LOCAL WOMAN HEADS STATE Y. W. C. A. DRIVE

Camp Otonka To Benefit By \$10,000 Campaign; New Cabin Planned

WHOLE PENINSULA AIDS Mrs. R. L. Cooch Selected As General Chairman; Drive Starts May 18

The sum of \$10,000 has been agreed upon as the goal in the maintenance and expansion campaign of the Y. W. C. A. District of Delaware, for the benefit of Camp Otonka, girls' camp, near Dagsboro, Del., it was announced today by Mrs. Richard L. Cooch, 208 West Main Street, general chairman.

Of this amount, \$5,000 is to be diverted to the maintenance of the District of Delaware Y. W. C. A. program for the 1936 season, and \$5,000 is for a new year-round cabin at Camp Otonka to be equipped with heating facilities. The intensive campaign will be held through the State except the City of Wilmington the week of May 18 to 23.

The chairman further announced that Mrs. C. Douglass Buck, of Buena Vista, near Wilmington, wife of the governor of the State, has consented to be honorary chairman of the campaign.

Peninsula Drive

The whole Del-Mar-Va peninsula outside of Wilmington is to be canvassed for funds during the intensive drive, and a special committee is now being selected to solicit initial gifts, the outlook for which was favorably discussed at the pre-campaign meeting held last Tuesday night at the University of Delaware, attended by Professor and Mrs. George L. Schuster, Mr. and Mrs. Richard L. Cooch, Miss Anita Allen, Mrs. Ralph W. Jones, of Newark; Mrs. C. P. Townsend, president of the district Y. W. C. A., of Dagsboro; Mrs. Helen Farquhar Sanford, New York; Mrs. C. H. Nutter, Milford; Mrs. W. W. Harrington, Dover, Miss Dorothy D. Roberts, executive secretary, Dover; Mrs. J. E. Dutton and Mrs. Sallie Sharp Messick, Seaford; Mrs. Peter Whaley, Selbyville, and Mrs. Mattie Townsend, of Millville. Dean Winifred J. Robinson, of the Women's College, was hostess.

Important Meeting of Legion Auxiliary, Monday

All members of the American Legion Auxiliary are urged to attend the regular meeting of the organization at the home of Martha Lewis on East Main Street, on next Monday evening, May 11. Important business will be discussed at this time.

Change in Program of Modern Language Dept.

The Modern Language department of the University of Delaware has been forced to make a change in its motion picture program for Wednesday, May 13, at the State Theatre.

Instead of the film originally engaged, the department will present "La Maternelle," which has had success in New York, Philadelphia, Baltimore and elsewhere, and which, in the words of the NEW YORK TIMES review, is "the finest of all French films," one that "can be offered without reserve as comparable to the best work produced in Hollywood, London or Berlin."

The showing will take place at 4.15 next Wednesday.

Bake Here Saturday

The Ladies Aid of the Newark M. E. Church will hold a bake in the vestibule of the church Saturday morning at ten o'clock. Pies, cakes, rolls, soup and chicken salad will be on sale.

National W. C. T. U. Speaker Talks at Christiana Church

Mrs. Mary H. Arour, national speaker for the W. C. T. U., spoke on Saturday night in the Head of Christiana Church. Large delegations were present from Rock Church and Cherry Hill Church along with several others.

STRESSES SERVICE

Hon. Walter Dent Smith Secretary of State

Speaking on "The Adventure of Public Service," Mr. Smith addressed the conference of the Interscholastic Newspaper Association of the Middle Atlantic States in Old College Saturday night. (Photo courtesy of the Wilmington Journal-Every Evening).

125 NEWSMEN AT SPRING SESSION

Hon. Walter Dent Smith, Secretary of State, and Leigh Mitchell Hodges, columnist for the Philadelphia Evening Bulletin, were the principal speakers at a banquet held Saturday night in Old College, which climaxed a two-day conference of the Interscholastic Newspaper Association of the Middle Atlantic States.

The Review and the University of Delaware played host to more than 100 delegates representing 35 schools from New York, New Jersey, Maryland, Pennsylvania, Delaware, and the District of Columbia during the session, which was held on Friday and Saturday.

Alvin I. Handloff, chairman of the committee on arrangements for this year's convention and toastmaster for the evening, was introduced by Ellis H. Tumpson, retiring president of the Interscholastic Newspaper Association, who, in turn, presented Mr. Smith as the first speaker of the evening.

