NEWARK, DELAWARE, JANUARY 26, 1943

PRICE TEN CENTS

## Sig Ep Fraternity Votes Roland Reed As New President

At a meeting last week the members of the Sigma Phi Epsilon fraternity elected Roland Reed to serve as president for the coming year. Along with Roland, the other officers elected are: Vice president, Henry Winchester; Comptroller, Walter Lilley; Secretary, Jack Lee; Historian, Bob Lewis; Guard, Bill Morton; Marshalls, Jim Sterner and Jim Orr.

The new president will assume the duties of Jack Warren, who is now president, within a few weeks. Roland is well known around the campus for his many activities. But he is probably known best as a cheerleader. The cheerleaders elected him captain for the coming term at a recent meeting. This won't be the first job in the fraternity that Roland has held. He now is the Junior representative in the Student Council, and secretary of the council, and he holds the position of Guard in the fraternity. Along the sports line, the "Deacon" plays soccer and intramural basketball. He is a Junior taking the Pre-med course. Also, Roland is in the Advanced Military class, and holds the rank of Sergeant as a guide in Battery A. Other activities that Roland has participated in are the Radio Guild and the University Choir. As a reward for all of these activities, he was recently made a member of the Blue Keys honor society.

Last Saturday night the Sig Eps held a new type of house party. Called a Backward Party, all the guests had to use the back door when entering and leaving. Then, when going through the receiving line they said goodnight instead of hello. The evening was highlighted by a backward Scavenger Hunt. Articles had to be returned to the owner instead of vice-versa.

Chaperones for the evening were Major and Mrs. Alvin Roberson and Lt. and Mrs. Donald Morton. Jim Sterner and Roland Reed were in charge of arrangements.

## A Letter to the Students

To: Students of Delaware College

The following resolution was adopted by the Student Council at their last meeting, January 18, 1943.

"In light of the fact that many of the presidents of the various student organizations on the campus did not submit lists of the names of the members of their organizations when requested by the Student Council in order to compile the lists of those members of the student body eligible for membership in the Spartans, Blue Keys, and Derelicts, the Student Council will not recognize any complaints on the part of any student or organization in reference to the final selections."

Tap day for the induction of the newly elected members of the Honorary Societies will be held during the halves of the Delaware - Drexel basketball game, Thursday evening, January 28. All those who fail to appear for the tap ceremonies will be barred from the societies.

Signed: Hugh Bogovitch  
President Student Council

## Nine Underclassmen Elected to E-52 Players

Meeting on the stage of Mitchell Hall last Thursday, the E-52 Players, honorary dramatic society, elected to membership the following students: James Quinn, Zadoc Pool, Layton Mabrey, Melvin Lefbowitz, Kay Guinard, Miriam Lewis, Nancy Hammond, Ethel Way and Jeannette Buell.

At present the Players are planning arrangements for the Campus Play Festival, of which Ruthanne Tease, president of the Players, is general chairman.

The Play Selection committee, under the direction of Norman Bunin, is now considering possible plays for the full-length production of the Players for this semester.

Other members of the E 52 Players are Lloyd Jones, Walter Dworakis, Helen Kaiser, George Samuels, Harry Smith, Harry Hillyard, David Parvis, Helen Wilson, and Jack Culver.

## Competitive Plays Postponed Until February 10, 11 & 12

The Campus Play Festival, originally announced for February 3 and 4, will be held on February 10, 11, and 12. The Women's College Competitives will take place on Wednesday night, February 10. The Delaware College Intramurals will occupy the other two nights.

The competitors for the Women's College title are the Freshman, Sophomore, and Junior classes. The seven entries in the Delaware College contest are the Sigma Nu, Sigma Phi Epsilon, Sigma Tau Phi, Kappa Alpha, and Theta Chi fraternities, and Harter, and Brown Halls.

The Play Festival will take place in Mitchell Hall under the supervision of the E 52 Players. The Players are attempting to secure a critic-judge who will be able to give an analysis and judgments of the plays at the end of each evening.

All directors should see Miss Ruthanne Tease, president of the E 52 Players, about details.

