

# John Quinlan Breaks Record In 13-Mile Walk To Wilmington

## Bettors Old Record By 32 Minutes

Freshman John Quinlan of Newport, Delaware, a 1952 Salesianum graduate, won the 1953 renewal of the Wilmington Walkathon in the record time of one hour 50 minutes. This bettered the old time of 2 hours and 22 minutes by 32 minutes. The event was held last Saturday over a thirteen mile course from the Old College gate to the B & O station in Wilmington.

John beat out senior Sid Balick, who placed second, by 14 minutes. Sid also broke the ten year old record by finishing in 2 hours and 4 minutes, and in so doing sliced 18 minutes off the record set by Leon Heck, Jr. and Howard Smith in 1943.

At the time that Heck and Smith "walked" the distance in 2 hours and 22 minutes, they too broke a record. They competed against the record of 2 hours and 45 minutes set in 1903 by Charles Bush, now Director of Admissions here at Delaware.

On the post at the gate in front of Old College there hung a sign which read, "1903—Bush; 1943—Heck & Smith; 1953??—Wilmington or Bust!" The unusual thing is that no one had to "bust", for all of the 12 starters finished the race!

The five coeds who entered, all freshmen from Windsor Hall, were the first women to take part in the event, and in so doing, they set a record for women. The coeds, Lyn Brandschain, Penny Ernest, Barbara Sobocinski, Lois Brunkhorst, and Phoebe Adams, all came across the finish line in the same time: 2 hours and 58 minutes.

The contestants began at 10:15 a. m. last Saturday morning from the gate in front of Old College, followed the Commuters Highway to Wilmington, then Union Street to Pennsylvania Avenue, to DuPont Street, to the B & O Station.

Two contestants, Charlie Sullivan and Marty Apostolico did not start at the prescribed time. The two junior football players were the first two entrants to sign up for the "walk" soon after the announcement of the event in the Review a few weeks ago. They began at 8 a. m. and finished in 2 hours and 9 minutes, but because they did not start with the rest of the contestants their pictures and times as compared with the others "were not accounted for" in the 10:15 contest.

Mary Balick, features Editor of the Review, acted as official starter and time keeper. At the finish line, each one coming in was interviewed as follows, in the order that they finished.

**John Quinlan:** When asked how he felt, replied "Tired."

"How did you pace yourself, John?"

"I trotted most of the way, and walked up the hills."

"When did you pull ahead of the (Continued on Page 8)

## Marjorie Brennan Represents School In Washington Fete

### Commuters Back Cherry Blossom Princess Winner

"The most important thing of all is that I want to thank the students for making this opportunity possible. I hope I'll make them proud of me while I'm down there in Washington" were the words of Margie Brennan, the newly elected Cherry Blossom Princess.

Since 4 p. m. on Friday, when she was notified of her election, Margie and the whole Brennan household have been in a constant whirl of excitement. At 4:30 that same afternoon WAMS, a Wilmington radio station, made a recording of her voice over the phone. Two hours later, Margie was rushed to the WDEL television station to make a TV appearance with Jane, her sister, who is a junior at the U. of D. After this, the telegrams began arriving. All came at different times, making the whole situation more exciting. Telegrams were received from all the former princesses plus a very important one from the Governor himself.

Saturday morning was spent in posing for the photographers and in making another phone recording for the WDEL newscast at 11 p. m. that night. Plans were made to talk with Mr. Clause and Mr. Woodruff on Tuesday about getting the wardrobe and about the Washington trip. The rest of the weekend was spent in a general state of dither with many phone calls of congratulations and good wishes. "It was just as though an electric shock had gone through the whole household" said Margie. From the author's point of view, this is just the beginning of the excitement for this very lovely, unaffected girl.

Margie has blue eyes, naturally wavy brown hair, and fair complexion. She is five feet, eight inches tall and weighs 128 pounds. This first senior to become Cherry (Continued on Page 6)

## Semi-Formal Dance Opens Women's Weekend Festivities

### Parties Planned For Saturday, Sunday

Women's Weekend will officially begin Friday night, March 21, with a semi-formal dance which will be held at the Field House. Parties are being planned for Saturday night by the different women's dormitories. Sunday afternoon there will be varied parties including treasure and scavenger hunts, and the weekend will close with Sunday night buffet suppers.

The dance Friday night will be from 9 until 1 o'clock with music furnished by the Deimelodians. The theme of the dance will be "The Garden of the Gods", and the atmosphere will be created by decorations consisting of statues of the gods and goddesses. All escorts will be presented with favors at the door and free refreshments will be served during the evening.

## Petitions For Class And SGA Officers Are Due March 17

Petitions for all SGA and class offices (except Freshmen) are due by Tuesday noon, March 17. In the elections to be held on April 3, the offices of president, vice-president, secretary and treasurer of the Sophomore, Junior and Senior classes plus the SGA positions of the president, vice-president, recording secretary, corresponding secretary, treasurer, chairman of men's affairs, chairman of women's affairs, chairman of the social committee, one representative from the school of engineering, education, agriculture and home economics, and two representatives from the school of arts and science, will be filled.

Petition blanks are available in the office of the Review at this time. When completed, these petitions should either be given personally to Lem Lilleht or placed in the basket marked "Special" in the Review office.

The following are stipulations in the constitution of the Student Government Association that pertain to the election:

1. Any student nominated for a class office (example-Junior class) shall have completed, by the end of the first semester of the year previous to the class he is a candidate for (example—end of first semester of Sophomore year) the number of credit hours required by the school in which he is registered.
2. The records of the Registrar shall be the only records used in determining the eligibility of each candidate.
3. A student can be a candidate for only one office at any election.
4. All candidates for office shall have a cumulative scholastic index of 2.00.
5. Nominations for all SGA and class officers shall be by petition carrying twenty-five signatures of the members of the group represented by the nominee.
6. Write-in votes are legal under the SGA constitution.

Saturday evening the three freshmen dorms, Windsor, Eton, and Hanover, will combine for a party which will be held at Old College and will feature a combo. Warner Hall plans to have an informal party with the theme a Fair or Carnival. Other form arrangements include dancing, card playing, and short, original skits. Many dorms have activities planned for Sunday and each form is planning its own entertainment and program for the entire weekend.

The committee chairmen for the affair include: Joan Greenfield, dance; Jacqueline Hackett and Elsa Milby, decorations; Joanna Conaway, Nancy Browning, and Rae Priestly, programs and chaperones; Carolyn Welmer and Mary Kaleel, publicity; Joan Patterson and Mary Larkin, tickets; Pat Collins and Jane Brennan, invitations; Mildred Blaine and Mary Ann Lindale, special arrangements.

## Annual Children's Theatre Production Rehearsals Begin

Rehearsals will begin next week for "Cinderella," the play chosen for the sixth annual Children's Theatre Tour. This is presented by the E-52 Players and the Department of Dramatic Arts and Speech under the able direction of Dr. C. Robert Kase. The thespians will be traveling for four days on an extensive tour downstate, during which they will perform in approximately ten different high schools. This year, the Players are fortunate to be asked to perform at the Playhouse in Wilmington for two shows.

Due to the possibility of accident of illness in the cast, the Players will include three understudies in their company, who also will be provided an opportunity to act in plays on tour. The Players even held tryouts for one understudy, which was unusual but, in this case, necessary.