Speaking on "The Adventure of Public Service," Mr. Smith asserted that there was too much partisanship and not enough statesmanship in American public service. He pointed out that this was one of the principal reasons for our failure to produce statesmen. Mr. Smith showed that the cynicism of the average person with regard to public service led to a situation where America was not training young people for statecraft. Pointing to European countries, Mr. Smith spoke of the background which countries like England build for public service, with the result that England (Continued on Page 4)

Community Club Elects New Officers at Meeting

New officers of the Pleasant Valley Community Club were elected at a meeting held last Thursday evening, April 30, in the Pleasant Valley School.

Those elected were: president, Mrs. Blanche Stewart; vice-president, Mrs. Sidney Rose; treasurer, Mrs. Anna Brown; secretary, Miss Jennie Hoffman.

Following the business meeting a program of entertainment, in charge of Mrs. Florence Savin, was presented. Several musical selections were played by Edwin Ketola, and Oliver and Victor Leightnein.

"Miss Susan's Fortune," a play, was presented by a cast which included Mrs. Anna Stewart, Mrs. Beatrice Nelson, Mrs. Ruth McCormick, the Misses Betty Stewart, Audrey Rose, and Elizabeth Lonto.

The entire meeting was in charge of Mr. Archie Peel, retiring president.

20 AMATEURS CONTEST FOR FIRST PRIZE

Lions Club Sponsors Varied Program Before Capacity Audience At State

REYNOLDS IS WINNER

Twenty local amateurs vied for honors in the Amateur Night program held last night in the State Theatre under the sponsorship of the Lions Club.

They were all good and they all deserved prizes, but there were only three prizes offered and Kinsey Reynolds, the crooner who put Rudy Valle to shame was awarded the first prize. Kinsey had the girls sighing and the men hating him, as he sang that popular old waltz, "Moonlight on the River Colorado." The reaction of the audience was typically Bing Crosby as the males glared, and the girls looked goo-goo eyed.

Alex D. Cobb acted in the role of master of ceremonies for the show which was given before a capacity audience. Mr. Cobb capably performed his duties as he joked, laughed, cried and even held hands with the contestants, in an effort to break down the barrier of nervousness that cloaked a few of the performers.

The judges, C. R. Kase, of the University of Delaware English Department, Massey Tonge of the Newark High School faculty, and Jack Mohr, also a member of the same faculty and leader of his popular dance band, found it difficult, indeed, to determine the winner, who was closely (Continued on Page 4)

Dramatic Critic and Poet To Speak at College Hour

Walter Prichard Eaton, American dramatic critic, essayist, poet, and lecturer, will be the speaker on the College Hour Program at the University of Delaware on Tuesday morning, May 12, at 11:45 a. m.

This meeting is jointly sponsored by the Phi Kappa Phi honorary scholastic fraternity, and the College Hour Committee.

Although Professor Eaton is chiefly an authority on subjects of theatrical interest, he will speak at the College Hour meeting on some aspect of the general problem, "Can the college student be taught to write?"

In the afternoon Professor Eaton will be given a tea by members of the E 52 Players. Following the afternoon session, during which new members will be inducted by the fraternity, Professor Eaton will be the principal speaker at a banquet to be held at 5.30 in the Faculty Club room of the Women's College.

Lady Eagles To Give Card Party Saturday

A card and bingo party will be given on Saturday evening, May 9, at 8.15 o'clock, D. S. T., in Fraternal Hall, by the Ladies of the Golden Eagle. An electric table lamp will be given as a door prize, along with eighty other awards, and refreshments will be served.

Mayor's Poppy Day Proclamation

Saturday, May 23, was designated as Poppy Day in a proclamation issued by Mayor Frank Collins this week. The proclamation urged all citizens to observe the day by wearing memorial poppies in honor of the World War dead. It stated:

"When the United States was plunged into the World War in 1917, the Town of Newark responded to the nation's call in a spirit of exalted patriotism. The citizens of the town offered their efforts and their means in the nation's defense, serving and sacrificing in the national cause. The Town of Newark holds in proud memory its part in the great national effort which brought victorious peace in 1918.

"Many of the city's young men were called into the armed services and some of them were called upon to sacrifice their lives in that service, dying with thousands of other brave young Americans upon the battle fields of France. There, over their graves, a little flower sprang up and bloomed, nature's tribute to the heroic dead. It was the poppy, and their comrades ask Americans to wear a poppy in their memory, one day of each year. On Saturday, May 23, The American Legion, the American Legion Auxiliary, the Veterans of Foreign Wars and the Veterans of Foreign Wars Auxiliary will distribute these memorial poppies in our town.

"Therefore, I, Mayor of the Town of Newark, do hereby proclaim Saturday, May 23, to be Poppy Day in the Town of Newark, and I urge all citizens observe the day by wearing the memorial poppy in order that the inspiring memory of those who made the highest patriotic sacrifice during the war may be recalled to every mind.

