American Consul General,  
Mr. George S. Messersmith,  
BERLIN.

Dear Friend,

I was sorry to read in the Herald of your annoyance with Einstein and when I read the article I didn't believe a word of it.

All I can say is that myself and many of your Antwerp friends are with you and ready to do everything for you.

Hoping this finds Mrs. Messersmith and yourself in the best of health, with best wishes, I remain,

Your friend,