The cast for "Cinderella" consists of the following:

Stepmother	Barbara Baker
First Sister	Ann Armstrong
Cinderella	Irene Klahr
Fairy Godmother	Ellen Ungerleider
Prince Charming	Howard Seebach
Lord Chamberlain	Ed Phillips
Herald	Jim Sabo
Understudies:	Jerry Dye, Gertrude Tierney, Jim Sabo.

## AICHE Student Chapters Hold Regional Conclave

The student chapters of the AICHE will hold their regional convention here at the University of Delaware on Saturday, March 28. Twelve colleges and universities will be represented at this convention, and approximately one hundred and fifty student members are expected.

## Of This 'n' That

Congratulations to Margie Brennan for being chosen Cherry Blossom Princess — and to the students for having such good taste in choosing her. We are lucky to have a princess whose good looks are matched by such a sparkling personality.

We wish her the best of luck in the festival. The university and the state are sure of a fine representative. And if that wheel of fortune doesn't turn her way, we just might have to accuse it of poor taste!

We were also very glad to notice the group which sponsored Margie—the women commuters. We saw by the story in last week's REVIEW that they are organizing and we wish them much success. Three girls were behind the formation of this organization: Cincy Fiery, Kay Knighton and Carrie Weimer. This group can do a lot for the commuters and the school. Hope they have as much success in the rest of their projects!

Why don't some enterprising male travellers get together and do the same?

The fabulous walking race is over. Congratulations to the winner, John Quinlan, and to the other nine contestants for a valiant effort.

Mary Balick, feature editor, of the REVIEW, was the man behind the scenes who organized the whole thing. Some of the contestants, suffering from sore legs, must wonder why he even bothered. Seriously, Mary did a good job, and a lot of fun was had by all.

We were out of town and missed the whole thing, but it must have been pretty hilarious. When Bill Reed (two dollar show bet paid long-shot odds of \$14.40) was asked by the press for a statement at the end of the race, he said he probably would have won except that he had to turn around near Delaware Park and go back for his books. Sid Balick (place—\$8.80 and \$5.50) probably spent too much time posing for pictures and accepting cokes to win. Quinlan set a blistering pace in breaking the record—maybe Coach Steers should get this boy interested in cross-country.

As for the fillies in the race, they were definitely long shots but managed to finish in a photo dead heat—and the most pleasing photo of them all.

A few contestants started before the official starting time, but have not been heard from as this is written. If not found in three days, a search party will be sent out.

We noticed this little note in the "Miscellany" column of TIME last week. You might consider it the next time you get peeved at a big truck on the road. This sign was on the back of a tractor trailer:

**THIS TRUCK HAS BEEN IN EIGHT ACCIDENTS  
AND HASN'T LOST ANY OF THEM**

Now with the Cherry Blossom Princess duly chosen, we have other similar decisions to make—the time is coming up to choose participants in the May Court. It's just one decision after another—and so enjoyable.

And speaking of important decisions, this is reproduced from the DELAWARE COLLEGE REVIEW, vintage 1903. The question was asked, "What do you find to be the hardest problem of your existence?" Either problems were harder to come by in those days or this was a particularly tired individual. The answer given was "Getting my own consent to crawl out of a warm bed on a cold morning." We have observed that the modern student has completely licked this problem — he usually stays in bed.

In closing, here are two suggestions.

1. How about something being done about the driveway into Cannon and New Castle? People keep asking us to do something. We realize that there is a lot of construction going on back there, but it seems a bit of temporary fixing could be done for the girls and their parents.

2. With all the Queens being selected, how about the girls getting on the ball and electing a King of Womens' Weekend?

## Letters To Editor

On the assumption that the only way to get a Student Center is by working for it, we are writing this letter. In the last two issues of *The Review*, we mentioned an active campaign to get results. This program consists mainly of plans for a Spring Street Carnival to be held on May 9. Full details will be given later to each S.G.A.-subsidized club and organization in a letter. Every member of the undergraduate body will be called upon to support this effort in some working way. We are hoping to enlist the support of the alumns, administration, and even the Board of Trustees, if they so desire.

Tentative plans include a group of booths on campus with various, and, we think, interesting wares. We want to make this a big affair, and have culled many great ideas from other universities, including a suggestion for a dance in the streets. This is a rough sketch, but the purpose of the Carnival is to unify all elements of University life into one dynamic drive to get our long-overdue Student Center. We firmly believe that this Center is now the most vital addition to the University, including all phases of our Student, Faculty, and Alumni activities. If you who read this letter feel the same way, we expect you to back this enterprise to the utmost of your ability. Remember the trite but very telling adage that this affair will only be as good as YOU are willing to make it.

The SGA Account now holds \$1428.91 and the Social Fund holds \$2004.22. The Sinking Fund has a balance of \$10,000 which is being invested into government bonds.

Jim Allen of the University Religious Council was present to state their problem of a deficit for the year, but in 1947 a faculty resolution was made that money from student activities fees cannot be allocated to religious organizations. A discussion was held as to where the Council might obtain the needed funds.

# The Educated and the Intellectual

EVELYN HOLST CLIFT

Since most of us have a pet theme, we welcome the opportunity given us by the *Review's* practice of guest editorials to address ourselves to the whole student body.

My contention is that our universities need to adopt a more mature attitude toward intellectual matters. That students dutifully sit through a required number of courses, at least partially prepare assignments, and acquire a degree after four years is not the purpose of a University. Nor is its purpose to offer a full social life, a rich program of extracurricular "activities," although that often seems to be the emphasis in many universities. Least of all would many of us support the popular notion that university education is a great levelling process. The phrase "democratic way of life" is so often loosely misused to signify this conception of the aim of education. The founders of our government would recognize the doctrine of equal opportunity for all, but would undoubtedly be aghast at the prevailing modern idea that everyone must conform to the average, be one of the crowd, above all treat all serious matters with studied levity so as not to appear different or peculiar. A democracy requires leaders, and where else should they be trained but in the universities? Not, however, in universities where the atmosphere is merely a continuation of attitudes formed in the adolescent secondary schools.

This does not mean that students should always discuss Kafka, at breakfast, modern art at lunch, and the experimental little theatre at dinner; in other words, I am not proposing the sham and flummery of intellectual snobbery. Years ago Gilbert and Sullivan in their operetta *Patience* mocked that pseudo-intellectualism with the ditty:

"If you're anxious to shine in the high aesthetic line as a man of culture rare,

You must get up all the germs of the transcendental terms, and plant them everywhere.

You must lie upon the daisies and discourse in novel phrases of your complicated state of mind.

The meaning doesn't matter if it's only idle chatter of a transcendental kind."

Not ivory-tower intellectuals, then, nor the hot-house variety, should be the end products of a true university, but adult men and women with well-developed minds and the courage to uphold their conviction that intelligent thinking is the proper realization of man's capacities and the proper aim of education. If such an attitude were assiduously cultivated throughout the student group, our universities would grow up and take their rightful place as the training ground for leadership in a democracy.

Newly commissioned Ensigns Parke Perine, ex-OX and Dick Burton, Delt of '51, have wended their ways to Chadds Ford, haven for Udell Grads. "Bino" Burton is the lad who originated the *Review* column, that sneaks up behind unsuspecting Undergrads, "Neath the Arches." Parke, on his way to California to an LST, wandered around the Scrounge, his right hand limp from handshaking. Don't weary that hand too much, Undergrads, the ex-E52er has got to be able to use it to show his appreciation for "Bloomer Girl" which he has promised to grace with his presence.

