c/o Hooker, Alley and Duncan
50 Broadway
New York 4, N. Y.

Dear Donald:

I am sending you herewith a copy of a letter which I have written to Graydon in Toronto covering my plans and those of Maryssael, which is self explanatory. We have really some very important matters to discuss and some of them will take a good deal of time, so that I think we should have all of September 13 for a Board meeting in Toronto which will probably last not only through the day but perhaps the evening. As I told you before, I hope very much that you and Harry Hooker can be there and can arrange to leave New York on the evening of the 12th, so that we can have an all-day meeting on the 13th. I think we can all leave Toronto on the evening of the 14th by train for New York. I would appreciate your showing this letter and the enclosure to Harry, and I am hoping very much that your occupations will make it possible for both of you to be at this meeting on the 13th, as well as for the Annual Meeting on the 14th.

You will see from the appended letter to Graydon that I expect to be in New York September 8, 9 and 10 and I look forward to seeing you and to have the opportunity of going over the agenda.

With all good wishes,

Cordially and faithfully yours,

George S. Messersmith
Chairman of the Board
