

YELLOWJACKET HIGHLIGHTS

By the Journalism Class And The Junior Journalists Club At Newark High School

Mindreaders Take Over In Assembly
"The Great Swami," a mind-reading demonstration, was presented as a part of Mr. Ottens' Civics homeroom program at Wednesday, Feb. 14, in assembly.

The skit was an act illustrating the performance of "the impossible." Bob Frickert acted as swami and Bobby Roberts was his assistant. The swami wore the typical costume and his head was swathed in cloths, while his assistant sported a heavy fur coat and strange visor cap. Volunteers in the audience were given envelopes and sheets of paper on which they were requested to write the first thoughts in their minds. The assistant then collected the envelopes (sealed) and handed them to the Great Swami. Much to the surprise of the audience, the Great Swami was able to read the messages without opening the letters.

The second part of the program was a movie showing the great Willow Run Project developed and operated by the Ford Motor Company during World War II. The film showed the great B-4's under construction. The precision and effectiveness of the operations which produced a bomber every 55 minutes were well pictured in the movie. Nancy Pennock acted as master of ceremonies during the homeroom program.

Plug For Yellow Jacket Buzz

The February issue of "Buzz" contained two caricatures of high school teachers. Bob Roberts cartoonist for Buzz, announced in an earlier assembly that a prize would be offered for the person naming the teachers correctly. Bill Keene was called upon to name the correct teachers during last Wednesday's assembly and was successful. He was called to the platform and presented with a prize, a gooey pie. Bill, however, turned the tables and gave the pie back to Bob Roberts with the compliments of Buzz.
Tom Burke.

Home Economics Project Are Varied

Students in the 5-8 Home Economics class have created a great interest in the making of reports. Reports were given on complexion by June Hawkins, Louise Samendinger, and Norma Gray. Ginger Lanier and Carolyn Nutter gave a demonstration of hair shampooing, using Grace Miller as their model. Gail Kauffman manicured Carolyn Chalmer's fingernails and Carolyn reported on it.

To demonstrate the proper use of make-up Kathy Lanning showed the girls some pictures of how make-up should look. Barbara Ness gave a report on lipstick. Then Barbara and Kathy showed how to apply eyebrow pencil, lipstick and powder.

A display of shoes for all ages was shown by Suzanne Adams and Sue Roberts. Methods of polishing different kinds of shoes were shown by the two girls.

An original skit, "Why Mothers Go Nuts" was put on by Dorothy Mayne, Rose Marie Lepera and Grace Miller. Dorothy portrayed Margie, the nice, clean and always right girl, and Grace acted the part of Jo, a very sloppy girl. Rose Marie was the mother of the two children. This skit showed sloppy habits practiced in the kitchen and also poor habits in dress.

Maya Ziracks reported on posture and Bertha O'Neal on health.
Grace Miller

Spelling Bees Still Popular

Newark's seventh graders have completed their spelling bees. At the end of every marking period these contests have been held. Winners in the four different classes were: 7-1, James Johnson; 7-2, Norwood Bonney; 7-3, Jo Ann DeHart; and 7-4 Earl Gibson.
Joe Perkins

Junior High Girl of the Week—

Donna Eveland
Donna Eveland, a sixth grade student, has returned recently from a dog show held at Madison Square Garden in New York. Donna was invited to show her dog, Taffy, a thoroughbred collie. Although Taffy took on honors in New York, she has won several ribbons in local shows. Donna was accompanied on her trip by Eve Boden, a Newark High School alumnae, and dog fancier.

Junior High Boy of the Week—

Samuel Julian
Samuel Julian of Wilmington, Del. is doing his student teaching at Newark under the supervision of Mr. Cle-

Franklin of the Science Department. Mr. Julian is a Wilmington High School graduate and in 1948 he received his degree from the University of Delaware as an entomologist.
Mr. Julian's favorite sport is football. Stamp collecting is his hobby, and he enjoys doing art work.

Father Gives It Back To Indians—Daughter Objects

A daughter plans to contest the will of her father.

of a former National Cash Register Company secretary who left the bulk of his \$39,999 estate to indigent Indians.
George C. Edgeter died Dec. 21 at Elkton, Md. His will was filed in probate court today. A daughter, Helen J. Edgeter, was not mentioned.
The will offered no explanation for the request that interest from the bulk of his estate go to "the relief of various tribes of indigent American Indians."

TAX RETURNS

Federal and State income tax returns prepared for Individuals and Business. Assistance with Social Security taxes and Accounting to small business at reasonable cost.

Several years Auditor in State Tax Department. Quarter of a century experience in Taxes and Accounting in Industry and Public Utilities.