James Short, familiarly known as "Gym" Short, is now stationed at Wilmington, North Carolina, with the Coast Guard. This Phi Kappa Tau of '52 is on his way to Alaska. Looking for an Eskimo gal, Sailor?

Jim Neal, a Pike of '50, is now working in McKeesport, just outside Pittsburgh. He draws a check from duPont as a Resident Inspector. Whacha inspectin', boy?

Nancy Schnabel is leaving the show, "Glad Tidings" on March 14. She has been with the show for about thirty weeks but has decided to become a Catholic and now feels that the performance is not in harmony with her religious principles.

As we said a few weeks ago, Bill Hearn is still footloose and fancy-free. He was at the Chadds Ford party last Saturday eve . . . alone.

Al Loomis and Carl John were among the gang that travelled north for the skiing recently. Most of the group has happy memories, Al has an injured knee. We'll have to find a pretty nurse to comfort him. Any volunteers?

A Snake of last year, evidently a lad with a taste for other fellows' girls, has promised to stop "Bird-dogging." This is a reason though. Jack Thompson, now employed by

the Armstrong Cork Company in Buffalo, N. Y., is about to take the fatal step and take on a Mrs. Congratulations, Jack. Your brothers are breathing a sigh of relief.

A certain ex-North Campus frat man is meeting the six o'clock train to Washington on Sunday evenings and introducing the gal who's aboard as his wife, which she ain't! Is this all a joke, Mr. X, or is it wishful thinking?

The University of Delaware's 35 voice A Capella Choir and its brass sextet made its annual visit to Kent and Sussex Counties. Mr. Floyd T. Hart, state director of music education, and Mr. Anthony J. From the 1949 editorials of the *Review*, it was discovered that some people were disgusted with the Commuters' Room as it was at that time. A new Commuters' Room was opened in the basement of the Memorial Library. Student Radio Station

Ham On The Menu

Should your radio suddenly emit noises resembling the nasal exclamations of some fellow student, don't take the oath—merely draw the conclusion that our campus at last has a broadcasting station of its own. This thought is by no means a pipe dream, for a sub-committee of the S.G.A., under the direction of chairman Warren Beh, is seriously exploring it and expresses hopes of presenting the plan before the students in May.

Project Problems

There are at present two major problems attached to such a project—the technical aspect and finance. The Radio Station Committee in its still general plans intends to master the former via Delaware students possessing previous radio training plus occasional outside consultation. Actually, this is a rather significant difficulty because of FCC restrictions and the usual complexities associated with an undertaking of this nature. The committee's tentative plans about financing the project consists of three parts: a grant to cover the initial cost, income from advertising from local merchants, and national advertising obtained through a hook-up with Eastern States—a firm which handles this for college stations.

At the present, the possibility of operating the station through the university's power lines is being considered. This would necessitate connecting the student's radio and the transmitter by a university line. The chief problem with this method is the restriction of the radiation—the issuing of the radio signal away from the power line. If the radiation is limited to certain bounds, an FCC license is not necessary; only the call letters have to be registered.

Why It's Worthwhile

A student-owned, student-operated radio station is of definite benefit to any university. As with any extracurricular activity, those who receive the most from it are those who actually participate in it. This is especially true with a radio station. The non-participant has much to receive from such an addition, also. Music is an important part of the schedule of any station. This could range from campus "live" programs and student disc-jockeys to reception of FM broadcasts. Current events, consisting of campus news as well as world happenings, could be delivered to the campus. Educational broadcasts such as panel discussions and messages by faculty members are definite possibilities. Out-of-town sports events could be brought to the student's room through a college station. Student organizations sponsoring plays, dances, membership drives, etc., would have access to a form of advertisement much more effective than any hastily-sketched poster or unintelligible public address announcement. A small but potentially important feature is the fact that any sudden or important change in any phase of campus life could be quickly circulated among the student body.

Extremely helpful have been the enthusiastic responses received when questionnaires were sent to staffs of other college radio stations. From their replies, many problems and their solutions are much easily seen. Organization, operation, finance, and local situations were the principal divisions of the questionnaires.

Analysis Of Other Stations

Nearly all of the stations that were contacted have started operation since the war. One year is the average length of the period of organization. Most of the stations began with a staff of ten to twenty and have since increased in size from two to four times. It seems that these staffs were chosen on the basis of interest rather than training. It was found that training followed easily where interest existed. Some stations are coupled with a department, such as dramatic arts.

As to the actual operation of these stations, 80% have a broadcasting radius restricted to the limits of the college. The system of programs consists of mostly music, news broadcasts, sports events, campus activities, panel discussions, and dramatic presentations. Nearly all of these stations transmit by using the university power line. Two items of equipment which other college stations found invaluable were wire recorders (for off-campus happenings) and wire service machines (for global news).

Over one-half of the stations contacted received a student government grant enabling them to cover the initial expense. The remainder received a grant or fund of a similar nature. Generally, the college stations remained self-subsisting once they were started. The actual profitableness seemed to vary with the size of the city. Where the college was located in a large city, the student expenditures comprised an insignificant percentage of the total sales volume of the merchants. In such cases, local advertising produced little income. In smaller cities and towns, the dollars of the students were proportionally larger, with respect to the gross income as a whole. Colleges in this category (in which Newark might well be included) were able to obtain appreciable amounts from local advertising. National advertisements from tobacco companies and others are also used by practically all of the student networks. Apparently the size of the college is not a factor, for an institution with an overall enrollment of about two hundred was equipped with a complete and successful radio station.

When the committee has completed the investigation, their findings will be presented to the students through the Review and a college hour. W. G. D.

Two University Choral Groups Present Concerts

Members of two of the University Choral groups under the direction of Marvin R. Fennema, Department of Music, are rehearsing for off-campus concerts this week-end.

The University Men's Chorus will join with the Orpheus Male Glee Club of Wilmington in a program of Sacred Music at 7:45 on Sunday evening, March 15th at the

Activities, Activities, We love you true, Activities! (All together now, class, the new school song . . . Oh Tannenbaum) Well back to the story.

Scabbard and Blade held the first of their annual parties at the Officers Club at the Air Base. Tex Williams created a small riot when he sang "Deep in the Heart of Texas." Seems Texas was well represented and all Texans stand when they hear this little ditty. Non-Texans present: Fergie and Don Vane, Nancy Waples and Dick Draper, Art Vandepoele and his fiancée, and the Stout Twins and Dates.

The Delt party featured raspberry punch. Just loaded with plenty of nothing. Bill Harkins and Gerry Dye dropped in from up the street. And strangely enough a few Delts were present amongst them, (Oh Freshman English what happened to youse?) and to make them happy we will now mention a few of the names: Dick Chilcutt and Jackie Burns, Mary Larkin and John Schuermann, Ted Sandstrom and Jean Durgin.

Phi Tau had an unusual idea for a party, the guests had to draw a picture to get in. Bill Shaw and Betty Menges won the prize for the best bit of art work. Ronnie Watson and Carol St. John, Dick Harper and Anita Irion, Jim Glick and Joann Hynson, John Fernandez and Lois West all contributed to the Phi Tau Art Gallery.

Chadds Ford: Howard Seebach and Norma Levine, Tony and Fran-nie, Parke Perine and Janet Kennedy, Perry Caldwell and Nan Gast, (Parke & Perry are now Officers and Gentlemen By Act of Congress in the US Navy), Dick Burton and Carolyn Deckerson (Dick is another former ARCHES writer), Sally Schwartz and Ralph Keil, Spen Hedger and Jack France tagging it.