"FRANK COLLINS, Mayor."

4-H MEETING OPENS FIELD OF NEW WORK

Ten Clubs Represented At Wolf Hall Session Last Saturday

COBB GIVES OUTLINE

Marking the beginning of a new and expanded field of 4-H Club activity in New Castle county, Laura B. Rutherford, County Club Agent, headed a meeting of officers and leaders at the University of Delaware's Wolf Hall last Saturday. A Junior 4-H Council was organized, the purpose of which is to unify and coordinate the 4-H Clubs and to aid in setting up desirable goals for club work in the county.

Officers and leaders from the following clubs were present at the meeting and assisted in perfecting the organization: Oak Grove, Newark, Three-In-One Boys Club, Townsend, Stanton, Yorklyn—both boys and girls clubs, Minquedale, Marshallton and Christiana.

The following officers were elected to serve for the next two years: president, Raymond Beyerlein, Newark, who is also president of the "Three-In-One" Club; vice-President, Ann Hamilton, also president and leader of a girls clothing club in Newark; secretary-treasurer, Elizabeth Reusch, president of the Christiana Club; and publicity chairman, Mildred Morrison, who is secretary-treasurer of the Marshallton 4-H Club.

The meeting was called to order by Miss Rutherford, who explained the purpose of a Junior 4-H Council and the need for one for the promotion of better 4-H activity in New Castle county. Also brief explanation was made regarding possible changes to be made in the time and method of carrying on girls clothing and food project work in the future—these new plans to be worked out in detail and sponsored by the Junior 4-H Council.

Cobb Outlines Standards

Both A. D. Cobb, Acting State Director of Extension, and C. E. McCauley, State Boys' Club Agent, attended the meeting and talked to the group relative to new standards and goals for 4-H activity in the State. Mr. Cobb made particular comment on the fact that certain new standards must be attained this year, before boys and girls will be eligible to attend the State Short Course which will be held at the University in June.

It was decided that there shall be a maximum of three meetings a year of the Council and that the next meeting will be held the first week in September for the purpose of making definite plans for a County 4-H Achievement Day Program. Bulletins of instruction were given to each Council member and local leader, for the promotion of club and county-wide activity during the summer.

Flower Hospital Benefit

A card party will be given at the Newark New Century Club tomorrow (Friday) night at 8.15 D. S. T., for the benefit of the Flower Hospital.

New Working Hours At Council Office

Despite criticism from expected sources following recent changes in the personnel of the offices of the Town of Newark, new working hours there, now in effect, are making it easier for patrons.

The offices are open from 8.15 a. m. to 5 p. m. without interruption on Monday, Tuesday, Wednesday, Thursday and Friday, and from 8.15 a. m. to noon on Saturday.

Patrons complained of former hours which required that the offices be opened at 9 a. m. to noon, and from 1 p. m. to 4.30 five days a week; and from 9 a. m. to noon on Saturday.

Newark Garden Club Plans Annual Contest

A Yard and Garden Contest will be sponsored by the Newark Garden Club for the second successive year.

The contest held last year was so successful that a committee consisting of Mrs. M. M. Hanson, Mrs. E. L. Richards, Mrs. A. B. Eastman, Mrs. D. R. Eastburn, and Dr. T. A. Baker was appointed to carry on the project for the current year.

No prizes will be awarded this year, since the purpose of the contest is primarily educational, and the issuance of awards permits a free discussion between judges and contestants, in the opinion of the committee.

Those who desire to enter gardens in the contest are requested to notify a member of the committee or Mrs. Edward Ginter, secretary of the club, not later than Monday, May 11.

The first judging will commence about May 15.

Popular Organist To Give Last Recital of Year, May 14

Firmin Swinnen will give the last of his organ recitals on the University Hour Program on Thursday evening, May 14, at 8 p. m., in Mitchell Hall.

The public is invited to attend these recitals free of charge, which have been among the most well-attended numbers on the University Hour Program this year.

Missionary Society to Meet on Thursday, May 14

The Women's Home and Foreign Missionary Society of the First Presbyterian Church will meet in the lecture room of the church on Thursday, May 14 at 7:45.

Mrs. Walter A. Blackwell will be the leader.

Sheaffer's Store To Be Remodeled Soon

The Campbell Estate which consists of buildings at 75-77 East Main Street has been purchased by I. Newton Sheaffer.

Mr. Sheaffer has had his business establishment on this estate for the past 15 years. He contemplates extending his store back into what is now the present dwelling place, and creating a modern wall paper, painting, and decorating establishment.

