BUENOS AIRES

478 - June 4, 7 p.m.

PERSONAL FOR THE AMBASSADOR, FROM MARSHALL.

The President instructs me to inform you that your mission, having been completed as announced in the press yesterday, your resignation is accepted, and it is desired that you return to the United States.

In reaching this decision the President has been moved by the over-riding interests of the country. He is not unmindful, as he will tell you on your return, of the years of distinguished service which you have given to your Government.

Please inform the Argentine Foreign Office urgently of your recall in as much as the President may be compelled to announce this change at his press conference tomorrow morning.