Hill Top: Sipping the grape and wooing the muse: Jim Hoey and Peggy Tigie, Gail Conway and Pete Runkle, Jack Ryan and

Franny Di Roeco, Joan Hayes and Jim Roberts.

Fire Devastates North Hall in Antioch's Worst Blaze

Antioch's century old North Hall was gutted by flames in the worst fire in Antioch's 100-year history. All 99 girls were forced to flee, but they were housed within 24 hours. The building was virtually destroyed with estimated loss in the neighborhood of a half-million dollars.

It is believed that the fire might have been caused by faulty electrical wiring. The firemen's main problem was the tin roof, which kept the fire bottled up, making it impossible for firemen to get into the attic to combat the flames.

TEMPLE UNIVERSITY Dance Contest Slated

The Women's Athletic Association is sponsoring a dance contest. The dance will have professional judges to select the best dancers of the waltz, jitterbug, rumba, and others.

Silver cups will be awarded to the best dancer in each division, and a large gold trophy will be presented to the best couple of the evening.

Freshmen Elect Class Officers

Freshman class officers chosen in the recent election were Stanley Lowicki, President; Jacqueline Hackett, Vice-President; Paul Braungart, Secretary; and William Hamaker, Treasurer. SGA President Bill Nicholl presided at the March 4 meeting, during which a total of 280 votes were cast.

Stan, a native of Wilmington, came to Delaware from Wilmington High School, where he held the office of President of the Student Council. As a senior he was Attorney General of Boys' State, and he received the American Legion Award for scholarship. Stan is a major in history, a member of the Law Club, and a pledge of the Kappa Alpha fraternity.

Jackie Hackett was co-chairman of the freshman class before the regular election, continuing the leadership she displayed at Dover High School, where she was Senior Class President, twice president of the Leader Corps, and a member of the National Honor Society. In her junior year at Dover, she was Girls' Nation representative for Delaware and served as Governor of Girl's State. Her various activities at Delaware include Head of House for Hanover Hall, Women's Affairs representative, and

Secretary Paul Braungart hails from Catonsville, Maryland, and attended Loyola High School in Baltimore, where he made an outstanding record in athletics, being named to All-State and All-Catholic honors in football in his senior year. He was also active in club activities of the school. A pledge to the Theta Chi Fraternity, he played freshman football for Delaware and is a candidate for the lacrosse team.

Bill Hamaker, a graduate of Wilmington High School, was recently recommended for appointment to the U. S. Military Academy at West Point. A member of the National Honor Society in high school, Bill is majoring in mechanical engineering.

The winter sports season has drawn to a successful conclusion. Coach Fred Emmerson's dribblers posted an impressive 18-7 ledger; Coach Harry Rawstrom's swimmers stroked their way to an 8-1 record; and Coach "Whitey" Burnham's grapplers fought to a 6-2 log. Taken as a whole, a 32-10 record was made this winter for the three sports, which totals a 76 per cent of wins.

During this past basketball season many records were broken and set. New marks were set in free throws attempted and made, most games won in one year, most consecutive games won at home, most points in one game, and "Skip" Crawford established a new high for individual scoring in one season, caging 515 points. Not to be overlooked is the outstanding 13-2 record turned in by Coach Irv Wisniewski's freshmen cagers. Several of these players will be welcome additions to the varsity. Next year's competition for positions on the starting five next year will be strong as this year's squad is left intact for next season. However, the major accomplishment of the Blue and Gold this season was the winning of the Middle Atlantic Conference Championship for the second consecutive year. Even though the Hens recorded a 9-1 mark in M.A.C. play, conference opponents provided stiff opposition in a number of games.

In last Saturday's M.A.C.W.A. wrestling championship, Captain Tom Schultz retained his heavyweight crown while Don Rumer grabbed a second in the 130 lb. class. Gene Holland won a third place while Jerry Angulo, Vince Stallone, and Charlie Rodriguez each won a fourth place. Graduation will take the service of Schultz, Rumer, and Rodriguez from next year's squad. However, Rizzi, Provost, McCafferty, and Boyd from this year's freshman squad will take up the slack for next year.

Coach Harry Rawstrom's mermen are still active, and about twelve swimmers will participate in the ECSA Championships tomorrow which are being held at N.Y.U. Last Saturday the swimming squad placed second to Lehigh at the MACSA championship. Charlie Presnell retained his M.A.C. Diving championship, and the 300 yard medley relay team set a new record of 3:06.8. The Charles L. Graham trophy was presented to the relay team for the victory. Victors in tomorrow's meet will compete in the EISL championship one week from tomorrow.

**Rebounds:** Bill Utt, last year's basketball captain, still has the old shooting eye . . . He and his flashy Aberdeen Proving Ground teammates downed the freshmen in a practice game several Mondays ago . . . The team included a former Princeton cage captain and a Seton Hall ace, along with several other college athletes . . . University of Delaware teams concluded the football, soccer, and wrestling seasons with wins over Bucknell . . . John Quinlan, champion marathon walker, should be a prospect for the next year's cross country. The "Hall of Fame" will initially include seventeen former U. of D. athletic greats.

### SPORT SHORTS

John Borreson

Vince "the Mattress" Stallone and Jerry Angulo co-captains of next year's wrestling team — first time grunt and groaners ever had co-captains at U. of D.

Jimmy Meyers who was supposed to play short stop for the Hen nine signed with Athletics for a reported \$1,000. He will be assigned to Williamsport, Pa., in the Class A. Inter State League. Brother Jack Meyers also a U. of D. student, struck out three in two and two thirds innings for the Phillies against the Red Sox Sunday.

Charlie Sullivan probably will be frosh line coach come fall. Steve "Stash" Butcher who putted shot 43'4" outdoors this spring.

Rumored Raymond "Skip" Crawford, Blue Hen's basketball ace, will try both football and track this spring. He took third in the broad jump Saturday in sneakers.

Frosh John Malcaly looked impressive, winning the greater mile Saturday.

If Don Miller plays baseball, he may become first three letter winner at Delaware in quite some time.

Basketball games are being played off thick and fast these days down at women's gym. Faye Green, basketball manager, says that everything seems to be going smoothly, and from all reports the players are having a really good time. Cannon has forged out in front of the pack and leads by the comfortable score of six points. Looks like they've got a real hot team out on that ole court these days. However, Boletus and the New Castle Trotters are breathing down Cannon's neck, with scores of four points each. Next in the running come Hanover, Windsor, and Warner I with two points each. The tournament is still in its early stages, so anyone can still have a good chance for the championship. Let's see a few more spectators there to cheer on the various teams. Good luck to all, and may the best team win!

Well, gang, we finally have a badminton finalist. Yep, Mary Brown has definitely won the badminton singles tournament. Congratulations, Mary!! However, the doubles tournament is still "on the road." Joan Greenfield and Nancy Goyno are ahead and waiting for another playoff in order to play the championship match. We're sure to have the winner in the near future, so keep posted.

Ann Colona and Nancy Goyno are co-chairmen of the May Day festivities coming up. They have taken on a big and important job, but I'm sure that you all will back them to the hilt. Help them all you can, and your biggest contribution would be to go out and be a participant for your own particular class. Come on and let down your hair! It is really just "gobs" of fun and an activity that you just can't leave college without. (Continued on Page 5)

## Pitchers Present Problem For New Baseball Mentor

New Head Baseball Coach Bob Siemen hasn't really had a look at his ball club yet because the team has been primarily confined to the Field House, but has expressed extreme pleasure with the club's hustle. The new mentor is looking forward to getting out of doors so he can have a real look at some of the men contesting for open positions. The pitching corps is probably the most questionable spot on the team.

