '29, dramatics. Nellie Lawton, '29, is one of the directors of the camp.

The students at Practice House will entertain at a formal dinner this evening. Christine Baker will be hostess and Jane Warner will be host. The guests will be Professor and Mrs. W. A. Wilkinson and Professor and Mrs. James Barkley.

Nominations for May Day were begun at Chapel on Monday. Elections of May Queen and the three class duchesses were concluded today, with the following result: May Queen, Katharine Ady; Junior duchess, Dorothy Bond; Sophomore duchess, Agnes Thoms; Freshman duchess, Mary Louise Robertson.

Hattie McCabe and Kitty Ady were guests at the Junior Prom at the University of Maryland last Friday evening.

Dorothy Bond attended the Prettyman-Eskridge wedding in Seaford last Friday evening.

Dr. Sypherd spoke at Forum last Thursday afternoon. His subject was, "Whom the Gods Love Die Young," and consisted of a talk on the lives and writings of Marjory Pickthall, a Canadian poet and short story writer, who died at the age of thirty-eight; Josephine Prescott Peabody, a New England poet, who died at the age of forty-eight; and Katharine Mansfield, a short story writer, who lived to be only thirty-eight years of age.

Professor Barkley's series of Lenten Bible talks, given each Thursday evening from seven until eight o'clock, is proving very helpful to faculty and students. The subject discussed last Thursday was "Prophecy."

The competitive class plays will be given Thursday evening at eight o'clock, in Wolf Hall.

The next Women's College Open Night will be held on the evening of April 23.

I. O. R. M. CONFERS DEGREES

Minnehaha Tribe, No. 23, I. O. R. M., held a large meeting last evening when they conferred the Adoption Degree on a class of ten and on next Wednesday evening, March 30th, will trail to Bear Station with a class of fifteen when the Past Sachem's Degree Team of Wilmington will confer the Warrior's and Chief's Degree. All members and candidates are requested to be at the hall at no later than 7 o'clock.

On next Tuesday evening, March 29th, Minnehaha Tribe will hold an election of officers, and all members are requested to attend.

Mineola Council, No. 17, Degree of Pocohontas will confer the Adoption Degree on a class of Palefaces this evening and on next Wednesday evening, March 30, will hold the election of officers. All members are requested to be present.

P-T. A. MEETING
The Newark Parent-Teacher Association held a meeting last evening in the Auditorium of the High School and attracted the largest attendance of the year.

The feature of the meeting was a demonstration lesson on Alaska, taught by Miss Virginia Lee Bell, teacher in the Grammar School. The lesson was taught from slides, the children explaining the pictures. No information was taken from books.

The school orchestra, composed of Mr. McMenamin, violin, Chauncey Wheelless, violin, Whitney Day, violin, Helen Gregg, piano, David Coverdale, traps and Professor Brinser, trombone, played selections and for community singing.

Dean Robinson, of the Women's College, and Professor Brinser made short addresses. Mrs. Josephine Hancock presided.

Workmen Elect New Officers

Gavel Presented to Local Lodge By Grand Master Workman

Anchor Lodge, No. 4, Ancient Order of United Workmen, received a pleasant surprise last evening when Grand Master Lawton, of Wilmington, visited here and presented the local lodge a gavel, on behalf of the Grand Lodge of Delaware. Beside the Grand Master Workmen, Grand Recorder Prettyman, Grand Guide Clarke and Grand Organizer Smith were among the visitors, as were also a delegation from Wilmington Lodge, No. 1, and Columbia Lodge, No. 21, of Wilmington.

A class of eight was initiated, the degree work being performed by the following visitors: Past Master Workman, Wm. Farran, of Wilmington Lodge; Master Workman, Mrs. Bertha Farran, of Wilmington Lodge; Foreman, Jos. T. Smith, Grand Organizer; Overseer, C. B. Prettyman, Grand Recorder; Guide, Mr. Clark, Grand Guide.

Officers were elected as follows: Master Workman, George Ferguson; Foreman, Mrs. Marguerite Balling; Overseer, James Frazer; Guide, Miss Edith Jackson; Inside Watch, Miss Alice Fell; Outside Watch, Miss Elizabeth Lindell; Recorder and Financier, Robert S. Crow.

The following committees were appointed.

Membership: Mrs. Frances L. Kauffman, Misses Fell, Lindell, and Jackson, Jas. Frazer, Mrs. Devonshire.

Social: Mrs. Balling Kennedy Fell, L. A. Reed, Mrs. Jackson, T. H. Ford.

A number of short and interesting talks were given by the visitors and local lodge members.

An invitation was received and accepted to attend the installation of officers and banquet of Wilmington Lodge No. 1, on Thursday, evening, April 7.

A combined meeting of all committees will be held at the home of Mrs. Balling, on Academy street, on next Monday evening. The next regular meeting of the lodge will be held on the second Tuesday in April.

PLAY AND RECITAL

On Saturday evening, April 2, in the lecture room of the M. E. Church, Mildred Bass Anderton, a talented entertainer will present "Esmeralda," a comedy of the Carolina Mountains. The entertainment will be under the auspices of the Ladies' Aid and the proceeds will be for the benefit of the building fund.

NEWARK NEW CENTURY CLUB

The meeting for March 21st was opened by the president, Mrs. Cobb. The minutes of the meeting of March 14th were read and approved. Mrs. Cobb announced that Mrs. Dunlevy had accepted the chairmanship for the Civics Committee. Mrs. Manns gave a very gratifying report of the movie benefit given for the milk fund. The amount collected to date totaled \$62.54.

The speaker of the afternoon was Mrs. E. Paul du Pont, who read a delightfully interesting paper on "The Painters of Delaware." Mrs. du Pont showed many photographs and reproductions of paintings of Delaware

painters, as well as some of the works of the pupils of these painters.

Miss Lee Belle, accompanied by Miss Wilson, sang three enjoyable selections, after which tea was served.

Mrs. F. A. Wheelless, Secretary pro tem.

ELDER LEFFERTS OF VIRGINIA CALLED TO WELSH TRACT

At a congregational meeting at Welsh Tract Church last Sunday morning, it was decided to call Elder Horace Lefferts, of Leesburg, Virginia, to serve the church as pastor once a month, until such time as a pastor may be called to live in the community. Elder Lefferts is pastor of several Primitive Baptist churches

in Virginia and cannot give the Welsh Tract Church more of his time. He will preach here on the first Sunday in April, and it is expected that the church will hear in a few weeks concerning the acceptance of the call.

in the New Century Club. Proceeds are for the benefit of the building fund. Tickets may be obtained from members.

MESSAGE OF THANKS

I want to express my gratitude to the people and the Newark Firemen who gave assistance at the recent fire on my property and kept it from spreading and doing further damage. —Enos R. Walls.

SUPPER