Capitol Trail News

Mrs. James H. Bishop, Correspondent
Kirkwood Highway
Phone 6318

Already a number of our Capitol Trail residents have gone off to help Sam, Joseph L. Stewart, whose two sons are now serving in the armed forces. Sam has sold his garage on the corner of Capitol Trail and Polly Drummond Road. Mr. and Mrs. Stewart are going to move in March. We shall see them soon.

James Brown, husband of Helen Brown, was called up for his military examination on Tuesday of last week. He is sorry to learn that Mr. and Mrs. A. Burrell and granddaughter, Phyllis Anderson, of Capitol Trail, are planning to move to Wilmington. Mr. and Mrs. Manlove D. McMullen, of Capitol Trail, have good reason to be proud of their son, Manlove D., Jr., who completed his senior year at University. He was graduated in the top of his class, this month, and has received a number of attractive offers. At present, he is vacationing in Florida.

John Ingram, Eastburn Heights, was confined to her home with a case of the "flu." Willard Johnston, Possum Park, injured her back in a fall down the stairs, last Friday.

Mr. H. O. Hollingsworth is visiting his daughter, Mrs. Howard Bradley, in her new home on old Capitol Trail. It is hoped that Mr. Hollingsworth will soon be back to good health again.

White Clay Creek Presbyterian Church

At a meeting of the session held after church service last Sunday, it was decided to change the meeting night to the second Tuesday of each month, due to conflicts with other meetings.

The first regular meeting of the Junior High Fellowship was held last Sunday evening with the moderator, Janet Allen, presiding. Devotions were led by Grace Miller, chairman of the faith and life committee. Grace Miller is also serving as pianist for the group. During the business meeting it was decided to meet every other Sunday evening. At the next meeting a work-project will be started, making scrap-books for a children's home. The project will be under Rebecca Wimmer, outreach chairman. It was decided to extend a special invitation to all members of Mrs. Anderson's and Mrs. Margaret Johnston's Sunday morning classes, to join in the Fellowship activities. The Youth Choir was also adopted as a group project. Enjoyable refreshments were served by a committee consisting of Janet Allen and Grace Miller.

Miss Hazel Johnston's class of young people has presented a beautiful bouquet of artificial flowers to the church. The class is taking orders for an assortment of greeting cards.

A gift of \$25.15 has been turned over to the church treasurer for the improvement fund by the members of the older Youth Fellowship, which is inactive at the present time.

Mrs. Howard Bradley, chairman of the ways and means committee of the Improvement Society, wishes to thank all those who helped with the luncheon at Mr. and Mrs. Samuel Johnston's home on Wednesday of this week.

It is not too late to bring or send a contribution to the box for Korea which is being sponsored by the Women's Missionary Society. Mrs. Della Othson and Mrs. Paul Peach have charge of the project.

Next Sunday, Feb. 25, the youth choir will sing in the 11 a.m. service. The pastor will give the fourth in a series of Lenten messages, "The Jericho Way," another of the "Little Walks With Jesus."

The February meeting of the Improvement Society will be held in the Sunday school room on Feb. 28 at 8 p.m., with Miss Hazel Johnston as hostess. John Murray will direct the program. The refreshment committee consists of Miss Hazel Johnston, Mrs. Maskie Johnston, Miss Eleanor Murray, Mrs. Homer Starkey.

It may serve as a comfort to us in all our calamities and afflictions, that he who loses anything and gets wisdom by it, is a gainer by the loss.—L'Estrange.

In fact, I'll be moving into my new home some time during the first part of 1951 (the new Edge Moor Power Station shown above, scheduled to be in operation at that time) in order to provide the increasing quantities of power necessary for your future needs. You see, I want to be sure that you can count on me to have available an ample, dependable, economical supply of electric power, so essential to our country's safety and to the prosperous growth of Delaware Peninsula.

In my other home (generating station) at Vienna, Maryland, a new 33,000 kw steam generating unit is now being assembled. When this is completed in the spring of 1951, it will allow me to produce over four times the power I could generate there in 1944.

Part of my everyday job is charting the growth trends of the communities I serve . . . building MORE POWER facilities ahead of the need . . . being ready to help Delaware Peninsula grow, expand and prosper.

Another example of Free Enterprise at work.

News of London-Britain Vicinity

Marthalee Ness, Correspondent
Phone Kemblesville 2171

The new Red Cross slogan is: "One person trained in first aid in every home." Beginning approximately the first week in March, the date to be announced to everyone who signs up, there will be a first aid course sponsored by the Red Cross, to be held in six consecutive Mondays at Langensberg Hall. Please contact Mr. Herbert Crossman to enter your name on the list of those who wish to take the course.

Mrs. Louis Loser had the pleasure of acting as a patron of honor at the wedding of her old friend Miss Anne Hansen, of Elmer, N.J., to Samuel Hackett, also of Elmer, on Feb. 14. The wedding took place at the parsonage of the Elmer Methodist Church at 6 p.m., and the couple will reside in Elmer. Anne's Wilmington friends and her friends from this vicinity wish the couple every happiness.

