

## 451 PAID FEDERAL INSURANCE IN COUNTY

### Social Security Figures For November Show Marked Increase

Monthly Federal old-age and survivors insurance payments were made to 451 men, women and children in New Castle County during November, 1940, it was announced today by Roger R. Minker, manager of the Social Security Board's Wilmington office. The November total of monthly insurance payments was \$8339.72 according to the announcement which was based on preliminary statistics, subject to minor revision.

Mr. Minker announced that the New Castle figures represented approximately 80 percent of the state's beneficiaries under the new Federal insurance program and more than that percentage of the money paid out. The state totals for November were 568 recipients and \$10,106.31.

November totals revealed a marked increase in the number of beneficiaries and money payments during the five months after June. At the end of June, 395 New Castle countians were receiving \$4,096.99 a month.

The November payments in New Castle county were as follows: 243 retired wage earners, \$5,342.68; 70 wives of such workers, \$833.33; 90 dependent children of retired or deceased insured workers, \$1,668.05; 47 widows, \$985.22 and one dependent parent, \$10.39.

The November figures for the other Delaware counties were: Kent, 44 persons receiving \$681.72; and Sussex, 73 persons receiving \$1,084.87 a month.

Continued increases in the monthly rolls of beneficiaries may be expected for years to come, Mr. Minker said, since more workers are becoming qualified by work and retirement and more workers die as time goes on. Insurance payments are made to retired insured workers, and their families and to dependents of those who die.

Monthly payments are made to wives or widows of retired or deceased insured workers when they become 65, regardless of whether they have dependent children in their care and to younger widows with dependent children under 18. Dependent children, up to age 18, may receive monthly benefits if the insured wage-earning parent retires or dies. Dependent parents receive monthly payments only in cases where a fully insured worker dies without leaving a widow or children who may receive monthly benefits immediately or at some future date. Lump-sums are paid in nearly all cases where an insured worker dies without leaving any survivor who is entitled immediately to monthly payments.

A worker is fully insured if he has coverage in half the calendar quarters that elapse between December 31, 1936 (or his 21st birthday, if that is later) and the date of his death or 65th birthday.

The worker's primary insurance benefit is computed on the basis of his average monthly wage. The benefit consists of 40 percent of the first \$50 of the average monthly wage, plus 10 percent of the balance (up to a total of \$200). One percent is added to this sum for each year of coverage. Thus a worker with an average monthly wage of \$100 and four years of coverage would have a primary insurance benefit of \$36.

The wife, child's and parent's monthly payment is one-half that of the worker and the widow's benefit is three-fourths of the worker's.

Mr. Minker pointed out that claims may be filed and information obtained at the Social Security Board office in Old Fellows Hall, 920 King Street, Wilmington.

## ALUMNI TO LAUNCH ANNUAL CAMPAIGN

### Drive For Funds To Be Held From Jan. 18 To Feb. 28; Messick In Charge

The second annual fund campaign of the University of Delaware Alumni Association will be launched on Jan. 17 and will be continued for a period of six weeks, coming to a close on Feb. 28.

The goal of this year's campaign is \$6,500 to be raised by voluntary contributions from members of the association. The funds are to be used to finance the alumni program and maintain an alumni office during the 1941-42 fiscal year.

Chairman of the fund campaign committee is Dr. Charles P. Messick, a graduate of the university, class of 1907, and at present secretary and chief examiner of the New Jersey Civil Service Commission. Other members of this committee are Thomas S. Holt, president of the Holt Oil Company of Federalburg, Md.; Edward C. Davis, vice-president and treasurer of Frazier-Davis Company of St. Louis, Missouri; A. Rae DuBell, president and manager of The Letter Shop in Wilmington; D. Raymond McNeal, president and general manager of Andale Company in Philadelphia; F. R. Deppie, of the Bethlehem Steel Company; J. William Wells, with the Atlantic Refining Company in Wilmington; and Dr. J. S. Gould, head of the university's economics department.

A class fund director has been selected representing each class graduated from the university since 1884 and the presidents of the fifteen Delaware alumni clubs throughout the country are appointing local committees to promote the campaign in their respective areas.

On Saturday, Jan. 18, the day after the fund drive officially opens, a dinner will be held at the university to give additional impetus to the campaign. Class directors and local club representatives from an area including several states and the District of Columbia will attend the campaign dinner.

## THOMAS TO HEAD GROUP

### Mechanics' Leader To Be Installed Monday Night

Meredith Thomas will succeed E. V. Gregson as head of American Flag Council No. 28, Junior Order of United American Mechanics, at the organization's semi-annual reorganization meeting to be held at Fraternal Hall on Monday.

Other officers who will assume their posts are: Vice council, William Carter; assistant recording secretary, Robert Donovan; recording secretary, Reese S. Jarmon; financial secretary, T. Raymond McMullen; treasurer, Charles W. Colmery; conductor, William Todd; warden, L. C. Trice; guard of inner portal, Roger Dobson; guard of outer portal, John W. Tweed; trustee, R. C. Devonshire; chaplain, William Merrick; representative to state council, R. S. Jarmon; and alternate to state council, L. C. Trice.

Plans for the organization's forty-fourth anniversary celebration are being made by a committee headed by Charles W. Colmery. The affair will be held at the Newark New Century Club on Jan. 27.

## YOUTHFUL ARTIST PRAISED FOR WORK

### Robert Virovai Presented By Concert Group In Mitchell Hall

By Jayess Gee

On Monday evening in Mitchell Hall, the Newark Community Concert Association presented Robert Virovai in a violin recital, the second concert of the season. This gifted young artist was greeted by a large and enthusiastic audience, which more than generously applauded the brilliant performance.

