Mr. D. N. Heineman  
c/o Sofina  
Brussels, Belgium

Dear Father:

Mr. Messersmith, with whom I have just spoken on the telephone, has asked me to write to Mr. Maryssael to tell him about his state of health. I am enclosing a copy of my letter to Maryssael.

Mr. Juan Pedrazzi who, until a few months ago, was Assistant General Manager of Mexlight, sailed this morning with some members of his family on the "Liberte" for a vacation in Europe. Mr. Pedrazzi was with Mexlight for almost forty years and undoubtedly knows the detailed operation of the company better than any one other person. He was generally considered to be "Mr. Mexlight."

It is possible that he may be going through Brussels in about two to three weeks time. I suggested that if he were to be in Brussels and had any time to spare, he should visit the Sofina offices and, if you are in Brussels, call on you. I am sure you will enjoy seeing him again.

Best wishes,

Sincerely,

JHH: pm