About thirty-five representatives from the school boards of Penn. Run, Franklin, London-Britain and London-Grove Townships, plus the representatives of the borough of Avondale and West Grove, met at the Avondale High school the evening of February 16 to discuss the possibility of a steering committee for the Economy League, at the behest of the various members of the district.

William Nichol, Mrs. William Nichols and Professor James I. Clower presented London-Britain at this meeting. After a thorough discussion, it was decided to present the matter to the various boards at the March meetings, and following their approval, they would be empowered to appoint a representative for a steering committee to work with the Economy League. Should everything go smoothly, the results of the survey could be made available to the public in about three months from now.

Plans are under way to organize a steering commission for the township. The road supervisors have this legal right, and it is felt, what with time changing conditions for us. "Now is the hour."

Application has been made for county aid by the road supervisors of London-Britain township, said aid to cover the western end of Road 382, and the eastern end of 317. Subject to county approval, it is proposed to build Road 382, which goes up the hill to Landenberg, as far as the first road, and from there west to the back top near Herb Crossan's place.

The John Kalbs had a most enjoyable party the other evening. Present were the George Kalbs, the Bill Nichols, the Chick Taylors, Roy Heaths, and the "Sandy" Sanborns.

Arthur Ness returned Sunday from his week's business trip in the midwest, where he reports such gruesome experiences as riding from Minneapolis to New York in a railroad coach which froze up in weather way below zero. And sometimes steam engines are in front of Diesels to make enough steam to heat the coaches.

Dr. and Mrs. Orvil O'Neal, who reside in Ripon.

The Home and School League met February 13, with Dr. Agnew Ewing as the speaker. Dr. Ewing made "believers" out of those who listened to his intensely interesting talk. He stated that the Red Cross, which trains in first aid under the wing of the overall Civil Defense program, has set about 800 as the number of persons it would like to have trained by June 1, in this district.

A definite plan to have 600 or 700 is under way. Kathleen Kelley is in charge of teachers for the first aid classes, and Helen Gallery coordinates the first aid activities with the Civil Defense organization. Mrs. Evan Campbell is organizing classes in first aid. The sequence of first aid courses, standard course, advanced course, and finally, instructor's course. It is planned at present to have 20 instructors in first aid by June. An advanced course for those who have completed the standard course will begin March and continue on March 6, 8 and 9. Following this a course for instructors will be given on the same pattern of four nights in one week. Dr. Ewing emphasized the fact that the advanced course should be repeated every three years.

Mildred Cooper, who can be reached at the West Grove Hospital, is in charge of nurses and nurses aides. Anyone who desires to register or train in nursing should contact her for information. Mrs. Edwin Davis of West Grove is in charge of the home nursing courses.

Obviously the above information applies to our district, which includes 60 people located in West Grove, London-Britain, London-Grove, London-Penn., and Franklin. We are part of a civil defense setup of Chester county, headed by Major Beeman, formerly of England, who has had a great deal of experience in this sort of thing.

T. A. Baker, of the Dept. of Poultry and Animal Industry.

In the year, said Baker, the cows averaged 430.28 pounds of butterfat per animal, and they produced an average of 11-377 pounds of milk. The average butterfat percent for the herd was 3.79.

"GIVE ME THIS '51 DODGE for long life...dependability"

"I've driven Dodge cars for years... know from experience that you just can't beat a Dodge for DEPENDABILITY"

—Says Don B. Alford, Chicago, Ill.

Here's why Dodge delivers more miles per dollar

EVERYTHING about this great new '51 Dodge—the way it looks, feels, rides and handles—tells you that here's a car that's built to last. It's a car that's stunning to look at, with plenty of head, leg and shoulder room—a car engineered from bumper to bumper to last longer, go farther at lower cost.

Shock Absorbers not only give you a truly new kind of ride—but the resulting smoothness and freedom from wheel "hop" and "bounciness" mean less car wear, prolong car life.

Famous Dodge Fluid Drive, with its smoother starts and stops, "cushions" all moving parts from engine to rear wheels—adds to car life, saves tires, lowers costs.

Come in Today See how you could pay \$1,000 more for a car and still not get all the extra room and rugged dependability of this new '51 Dodge.

Just a few dollars more than the lowest-priced cars

Mill Creek Hundred News

Pennington Evans, Correspondent
Phone Hockessin 598

Mrs. Ruth Hoopes Mitchell of Wood Farms, announces that nomination blanks for the selection of a State officer for 1951 are now available to anyone who wishes to make a nomination of a woman in their community who is qualified to be chosen. Mrs. Mitchell may be contacted for such blanks.

White Oak 4-H Club will meet tonight at the home of John Dennison near Hockessin.