Musical appreciation of any concert can best be measured by the response of the audience, and on this basis, it can rightly be said that this concert was a successful and significant musical event.

Although Virovai is not quite 20 years of age, he gave every evidence of genius in his masterful use of the bow. In technique, he ran through the gamut of virtuosity. If this young artist continues to build on his present manifested talent, he is surely destined to be placed among the great violin virtuosos.

The first number, Corelli's La Folia, full of quiet dignity, was played with wonderful control of bowing, providing an exquisite soft sustained tone. In this number, we also had the first taste of the artist's skill in double-stops—these simultaneous soundings of tones were always in tune. The sheer brilliancy of the Violin Concerto in D minor by Vieuxtemps was striking. Here was indicated again the fine work of mutual understanding and perfect coordination between the performer and his accompanist, Vladimir Padwa. One could well imagine the added quality which could be given this concerto by the required full orchestral accompaniment. Nevertheless, the piano accompaniment was more than a satisfactory substitute.

The Zephyr, by the artist's own teacher, Jeno Hubay, was noteworthy for Virovai's display of his skillful mastery of harmonics. The concluding number was I Palpit (Paganini). Usually his compositions were designed to exhibit sheer display of technique, however, in this instance, we had something of charm and true musical worth. As was to be expected, the audience was not satisfied with just the complete program, and insisted by constant applause for encores.

To please his appreciative audience, Virovai played first, the Flight of the Bumblebee by Rimsky-Korsakov and the delightful musical composition of Debussy arranged by Hartman, the Maid With the Flaxen Hair.

The Newark Community Concert Association may well be as proud of this second concert in the series of three for this season as it was of the opening one. The last concert will be held on Feb. 13 which will bring the Don Cosak Chorus to Mitchell Hall.

## MUSICALE TO BE HELD SUNDAY

### Newark Music Society To Sponsor Affair

The second evening musical of the current season, under the sponsorship of the Newark Music Society, will be held at the home of Miss W. Elsie Wright, 235 Orchard Road, Sunday at 8:15 o'clock.

Miss Roberta Spencer, Mrs. Myrna L. Greenwald, and Gunnar Winckler will play the Beethoven Trio in B Flat Major, Opus II, for violin, violin-cello, and piano. Miss Frances Wilson, pianist, will play a Myra Hess arrangement of a Bach composition and also one of Chopin's études.

Group singing will be held in charge of Anthony Loudis and Miss Margaret Dennis, members of the University of Delaware music faculty, and Frederick B. Kutz, a member of the Newark High School faculty.

The program will be as follows: Trio in B Flat Major, Opus II; Allegro con brio; Adagio; Tema con variazioni, Beethoven. Roberta Spencer, piano; Myrna L. Greenwald, violin; Gunnar Winckler, violincello.

Chorale Jesu Joy of Man's Desiring, Bach; Etude in F Minor, Opus 10, No. 9, Chopin. Frances Wilson, piano.

Group singing under direction of Miss Dennis, Mr. Kutz, and Mr. Loudis.

## CENTURY CLUB TO HEAR GLASS EXPERT

### Next Meeting To Be Held Monday At 2:30 O'clock

Mrs. J. Ralph Baily, of New Castle, an authority on the subject of old glass, will be the speaker Monday afternoon at the regular meeting of the Newark New Century Club. The session, which has been arranged by Mrs. Frank Oswald, chairman of the art committee, will start at 2:30 o'clock.

Mrs. Baily will bring some of the choice pieces from her shop in for discussion and exhibition. Members are invited to bring their own old pieces for study.

Tea will be served at the close of the program by Mrs. Richard T. Ware, hostess, and her committee consisting of Mrs. F. A. Wheelless, Mrs. William A. Wilkinson, Mrs. Leonard Fossett, Mrs. Howard Jernee, and Mrs. Arthur Vanderpoole.

Mrs. Thomas F. Manns, president of the corporation board of the club, held a meeting of the board at her home, West Park Place, on Friday. The following members were present: Mrs. J. Pearce Cann, Mrs. W. A. Wilkinson, Mrs. James Hastings, and Mrs. Louis A. Stearns.

The choral group held its first meeting of the year at the home of Mrs. Alex D. Cobb, recently.

Mrs. Robert O. Bausman served coffee to the workers lunching in the work room of the Red Cross at the Century Club on Tuesday.

## INCREASE IN VISITS FOR 1940

### Report Shows Total Of 2,806 Calls Visiting Nurse's

Miss Alice Leak, visiting nurse for this section of New Castle County, reported a total of 2,806 visits, including 1,782 nursing and 1,024 instructive calls for the year, 1940. This figure represents 102 more visits than in 1939.

Kinds of cases and the number of visits were as follows:

Prenatal 27, visits 98; maternities 25, visits 74; la grippe 21, visits 62; pneumonia 10, visits 59; quinsy 2, visits 8; apoplexy 10, visits 69; paralysis 9, visits 71; arthritis 11, visits 103; heart disease 21, visits 224; intestinal disease 27, visits 81; kidney diseases 20, visits 68; arteriosclerosis 1, visits 2; appendicitis 1, visits 3; cancer 9, visits 437; operative cases 8, visits 41; gall bladder 5, visits 18; tuberculosis 4, visits 21; diabetes 3, visits 5; infected fingers 1, visits 4; infected ears 1, visits 2; shingles 1, visits 6; lumbago 1, visits 4; tonsillitis 3, visits 12; miscellaneous cases 207, visits 428; fractured femur 5, visits 81; fractured shoulder 1, visits 10; fractured ribs 1, visits 4.

A total of 355 treatments were given during the year. Forty-six baby clinics were held with an average attendance of 17, while 92 birth certificates were delivered.

Fifty three cases of chicken pox, three of scarlet fever, one of mumps, and 64 of whooping cough were quarantined and released.

