My dear Minister,
I really

am exceedingly
grateful to you for
the confidence you
display towards me in
letting me see these
letters.

In summary of
the situation I find
that of the interest
help and so.
Also that the situation

I should be sure
that I found it
impossible to get
information which
reaches the quarters
with my of your conclusions.
They express indistinct
facts for which there
is not too much evidence
I have in particular
I quote by the passages
mentioned in these on
pages 6 to 10 of your
second letter, and would
be this estimate of
so applicable at present
as you feel could be

Made a visit to the
Columbian quarter at
home.

With reference to
the building the
the correspondence
which provides the
most useful charts
for the own data

Be here the
I am very sincerely