Local friends and relatives were sorry to learn of the death of Homer C. Pierson in Collingswood, N. J., last Tuesday. Age 86 years. Mr. Pierson retired from a bank position four years ago due to ill health. He was born and reared near Strickersville. He was a member of the Pierson family that holds family reunions every five years near Hockessin. Surviving him are his wife, a daughter, Mrs. Paul Wenaas of Chicago, three grandchildren, two brothers, Ross and Daniel of Strickersville, and a sister, Mrs. Nathan Lamborn, of near West Dover.

Mr. Harry Hobson suffered a stroke Saturday at his home on Old Wilmington Road.

Mr. and Mrs. Charles Davis of Delaware State College, Pa., spent the weekend with Mr. and Mrs. M. A. Shakespear at their home on Loveville Road.

Pleasant Hill

Mrs. Lillian Stinson Eastburn suffered a stroke last week at her home and was removed to the Wilmington General Hospital where she is a patient.

Ephezer Methodist Church

The M. Y. F. cast of the three act play "Grandpa's Twin Sister" will give another performance this Saturday at 8 p.m. in the Red Lion Methodist Church.

Laymen's Sunday will be observed this week at the 11 a.m. service. Lindsey Greenplate will be the speaker, assisted by Robert P. Major and Paul Nelson. Reception of new members and transfers will take place under direction of the pastor, the Rev. E. J. Horsey.

The official board will meet next Sunday for a covered dish supper at 8 p.m. in the social hall followed by the final business session prior to the bi-monthly conference on March 4.

Mrs. Gray O. Lomax entertained the Mill Creek Tuesday evening. Mrs. Colle Jarroll and Mrs. Horace Cannon led the program with Mrs. Ralph Whitehead, Mrs. Louise Dempsey, and Mrs. Lomax as hospitality committee.

At the monthly meeting of the Missionary Society last week, a card was read from the Rev. Gordon M. Ruff, senior pastor, who is stationed in India. Mr. Ruff told of the safe arrival of the Christmas box and how they had enjoyed the food. He stated that Mrs. Ruff and the two children had gone to Kodakand in Southern India, a distance of 1,000 miles from Kohlapur.

It took Mrs. Ruff two days, three nights by train and bus going through four different language areas. At Kodakand she will act as a house mother in a girls' dormitory for more than three months. Mr. Ruff said that rations have been cut 5% and it is difficult to find sufficient food for the 100 boys at the high school where he is principal.

The society plans to hold a quilting March 6 at the church. This evening, a Washington birthday supper and social will be held in the church school auditorium sponsored by the Aid Society. It will be a covered dish supper. An illustrated travelogue will be given by Robert M. Walker.

Harmony Rural School

The Parent-Teacher Association meeting scheduled for last night was postponed for a week due to the completion of the school grounds for parking. A Founders' Day program will be presented.

Corner Ketch

Members of Union Grange had an opportunity to hear a talk on "The Heart" given by Dr. E. M. Kreiger, heart specialist of Wilmington and a member of the Delaware Heart Association. Pictures on a rheumatic heart were shown by Dr. Charles Chow, of China, a resident physician of the Delaware Hospital. The grange is planning for the initiation of a class of candidates in March.

The Union 4-H Club will meet tomorrow evening at the home of the president, Bobby Dempsey.

Union Juvenile Grange will hold a meeting Saturday afternoon at the home of the matron, Mrs. Eunlah Dempsey.

A meeting of grange leaders and extension leaders was held last week at the Red Men's Hall here when both groups discussed the possibility of closer coordination in their programs. County Agent Edward L. Schabinger, John Crothers, assistant, Miss M. Katherine Jones, home demonstration agent, State Master Harry C. Johnson and State Lecturer, Mrs. Dorothy Ellison spoke.

Mermaid

Harmony Juvenile Grange No. 9 will meet tomorrow evening at the grange hall.

Mr. and Mrs. Edward Naudain entertained at a family dinner on Sunday in honor of the 77th birthday of Mrs. Naudain's father, Mr. John Pyle of Sennett Square. Covers were laid for eight. Guests were present from Kennett and Washington, D.C. Mr. and Mrs. Dale Sheer and daughter of Lancaster, were week-end guests

of Mrs. Sheer's parents, Mr. and Mrs. Willard Klair.

The dairy schools held last week in Harmony Grange Hall were attended by over 40 dairymen. Noted speakers discussed feeding and milking machines.

SHERIFF'S SALE—By virtue of a writ of Lev. Fac. No. 73 March Term A. D. 1951, to be directed will be exposed to Public Sale at the Court House, Southeast Corner of Eleventh and King Streets, City of Wilmington, New Castle County, Delaware.