## MASONS' BANQUET

More than 130 members and guests, including five past grand masters of the Grand Lodge and Grand Master Duffy and his staff, attended the annual banquet staged Monday night by Hiram Lodge No. 25, A. F. and A. M.

Worshipful Master Norbert J. Caswell acted as toastmaster at the dinner and presided at the meeting. The affair was held at the Newark Methodist Church. Music was furnished under the direction of Leon H. Buehler.

The five past grand masters who attended were: George Macklin, William O. Wingate, Edward W. Cooh, Weldon C. Waples, and T. Scott Purse.

Other speakers included Grand Master Duffy, Deputy Grand Master Clarence A. Short, Grand Chaplain Joseph E. Earp, Junior Grand Warden E. Laird Kratz, Past Grand Chaplain, Frank Herron, and Past Master William McClellan of West Grove, Pa.

Visitors were present, representing lodges throughout Delaware, and from nearby points in Maryland and Pennsylvania.

## Retiring President

George M. Haney

## DR. H. W. HESS TO ADDRESS COMMERCE MEETING

### Officers And Directors To Be Elected At Annual Dinner

Dr. Herbert W. Hess, professor of marketing at The Wharton School of Finance and Commerce, University of Pennsylvania, will address more than seventy-five members and guests of the Newark Chamber of Commerce at their annual organization dinner at the country club tonight at 6:30.

Dr. Hess' address will deal with the fundamental concepts pertaining to the trials and troubles through which we are now passing. He will also offer suggestions for the protection of business interests after the present crisis, or national emergency, has passed.

Following the dinner and Dr. Hess' talk, three directors will be chosen to succeed J. E. Dougherty, Weldon Waples and George Danby whose terms expired December 31, 1940.

The board of directors will then proceed to elect officers for the ensuing year. Retiring officers are George M. Haney who has just completed his second term as president of the organization; Wm. S. Hamilton who has served two years as vice president; J. E. Dougherty, treasurer and R. T. Ware, secretary.

The committee in charge of arrangements for the dinner consists of Weldon Waples, chairman, Carleton E. Douglass and Cyrus E. Rittenhouse while the nominating committee is composed of Wm. S. Hamilton, Horace Palmer, Meyer Pilnick, George F. Jackson and Robert J. Boyd.

Both Mr. Waples and Mr. Dougherty have been nominated to succeed themselves with Horace Palmer named a candidate for the directorate by the committee. Additional nominations will be received from the floor.

## SPORTS MOVIES AT LIONS

### Football And Basketball Films Exhibited

Coach Wm. Murray showed pictures of the Delaware-Lebanon Valley football game and the San Diego-Appalachian basketball game played at Kansas City in the National Intercollegiate tournament, at the regular dinner meeting of the Newark Lions Club held at the country club Tuesday evening.

Serving as his own projectionist, Coach Murray supplied interesting explanations and play by play comments as the film unfolded. J. Pearce Cann was program chairman for the evening and introduced Coach Murray to the group.

President A. E. Tomhave was in charge of the meeting. Fred Evans reported on the bowling team's progress.

Birthday congratulations were extended to the following members whose anniversary fall during this month: Dan Stoll, January 4; John Cunningham, January 7; John R. Feder, January 8 and Rex L. Root, January 16.

New members recently inducted into the organization are Carroll Mumford and J. D. Counahan.

George Danby will be program chairman for the next meeting on Tuesday, January 21.

## ORDER OLD LICENSE TAG UNTIL JANUARY 31

### Application For 1940 Number Must Be Mailed Before Feb. 1

The period from Jan. 13 to Jan. 31 has been set aside as the time to receive applications from registrants desiring the same license tag number for 1941, it was announced recently by the State Motor Vehicle Department.

All persons sending in their applications during this period will receive their old numbers. Requests for special numbers will not be honored. After Jan. 31, all plates will be issued in consecutive order and four-figure numbers will be issued in the Wilmington, Dover, and Georgetown offices so those desiring low numbers should present their applications at that time.

The application must be signed by the owner in ink in the same manner as it appears on the application and questions answered on the reverse side. Any change in address should be noted. The number desired should appear on the application.

A check or money order for the amount of the fee as specified on the application should accompany the application for re-registration. Check the make of car and engine number on the application before returning it so as to be sure you are registering the right car. Due to many changes in ownership of cars during the period required to mail out renewal registrations, owners who have made such changes are likely to receive applications describing the car previously registered as well as the car last acquired.

Dealers may receive their same numbers and it is requested that the department be notified as to the number of plates they desire in order that the proper number of applications may be mailed.

## MOTORISTS ISSUED WARNINGS

### Must Follow Fire Engine At Least 500 Feet

Local motorists with a yen for following fires were issued a stern warning yesterday by Chief of Police William H. Cunningham who stated emphatically that all laws governing the following of engines and parking in the vicinity of the blaze will be strictly enforced.

According to the state law, motorists must trail the engine from a distance of at least 500 feet and must park at least 500 feet from the scene of the fire. The penalty provides for a fine not less than \$10 or more than \$100; or not less than ten or more than 30 days in prison.

Members of the Aetna Hose, Hook and Ladder Co. answered three alarms this week, the first a chimney fire at the home of Mr. and Mrs. George Hyde, Amstel Avenue. Damage was slight.

Two field fires were extinguished, one along White Clay Creek, last Saturday, and the other along the Baltimore and Ohio Railroad right-of-way at Chapel Street, yesterday afternoon.

## GYMNASTS PERFORM

### Girls Exhibition At Assembly

Miss Johnson's activities group of girls gymnastics gave an exhibition of work done in that department at the Wednesday morning assembly period at the Newark High School.