## Library Receives Catalog From The Lib. of Congress

The University of Delaware's own Memorial Library has been honored by the Library of Congress in being selected as one of the new depositories for the Congressional Library's printed catalog cards. Only 25 libraries throughout the world were so distinguished this time.

Since the beginning of the distribution of its printed catalog cards in 1901, the Library of Congress has deposited one copy of each printed card in the principal centers of research in this country and abroad, thus placing at the immediate disposal of scholars and investigators in the particular area a partial but important record of the contents of the national collections at Washington. The cost in terms of space, catalog cases and personnel for filing has, however, restricted these depository catalogs to the large research libraries.

In order to work out a plan to make it possible for more libraries to have the use of the Library of Congress catalog without the large investment in filing equipment, the Association of Research Libraries on separate occasions in the past has appointed two different committees.

## S. C. Announces New Members of Honor Societies

Announcement was made last Thursday, January 21, of the names of those members of the student body who had been nominated to membership in the Delaware Honor Societies.

Membership in the Honor Societies is based upon participation in the various extra curricular activities found on the Delaware campus. Points are awarded for each activity and the persons compiling the greatest number of points are selected. The Societies are three in number. The Spartans is composed of the members of the Sophomore class, the Blue Keys solicits its members from the ranks of the Junior class, and the Derelicts are made up of Seniors.

The following named men are nominated to membership in the Honor Societies as specified below:

**Spartans:** Althouse, Ayars, Bogart, Coady, Dougherty J. F., Ginn, Leibowitz, Mabrey, McLellan, Messick, Orr, Piper, Pitt, Pool Sposato, and Wood.

**Blue Keys:** Barnum, Bunin, Coleman, Dickerson, Golin, Herbner, Hopper, Millman, Newcombe A., Quinn, Reed, Samonisky, Samuels, Schulman, Spiegel, Stewart, Winchester, Wright C., Zeltz, Zutz, and Walter.

**Derelicts:** Allen, Barlow, Bogovitch, Butler, Cann, Cresenzi, Culver, Dworakis, Gerner, Goldey, Jones, Laurell, Legates, Miller W. S., Mowbray, Paul, Phillips, Reburn, Schumacher, Siemen, Warren, Shaw, and Robinson.

## Plans in Progress To Divide Summer Into Two Periods

President Hullihen has announced that plans for a change in the college program for the term beginning in May are in progress. Instead of the usual sixteen week term, the Summer term will be divided into two eight week periods.

Students will take one-half the number of credit hours during each eight week period that are taken during a regular term. Twice as much time will be allotted to each course, however, so that at the end of the eight week period the student will receive credit for a full term's work in each course he has taken.

President Hullihen said that this plan has been formulated with two purposes in view. First, a portion of the faculty will be allowed a vacation during either of the two periods when their courses are not being taught. This will enable the college to make a reduction in the effective teaching staff, and expenses may be curbed to keep within the budget which was planned before Government orders requiring the college to remain open all year were received.

Secondly, dividing the summer term will allow Freshmen, Sophomores, and Junior students at the Women's College who must work some to remain in school an opportunity for summer work. They can remain in college for one eight week period and receive a full semester's credit for the subjects taken. Then during the other eight week period they may leave college for summer work. This will make them only a half term behind the regular class, and the half term can be completed the following summer.

## War Forces Guild To Curtail Activities

The Radio Guild has recently been compelled to curtail quite sharply its activities for the duration of the war despite rather well-laid plans and an imaginative program. At one time it was hoped that all of the home basketball games might be broadcast from the fieldhouse but this ambition failed to materialize.

At a recent meeting the Guild had hoped to broadcast the Women's College Junior Prom, but by this time there were no longer the proper radio connections leading to the field house. In addition to these set-backs there came the restriction that all future programs must be of an educational nature; purely entertaining programs are strictly banned.

However, the Guild will continue to function and may be able to broadcast more programs before long.

## Jimmie Gottshall Chosen to Guide Theta Chi House

On Wednesday evening, January 20, the members of Theta Chi fraternity elected James Gottshall to the office of President for the coming year. Also elected were: Arthur Carroll, Vice-President; James Hopper, Secretary; Burton Willard, Treasurer; George Hudson, First Guard and Henry Brainerd, Second Guard.