ON FRIDAY THE SECOND DAY OF MARCH at 10 o'clock A. M., Eastern Standard Time, the following described Real Estate viz:

ALL those two certain lots, tracts or parcels of land with the buildings thereon erected, situate lying and being in the City of New Castle, County of New Castle and State of Delaware, and more particularly bounded and described as follows: to-wit:

No. 1. No. 737 Center Street, Beginning at a point on the Northeast side of Center Street, at the distance of twenty-eight and fifty-eight one-hundredths feet Southeast from the point formed by the intersection of the said Northeast side of Center Street with the Southeast side of Eighth Street; thence Northwesterly, parallel with the center of the party division through the center of the house erected on this lot and the house erected on the lot adjoining on the Northwest side of Center Street, to a point, thence Southeast, parallel with Center Street, fourteen and eight one-hundredths feet to a point, thence Southwesterly, parallel with Eighth Street, and passing through the center of the house erected on the lot adjoining on the Southeast side of Center Street, and thence Northwesterly by the same fourteen and eight one-hundredths feet to the first mentioned point and place of Beginning. Be the contents thereof what they may.

No. 2. Beginning at a point on the Southwest side of Center Street, at the distance of twenty-eight and fifty-eight one-hundredths feet Southeast from the point formed by the intersection of the said Southwest side of Center Street with the Southeast side of Eighth Street; thence Northwesterly, parallel with Eighth Street, thirty feet to a point; thence Southeast, parallel with Center Street, fourteen and eight one-hundredths feet to a point; thence Northwesterly, parallel with Eighth Street, thirty feet to a point in the aforesaid Southwest side of Center Street, and thence Northwesterly by the same fourteen and eight one-hundredths feet to the first mentioned point and place of Beginning. Be the contents thereof what they may.

BEING the same lands and premises which Malcolm K. Beyer and Eugenia W. Beyer, his wife, by their Indenture dated the twenty-ninth day of February A. HOW TO BE THE "SALT OF THE EARTH" on Party-Line Telephones

When you treat your party-line neighbors with courtesy and consideration, you soon win an A-1 reputation as a good party-line neighbor. What's more, you'll find that your courtesies are returned... and this means good service for everyone on the line!

Two Brief Suggestions: On finding the line in use, hang up gently and give the other person a few minutes to finish his call. And when, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line. Party-line courtesy is easy. And it pays big dividends!

Newark Faculty Scores Two Wins Over Conrad

The faculty basketball five defeated Conrad faculty by a score of 66-57 on the home court last week.

In a game staged at Conrad as a return game this week, Newark's faculty scored a second success over Conrad with a reading of 47-42.

Scoreboard for home game: Newark Faculty Conrad Faculty. Pts. Merkel 17, Schaffer 7, Sposato 7, Mullins 26, Kelecheva 7, Loucks 9, Ciesniski 4, George 8, Smith 0, Mercer 7, Ott 27, Finnersheetz 7, Bittenbender 11, Morrison 3, Miller 0. Total 86, Total 57.

Jim Seydell and Albie Sparks Jackettes Lose to Middletown, 29-30

The Middletown Varsity squad handed the Newark High Jackettes a setback this week with a one-point win on the Jackettes' court.

Stafford's field goal with 20 seconds to play gave Middletown the one-point lead. Newark's Alta Warrington led the Newark scorers with thirteen points and her teammates Harvey and Gray divided honors with 8 points apiece.

Jackette J.V.'s Win Fourth In Row

Erma Foster paced the J.V. team to help win the fourth straight game with only two setbacks, Conrad and A. I. duPont. Final score was 24-16.

Scoreboard for varsity game: Middletown Newark. Pts. E. Stafford 19, Pat Harvey 8, M. Davis 0, L. J. Reed 0, R. Hutchison 2, Alta Warrington 13, A. Days 0, Thelma Gray 0, L. Wagner 0, Judy Colburn 0, T. Coole 0, Jean Moore 0, M. Brown 0, Sansone, g 1, D. Cataldi, g 2, Walraveng 3, D. Ch'ill'g'r, g 4. Total 30, Total 29.

Scoreboard for junior varsity: Middletown J.V. Newark J.V.

J. Emerson 0, Nancy Lewis 0, Swain 0, A. Tweed 0, H. Johnson 7, S. Field 0, J. Weigl 0, Shirley Martin 0, D. Hitchens 0, Beverly Haman 0, L. Fluance 0, Helen Starkey 6, T. Gusman 0, Trivits 2, McDowell 0, A. Tierney 5, Rita Marpole 0, Erma Foster 11. Total 16, Total 24.

4-H Program Knits Family Interests

Parents, Children Join In Activities

The effectiveness of 4-H in cementing family interests has been demonstrated again and again in New Castle County members' homes, according to Maurice B. Field, 4-H Club Agent.

Their parents are encouraged to see the mutual benefits and join with their children in the work, thus finding a common meeting ground of interests.