Those participating in the program were: Elizabeth Clemens, Doris Lovett, Julia Duffy, Pearl Knox, Jane Brown, Evelyn Jettler, Helen Wideman, Dorothy Ludwig, Doris Boines, Jean Collins, Betty Hindman, Ruby Dann, Kristina Laskaris, Evelyn Miller, Lorraine Holland, Alma Tachach, Ann Irvin, Lois Guhl, Mary Foster and Eleanor Grundy.

The Wilmington WPA orchestra will give a concert program of all American music at next week's assembly period, 8:40 Wednesday morning. The orchestra consists of about eighteen pieces and is directed by Carl Elmer. Frederick B. Kutz will make the introductions.

Miss Ella W. Johnson, who has always been actively engaged in community affairs was then presented. Miss Johnson gave a very interesting talk on the early history of the town, and named about twelve citizens who had been in the town for a number of years, and had seen the town progress with her.

Mrs. Baldwin announced that supervisors will be at the building daily from 3:30 to 9, with the exception of Sunday, and presented Mrs. Houston who will be located at the building in charge of recreational activities.

Miss Clara H. Jones, recreational supervisor of the PWA stated that they were endeavoring to provide a recreational incentive for all boys and girls, as well as provide supervision, and they hoped to do a good job here. They will conduct activities for boys and girls from 9 to 16 years of age. Miss Jones also extended an invitation to the adults to join a group and they will endeavor to provide interesting work or play for them.

Mr. and Mrs. Arthur G. Craig presented Mrs. Baldwin with a beautiful bouquet of flowers in recognition of her efforts as president of the recreation committee.

Officers-elect of Five Point's Chapter No. 13, O. E. S., were installed on Thursday evening in the Masonic Temple, Newport, with Mrs. Martha W. Krapp, past grand matron, and her staff in charge.

Ralph B. Carpenter, president of the Minquas Fire Company, was re-elected at the meeting on Tuesday evening for a third term. At this meeting, Fire Marshall Thomas Boulden, gave a report of calls and activities of the firemen during the year, showing that the company had responded to 100 calls during 1940. Practically all of the calls were outside of the town limits. The fire loss reported during the year was \$22,225. There were 785 men responded to calls with the Minquas Company during the year, and the firemen used 1,000 gallons of chemicals.

The Ladies' Auxiliary of the Minquas Fire Company at a meeting this week made plans for a turkey supper to be served in the firehouse on Feb. 6. They also planned for their 14th anniversary banquet to be held in February.

DOES FORD PAY GOOD WAGES?

HERE ARE SOME FACTS about Ford Labor. During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employees, students, or executives. They were paid \$185,105,639.12. On this basis, the average annual wage was \$1,629.05.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was \$841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employees, they would have had additional wages of more than \$35,000,000,000, thus increasing the national income about 50%. Think what such an increase would mean to the workers of this country and to the American farmer, whose prices are based on the national income.

Wage scales in the Ford Rouge plants are divided into three classifications:

- Unskilled... Minimum hiring wage . 75c per hour
Semi-skilled... Minimum hiring wage . 80c per hour
Skilled... Minimum hiring wage . 90c per hour
Higher wages are in consideration of ability and years of service.

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Now some facts on Ford labor conditions:

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employees. Proof of this is found in the following com-

parison of compensation insurance costs: The national average rate in automotive manufacturing plants as computed by the National Association of Underwriters is in excess of \$1.50 premium on each \$100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

- 25,819 between 40 and 50
14,731 between 50 and 60
3,377 between 60 and 70
417 between 70 and 80
12 between 80 and 90

In addition to the so-called regular employees, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wage, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work. They are not selected for their ability to build cars or to maintain the plant. They are on the payroll because of Henry Ford's belief that the responsibility of a large company to labor goes beyond the point at which the unfortunate worker can no longer produce profitably.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job... buy a car... or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.

## DUE RECOGNITION

Activities of The Delaware Safety Council will in no wise be curtailed by the absence of Manager James J. Ashton and Assistant Manager Eugene Delle Donne, both of whom are serving in Uncle Sam's Army, it was assured last week by the appointment of John R. Fader to serve as Acting Manager until their return.

Mr. Fader, a native and prominent resident of Newark, has done much in recent years to make his home community proud of him. His appointment as Acting Manager of the Safety Council is but further recognition of his ability, loyalty and sincerity of purpose. The action of President Floyd Jackson and council directors in naming Mr. Fader to this highly important post is indeed commendable.

Mr. Fader's experience as superintendent of state police has given him unparalleled experience in the field of safety promotion and will serve him well in the administration of his present post.

A World War veteran, Post Adjutant of the J. Allison O'Daniel Post No. 10, State Department Commander in 1935 and at present an alternate national committeeman, Mr. Fader indeed has an enviable background in service work. He was also Speaker of the House of Representatives in 1937 and on the Delaware Safety Council board of directors since 1938.

We extend congratulations to Mr. Fader upon his appointment and to the Delaware Safety Council for their excellent choice.

## SHERIFF OTHOSON TAKES HOLD

Elias E. Othoson, another Newark man, is in the news this week, having recently assumed office as Sheriff of New Castle County as he entered upon his duties on January 7.

A prosperous farmer living about three miles East of town, Mr. Othoson is highly regarded throughout the county and gives promise of being thoroughly capable of administering the duties of the office he holds. An excellent beginning has already been made by the appointment of an efficient group of deputies and the reduction of unnecessary 'special' deputy badges in circulation.

Holding public office for the first time in his life, Sheriff Othoson has taken hold in a business like manner by making sure that his staff makes a conscientious effort to quickly master the many and difficult functions of the office.

With Sheriff Othoson at the helm aided by an efficient staff, carefully chosen for their qualifications, an efficient, economical and sincere administration of the office is assured during his tenure.