Annual May Day Fete To Be Held Saturday

Women's College annual May Day will be held Saturday at 2.30 o'clock, with all the laces, silks, satins and ribbons that accompany this spring fete. Elinor Clay, Elkton beauty, will rule over the festival as this year's queen.

A dance will be given at Old College, Saturday evening.

Townsend Plan Speaker Talks Before Large Group

At a meeting of those interested in the Townsend pension plan held in Fraternal Hall Sunday afternoon, an address was made before a large audience by E. W. Trefz, of New York, a member of the national board of speakers for the Townsend plan.

NEW COUNCIL GATHERS FOR MAY MEETING

Much Business Disposed Of At Lengthy Session Last Monday

MANY REQUESTS FILED

Sunday Sports Legal; Seek To Relieve Parking Situation

Sitting in the first regularly scheduled session since the election last month, the new Council of Newark disposed of a great deal of business during the May meeting last Monday night.

With Mayor Frank Collins presiding, the full Council was in attendance. Those present were: George Ramsey, John F. Richards, Charles C. Hubert, C. Emerson Johnson, George F. Ferguson, Herman Wollaston, members of the Council and Vernon Steele, secretary-treasurer.

To Set Zones

Instructions were issued to J. O. Clark, street foreman, to establish two zones in the town for the collection of rubbish. The first zone will be collected on the third Wednesday of every month and the second zone will be covered on the third Thursday of every month, the Council decided.

Committees for the coming year were appointed as follows: Light and Water, Messrs. Ramsey, Richards and Hubert; Sewer, Messrs. Hubert, Ferguson and Johnson; Streets, Johnson, Wollaston and Hubert; Board of Health, Dr. J. R. Downes, Paul Lovett, O. K. Strahorn and George L. Baker.

Plumbers Request Ordinance

A delegation of plumbers, headed by Dan Stoll, requested that a new ordinance be drawn and strictly enforced with the Town Engineer to be appointed as Plumbing Inspector.

Complaining that outside plumbers consistently invade Newark, cutting prices by means of inferior materials and indifferent workmanship, and that the present code, drawn in 1913 is outmoded, the local group asked for a stricter ordinance to relieve the situation.

The delegation was informed that J. Pearce Cann, attorney for the Council, would draw up a proposed ordinance with the plumbers' cooperation, and would present it for reading at some future meeting.

Many Details Settled

Orville Sidwell acted as spokesman for a delegation of Red Men requesting permission to hold a carnival in Newark this year. The Tribesmen were instructed to offer definite dates and proposed sites before action could be taken.

A request from the Police Department for summer uniforms was held in abeyance pending investigation. The request stated that shirts would cost \$6.50 and trousers \$8.50 for each man on the force.

No action was taken on a communication from the Lions Club advancing a proposal that overhead wiring on Main Street be eliminated to improve the appearance of the town. Investigations will be carried on in the matter.

Sunday Sports Legal

Following a request from an unidentified individual through J. Pearce Cann, the legal status of Sunday baseball here, Mr. Cann quoted by letter from the State Code, Vol. 40, Chapter 247.

The acts reads — "AND, PROVIDED FURTHER, that Baseball and Football may be played on Sunday in the State of Delaware, after two o'clock in the afternoon unless and except the same be contrary and in violation of any ordinance enacted by the City Council, Town Commissioners, or the Legislative body of any incorporated city or town in the State of Delaware, prohibiting or otherwise regulating the playing of such sports."

No local ordinance exists to conflict with the State Code in any respect.

Memorial Day Plans

The same committee that handled the Memorial Day Program in 1935 was appointed for this year. It consists of Lt.-Colonel Donald Ashbridge, chairman; J. Q. Smith, American Legion; John Grundy, Veterans of Foreign Wars; Elmer J. Ellison, (Continued on Page 4)

Regular Meeting of Council

The regular meeting of Council was held at the Hose House on Monday night, J. H. Hossinger, president, presiding. E. C. Wilson, E. B. Frazer, J. B. Sutton, R. J. Morrison and Dr. W. H. Steele were present.

The minutes of previous meetings were read and approved. George D. Kelley, Jr., the retiring treasurer, reported a balance in bank of \$85.29. The president presented bonds of S. B. Herdman, treasurer, and referred them to E. B. Frazer and E. C. Wilson for examination. On their motion bonds were accepted and ordered placed in the hands of the president for safe keeping.

R. J. Morrison presented the following ordinance:

Be it Ordained by the Council of Newark, that from and after the passing of this Ordinance, that portion of the Ordinance passed by the Council of Newark, on the second day of January, 1911, which provided that beginning on the first day of January, 1911, there be charged a minimum of 50 cents per month for each electric light meter known as service charge, now in service or to be installed hereafter, shall be and the same was repealed. Given first and second reading.