A 4-H club can be an asset to your community and a means of meeting some of the problems that threaten the very existence of our democratic way of life.

And we're just as expert at giving your husband's shirts "that executive look" . . . crisp, starched-looking and whiter-than-white.

Newark Nearing End Of Susky Loop Race; Two Games Remain

Local Five To Meet Delaware City Saturday, VFW Tuesday

Newark will wind up competition in the Susquehanna Basketball League race with two games this coming week.

Both contests will be played in Elkton Army, starting at 8:30 p.m. The Vets currently are leading the circuit with a record of six victories against two losses.

Newark ran into an ambush here last weekend against the Frankies. The latter unveiled a secret weapon in the form of George Dempsey, former King's College star, now awaiting assignment by the Coast Guard.

Dempsey enjoyed a completely unstrained evening, dropping in 16 field goals and eight fouls for a 40-point total.

McNeill and D. Cataldi, undaunted by the opposition's flashy scoring display, accounted for 21 points, the former getting 11.

The victors outscored Newark in every period, although in the final session the teams battled on fairly even terms, with the locals getting 15 to the Frankies' 18.

Frankie's Newark. G. F. P. Skipski, f 4 1 9, Lee, f 0 2 2, Dineen, f 5 0 10, Davis, f 0 1 1, Dempsey, c 16 8 40, Kubisen, f 3 0 6, Katz, g 1 1 3, McNeill, c 5 1 11, Sansone, g 1 1 3, D. 4-H Club Week Set For March 3 To 11

"Working Together for World Understanding" is the theme for National 4-H Club Week, March 3 to 11. Delaware boys and girls will observe the week, along with the nearly two million 4-H members throughout the nation.

Delaware 4-H'ers plan to follow the national theme by taking part in projects that will build stronger clubs and stronger home communities.

The boys and girls will also mark the week by encouraging all boys and girls in their communities, between the ages of 10 and 21 years, to join a 4-H Club.

Hoop Highlights by "Sideline" Sam

Blaney Leads. Bernard Blaney now holds the new state scoring record in basketball. Prior to Tuesday's tilt Bunny had 333 points and the record stood at 337, held by Reeder of Mt. Pleasant in 1949-50.

Fun Fest to Finance Suits. A basketball fun fest was sponsored by the Athletic Council last Friday at the high school gym. There were five games played and a dance was held after the festivities.

Boys Varsity Recovers to Defeat Friends. The local cagers came back after losing to Brown Vocational to defeat Friends. This eases the hard lost to Brown.

Boys' J.V. Team Defeats Brown J.V. The J.V. group did what was thought to be impossible; it defeated Brown J.V.'s. The final on the title was 28-26.

FFA Team Has Good Record. Newark FFA still remains undefeated in five games. Their last win was over A. I. duPont last Thursday.

4-H Club Week Set For March 3 To 11. "Working Together for World Understanding" is the theme for National 4-H Club Week, March 3 to 11.

Hen Quintet Plays Host To Haverford On Saturday Night

Delaware Nips Lehigh, 69-58, In Hard Fought Contest Here

With their 1950-51 campaign fast fading into history, the University of Delaware courtmen are slated for two home appearances this coming week.

Last Saturday the Hens earned their tenth win in 16 starts when they nipped Lehigh, 69-58, in a tightly fought contest which saw the teams balanced at 25-25 at the half.

The third period proved the decisive session. Delaware went on a 20-point spree and emerged with a 45-39 edge going into the final period.

Blaney Sets New State Scoring Record In Mt. Pleasant Victory

Hikes Season's Total To 354 As Jacket Cagers Beat 65-47 Victory Tuesday; Conrad High Here Tomorrow Night

Bernard "Bunny" Blaney set a new state scoring mark as the Yellowjacket cagers turned back Mt. Pleasant, 65-47, before the home Tuesday night.

Bunny poured in 21 points to hike his season's total to 354, well above the 337 record which Reeder of Mt. Pleasant set in the 1949-50 season.

Against Mt. Pleasant, the Jackettes took over at the starting whistle, moving to a 16-6 lead in the first quarter and holding a 31-23 margin a half-time.

In the preliminary contest, Mt. Pleasant's junior varsity turned back Newark, 43-40.

D. To Introduce Accelerated 3-Year Program Soon

Will Permit Students To Earn Degree In 3 Years

Students of University of Delaware will soon go on an accelerated program which would permit them to complete their studies in three years, since the World War II speed-up, but many of the disruptions which occurred then.

John A. Perkins pointed out that a series of changes in the curriculum will shorten the time for either men or women to receive their degrees in three years.

Indications so far are that the male undergraduates will be on hand in the 1951-52 year will elect the accelerated program as a holdover from the years following World War II, when a second term was added to the curriculum for the convenience of students. Retained in the summer since then, the two terms are now in the present setup, for students to receive a third semester in one year.