## IRONING OUT THE BUGS

American aircraft makers and designers are learning many a lesson from this war. The planes sent to England have not been satisfactory—that is, they have not been comparable in effectiveness to the first-class British and German ships. As one British authority said, the Americans make first-class flying machines, but third-class fighting machines. Reason: According to the English, the American planes have been inadequately armored and under-gunned, and have had too many complicated controls to distract the attention of nervous pilots confronted with the enemy.

These defects, according to officials, are being corrected in the new ships. There will be fewer blind spots, more armor, more guns and fewer gadgets. Also, performance will be materially stepped up. Some of the American planes which have been publicized as 400-mile-an-hour performers have, under war loads and war conditions, done little better than 300. It is taking time to iron the bugs out of our newer type big engines.

The British are now replacing their famous Spitfire pursuit ships with a new type, which is supposed to exceed 400 miles under full load, is extremely maneuverable, and has an unprecedentedly fast rate of climb. Rumors say that the Germans also have some new types of which great achievements are expected. German problem is gasoline—German planes downed in England were found to carry gas of 50-octane content. That is too poor a fuel to even turn over a modern American engine of the 1,000-horsepower class.

## BOUQUETS FOR OUR SIDE

The backbone of American community life is to be found in the small town newspaper, according to Arthur Robb, Executive Editor and Publisher. Mr. Robb explained recently the trend toward one-newspaper towns, and he recited some of the tremendous obstacles of small city newspapers in facing competition of the metropolitan press. He said that there are more than 1,000 cities out of a total 1,400 in which there is no competition. Editor and Publisher reports the transfer of many newspaper from daily to weekly issues in communities where "no local newspaper or radio competition exists." Mr. Robb spoke strongly in opposition to methods in business and in economic affairs that were thinning out the ranks of the country press. He added, "In the hands of the country press, it seems to me, the future of our civilization largely lies."

Finding herself about out of gas and with only 18 cents in her purse, an Atlanta lady asked a filling station attendant to put a gallon in her tank. When he took her money he said: "Would you like a road map of Florida?"

Booked on a begging charge in Chicago, Patrick Murray told the court that the reason he wore rubber gloves was to protect himself from germs on money he handled in his day's work.

# Weekly Sermon

By George F. Santa, Member of Radio Staff

**The Moody Bible Institute of Chicago Text:** Is there yet any that is left of the house of Saul, that I may show him kindness? — II Samuel 9:1.

The words of David, king of Israel, hold no unusual meaning for us until we realize that Saul and David had been bitter enemies. Saul, moved by jealousy, had attempted to slay David on a number of occasions, but now, after Saul's death, we find David searching for some relatives of Saul's that he might show him kindness. Why would David want to manifest love toward one related to the man who had sought to kill him?

The verse, quoted in part above, gives us the reason: "That I may show him kindness for Jonathan's sake." David desired to show kindness to someone related to Saul because he loved Saul's son Jonathan.

The Bible record tells how David found one of Jonathan's sons, Mephibosheth, yet alive; how he brought him to Jerusalem, and there treated him even as a prince.

The story has deep spiritual significance in that it is a picture of the grace of God in His dealings with men and women. Mephibosheth, in himself, had no claim on David. He was the grandson of David's enemy. He was lame, and he was insignificant in the world of men. But David showed him kindness because of another, and invited him to partake of his own riches.

God has done the same for unworthy sinners, those at enmity with Him and His Son, Jesus Christ. "When we were enemies, we were reconciled to God by the death of His Son." There is no conceivable reason why God should save us, except that He so loves that He cannot do otherwise. "God so loved the world, that whosoever believeth in him should not perish, but have everlasting life."

Those who are saved by the Lord Jesus become joint heirs with Him, and are treated by the Father exactly as the Son is treated. All that is the Son's is theirs. All that the Father can lavish on the Lord Jesus, He also lavishes on those who trust in His Son. In Jonathan, unworthy Mephibosheth inherited all things that would rightfully have been Jonathan's. In Christ, we who are unworthy, inherit all things that are rightfully Christ's.

Mrs. Robert Jones has issued invitations to a luncheon and bridge to be held at the Newark Country Club Wednesday, Jan. 22.

Miss Dorothy Dameron left Wednesday afternoon for a two week's vacation in Florida. She will visit Miami and Orlando.

Mrs. Alex D. Cobb entertained at dinner and bridge Saturday evening.

## Permits Issued To Milk Distributors

The Sanitary Engineering Division of the State Board of Health has reported the following grades issued to pasteurizing plants and raw milk distributors as a result of inspections of the following dairies: E. F. Richards, grade "A"; pasteurized; John Losten, grade "A"; pasteurized and raw; F. W. Morrison, grade "B" raw.

The above permits effective until June 30, 1941, provided inspections and samplings during the period indicate the dairymen are maintaining the same level of cleanliness.

**ROLLING ALONG AT BETTER**  
than a point-a-minute clip, the University of Delaware basketball team has launched a season that may turn out to be one of the finest in many a year.

Coach Bill Murray and his gridders set the stage for a Blue and Gold revival of sports when they closed the season with five consecutive victories, and Flucie Stewart's cagers are making a valiant effort to follow the example.

A successful basketball campaign would be more or less of an anti-climax since the dribblers play second fiddle to the gridiron warriors, but success on the court can still be made something to toot your horn about.

The victory over Washington College, in particular, is something to write home about, especially when you consider the fact that Delaware, prior to the clash, boasted of only one triumph over the Shoremen in the last nine years, a period during which 18 games were played.