Gottshall, a Junior Chemical Engineer from Wilmington, has been active in fraternity activities since his initiation in 1941; holding the office of Marshall for the previous year. He has been a member of the soccer team for the last three years and also is a member of the University Choir, Radio Guild and A.I.Ch.E. He is enlisted in the Advanced ROTC course.

Carroll, a Junior in the Arts & Science school, has participated actively in the publication of the Cauldron and has distinguished himself scholastically. He is also a member of the Advanced ROTC course.

The house selections were held at an earlier date this year on the advice of the Grand Chapter due to the uncertainties of the immediate future. The installation ceremony will be held at the regular chapter meeting on January 27, 1943.

## New Math Authority is Found Among Students

January 22, (Special to Review). Of especial interest to the math department is the discovery of a newly accredited authority on college mathematics. This news, full of import for engineering students especially, came from the classroom of Dr. Webb - this morning.

"Whereas there were some who contended that the banks probably used the most efficient methods in their computations, there were others who did not think this necessarily so.

"Well, the banks make more use of figures than anyone else does," stated one.

"Oh, I don't know..." The effervescent Campbell clinched the argument once and for all:

"AW, NO," he shouted. "The burlesque shows use figures more than anyone else."

P. S. That settled it.

## Tropical Setting To Be Background For S. T. P. Formal

Despite the 65° maximum temperature in Old College, the Commons is going to be semi-tropical Saturday night for the Sigma Tau Phi Annual Formal. Designer Georgie Samuels has made his decorations so realistic that the STP boys and their guests will think that they are in old Mexico.

In accord with ODT regulations, transportation to the dance will be by train or bus. But once inside, there will be no rationing of enjoyment as everyone dances to the sweet strains of Roe Coletta and his orchestra.

Chaperones for the dance will be Dr. and Mrs. Walter Hullihen; Dean and Mrs. O. E. Dutton; Colonel and Mrs. D. M. Ashbridge; and Mr. and Mrs. Charles Grubb.

In charge of arrangements for the Formal is Dave Cohen, Social Chairman of Delta Chapter, Sigma Tau Phi. Other actives aiding with the arrangements are Berry Tannen and Gilbert Spiegel, patron's tickets; Seymour Bellak, Julius Goldberg, and Herman Fishman, invitations; Byron Samonisky, finances; George Samuels, decorations; Mark Jacoby and Sol Spiller, band; Edwin Golin and Seymour Matusoff, entertainment; Harry Zutz, Morton Schulman, Stanley Bell and Herb Rubenstein, miscellaneous.

Incumbent officers of Delta Chapter are Harry Zutz, chancellor; Byron Samonisky, vice-chancellor; Morton Schulman, bursar; Eddie Golin, scribe; Walter Wworkis and Gilbert Spiegel, Student Council representatives.

## Dr. Harold Ingholt, Near East Scholar, To Speak on Bible

Dr. Harold Ingholt, internationally known authority and lecturer on the Near East, of the University of Copenhagen, Denmark and the American University at Beirut, Syria, will deliver an illustrated lecture at the University of Delaware on Monday evening, February 1, at 8 P. M.

During the present academic year, Dr. Ingholt holds the position of Lecturer in the Department of the Classics at Yale University. His lecture in Newark next week will be on the subject "Men of the Bible in the Light of Recent Excavations in the Near East."

Professor Ingholt, so many times Leach Fellow of Princeton University, Thayer Fellow of the American School of Oriental Research at Jerusalem, lecturer designate of the British Academy, London, and editor of *Berytus*, has for two decades been in intimate contact with the archaeological exploration of the ancient Near East.

At the invitation of the Committee on the History of Religion, of the American Council of Learned Societies, Professor Ingholt has consented to prepare for delivery before American academic audiences a series of popular, illustrated lectures in which the resources of his knowledge will be brought to bear upon the religion of Syria as it affects the religious development of the ancient Near East in general and the Old Testament and the period of nascent Christianity in particular.

The public is cordially invited to attend this lecture, which will be given in Room 220, University Hall.

## Honor Societies?

Elsewhere in this issue will be found a list of the new members of the campus honorary societies. We take this opportunity to congratulate those so honored. Election to the Derelicts, Blue Keys, or Spartans is proof of greater than average activity along different extra-curricular lines.