Working in both terms for possibly three semesters, students would not have been possible, but two other steps which the university has recently approved. The first is the summer session to enter students. Ordinarily, the university encourages new students from enrolling in September, but the regulation permits any freshman to begin his college studies when school opens in June, and there is an orientation program to aid new students who do enroll at that time.

The next step was a decision by the university's approval of ROTC courses in the summer. This will make it possible for students, for whom some military training is obligatory, to obtain both required basic course and the advanced course within the year span of their other classes. Students in the basic ROTC course are chosen for advanced cadet training will receive Selective Service deferment throughout their college years.

Carl J. Rees, director of the ROTC program, said that it is possible to have a sufficient number of credit hours in summer terms to supplement the regular semester and thereby complete the requirements for a degree in three years. A student entering the ROTC program next June as a member of the Class of '55 will be able to finish instead by June of '54.

The accelerated program will be accomplished within the framework of existing terms of the summer session. During World War II accelerated schedule resulted in addition of extra semesters and all were on the accelerated program. The present plan permits them to receive a regular or accelerated degree.

"substantially higher" than other Nash models, will be announced later, according to H. C. Doss, vice-president in charge of sales.

The new Nash Healey soon will undergo exhaustive engineering tests at Daytona Beach, Salt Lake Flats and the Indianapolis Speedway. An experimental version of the sports car was listed among winners of the 1950 Le Mans (France) Grand Prix. The new sports car averaged 87.6 mph in the gruelling 24-hour, 2100-mile racing classic.

Washington College To Hold Summer Session

For the first time in several years Washington College is planning a summer session during June and July of 1951, according to President Daniel Z. Gibson, of the Chestertown school. Tentative dates for the six-week course are from Monday, June 11 to Saturday, July 21.

The summer session is planned, according to Dr. Gibson, because of the international situation and the desire to assist members of the present student body, as well as others accelerate work.

Newark Dutchmen

(Continued From Page 1)
sell G. Stauffer, member of the school of education faculty, University of Delaware.

Those invited from Newark are: Dr. Carl Reese, R. W. Heim, Milton G. Young, E. M. Rahn, Mervin Diefenderfer, Jerome Merkel, George Henry, Eugene Kelechva, Wilmer E. Shue, W. B. DeLong, Elsworth Hoffman, Leon Beuhler, Dr. P. K. Musselman, J. Fenton Daugherty, Neil Osborne, Henry M. Brader, Elwood Bittenbender, Jacob Correll, Samuel Diehl, Leon Moyer, H. L. Miller, Gilmore Ott, and William Bonning.

Recreation Plan

(Continued From Page 1)
support of the program.

Appointment of a professional full-time recreation director, with part-time and volunteer help as needed, Mr. Pangburn pointed out that the duties of such a director would be to organize, promote, and administer the program along financial and educational lines. He would lend assistance to church and lay organizations planning parties, picnics, athletic programs, and other projects, as well as to the Board of Education's adult education program, shut-ins, and private individuals.

Development of a service program which besides the summer project and the above activities, would include training courses for volunteers working with church and industrial groups. Home play activities would be included in this phase with the availability of advice as to equipment, activities, and development of hobby interests.

In the realm of facilities, Mr. Pangburn found Newark exceedingly short, particularly with reference to school play areas which he termed "far too small." School buildings, he said, should be thought of as community centers, with grounds planned for park as well as athletic purposes. He suggested that much greater use be made of present facilities for community purposes and that a review of the Board of Education's policies in this regard might be helpful. The Negro school on New London Avenue is particularly suitable for use as a community center, he said, and the local armory and some church facilities also show possibilities of greater usefulness.

The speaker laid special stress on the point that unless lands are quickly acquired by the town for park purposes there will soon be no open spaces left. Such park spaces should include woods, and he suggested that, if a reservoir is planned for the future, the acreage around it would be ideal for this purpose. The campus of the University is not the equivalent of a town park and should not be depended upon to fill this need, he claimed.

would be feasible. Such a project, he said, which involves a large capital outlay, is a long-range possibility but is not among his recommendations for the immediate future.

Interviewed after the meeting, Mr. Pangburn stressed the fact that while there are individuals here who complain of an over-abundance of recreational activities, there is a large section of the population which is not touched in any significant way. Helping such people to find activities in which they may be interested, he said, will assist in developing an unselfish spirit of community cooperation. If one-half of the first year's budget is appropriated by the Council from municipal funds, the cost per person on the present population would be fifty cents. This assumes, of course, that the Recreation Association would be successful in raising approximately \$3500 from other sources such as benefits, private donations, and gifts of service clubs, industries, and other organizations.