**DURING THAT TIME, THE HENS** downed their Eastern Shore rivals only once and that came as a surprise during the latter part of the 1936 season. Sporting only three wins during the entire campaign, the Blue and Gold passers entertained the highly-favored Maryland outfit and emerged on the top end of a 47-31 count. Lew Carey, with 15 points; Stephen (Teddie) Wilson, with 14; and Bruce Lindsay, with 11, paced the Hens to the unexpected conquest. "Zoop" (Remeber Him?) Zebrowski was best man for the Shoremen with 13 points.

Despite the fact that three victories have been registered in four starts, Coach Stewart is still far from satisfied with the work of his charges. The Shoremen, who brought with them Delaware's biggest nemesis, the zone defense, were handed a setback because the Hens doubled their rivals' output from the charity stripe. Washington College marked up 17 action shots to Delaware's 16.

Improvement is being shown in every game, however, and by mid-season, Coach Stewart expects to have his combination functioning as nearly perfect as possible.

## FRIDAY PIN CROWN WON BY DANITA

**Art Bowlsby, Jr. Paces Winners With 27-Game Average Of 180**

With Art Bowlsby, Jr., pacing the field with an average of 180, the Danita pinner took top first-half honors in the Friday Night League at the American Legion Bowling Alleys. Bowlsby battered down a grand total of 4,860 pins in 27 games and also marked up the high single game of 217 during the competition.

The champions registered 48 victories against 12 defeats for an average of 800 to easily outdistance the second-place team, Milford Cross Roads A. C., which finished with 30 wins against the same number of setbacks for a mark of 500. The Newark Rotary Club was third with a percentage of .383 while Wawa Tribe brought up the rear with a mark of .316.

Edie Ginter, also a member of the Danita combination, was second in the first-half individual standings with an average of 163. He bowled in 36 games and knocked down 5,880 pins and chalked up a high single game of 212. Russell Silk, a member of the third-place Rotary combine, knocked over 6,250 pins in 39 games for an average of 160 to take third honors. His high single game was 209.

Danita marked up the team high-three mark of 500, while Milford Cross Roads, with a score of 862, was credited with the highest single game rolled by a team. Ginter walked off with the high individual mark for three games with a score of 598.

## DICKINSON SNAPS BLUE HEN WINNING STREAK ON COURT BY 49-34 COUNT

**Zone Defense Baffles High-Flying Delaware Cagers; Five Red Devils Play Entire Game At Fast Pace; Kenety Shines For Invaders**

Coach Flucie Stewart's high-flying University of Delaware quintet bowled opponents over with reckless abandon in its last three starts to extend its winning streak to four games in five trips to the wire.

Opening their after-Christmas campaign last Thursday, the Hens knocked off a favored American University combine by a 42-37 count as Capt. Bill Gerow paced the scoring with six field tosses and a foul for thirteen points. On Saturday, the Blue and Gold took Washington College into camp as Carty Douglass, leading scorer for the season, racked up a grand total of 16 points. The 46-41 conquest was the second vic-

**A fast-stepping Dickinson College quintet handed the Hens forces their second defeat of the season last night in Taylor Gym, snapping a four-game winning streak by a 49-34 count.**

Using a zone defense, the Red Devils kept the Hens shooting from a long range and in the meantime, displayed the speediest offensive combination to appear here this year. Bill Kenety, with 14 points; Jack Neiman, with 13, and Jack Campbell, with 12, were outstanding performers for the invaders.

Victory over the Shoremen in 19 games, a series which covers a period now extending into its tenth year.

Pennsylvania Military College, despite the work of Co-Capt. Larry Miller who walked off with the evening's scoring honors, felt the knockout punch of the smooth-working Blue Hen combine and tumbled to a 43-35 defeat.

**American University** Moving into a 13-10 lead at the end of the first ten minutes, the Hens surprised the highly-rated Washington, D. C. club which sported a smooth-passing and keen-shooting combination which never really found the range on the Delaware floor.

The Blue and Gold fought off several Eagle rallies, led 22-18 at intermission, but found its lead pared down to a mere two points as the invaders pulled up to 29-27 at the end of the third period. A final-quarter spurt, however, put the game on ice for the home club. Douglass, who has been out of the double-scoring columns on only one occasion, also helped pace the scoring with 11 points.

**Washington College** The Shoremen, sporting a string of cage conquests over the Hens that would stretch from Taylor Gymnasium to the Eastern Shore, were able to assert their superiority on only a few rare occasions Saturday night and Delaware walked off with a much-prized win in both teams' debut in the newly-organized Mason-Dixon Conference.

## First-Round Leader Shooting For Title

Woodrow Wilson Beck

Spilling the advance information all over the State Billiard Parlor, Beck led the way in Jimmy Martin's championship tournament and treasure hunt by knocking off Jack Daly, the first of three scratch players to fall in the initial round. Beck, who was given a 35-ball handicap, downed the tourney favorite by a 100-61 count and would have won without the concession.

He is favored to take over Ackie Stiltz in the second round next week. Beck will sport a five-ball handicap in his second encounter.

## DELAWARE TANKMEN SUBMERGE LOYOLA

**Ed Bardo's Charges Fight Uphill Battle To Score Second Victory**

Coach Ed Bardo's University of Delaware tankmen marked up their second straight victory of the season Tuesday night when they turned in a 39-25 victory over Loyola College in the Baltimore, Md., pool.

Loyola captured first place in five of the nine events to four for the Hens, but the locals won a majority of the second and third places. Henry Stein-gass, of Loyola, carried off individual honors with victories in the 100 and 200-yard freestyle events.

Kent, in the 400-yard freestyle; Weldin, in the 200-yard breaststroke, and Funk, in the 150-yard backstroke were the only individual winners for Delaware, while the Hens also copied the 200-yard medley relay.

50-yard free style—Won by E. Steingass, Loyola; second, Hecht, Delaware; third, Walton, Delaware. Time :25.5.

