

May 21st 1951

Dear George:

Many thanks for your last communications.

I was much interested in reading the copy you sent me of yours of May 9th to J.D. Ferguson.

Thank you also for sending me a copy of your letter No. 1330 which you addressed to E.A. Graydon under date of May 15th with reference to Mr. Borden's visit to New York. I have never met him but a conversation with him might prove interesting. I will keep you fully informed as soon as I have anything to report.

Your letter of May 16th enclosing a copy of Arnold's letter to you of May 8th and your reply of May 15th arrived Saturday, all of which I read with great interest. I am sending René the second copy of your reply as suggested by you.

I hope that you are now entirely recovered from your lumbago and grippe. I am feeling better. I have strained my back in falling and some novocaine shots with long needles seem to do the trick.

I was glad to hear you over the phone yesterday.

Hettie joins me in affectionate good wishes to you and Marion.

Very sincerely yours,