A letter from Mrs. Houghton of the Civic Committee was read in regard to chickens being allowed to run on the streets, also as to the throwing of dodgers. These were referred to the Street Committee.

Letters were read from Lybrand, Ross and Montgomery, Clifford E. Iszard and Darlington Smith in regard to making an audit of secretary and treasurer's books.

Motion of E. B. Frazer, instructing committee to secure a man from Lybrand, Ross and Montgomery to look over books and give an estimate of the cost of auditing, was adopted.

The bill of George D. Kelley for \$10 was accepted and ordered paid.

The motion of E. B. Frazer that the meter charge for January and February, amounting to 68 cents be

remitted or cancelled was adopted.

By motion of E. B. Frazer, notes held by National Bank and Newark Trust Company for \$5,000 each, were ordered renewed when due by President and Treasurer.

The Alderman reported fines for April amounting to \$9.50.

By motion of E. B. Frazer, the President was authorized to get proposals from the Delaware Ledger and Newark Post for printing 200 copies of the Auditor's report.

Wedding

Miss Eleanor T. Armstrong, daughter of Mr. and Mrs. Robert Armstrong, of Newark, and Calvin White-man, superintendent of the Philanthropic Life Insurance Company, of Philadelphia, were married in that city last Saturday.

Miss Armstrong has many friends in Newark. The original arrangement was that the couple were to be married in Newark this evening by Rev. Hamilton B. Phelps, of the St. Thomas' Episcopal Church, but owing to the illness of Dr. Phelps, these arrangements had to be changed.

The ceremony was performed by Rev. William Roberts, husband of the bride's niece, who is rector of St.

James' Chapel. Miss May M. Armstrong was maid-of-honor, and Robert Armstrong, best man. After the ceremony the bridal party dined at Boothby's from which place they went to their own home, 1420 N. 59th street, Philadelphia.

New Council In Busy Session Monday

(Continued from Page 1)
Aetna Hose, Hook and Ladder Company; Captain W. H. Cook, Delaware National Guard; William K. Gillespie, Newark Schools; David Chalmers, Continental Diamond Fibre Company Band; and C. C. Hubert, Council of Newark.

A stop button was ordered placed on Wilbur street at the intersection of Cleveland avenue.

Proposed Improvements
Town Engineer George C. Price was instructed to figure approximate costs on proposed water and sewer installations on Haynes street. Estimates given are: sewer work, \$682.80 and water, \$559.87.

On a request from the Continental Diamond Fibre Company the traffic light at Main and Chapel streets will be regulated to operate at intervals of 30 seconds for traffic on each thoroughfare.

Instructions were issued for the Town Assessor to follow the County Assessor's assessing figures as strictly as possible.

Permission was granted the Continental Diamond Fibre Company to use the town dump so long as the concern's truck drivers used caution around the place.

Parking Control
In an effort to help merchants and to simplify the present complications of street parking here, the Council issued an appeal that Main street business people, especially, desist from the practice of storing their personal cars on that thoroughfare during business hours.

A recent survey shows that 38 cars, owned by Main street business people and their employees are parked regularly between North College Avenue and the post office. Space is greatly reduced for prospective buyers and out-of-town shoppers by the practice.

Further trying to relieve the pressure, the Council ordered work to start on making the vacant lot, which runs from Delaware avenue to the rear of the old elementary school on Main street, suitable for parking. It is thought that fifty or more cars can be stored there without undue crowding. The work is expected to start within a couple of weeks.

125 Newsmen at Spring Session

(Continued from Page 1)
pressed by Patsy Park, 12 year old artist who carried off second honors with her tap dancing act, and Wesley Dempsey, popular Newark tenor who received third prize for his solo, "If I Had My Way."

Never before has such a varied program of entertainment been staged in Newark. There were singers and tap dancers; crooners and orators and enough instruments to outfit the Army and Navy Band.

Commencing with Rex Gilmore, who played a violin solo, "Humoresque," the program was enjoyed by the audience, which sat in rapt attention as the act was being given and then broke out into whole-hearted applause at the climax of the performance.