On the hill the Hens have plenty of quantity and potentiality, but are lacking in experience.

## Hen Wrestling Squad Captures Third Place In Mid-Atlantic Championships

Track captain Don Vane is getting tips on pole vaulting from vaulters Joe Miller and John McLaughlin. Ron Watson, (second from right) looks on. Watson won the high jump and the broad jump on Delaware's win over Temple last Saturday.

## Tom Schultz Wins Heavyweight Title

Coach "Whitey" Burnham's 1952-53 wrestling squad gave the best showing a Delaware team has ever given in the Middle Atlantic Championships as they were just nosed out for second place by Lafayette in the eight team championships. Gettysburg won for the second straight year.

Captain Tom Schultz, who goes down on the books as one of Delaware's all time great wrestlers, finished his collegiate career in fine style as he won the Heavyweight Championship for the second year in a row. Schultz scored three easy wins, decisioning Ben Beattie of Swarthmore, pinning Bob Davis of Drexel and decisioning previously undefeated Ron Miller of Gettysburg in the final.

One hundred thirty pounder Don Rumer just missed a championship when he lost a 4-3 decision to Bart Capellini of Bucknell whom he had beaten the week before. Rumer scored impressive pins over Druckenmiller of Muhlenberg and Sangree of Haverford to reach the finals.

Gene Holland garnered a third for the Hens when, after dropping his first match to defending champion Bill Downing of Lafayette, he came back to pin Gordy Grottschell of Ursinus in 47 seconds which was the second fastest pin in the tourney. Holland whipped Chris Cressman of Muhlenberg to gain his third place.

Vince Stallone set a new tourney record when he pinned Muhlenberg's Al Capozzi in 28 seconds, but met a tartar in Gettysburg's Al Spangler, who was defending champion and most valuable wrestler in the tourney last year. After dropping a 5-2 decision to Spangler, Stallone pinned "Ducky" Bowen of Ursinus, but suffering from exhaustion in his third match of the afternoon, he was subdued by Hollingworth of Haverford 3-2 and came in fourth.

Jerry Angulo equaled his previous all-time total of two pins in the tourney, but a tough loss on a referee's decision to Russ Roberts of Ursinus cost him third place as he came in fourth. Angulo pinned both Hirrs of Haverford and "Birdy" Birdsall of Swarthmore.

Charlie Rodriguez, also took fourth. After being pinned by Bob Downing of Lafayette, who incidently went on to win the championship and be voted most valuable wrestler in the tourney, came through to pin Dick Gillman of Ursinus.

## Blue Hen Of The Week

This week's mythical "Blue Hen" trophy goes with absolutely no reservations to that grappler par excellence, Thomas S. Schultz, who won the Middle Atlantic Conference Heavyweight Wrestling Championship for the second straight year last week-end at Lafayette College. In his four-year career with Coach "Whitey" Burnham, Tom has compiled the superb record of thirty wins, only two losses, and one tie. What is more, the two defeats were by decisions; he has never been pinned by any of his opponents!

Tom, who graduated from Newark (yes, Delaware) High School in 1949, lost no time in getting his enviable record under way: In his campaign with the Blue Chicks he scored six consecutive pins in six matches for a perfect total of thirty out of thirty points. His first defeat came during his first season as a regular, when he dropped a close decision to the then MAC Champ, Bill Helferrich, on Feb. 13, 1951. Nevertheless, even then the formidable Blue Hen matman went on to rack up a total of six victories and one loss, including four pins of his opponents and a final point score of twenty-six out of thirty-five counters. Tom carried this winning spirit on through his junior year, as he again won six matches (this time five were by pins), dropping only one lone decision, and tied the one match of his career. His point total had increased by then to thirty out of a possible forty points, and in the Middle Atlantic eliminations of that year he won his first Conference Heavyweight Championship.

The '52-'53 slate proved to be the one in which Tom clinched his bid for all-time mat great of the U. of D. As a senior, he has won all eight of his regular season matches and has again made himself undisputed ruler of the MAC's Heavyweight Division. Tom's reputation as an opponent to be feared is not confined to Conference circles, however, for at the Fort Bliss, Texas, ROTC camp wrestling exhibitions, no competition could be found to challenge him!

Here on campus, Tom is also an active member of Sigma Nu Fraternity, a Varsity Club stalwart, one of the best discus tossers on the track team, and is engaged to Miss Thelma Gray of Newark.

Perhaps no one will feel Tom's absence next year more than Coach Burnham, who till now has been able to relax during the heavy-weight matches. Nevertheless, the high standard set by the master matman will, in all likelihood, remain untouched for a very long time to come—a thing of which we can all justly be proud.

## Delaware Trackmen Outscore Temple Owls In Practice Meet

The rapidly improving Blue Hen trackmen captured their second indoor dual practice meet last Saturday, upsetting Temple U's squad 63-50. Coach Steer's undermen came through with eight first places to the visitors' four.

Ron Watson led the Hens with winning efforts in the high and broad jumps. However, the Owls' Paul Goldberg turned in the outstanding individual performance by setting a new school record of 49 feet, nine inches in winning the shot-put event.

Delaware captured the mile and two mile events, thanks to the sparkling efforts of Roger Fouracre and Jim Glick. Fouracre took

the mile, while Glick managed to lead the field in the two mile.

### The summaries:

2-mile—Glick (D), Vane (D), Fouracre (D). Time: 10:47.5.

660-yard run—Baylis (D), Ruffin (T), McKeown (D). Time: 1:21.8.

# Many Delaware Athletes Have Achieved National Acclaim

## Univ. Establishes Own 'Hall of Fame'

How many of you here at the U. of D. know that at one time or another during the past the Blue Gold has turned out a good share of athletes who were good enough to achieve national acclaim? Sure, you've heard that Billy Cole was a great football player and that Don Swan set some kind of record in lacrosse, but 10 to 1 says you didn't know that Billy merited Honorable Mention All-America and that Don set a national record for number of goals scored in one game. Or did you know that Fred Harmer won the 440 yd. hurdles at the Penn Relays in 1922?

The purpose of all the aforesaid is not to relate some interesting facts you will soon forget. Far be it from that; it is to let you know that at last Delaware is going to establish its own "Hall of Fame" to honor these and other athletic greats in our school's history.

The special recognition planned as a tribute to their accomplishments will be a trophy case to be built in the lobby of Carpenter Field House. In the case, trophies, awards, and pictures of the university's seventeen all-time greats will be displayed. Following is a list of these former greats and the laurels that they won.

### TRACK

Those who have been most instrumental in initiating this tradition are former stars themselves. Lacrosse coach Milt Roberts, under whom some of these athletes performed, and never-to-be-forgotten former football coach Wm. Murray, whose outstanding teams built an astounding undefeated thirty-two game streak, have done much to establish this fine project. Coach

Roberts will make an appearance on WDEL-TV at 10:30 p.m. on Monday to give additional insight to the "Hall of Fame."

## Court Champs End Successful Season

The University of Delaware's Middle Atlantic basketball champions completed a very successful season last Saturday evening at Carpenter Field House, although bowing to a flashy Muhlenberg quintet, 83-72.

The Hens, although trailing most of the way from four to six points, kept the pressure on the Mules and closed the gap to 74-70 with three minutes remaining in the last quarter. Before Dick Rudolph sank three baskets to sew up the decision.

