August 11, 1941

Honorable George S. Messersmith,  
c/o Mr. L. W. Mustard,  
Elisha's Pond,  
Yarmouth, Mass.

Dear Friend:

I have your letter of August 7th regarding your changes of address, which I have duly noted.

I have not yet made plans for my vacation, but it is possible that I shall decide to spend a few weeks in Hot Springs, Virginia. I promised my wife, who is still in California, to let her know today whether I shall join her there or not. In any event, I will let you know before long what I shall be doing.

Enclosed is another note regarding Spain, dated August 4th.

With kindest regards to you and Mrs. Messersmith,

As ever,

DNH:MG

Dannie Heineman.

Enclosure.