Following the violin solo, was Jean (Teenie) Gillespie, who sang "Rhythm In My Nursery Rhymes," and tap danced; Marjorie Burke, with her recitation, "The Inventor's Wife," Wanda Gilmore rendering a piano solo; Patsy Chalmers, who sang her solo, "I'm Gonna Sit Right Down and Write Myself a Letter;" the Hurlock Novelty Trio, with its accordion, trumpet and trombone combination; Elizabeth Brown singing, "Goody, Goody;" Leah Otte who presented a musical recitation, "The Lady Who Lives Next Door;" Bayard Clarinbold, the little gentleman who held the master of ceremonies

hand as he played his trumpet solo; Audrey Dolores Swall, with her solo, "School Days," and tricky tap routine; Clifton Lane, who played "Prairie Moon," a guitar and harmonica solo; Verna Bryson and "A Little Rendezvous in Honolulu," the Nardo Trio, popular violin, guitar and banjo players; Paul Mercer and his solo, "Goody, Goody;" The Last Minute Trio, Maxwell, Knauss, and Robinson, playing on a trombone and two trumpets; and Mrs. Pauline Johnson Sweetman, who gave a humorous monologue, "In Imminent Peril."

Due to the great success of last night's show, it is very probable that another contest will be held in the near future.

Newark Women To Entertain Church Group

20 Amateurs Contest For First Prize

(Continued from Page 1)
lishmen enter the field of statesmanship and learn to be diplomats. In conclusion, he pointed out that public service is one of the last remaining fields which offers a career for those who seek the thrill of achievement, and urged a change of attitude toward the public service field on the part of the average citizen to the point where those engaged in service to the community will be looked on as giving their talents, that there may be progression in better government and communal welfare.

"The Province of the Press" was the subject of Mr. Hodges, who presented personal experiences in the field of journalism. He emphasized a free press was the bulwark of a democracy and said it was impossible for a Hitler or Mussolini to rise to power in this country unless the press is made subservient.

Following the speeches, prizes were awarded to schools for excellence in the various phases of journalism: First prize went to the "Brown and White," publication of Lehigh University for editorial and advertising; Second prize in editorial excellence went to the "University Hatchet," of George Washington University, and third prize to the "Tartan" of Carnegie Tech. Second prize for advertising went to the "Red and Black" of Washington and Jefferson College, and news second prize to the "Gettysburgian" of Gettysburg College. First prize in news was a tie between Lehigh and the "University News" of Temple University.

The two-day conference which was concluded with a formal dance in Old College Saturday night, consisted of round table discussions of editorial and business nature; attending of "Peer Gynt," the E 52 Players' production; and witnessing the Inter-scholastic track and field meet, held on Frazer Field on Saturday.

SCREEN SNAPS

By "SNAPPER"

Friday and Saturday will find a screen full of thrills in an amazing human drama behind the building of the new wonder of the world, "Boulder Dam." The story of a boy who was trailed by the law, then hailed as a hero, when the love of a girl made him play with death and dynamite during the building of the great dam. Ross Alexander and Patricia Ellis have the leading roles in the film. Charles Starrett in "Mysterious Avenger," a thrilling western drama, will be added to the bill on Saturday.

The nation's critics are tumbling all over each other to acclaim the story of Mr. Deeds and his 20-million-dollar spending spree as the funniest entertainment in years! Mr. Deeds' mad adventures are to be seen in Frank Capra's "Mr. Deeds Goes to Town," starring Gary Cooper and featuring Jean Arthur. The film plays this movie house Monday and Tuesday. This picture is the famous director's greatest accomplishment... surpassing his own "It Happened One Night!" Only the genius of Capra could create another new "best picture of the year." It's the gayest romantic fun since America roared with laughter when the walls of "Jericho" came tumbling down! Featured in the outstanding cast are George Bancroft, Lionel Stander, H. B. Warner and that ever popular star, Raymond Walburn.

The main attraction for Wednesday and Thursday will be "Woman Trap," starring Gertrude Michael and George Murphy. The story is of an adventurous young aviatrix who complicates the efforts of a newspaper reporter in Mexico to cover a murder story for his paper, but a clever secret service man comes to the rescue. Well acted, and with its interesting settings this picture, with its international angle, will entertain the whole family.

News of Film Stars

Marlene Dietrich will go to London the end of the summer to play opposite Robert Donat in "A Knight Without Armor" for Alexander Korda... Hedda Hopper has made reservations for the first American-England voyage of the new ocean liner Queen Mary, largest passenger ship afloat... In "Cain and Mabel," Marion Davies will wear the most extensive wardrobe ever created for one picture... Freddie Bartholomew, Jackie Cooper and Mickey Rooney will be teamed for the first time by Metro in a new story, "The Devil is a Sissy"... Because of his work as Mercutio in "Romeo and Juliet," John Barrymore has been handed a new long-term Metro contract... Mary Astor, who is currently at work in "Trapped by Television" has been handed a contract to appear in three Columbia films... Patricia Walsh, daughter of George Walsh and Seena Owen, both stars of the silent movies makes her screen debut in "Poppy" the new W. C. Fields' film... Paramount will produce a newspaper melodrama, "Roaring Girl" in which Claudette Colbert will probably star... Henry Hathaway, director and Grover Jones, scenarist have just returned from Guyanus, Mexico where they

went to work out the script of "Beau Geste"... Dolores Costello Barrymore, who made her screen comeback in "Little Lord Fauntleroy" will play the first glamorous role in her new screen career with George Raft in "Yours for the Asking."