Larry Friedman, smooth-working set shot artist, led the Muhlenberg attack with 26 points. It was his timely set and drive-in shots that enabled the Allentown men to assume a 41-37 half-time score, although the Hens led at one point in the second quarter, 32-31.

For Delaware, "Skip" Crawford, Frank White, and Matt Lamkin accumulated 59 points, caging 23, 20, and 16 respectively. Crawford finished the season as Delaware's new scoring champion with 515 points for the year. In recording an 18-7 overall record, the Blue Hens set a new team scoring mark of 1830 points.

Instrumental in keeping the Hens in the contest was their amazing accuracy from the foul line. The Blue and Gold dropped 21 charity tosses, while Muhlenberg bagged only 11.

### Frosh Score Thirteenth Win

The mighty Blue Hen freshmen team completed a fine season last Saturday night with a convincing 78-60 win over Muhlenberg in Carpenter Field House. The frosh scored their thirteenth win in 15 starts. Under the tutelage of Whiz Wisniewski, the frosh scored their twelfth victory in a row. Wednesday night the Delaware quintet outclassed Ursinus JV's on the latter's court.

out participating in one or more years. If you don't make the queen's court, then go out and trip the light fantastic on the green outside womens' gym.

Last week the W.A.A. presented a High School Play Day. A number of high schools attended, and everyone seems to have had a great time. Several schools have already sent wonderful notes telling the W.A.A. girls who worked on the Play Day what a terrific time they had during all of the activities. Mary Brown headed up this event, and she sure did a successful job with the able assistance of other P.E. majors and student helpers. The Fencing Club, Modern Dance Club, and Aquatic Club all gave fine demonstrations for the visitors, and well-represented the high standards and qualities of athletics and activities carried on by the physical education department here at Delaware. Congratulations are in order for all of those girls who worked to make this Play Day a great success!

Blue Hen swimmers Bob Wagner and Tom Duff pose for the REVIEW cameraman during their preparations for the Middle Atlantic Championships which took place last week. Both Duff and Wagner will return to the mermen next season.

## Intramural Highlights

In another typically close, exciting intramural event Sigma Nu retained possession of the intramural swimming trophy for the eighth consecutive year. The score was 32-31, with Sigma Nu again squeezing by Theta Chi. In last year's meet the "Snakes" emerged on top of the "Thets" by winning the final relay. Jack Kinter of Sigma Nu was the outstanding individual as he swept two firsts, in the 100 and 200 yard freestyle events. Another who sparked his team was Bill Hopson of Theta Chi who won the 50 yard freestyle and provided a strong anchor to a victorious relay team.

The team scoring was Sigma Nu 32; Theta Chi 31; Sigma Phi Epsilon 7; Alpha Tau Omega 6; Phi Kappa Tau 5; Kappa Alpha 4; and Sigma Nu "B" 1.

The results of the individual events were as follows:

- 50 yard freestyle: William Hopson, TC; T. Baylis, SPE; Wm. Collins, KA; D. Berl, SN. Time 28.2.
- 100 yard backstroke: D. Thomas, PKT; A. Dougherty, SN; J. Meyers, TC; D. Vane, SN. Time 1:21.8.
- 100 yard breast: J. Prevost, ATO; C. Wolf, SN; G. Comegys, SN; J. Miller, TC. Time 1:25.5.
- 100 yard freestyle: J. Kinter, SN; D. Jackson, TC; J. Bueche, KA; Wm. Nicoll, SN. Time 1:07.5.
- 200 yard freestyle: J. Kinter, SN; T. Owen, TC; C. Wolf, SN; Chas. Koentig, SN "B". Time 2:49.2.
- Diving: J. Miller, TC; G. Comegys, SN.

## Schultz Sets New Record At End Of Wrestling Season

Scoring six pins and two decisions in this season's eight matches, Capt. Tom Schultz not only led his team in individual scoring for the season, but set a new school record of thirty six points compared to the old record of thirty-three set by Jim Michaels a year ago.

After a slow start, Vince "The Mattress" Stallone came on to win five straight including four first period pins to end up second in individual scoring with twenty three points. Tied for third were veteran Don Rumer, who finished the season strongly, and rookie Gene Holland who, despite a broken nose, amassed twenty-one points. Charlie Rodriguez rounded out the top five ending the dual meet season with nineteen points.

Three of the top five, Schultz, Rodriguez, and Rumer graduate, but the grapplers' able Coach "Whitey" Burnham probably will turn out another first class squad next year bolstered by up and coming frosh Dale Boyd, Bill "Reds" McCafferty, Howard McCurdy, Jim Kosowski and Joe Rizzi.

## New Recordings Added Cultural Activities Committee

The Cultural Activities Committee announces that new Concert Hall recordings have just been added to the library collection.

- These recordings are:
- Franz Joseph Hayden  
Cello Concerto in D Major  
Divertimento in D Major for Flute and Strings  
Ch. W. Gluck  
Flute Concerto in G Major
  - R. Strauss  
Sonata for Violin and Piano, Op. 18
  - Serge Prokofiev  
Sonata in C Major for Violoncello and Piano
  - P. I. Tchaikowsky  
Suite No. 1 in D minor, Op. 43  
Suite No. 2 in C, Op. 53 ("Suite Caracteristique")

The committee also announces that a multiple listening device has been installed in the Reference Room of the Library. This device is arranged so that as many as ten students may listen to any records in the library.

## Miss Hoffert Speaks At Home Ec. Club Banquet

The annual Home Economics Club banquet was held at the College Inn, March 5, at 6 p. m. Dorothy Pierson gave the invocation. Following the meal, all those present were welcomed by Martha Forsythe, president of the club. Dean Ayers then introduced Miss Amy Rextrew, former Dean of Women, Dean Bessie Collins, Miss Emily King, Miss Gertrude Holloway and Mrs. Wyatt. Martha Forsythe then presented the first Home Economics awards. These awards are to be given each year to a senior, junior, sophomore, and freshman who have been outstanding in the club. The awards were given to Anna Robb, freshman; Nancy Peck, sophomore; Nancy Tobey, junior, and Joan Homiller, senior. Miss Eugenia Hoffert, the Ann Marshall of Campbell's Soup, gave a very stimulating talk on "The Opportunities for Home Economists in the Business World."

Overheard on south campus at 2:30 a. m. Sunday morning, "Honestly, Mrs. Smith, we just couldn't get back from Wilmington any faster." "Well, I guess the snow is an excuse this time" . . . a change from the rain we've all gotten used to and have grown to love and splash. The next few days will be ones of attempted good aim, well molded ammunition, and cold hands, and in the north there will most likely be another war, while in the south, eating will become a hazard due to the tactical employment of heavy weapons and strong arms.

Mr. Roller—"Dice."

He: (at basketball game) "See that big substitute down there playing forward? I think he's going to be our best man next year."  
She: "Oh, darling, this is so sudden!"

Two people, not brother and sister, were parked along a country lane. The moon was shining beautifully.

She: "You remind me of Don Juan."

He: "What do you know about him? He's dead."

She: "Yea, I know."

Wow—on South Campus—  
Night Watchman—"Are you going to kiss that girl?"

Boy—"No, sir."

Night Watchman—"Well, then, hold my flashlight."

"Are they very strict at your college?"

"Strict? You remember Jonesey? Well, he died in class, and they propped him up until the lecture was over."

"I had the girls running in circles when I was in college."

"Man, I never thought you were such a sheik."