100-yard free style—Won by H. Steingass, Loyola; second, Marshall, Delaware; third, Kosky, Loyola. Time :57.7.

## FAVORITES FALL IN ANNUAL CUE TEST

**Two Of Five Scratch Men Find Handicaps Hard To Overcome**

Only two of the five scratch players favored to monopolize proceedings in Jimmy Martin's championship billiard tournament and treasure hunt, survived the first round competition at lower-rated cue wielders emerged on the long end of the scores.

Bob Walls, who overcame a 20-ball handicap to down Pinky Gravenor by a score of 100-75 and Harvey Johnson, who turned back Newt Shenfer and a 15-ball handicap, were the only scratch players to move into the second round.

Jack Daly was the first favorite to fall last week when he was defeated by Woodrow Wilson Beck. Bill Trigali also found a 35-ball handicap too much to overcome and Ken Barnes emerged with an unexpected conquest, while Dick Tweed, the third scratch player, found the going too tough against Bill Smith who used his 40-ball rating to good advantage in the 100-80 win.

Alfred Maclary toppled Chris Laskaris, 100-76 in an even-up tussel, while Jack Sanders and Leslie Eklund, both rated at 20 balls, fought down to the wire with the former finishing in front by a 100-96 count.

In other matches played, Jim Duffy (35) defeated B. Vohn (25), 100-89; Chub Tweed (40) defeated Joe Moore (40), 100-56; Jake Hogan (20) defeated Ernie Spence (15), 100-75; Herman Renshaw (25) defeated Gus Smith (35), 100-61, and Whitey Nichols (35) defeated Leroy Hill (30), 100-89.

Only two first-round matches remain to be played. Charles (Spike) Daly (20), is slated to meet Bayard Robinson (20), and Walter McElwee (30) is scheduled to meet Bubs Eubanks (0).

## JACKET CAGERS STILL IN SLUMP

**Three Invaders Take Measure Of Locals; Streak Reaches Five Games**

The Newark High School basketball team's string of defeats, punctuated by its lone conquest over Conrad, has been extended to five games as P. S. duPont, A. I. duPont, and Brown Vocational took the measure of the low-scoring Jackets in games played since last Thursday.

Handicapped by a lack of height and experience, the locals are laboring behind an impotent offensive which scored only 3 points in the first half of the tilt with A. I. duPont; 10 against P. S. duPont, and 14 against Brown Vocational.

**P. S. duPont** Trailing throughout the greater part of the first period, the Dynamiters found the range in the second quarter and established a 16-10 first-half lead. P. S. duPont continued on the attack in the second half in which it outscored the Yellowjackets 17-10, and finished in front, 33-20. The Dynamiters scored 12 times from the field while holding the locals to eight scrimmage goals and gained a 9-4 edge at the penalty mark.

**A. I. duPont** Completely outplaying the home forces through the first three periods, the Wilmington outfit scored a 37-25 conquest. Paced by Johnny Curlett, A. I. led 10-1 at the end of the first quarter, 23-3 at the half, and 33-8 at the end of the third period. Newark, with Jim Duffy doing some fine shooting, pulled up in the final stanza but could not overcome the early deficit.

**Brown Vocational** The Jackets showed a slightly-improved offensive, but found themselves on the short end of a 48-33 count as Vocational moved into an 8-7 lead at the end of the first quarter and extended it to 24-14 at intermission. The invaders continued the fast pace in the second half and outscored the locals, 24-19.

Duffy was again high scorer for Newark with six field goals and five fouls for a total of 17 points.

At a "self-denial banquet" given by Capitol Hill Christian Church in Oklahoma City, members refreshed themselves only with ice water, prayers and songs.

# NEW CASTLE COUNTY IN COMMERCIAL CORN AREA

## Application Of AAA Program Affected In Two Counties

With a total corn allotment of 46,158 acres, Kent and New Castle Counties have been included in the nation's commercial corn area as specified in the new Agricultural Adjustment Administration farm program. John L. Holloway, Sr., a member of the State AAA committee, says that the placing of Kent and New Castle Counties in the 1941 commercial corn area affects the application of the AAA program to farms in these counties.

Designation to the two Delaware counties as commercial corn counties means that a corn acreage allotment will be determined for each farm normally producing corn, that such farms will be eligible for corn conservation payments of nine cents a bushel on the normal yield of the allotment and for parity payments as authorized by the Agricultural Adjustment Act of 1938; and that corn loans will be available at the full commercial rate established under the terms of the Act.

Rate of parity for corn in 1941 will be determined later. In 1940, the parity payment was five cents a bushel on the normal yield of the allotment. The loan rate on corn in 1940 was 61 cents a bushel in the commercial area.

Until this year, all commercial corn counties have been in the Middle West. But 24 additional counties—two in Delaware, 11 in Maryland and 11 in Pennsylvania—have now been included in the 1941 commercial corn area on the basis of information covering their corn production which was not previously available. The information reveals that these counties meet the specifications for commercial corn counties as set forth in the Agricultural Adjustment Act of 1938.

Certain farmers of Kent and New Castle Counties may choose to use a non-allotment provision of the 1941 program under which they may forego the corn payments and plant up to their usual acreage of corn. The "non-allotment" provision takes into consideration the fact that some farmers may be unable to make the adjustments under the commercial corn allotments this year.

# RECRUIT HONORED AT PARTY

Brack-Ex, Nov. 15—Among the young men who left Friday for a year's training in the U. S. Army was Jack A. Poore, son of Mr. and Mrs. Harry Poore. In his honor, Mr. and Mrs. Poore entertained at a farewell dinner at their home.