A veteran of 20 years' service with the National Recreation Association, Mr. Pangburn holds a master's degree in social work from Harvard. He is known to many in this area as having made the survey upon which Wilmington's highly successful Recreation Promotion and Service, Inc., was organized, as well as for large-scale studies in Washington, D.C., Baltimore, and Philadelphia.

Mr. Pangburn's eight days of research and interviews with local officials and private individuals were arranged by the Newark Recreation Association and were made financially possible by a grant from the Soroptomists Club of Newark.

BEFORE THE PUBLIC SERVICE COMMISSION OF DELAWARE IN THE MATTER OF THE APPLICATION OF WILBERT G. MOORE AND FRED HARRY LETNER T/A L & M CAB CO. FOR APPROVAL OF THE RIGHT AND PRIVILEGE OF OPERATING MOTOR VEHICLES AS A COMMON CARRIER FOR THE TRANSPORTATION OF PERSONS IN AND AROUND NEWARK AND FROM NEWARK TO OTHER POINTS IN THE STATE OF DELAWARE.

DOCKET NO. 33 ORDER NO. 63 AND NOW TO WIT, the Fifteenth day of February, A. D. 1951, Wilbert G. Moore and Fred Harry Letner, T/A L & M Cab Co., of 47 E. Cleveland Avenue, Newark, Delaware, having filed with the Commission their application praying for the Commission to issue an order authorizing and approving the right and privilege of operating motor vehicles as a common carrier for the transportation of persons in and around Newark, and from Newark to other points in the State of Delaware; IT IS ORDERED:

That said application be set for hearing at the offices of the Commission, State House, Dover, Delaware, on Thursday, March 8, A. D. 1951, at 2:30 o'clock P. M., Eastern Standard Time; and IT IS FURTHER ORDERED that the applicants shall cause a copy of this order to be published in some newspaper of general circulation in New Castle County, Delaware, at least one time at least one week before the eighth day of March, A. D. 1951, and shall file with the Commission at or prior to said hearing an appropriate affidavit of such publication.

BY ORDER OF THE COMMISSION: (Signed) John C. Hazzard, Chairman Vernon B. Derricksen Walter C. Phillips Commissioners Attest: (Signed) W. Rodney Price Secretary STATE OF DELAWARE CITY OF DOVER W. RODNEY PRICE, Secretary of the PUBLIC SERVICE COMMISSION OF DELAWARE, do hereby certify that I have compared the above with the original order adopted by said Commission, and that it is a correct transcript thereof and of the whole of the original. IN WITNESS WHEREOF, I have hereunto subscribed my hand and affixed the seal of the Commission this Sixteenth day of February, A. D. 1951. W. RODNEY PRICE. (SEAL) Feb. 22 11

The story of a faith that paid off

YOU KNOW IT'S TRUE BECAUSE IT'S HAPPENED TO YOU AND YOUR FRIENDS AND NEIGHBORS

PROBABLY YOU'VE never thought of yourself as a maker of history. But you are. And here is how you, as a citizen of the United States, are creating the greatest success in all history.

Remember back in 1941 when the Defense Bonds you were buying suddenly had to become War Bonds? How you and your neighbors pitched in to buy them in ever-increasing numbers, to back our fighting men and to help achieve the victory of World War II? After V-J Day, when those bonds became Savings Bonds, you continued to buy them because you had learned how regular saving could build security and contentment for yourself and those you love.

The face of the land has undergone some dramatic changes in those years since V-J Day. Now the landscape is dotted with new homes that Savings Bonds built. Thousands upon thousands of new automobiles travel the highways—Savings Bonds cars, bought with the product of individual thrift. On the farms, Bond-purchased equip-

ment has helped produce bumper crops and prosperous years. Everywhere in America, man's urge to get into business for himself has become a bright reality. So has the ambition of loving parents to send their children through college. Time and time again, Savings Bonds have made those dreams and many others come true.

You KNOW they've come true, because it's happened to you or to some of your own friends.

And this is only the beginning of the story. Even after accomplishing so much, millions of American families still enjoy the financial security of owning more than fifty billion dollars—fifty thousand million dollars in Savings Bonds. More than at the peak of war-time Bond holdings!

How much money is that? It's enough

to build a new \$10,000 mortgage-free home for every family in San Francisco—and Sacramento—and Salt Lake City—and Denver—and Kansas City—and St. Louis—and Indianapolis—and Cincinnati—and Pittsburgh—and New York City—and the whole state of Texas!

And every week, everywhere in America, new millions of dollars are added to the total—as crisp new Savings Bonds are typed up with your name on them.

Kind of a king-size success story, isn't it? Your success story because you and the millions of your neighbors are living it right now. Your own faith in America—your own desire for the warmth of family security and independence—have made the story of United States Savings Bonds the thrift miracle of all time.

For your security, and your country's too, save now through regular purchase of U.S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council.