"I wasn't. I was women's track coach."

"For goodness sake, use both hands," shrieked the co-ed in the auto.

"I can't, I've got to steer with one."

Cannon and New Castle: She'd played bridge for years and still couldn't understand the slam-directed four-no-trump of Blackwood after umpteen explanations. While partner north cringed, opponent west commented: "Oh, she's a neophyte from way back."

Blossom Princess was backed by the newly formed Women Commuters Club, of which she is a member, and won easily over the other 19 candidates. Margie has been active in music and dramatics and on the Dean's List. In her junior year at Delaware, she left to work for the Du Pont Company. After a year and a half she returned and will graduate in February, 1954.

Next thing on the agenda for Margie is the National Cherry Blossom Festival in Washington, D. C., April 8-12—an experience to be remembered as one of the most happy, wonderful and exciting ever had.

### UNIVERSITY RELIGIOUS COUNCIL

Do you know what is happening here? Have your years here at college had real meaning and significance? Outwardly, we have been exposed to study in higher academic fields, and socially we have experienced the fun of parties, dances, extra-curricula activities, and dorm life. These functions form the framework upon which we build our life here, it is the extent to which we give ourselves to these things and accept the benefit of them that make the person.

Making the person a successful individual is the real job of the college. Yet, the university staff can only offer the opportunities; it is the individual who discovers the substance of a full and rich life. Each student must recognize the academic, social, and spiritual truths which are presented and organize them into some working order which enables him to deal effectively in life. Realization of the three phases of life—the academic, the social, and the spiritual, is essential for the development of a complete individual. For in the academic life we learn of the physical nature of our world; in the social, we experience interaction with other persons; and of vital importance is the spiritual, through which we grasp necessary inner peace and understanding which enables us to enlarge our vision of man and the universe and find a richer life.

Here at college we have the advantage of exposure to the greatest academic thinking, in the physical and social sciences, and in philosophy, we can enjoy active social functioning; and all of these things combined with participation in the religious activities provide opportunity for spiritual growth. To forget this spiritual growth is to miss a vital experience of human nature, for it is this gathering together of ideas which unifies the individual and gives him strength as a person. Developing moral and spiritual values does not mean absorption into piety, or hypocrisy, it is the building of inner confidence which enables us to deal most effectively with our fellowmen. This development completes the individual, lifts him from human pettiness and weakness, and gives him ability to meet life intelligently and peacefully.

The religious activities on this campus are for you! This is a part in the life you are making.

## Foreign Study Opportunities Presented By W. G. Fletcher

Numerous possibilities for foreign study are open this year to graduates and undergraduates. Summer school courses in British, French, and Cuban universities as well as the Pan American Union's exchange system with Mexico, offer varied programs of study and an international exchange of ideas. Information for application may be obtained from W. G. Fletcher, 312 Hullahen Hall.

The program of study announced by the British universities is designed primarily for post-graduate students from America, Europe and the British Commonwealth. Shakespeare and Elizabethan Drama are offered at the University of Birmingham. The University of London is scheduling a study of Britain's Economy in the Atlantic Community; the University of Oxford is scheduling Literature and Politics in the Twentieth Century; and the University of Edinburgh is offering The Development of Modern Western Civilization. The courses run from the last of June or the first of July to the middle of August.

The Division of Education of the

Pan American Union announces an exchange service with Mexico City, Mexico, in which the room and board of U. S. students with Mexican families during the period of study is arranged. The period of study may begin whenever it is mutually convenient to the family and students. A working knowledge of Spanish is required.

The University of Habana, Cuba, is offering through the Division of Education five tuition scholarships to North American students for the summer session which runs from July 6 to August 14. Various programs of study have been planned. U. S. citizenship, a bachelor's degree as of June, 1953, and a working knowledge of Spanish are required of applicants.

Summer school study is open at several French universities and other institutions of higher learning, including Sorbonne, Bordeaux, Caen, Dijon, Grenoble, Lille, and Montpellier. A few of these courses are given in English. Student tours have also been arranged in conjunction with some of the program.

Sigma Nu

Some of the brothers and pledges got more paint on themselves than on the buildings they are helping to repair at Our Lady of Grace home.

Charlie Presnell and Tom Schultz took firsts in their respective slots of Middle Atlantic competition this past weekend.

Despite the warning of Duke Evans, who is perturbed at the thought of his son, David, keeping him awake nights before baseball games this spring, Art Vandepoele and Miss June Jarrell announced their engagement, and Norm Williams pinned Miss Kay Knighton.

Delta Tau Delta

Fire—Rumor on campus: The Deltas are so hot (!) for a new house that they tried to burn the old one down. Seriously, some of the boys were cleaning up, burning rubbish, and a spark set the roof on fire.

Fire punch, whose common name is Prohibition punch, was the feature attraction of the party Saturday night. It's a special concoction of Brother Beh.

Wednesday night was the initiation nite of Jack Pollack, Bob Wagner, Joe Gooding and Al Tan- yer. We now have four fine shiny new brothers.

Friday 'midst the clink of plates and cups the mothers thought up another new project for the improvement of the recluses across from the lumber yard.

Be sure and see "Bloomer Girl" with our latest pledge Jim Sabo and old faithfuls Allen and Hedger.

Kappa Alpha

Wednesday night Beta Epsilon elected chapter officers for the coming year. Those selected were Jim Hoey, president; Neil Thomas, vice-president; and Lyle Carney, secretary.

We are afraid the wear and tear of the last few weeks has proven to be too much for some of the brothers. Their minds have cracked under the strain and they have regressed to the ways of their childhood.

Our congratulations and best wishes to newly pinned Paul Hodgson and Jean Sloman, and "Skip" Crawford and Cecily Kirchoff.

Alpha Tau Omega

Last weekend lived up to expectations with the ATO's enjoying one of the best conclaves ever. After registering, we headed out to "The Willows" for the wildest beer bust of all time.

the weekend was that Brother Reds Pollitt did not get enough sleep. We all had a terrific time, but it's a good thing the conclave comes only once every two years.

Congratulations are in order for Brothers Jay Steinouer and Jack Knapp, new house managers; Al MacWright, I.F.C. alternate delegate; and Stan Crewe, sophomore representative to executive council.

AEPI

The fraternity wants to extend congratulations to both the wrestling and swimming teams for their fine showings in M.A.C. competition. They finished third and second respectively.

Due to a certain brother's (Eunich) stupidity, the annual Buccaneer's Brawl was postponed to March 28. Therefore, sans beards and mustaches many brothers were scattered all over Wilmington and vicinity.

Hats off to starter Marv Balick and his walk to Wilmington stunt last Saturday. Ralph (Cottontail) Schwab managed to crawl home in fifth place and is now getting estimates on a pair of new shoes, with "Stumpy" Rappaport finishing only a few seconds ahead.

Theta Chi

The brothers and pledges of Theta Chi would like to congratulate Miss Marjorie Brennan upon being selected as Cherry Blossom Princess.

A band of Thetas journeyed to College Park, Md., to welcome Maryland into Region Three. Alpha Xi took second in the Basketball Tourney sponsored and won by the home team.

Brothers and pledges who made the trip included: Charley "Watch the Abutment" Sullivan, Andy "Hold Em, we're coming" Schmidt, "Cueball" Martin, "Miami Club" Ford, "Oasis" Gyetvan, "Frenchy" Colona, "Ringed" Messick, "Moan- ex" Fannon, "Bobo" Wagner, and "Charley Babe" McCallister.