While speaking of these honor societies we would like to ask one question—Why is it that these societies have not been selected earlier than the middle of January? In previous years these societies have always been selected and tapped in during the football season.

The Student Council, which selects those to be honored, is probably right when it says that the fault lies in the campus organizations and not in the Council. It seems that all the various extra-curricular activities were asked for a list of their active members last fall, and yet, there are still some groups that have not responded. The Student Council wanted a complete record of student activities so that the societies could be selected in the fairest manner possible, therefore they waited as long as they could before compiling the points.

If the student organizations are not interested enough in having their members receive credit towards the honor societies to send the Student Council a list of members, why should the council bother to even consider these negligent groups when they are picking the Societies in future years? We might even go further and ask why the Council should even consider the organizations as active on the campus? The latter question might be thought of when appropriations are being asked for.

We hope that more interest will be shown in the Honor Societies now that they have been elected. The Student Council has finally completed its part of the deal. The rest is up to the members themselves. Remember—you must go through the tapping ceremony before you can become a member of an Honor Society.

## Robert L. Durkee Selected to Fill The Director Gap in Mitchell Hall

By Norman Bunin

Ever since the Army claimed Dr. C. R. Kase (now Capt. Kase) and later Mr. Francis X. Gallagher, the E 52 Players and all other Mitchell Hall addicts have been going about the campus rather bewilderedly, wondering where they were going to find a new director. But now the Players, et al. are happy once more; for the director's office in "The Hall" is occupied by an energetic and talented young man named Robert L. Durkee.

Mr. Durkee has been for several years head of the English department and director of dramatics at Alexis I. DuPont High School near Wilmington. But in times like these, Mr. Durkee agrees, one job is not enough for a man of his vitality. So now he commutes regularly from high school to college and back again.

The new director received his B. S. degree in 1935 from Penn State where he was an active member of the Penn State Players. While working for his M. A. at Lehigh University, Mr. Durkee helped to construct and operate the Lehigh Summer Theatre. He has directed a number of plays at the Williamsport, Pa. Community Theatre and at A. I. duPont High School. His book, "Building for Democracy," a collection of four original educational plays for high school assembly purposes, has been published and is used in many high schools throughout the country.

When interviewed by THE REVIEW, Dr. Durkee said that he was glad of the opportunity to come to Delaware because he knew of the fine reputation that Delaware's dramatic program has made in Little Theatre circles throughout the nation during the twelve years of Dr. Kase's directorship. He said that he was especially pleased with the enthusiasm for dramatics shown by many Delaware students despite the multitude of other activities and interests that result from the war and the accelerated program. "Such enthusiasm for culture and the eternal verities during this hectic period in history," said Mr. Durkee, "speaks well for the future of America."

"At this time," continued Mr. Durkee, "the College or Community Theatre has a double duty to its patrons. It must continue to provide good drama, and it must also disseminate good American propa-

ROBERT L. DURKEE

ganda." After the war, he feels that the cause of drama in America should be furthered by Federal subsidization of such established honest art theatres as Hedgerow and the Pasadena Playhouse. Thus young actors, directors, and playwrights would be given an opportunity to develop without worrying about starvation. Only then, he thinks, could American drama surpass its European heritage. However, he feels that at least one American playwright, Eugene O'Neill has already out-Ibsened Ibsen. In conclusion he said, "O'Neill is my favorite contemporary playwright because he is gutsy and American."

### Intramural Notice

Intramural boxing, wrestling, swimming, and volley ball programs will start immediately after the second half of the intramural basketball season is over.

In order to install these programs, draw up schedules, and appoint judges and referees, it is necessary that we have your entries promptly.

Entry blanks for the above activities may be obtained from the Physical Education Department. All entries must be on the proper blanks and handed in by Friday noon, February 13, to the undersigned.

Norman P. Lord

## GOLIN KWYPS

KAMPUS EDDIE

(I can't read in the daytime. I go to night school).

Diary of a student in the new University of Delaware Night School:

Dear Diary—

\*?b&@\*! Up at 4:00 P. M. today and just in time to make a 5:00 P. M. class. Could hardly keep my eyes open. Breakfast consisted of tomato juice and hot cup of beer on the run. Made me wish I could get a couple of six o'clocks. Was reported to Dean's Office for spreading a rumor that they were considering time and one-half for the night-shift. Wish I could stop yawning.