Grand Prize Not Claimed At State Theatre

The grand prize which has reached \$100 was not claimed last Thursday, April 30. The management of the State Theatre will offer this week, Thursday, May 7, \$100 first prize \$25 second prize and the usual five \$1 awards. Again all of the \$100 awards were claimed by Newark people. James Spencer, Billy Gregg, J. Q. Smith, Edwin Smith and Jane Hastings.

Employment Agency Does Work Without Any Charge

While operated independently and not in connection with any permanent or emergency relief bureau, the local branch of the Delaware State employment Service, open every Wednesday in the offices of the Council of Newark, requires no charge for the service to employer or employee.

Anyone wanting employment, whether or not he or she is registered with a relief agency, is eligible for work in this service, Miss Elizabeth McNeal, in charge of the office here, stated yesterday.

Since opening two weeks ago, the office has made a total of 17 placements, two in industrial lines and 15 in domestic service.

Prospective employers desiring a child's nurse can readily be taken care of from the lengthy list of girls on file at the office. Calls for any type of worker will receive prompt attention.

ROAMIN' WITH RUTLEDGE

A Man Missing

Any Newark athletic team that does not happen to contain George Victor Chalmers as a member causes fans here, and elsewhere, to wonder—what's wrong? And that's the perplexity surrounding Shorty's absence from the local Bi-State League outfit.

"THE ROAMER"

He has signed to play with the team with reservations, but up until now those reservations have been too much in evidence to please his host of followers.

Spectators at the Newark Vets-Glasgow game on Continental Field last Sunday afternoon were surprised to find a fellow spectator happened to be Chalmers and they wondered, too, what's wrong?

So far the Jackets have fared very well. They jointly top the Bi-State loop. They have won three straight games. Possibly it would not be a good move for Manager Jackie Bridgewater to break up a winning combination, but this is only the beginning.

Tougher afternoons are ahead of the Jackets. Havre de Grace, the Harford All-Stars and then Perryville in successive weeks should, according to past performances, tax the Jackets' strength to the limit.

Unless we are grossly in error, Chalmers is nursing some real or fancied wrong. As one of his closest followers and greatest admirers we beseech him to meet the leaders of the team in an effort to straighten out the affair.

Derby Day Here

Sigma Phi Epsilon retained the coveted Interfraternity Relay crown at the University of Delaware last Saturday, but that house can offer a vote of thanks to the Number 1 member of the Kappa Alpha team for valuable assistance.

Lippincott, of the challenging Sigma Nu quartet, who was the star of the classic, ran a magnificent anchor to lose by a scant foot.

The race is over, however, and to the winner goes the spoils. We'd suggest that they be split with KA's Number 1 man though.

Balls and Strikes

Paul Whiteman took the lead for home run honors in the Bi-State circuit by slamming his first and second last Saturday off "Nellie" Richards, Providence lefthander. Stephens, Havre de Grace, and Goldey, Perryville, have gathered one hit apiece in three games—both were home runs.

Undeclared Pandours Sink Stars Twice; Elkton Splits With Rivermen; Homers Play Big Part In Bi-State Results; Whiteman Slaps Two, Sheats One For Newark

Newark and Perryville took command of first place in the Bi-State League last week-end with dual victories over Providence and the Harford All-Stars, in turn. It marked the third consecutive win for each team against no defeats.

Home runs played a big part in the success of both aggregations. Paul Whiteman slammed a pair at Continental Field, Saturday, the first coming with two mates aboard the sacks, as Providence went down 7-5.

Ray Goldey's initial hit of the season was a round tripped that chased two pals across the pentagon ahead of him to give Perryville a 10-8 conquest over Freddie Baldwin's scrappy outfit at the aforementioned town on Saturday.

Elkton-Rivermen Split The 1935 champions from Havre de Grace, after dropping an 8-6 verdict at Elkton on Saturday, turned the tables on the Barristers to slam out a 13-1 win in the Harford county city on Sunday.

Providence fell on Johnnie Craig's offering here Saturday for a trio of runs in the first frame, but Whiteman promptly deadlocked the count when he homered Bridgewater and Kern across in Newark's half of the frame.