Recent pinnings on "The Hill": Jim Lewis and Mrs. Priscilla Lewis. It's about time, Jim! News Flash—Joe Miller pins Miss Faye Green. Happy Birthday, Joey. Congratulations, Faye and Joe.

Phi Kappa Tau

Last Saturday Phi Tau held their second annual Artist Party at 346 South College Avenue. The pictures ranged in quality and in quantity. Subjects included "A Cat's Meow," "The Sleeping Deck At Phi Tau," "Grandma's Lye Soap," and "Goodbye Cruel World."

The winning masterpiece was entitled "Maturation Plus . . ." created and painted by William Shaw and Betty Menges. The picture showed a child's progression in drawing a tree. We would like to thank Pat Schmalus who did a workman-like job as "soft drink tender."

We would like to congratulate all pledges on their spirited work and true sincerity which they have shown thus far—keep up the ole hustle, pledges.

Question: What Phi Tau was greatly angered, then worried, and finally petrified over a social mishap during the past week?

In the track meet last Saturday with Temple, Ron Watson, Jim Glick, and Dick Harper combined for eighteen points to lead the Hens to victory.

Sig Ep

Congratulations and best of luck to the new officers of Sig Ep. They are: Dick Hughes, president; Bill Reybold, vice president; George Tunis, comptroller; Ed Phillips, historian; and Bill Annonio, secretary.

To the Blue Hen's champion basketball team in general, and brothers Frank White, Pete Kelleher, and John Tuley in particular, we extend a "well done" for an exciting and successful season. Athletic honors are also due to Bill Reybold, completing his second season with the Delaware Mermen.

"Hobby-lobby" is the new name for the chapter house, with "Rembrandt" Hoopes and "Clippership" Knoll leading the rabid enthusiasts.

Old Alums "Pop" Hewlett and

Bob Miller joined the thirsty pack at Frenchtown after the basketball game Saturday night. The spring snow fall made possible a Sunday morning snowball fight in bed.

Woody Joy started the ball throwing by stepping out of bed and into a drift.

Pi Kappa Alpha

Poor old Walt Timm wanted to go home last week-end, but Herb Helye forgot him. Walt says there's nothing to do in North Jersey anyway.

Then there's Bob Pillow who got an invitation from Coach Nelson to come out for football. Bob thinks they are going to make a triple threat man out of him.

Zilch wants Pete Petrucci to go out for the golf team, but Pete only has one golf ball, and so he is afraid to practice. Donations will be accepted on campus tomorrow to buy Pete a new golf ball.

other day was the ex-Heartbreaker of the campus, Bucky Walters, also ex-Theta Chi. Now working in New Jersey, Bucky is waiting to go into the Navy Air Force. Brother, here come more broken hearts, especially since the handsome Navy Fly-Boy to be is taken.

Hold your hats kids, and get out your grains of salt; this one even sounds fantastic to me. An ex-Snake shed his skin and forgot to shed his twin with it. Lt. Dale Harrison, Class of '51 has finally decided, by request of Uncle Sam, to become "singular number" and have his twin removed from his lung. The Army brass says he can't continue his training unless he has brother removed. Want to stay a civilian, boys? Grow a twin!

Jim Michael, Phi Tau of '52, and his bride-to-be, Peg Battaglia, have set the fatal day for July and the place of execution for St. Anthony's in Wilmington. Looks like wrestler Jim finally got thrown.

Al Cohen, Mechanical Engineer of '52, is on his way to Germany. That doggone ROTC gets 'em every time.

John Buechele, former Blue Hen basketball star, has decided that Horace's advice to a young man is worth following and so he's "going West," of course, Uncle had something to do with the decision also. John has finished his basic training in Alabama and will be doing radiological work in the wide open spaces.

AEPi claims three future Patrick Henrys. George Chamlin, Class of '52, is a student at Maryland Law School. This ex-E52er visited the Udell Frat house last week and described his fascinating work at the new school. What's he doing? He's the maid at the fraternity house. Can't you see him in a kerchief to keep the dust out of his hair?

Chuck Gross and Ralph Keil, also Class of '52 pre-Law students, are still school-mates. They are now at Dickinson Law School and although we can't find any definite information about their activities there, one of their Delaware brothers says they are probably livening the place up. "A pair of real screwballs," says he.

rest of the entrants?"

"Did anything unusual happen along the way?"

"A few dogs chased me when I got just outside of Newark."

Sid Balick, upon crossing the finish line, remarked "I would have won if I could have made the red lights."

Bill Reed, who finished third in 2 hours and 31½ minutes, replied, "I feel so hungry, I could eat a horse."

Mark (Spider Legs) Rappaport, who finished in 2 hours and 48 minutes said, "Oh, my feet, I need this aggravation?"

Ralph (Cotton Tail) Schwab, who came in fifth by finishing in 2 hours and 52 minutes remarked, "As long as I beat the girls, I'm happy."

The five coeds came across the finish line in the same time of 2 hours and 58 minutes. Each had a statement for the REVIEW.

Penny Ernest: "I'd rather walk on the Brigantine Beach."

Phoebe Adams: "It was great; too bad we didn't train."

Lynn Brandschain: "I know what I would like to say, but you wouldn't print it."

Lois Brunkhorst: "A date is more fun!"

Barbara Sobosinski: "My mother won't believe I did it."

The two early starters had the following to say:

Charlie (Flash) Sullivan: "My legs hurt."

Marty (Legs) Apostolico: Unable to comment at the close of the race!

Delaware's 1949 basketball team wound up their season in a tie for third place in the Southern Division.

Kathleen Ferrier, contralto, was featured in an Artist Series recital.

The International Students Club held a gala costume party in Brown Hall. The students and the faculty wore their native costumes at one of the most colorful social events of the year. At least thirteen countries were represented.

### TWO YEARS AGO

#### Frosh vs. Varsity

A much discussed question of two years ago this week was—Can the frosh beat the varsity? Yes, it was two years ago that the plans were made for the Stadium Fund Benefit game, sponsored by the Varsity Club. The schedule included the frosh vs. the varsity

basketball game; and Sigma Phi Epsilon, intramural champions, vs. an All-Star team. Following the games was an informal dance. It was at this time that Coach Dave Nelson made his first public appearance before the Delaware student body.

### First "Women's Weekend"

Plans for the University of Delaware's first "Women's Weekend" were well under way two years ago this week. The weekend included The Playbill on Friday night, a dance on Saturday night, and open houses on Sunday. The theme for the dance was St. Patrick's Day.

committee and the powers and duties of the manager and employees. After the policy was read and discussed a motion was made, seconded, and passed that the SGA accept the statement of policy for the Student Union.

### NSA

A meeting of the committee was held to discuss information re-

ceived. The committee does not feel a recommendation either to or not to join the NSA can be made before representatives have had a chance to see a regional conference in action. A motion was made, seconded and passed that the committee investigate the expense of sending representatives to the Regional Conference of the Mason-Dixon Region, March 28, 1953, at Howard University.

### Elections:

Freshman elections were held with 280 voting. The results were: President, Stan Lowicki; vice

president, Jackie Hackett; secretary, Pete Braungart; treasurer, Bill Hamaker.

SGA elections will be held April 2 and 3, the Thursday and Friday before Spring Vacation. A recommendation was made that mimeographed forms for nominations, with the rules, be printed and distributed.

A motion was then made, seconded, and passed that the meeting be adjourned.

Respectfully submitted,

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