Ate a hardy lunch at 8:00 P. M. and galloped down to University Hall for my nine o'clock. Prof was late. He mumbled something about misplacing his bathrobe and couldn't make it to his room. He was confused for the rest of the period and twice attempted to write on the blackboard with his toothbrush. I think it belonged to him. Our Profs should really get more sleep. He fell asleep halfway through the period. We were very quiet so as not to disturb him. Students are sometimes thoughtful.

College Hour at 10:00 Post Mortem (I think that's what P. M. stands for. From the Latin stem of the same name). They handed us luminous attendance cards at the door. Couldn't see who gave them out but someone said it was probably an owl. Dr. Able brought down a wonderful lecturer. He spoke on the advantages of day time and we reminisced of the past days when we could romp in the sun and drink in all its miraculous deliciousness. He spoke of the proposed light-outs for the war emergency and how you wouldn't be allowed to turn a lamp off in case of an air-raid. We were frightened. I tried to turn in two attendance cards—one for a Fraternity brother—but discovered that it was really an owl at the door. Must have been. I got two clawmarks on the back of my hand. I don't think they had any Women's College students collecting cards. They are still running on the old day-school system.

Gym class was next on the schedule. Coach Bill Murray was so tired he couldn't drawl. The gym classes are now taking up swimming. They are teaching us the convoy system. A long line of boys swim up and down the pool while someone throws shot-puts at them. If they break your backbone, you're sunk and have to leave the pool. I was tired when I reached my morning class (1:00 A. M.). Didn't get a chance to stop in Deer Park before they closed. Don't know why they can't institute a round-the-clock schedule. Must remember to speak to the Governor about it.

Supper wasn't too tasty. Some guy kept staring at me and I couldn't eat. Must have been a draftboard member. I held up my Enlisted Reserve Corps card but he only sat there with that "I'll come to get you" gleam in his eyes. I gleamed back at him and felt much better.

Got back to the Frat house at 4:00 A. M. and was in bed by seven. Wonder if I'll get a chance to see the sun tomorrow?

## the FIGHTING DELAWARE boys

From North Africa, we received word from several University of Delaware grads who are doing their bit to help the inevitable victory. From Lieutenant William K. Richardson comes the following note:

"The climate in Africa is more conducive to healthful living than that of England at the present time. I hope to be home by next Christmas to tell of my many experiences that censorship regulations do not permit at this time."

# Hen Scratches

DOUGHERTY AND PIPER

Starting out on the brighter side of the ledger it is worthwhile to note that the Hens' first intercollegiate wrestling meet was a field day for Laurelli and his matmen. The usual plaudits go to Willie for his lightning dispatch of the victim and the same to Lucas who bested the cream of the Loyola crop.

Swarthmore's tank team proved a soft touch Saturday as the Hens opened their schedule with a 50-22 victory. Dippy, Garet distance man, was the only swimmer who looked like a member of the team that swamped the Blue and Gold in their opener last season.

Delaware's times were for the most part on the slow side, although Bob Bush, having equaled the 150 record, is a cinch to break it at the next crack. With the sprinters and backstrokers as the only strong features, mentor Shields may pit his charges against LaSalle some time this week. Having postponed a previous engagement, the Explorers can turn plenty of steam on the Hens with Win Brady, a breastroker who once swam for the Hens, and Gehlhaus, a diver.

The Spirit is Willing,  
But the Flesh is Weak . . .

Delaware basketball followers who have stuck with the mediocre Hen teams in Taylor Gym, now standing like an antiquated, wornout work-horse in the shadow of the spacious Field House, brightened considerably with the appearance of the arched structure. To Joe Fan it brought a message of hope, for how could any team miss with a floor such as that?

The opener against Rutgers, augmented that hope for a successful year, for Rutgers is just about the class of Delaware's seasonal opposition. But the Hen cagers went progressively downward, their discouraging loss to a third rate West Chester quint being the low point of five more setbacks.

And so, if Joe is the natural fan, he will have tossed up his hands in despair, saying: "Somebody else take 'em, I don't want that bunch!"