Guests who attended the affair included Mr. and Mrs. George J. Walmesly, Mr. and Mrs. Robert Wyatt, Miss Jean Rae Wyatt, Miss Mina Poore, Miss Jean Kelly, Miss Betty Price, Ralph Poore, Miss Christian Poore, Billy Glander and Mr. and Mrs. Harry Poore.

Vernon Brown, son of Mr. and Mrs. J. Percy Brown, also left Friday for Camp Upton, N. Y. for a year of army training. Brown, who was first assistant chief of the Elsmere Fire Company, was presented with an honorary chief's certificate by the company.

The Ladies' Aid Society of Elsmere Presbyterian Church held an all-day sewing session at the church hall last Thursday for the benefit of the Red Cross. Mrs. John J. Shoemaker, Jr., president of the society, was in charge.

An all-day sewing session was also held on the same day by the Sewing Club of the Ladies' Bible Class of Brack-Ex Methodist Sunday School. Mr. and Mrs. Raymond L. Sneath, Brack-Ex, were hosts to the officers of the Epworth League of Brack-Ex Methodist Church at a cabinet meeting on Saturday evening.

Plans for the annual "Ladies Night" banquet were made by members of the Acacia Square Club at their meeting which was held in the Elsmere Civic Club building. Charles G. Green, president, was in charge. The committee arranging for the affair comprises: Delaware S. Lynam, George E. Binder, E. O. Robinson, Albert H. Angerstein, and Clinton C. Campbell.

Mr. and Mrs. Alfred Dahling and Mr. and Mrs. Winfred Dahling recently entertained the Horners and their friends, Mrs. Horner being a sister of Mr. Dahling. Those present included, Mr. and Mrs. Kenneth A. Horner, Vance, Kenneth, Jr., Bayard and Bernice Horner, Miss Dorothy Raymond and Miss Betty Lee Birchard.

A reunion of the Morgan family was held Saturday evening. Mrs. Winfred Dahling was Miss Alice Morgan before her marriage.

Those present were: Mr. Leroy Morgan, Mr. and Mrs. Clarence Morgan and family, Mr. and Mrs. Harold Morgan and family, Mr. and Mrs. Charles Morgan and family, Mr. and Mrs. Irvin Clay and family, of Winterthur, Mr. and Mrs. Campbell, Mrs. Graham, Mr. and Mrs. Paul Hayes and daughter Ernestine.

# DAIRYMEN GET FEED LETTERS

## Series Covers Farm Operations

Many Delaware dairymen are now checking over the first in a series of six illustrated letters which make up the Delaware Dairy Feeding and Home-grown Feed Production Program. The subject of this first letter is Winter Feeding of the Dairy Herd. The letter is being supplied by Delaware county agricultural agents to farmers who have requested the series.

The winter herd feeding letter was prepared by K. W. Baker, farm management specialist for the Delaware Agricultural Extension Service. Baker writes that high quality hay is the most important single feed in the dairy ration and that high quality hay is the secret of economical feeding. He rates alfalfa as the first hay choice, followed by red clover or clover mixed with grasses, soybeans, lespedeza, and even timothy if the crop is cut just as the timothy comes in head. Baker also says that quality of the hay being fed dairy animals is just as important as the kind of hay.

An attractive paper cover went to dairymen with the first letter. The cover is designed to conveniently hold all six of the letters in the series.

Other letters in the dairy series will cover important farm operations and will reach dairymen just before the work discussed is actually being done by farmers. Baker has had the assistance of several dairymen and the State's county agricultural agents in establishing and carrying out the Delaware Dairy Feeding and Home-grown Feed Production Program. Farmers desiring the dairy Farm Management Information Letters may request them from their county agricultural agent.

# DICKERSON-PENNOCK ENGAGEMENT

## Marshallton Girl To Wed Elk Mills Resident

Marshallton, Jan. 15—Mr. and Mrs. Alfred H. Dickerson have announced the engagement of their daughter, Miss Naomi E. Dickerson, to Mr. Donald D. Pennock, son of Mr. and Mrs. Joseph Pennock, of Elk Mills, Md. No date has yet been set for the wedding. Miss Dickerson is a graduate of the Conrad High School. Mr. Pennock is employed by the Continental Fibre Company of Newark.

Mr. and Mrs. Grover C. Twilley, Capital Trail, Marshallton, entertained at "open house," at their home on last Thursday evening in honor of their son, Harold Twilley, who left last Friday to start a year's training in the U. S. Army. Grover C. Twilley, Jr., another son of Mr. and Mrs. Twilley is already in the army and is stationed at Camp Upton, N. Y.

The Epworth League of the Marshall-

ton Methodist Church held a business meeting last week at the home of Garrett and Robert Mose of New Street. One new member, Charles Thompson, was welcomed.

The board of trustees of the Cedars Methodist Church also held a business meeting last week, and discussed plans for financing the payments on the new roof recently completed on the church.

The Rev. Richard Green, pastor of the Cedars Church, spoke on the subject "Beyond Duty," Sunday night.

Miss Mary Clark entertained members of the Epworth League of Cedars at her home last week, and was installed as president of the young people's group. Other officers installed were: First vice president, William Peoples; second vice president, Robert Hanby; third vice president, Miss Phoebe Clark; fourth vice president, Miss Helen Peoples; secretary, Miss Virginia Ewing, and treasurer, Miss Margaret Ewing.

Arrangements for starting regular Sunday evening devotional services were discussed and a committee comprising Miss Dorothy Enos, Clarence Haggerty, and Gertrude Colgan, was named to take charge. The Rev. Richard Green, pastor of the church will assist.

Official inspection of Boy Scout Troop No. 53 of St. Barnabas P. E. Church was made Friday evening at the regular troop meeting by Edwin C. Lynam and George Pyle, members of the troop committee.