For Joe had followed a crack football team and a quintet which hasn't won in six starts provided a hard pill to swallow. But consider two things, Joe. First, the boys on the floor in Delaware uniforms are the pick of the school, unless Messrs. Adkins and Prince passed up several ringers in their survey, which is un-

## Delaware Wrestling Squad Trounces Loyola Greyhounds By 25 - 11 Count

Coach Bill (Shack) Martin's wrestlers opened their official wrestling season, meeting the grapplers representing Loyola College on the Greyhound mats last Friday night. The Hens came through in fine fashion by trouncing the Greyhounds soundly, 25-11.

After half the bouts had been decided and Loyola was out in front 11-5, the Blue Hens scored falls in the four remaining bouts to conquer their opponents easily.

Results—  
121-pound class—Pinckney, Delaware, defeated McDonald, Loyola, on a fall in one minute, 58 seconds of second period.

126-pound class—O'Hara, Loyola, won 5-4 decision over Wilson, Delaware.

136-pound class—Krieger, Loyola, won 8-0 over Tawes, Delaware.

likely. Secondly, Joe when the head men of the nation tell us to take the good with the bad, that goes for everything, even sports.

So give them a break, Joe. Get behind them when they come home again on the 28th to meet Drexel. Win, lose, or draw, they're our athletic representatives. Remember that, Joe.

Cheers for Lord . . .

Coach "Buddy" Lord has popped up with one of the best ideas of the year. After the second half of intra-mural basketball is over the department will sponsor boxing, swimming, wrestling, and volleyball on the same basis. Willie Laurelli will handle all boxing and wrestling applications—Lord the remaining two. Mightn't be a bad idea to plan to have the boxing final as a well arranged bout in the Field House.

145-pound class—Anderson, Loyola, won over Duffy, Delaware, on a fall in 1:21 of first period.

155-pound class—Waller, Delaware, won over Baker, Loyola, on a fall in 34 seconds of third period.

165-pound class—Laurelli, Delaware (captain), won over Rathell, Loyola, on a fall in 51 seconds of first period.

175-pound class—Lucas, Delaware, won over Smith, Loyola, on a fall in 2:15 of third period.

Unlimited class—Campbell, Delaware, won over Halls, Loyola, on a fall in 1:08 of third period.

### Social Calendar

Week of January 24:

Tuesday: Basketball, P. M. C., Away

Thursday: Basketball, Drexel, Field House  
Phi Kappa Phi Meeting, 4:00 p.m.

Friday: W.A.A. Recreation Evening, Gymnasium

Saturday: Sigma Tau Phi Formal, Old College, 8-12

Week of January 31:

Monday: Dr. H. Ingholt Lecture, 8:15 p.m.

Tuesday: Basketball, W.C.T.C., Away  
Art Club Meeting, 8:30 p.m.

Thursday: A.S.M.E. Meeting  
Evans Hall, Room 308

Friday: Community Concert,  
Mitchell Hall, 8:15 p.m.

Saturday: Basketball, Western Maryland, Field House  
Sigma Nu Formal, Old College, 8-12  
Swimming, Loyola, Away  
Wrestling, Loyola, Away

## Blue Hen Cagemen Drop Two Contests In Southern Trip

The week-end southern basketball trip proved disastrous for the Blue Hen courtmen as they dropped two Mason-Dixon Conference games. Friday night Delaware went down to defeat by a 61-42 score at the hands of Loyola College of Baltimore, the game being played on the Greyhounds' floor. The other contest was dropped by a 34-25 score to the Yellowjackets of Randolph-Macon at Ashland, Va., on Saturday night.

In the Loyola game the Greyhounds were behind but once during the contest, the Hens holding an 11-10 edge after six minutes of playing time had elapsed. Barney Goldberg paced the Greyhound attack with 23 points while Dickey Reed was high man for Delaware with 9 points.

Against Randolph-Macon it was an entirely different story for the Hens battled the Yellowjackets on even terms throughout. Delaware twice tied the score in the final half but finally succumbed to the

Jacket's surging drive in the closing minutes. The Blue Hens lost this game at the foul mark converting only five three throws while Randolph-Macon was successful on 16 attempts. The Hens led the Yellowjackets 10-9 in action shots.

Delaware has now dropped six games in a row. The Hens travel to Chester tonight to meet P. M. C. and entertain the Drexel Dragons in the field house Thursday night.

## Easy Victory Over Garnet Mermen Opens Tank Season

Delaware's tankmen opened their season in an auspicious manner as Coach Joe Shield's boys splashed to an easy 50-22 victory over Swarthmore College, Saturday afternoon in Taylor Pool.

In capturing six of nine events the Hens convinced those who attended the meet that Delaware is again being represented in the aquatic sport by a traditionally strong team.

Dipp of the Garnet was the star individual performer of the meet, (Continued on page 4)

BELL SYSTEM

Symbol of Service

... in peace and war

This emblem is familiar throughout the nation as the symbol of a well-trained team, integrated for service in peace or war—The Bell Telephone System.

1. American Telephone & Telegraph Co. coordinates all Bell System activities.
2. Twenty-one Associated Companies provide telephone service in their own territories.
3. The Long Lines Department of A. T. & T. handles long distance and overseas calls.
4. Bell Telephone Laboratories carries on scientific research and development.
5. Western Electric Co. is the manufacturing, purchasing and distributing unit.

The benefits of the nation-wide service provided by these companies are never so clear as in time of war.

WAR CALLS COME FIRST

### Aggie News

By JIM WALTER

The first Aggie Club Dinner Meeting of the new semester was held last Tuesday evening in Old College. Most of the Faculty Associate Members were not able to attend because of a conflicting meeting. However, Doctor Manns was kind enough to provide entertainment for the club by showing a remarkable colored film which pictured natural supplies of rubber along the Amazon River in South America. At present the only method by which the rubber material can be extracted from this inaccessible area is by

airplane. Doctor Manns emphasized the fact that there would be and are wonderful possibilities for young men to get in on the ground floor down there in South America.

The rest of the meeting dealt with the election of two new club officers. Bob Schabinger was elected Treasurer in place of Jim Baxter, who left school; and Frank Boys was elected 2nd Vice President to fill the place of Cecil Carpenter, who also left school.

The club members decided to postpone plans for an April picnic at the College Farm until a later meeting. The members will then decide (weather permitting) whether or not it would be advisable.

China in her war with Japan has lost, in killed and wounded, about as many soldiers as the total population of Texas.

More than 500 students at Washington State college worked in the nearby apple orchards during the harvest.

#### Swimmers Win 1st Meet

(Continued from page 3)

accounting for ten points by copying the 220-yard and 440-yard free style events. Bob Cofer of the Hens paced the local team by taking a first and second in the 50 and 100-

yard freestyle respectively, and anchoring the victorious medley relay.

Other Delaware victories were registered by Capt. Joe Jarrell in the 50-yard freestyle, Jack Dougherty in the 200-yard breast stroke, Dick Althouse in the diving and Bob Bush in the 150-yard back stroke. Bush incidentally equaled the Delaware College record of 1:47

in the 150-yard back stroke event, a mark previously set by Dave Funk of the championship 1940-41 team.

**Y**OUR Army has scores of jobs in the WAAC for alert college women . . . jobs vital to the war . . . jobs that will train you for interesting new careers in the post-war world. And here is good news indeed — you may enroll now in the fast-growing WAAC and be placed on inactive duty until the school year ends. Then you will be subject to call for duty with this splendid women's corps and be launched upon an adventure such as no previous generation has known.

New horizons . . . new places and people . . . interesting, practical experience with good pay . . . and, above all, a real opportunity to help your country by doing essential military work for the U. S. Army that frees a soldier for combat duty. These are among many reasons why thousands of American women are responding to the Army's need.

You will receive valuable training which may fit you for many of the new careers which are opening to women, and full Army pay while doing so. And by joining now you will have excellent chances for quick advancement for, as the WAAC expands, many more officers are needed. Every member—regardless of race, color or creed—has equal opportunity and is encouraged to compete for selection to Officer Candidate School. If qualified, you may obtain a commission in 12 weeks after beginning basic training.

Go to your WAAC Faculty Adviser for further information on the list of openings, pay, and promotions. Or inquire at any U. S. Army Recruiting and Induction Station.