Scoring once in the eighth and again in the ninth, the Papermakers threatened to knot the score by placing the seventh run on the bags. Craig tightened up, however, retiring Ernie Spratt and Hubis on strikes, ending the threat.

Again on Sunday at Providence, the Papermakers rallied to all but overcome a 6-2 Jacket lead in the ninth. Three runs were pushed across the rubber when Whiteman weakened in the last stanza.

Sheats' Homer Wins Again on Sunday at Providence, the Papermakers rallied to all but overcome a 6-2 Jacket lead in the ninth. Three runs were pushed across the rubber when Whiteman weakened in the last stanza.

Although tagging Wilkinson's offerings for 15 hits, Freddie Baldwin's Harford All-Stars were victimized by the Pandours on Saturday when Carter failed to hold an early lead.

Toy Jebb had too much on the ball at Bel Air Sunday as the Pandours scored an easy 7-1 triumph. The big hurler had retired two opponents in the last inning before Wilson and Fisher locked a double and single in succession to break the string of goose eggs.

Champs Hit Hard Hopping on Woodrow Wilson Preston for eight runs, Elkton delighted a home crowd by dropping the Rivermen for their second straight loss, 8-6, on Saturday.

A return to the batting form that made them champions last year, however, brought the Rivermen a 13-1 booster and most ardent supporter is LeRoy Hill, local copper. Bob Connell, barbering violinist, suffered a cut head in a collision with a peach basket last week.

What to believe? Corb Crompton, assistant postmaster and manager of musicians with unusual talent, who pilots Cliff Lane, harmonica artist and guitarist extraordinary, has taken Harvey Armstrong, humorist but eccentric watchman at the B. & O. Main street crossing, under his wing.

GLASGOW HUMBLER VETS TWICE; SCOTS NEAR COUNTY LEAD

Hopping on the Newark Vets for 6-3 and 9-5 victories last week-end, the Glasgow Scotties remained within striking distance of the New Castle League lead, one game behind the Wilmington A. A.

Gam led Glasgow's attack on Saturday by slamming three hits, one a triple. Despite three hits by Cook, on Sunday, the Vets went down to defeat as the Scotties rallied for a quartet of markers in the final inning to break a 5-5 deadlock.

Wilmington remained in front of the pack by stopping Hillcrest 8-7 and 4-3, the last game going ten innings. Cranston Heights scored a 7-6 victory over Fort du Pont in a Saturday game.

LARGE CROWD SEES BITTER RIVALS MEET

Former Newarker Reverses 1935 Outcome; Captures Nine Straight

SECOND RIALE LOSS Victim Wins Pair of Prizes; Issues Challenge For 500-Point Series

Topping a nine-game winning streak with a 125-84 triumph over Tommy Riale, Rising Sun, a former Newarker, Fred S. (Sarg) Brown, now of Port Deposit, took the Tri-County Pocket Billiards League championship last Thursday night in a slow but bitterly contested match.

A large turnout of billiard fans gathered at the Royal Academy, Port Deposit, for a glimpse of the venerable rivals in action. Brown reversed the outcome of the 1935 campaign when Riale bested him two matches to one for the professional crown of Cecil county.

Riale captured eight of his ten scheduled matches this season, topping every player in the loop without a miss, except Brown, who dished out a pair of trimmings to the Rising Sun artist.

Making a most inauspicious start in the loop against Jack Fossett here last January, going down by a one-sided count, Brown immediately recovered to win nine consecutive matches and the title.

In defeating Riale last week, the new champion was off to a lead of 24-4 as early as the seventh inning. Riale never got much closer. Playing cautiously and employing safety tactics throughout the match, neither man turned in any lengthy runs.

Top money went to Brown, but Riale made off with a pair of lesser monetary awards, collected for having the high run of the season, 43, and for turning in the best game, 15 innings. Both marks were made against Phil Kurtz of Aberdeen recently.

Immediately following the match last Thursday, Riale challenged the champion to a 500-point series which would start at once. The challenge contained the provision that four games of 125 points would be played in the respective rooms housing league matches. The rooms are Jimmy Martin's State Academy here; Riale's, Rising Sun; Brown & Cunningham's Royal Academy, Port Deposit; and Kurtz's, Aberdeen.

Brown accepted the challenge but is using the champion's prerogative of naming the time of the year for settling the issue. While he gave no definite statement to the effect it is thought that formal acceptance will be made in September.

Batter E has taken the place of St. John's. All games called at 6:30. D. S. T. Rube Argo is the official umpire.

FLASHES

By BILL FLETCHER

SPRING SPORTS continue to take a terrific lacing at the University of Delaware with the baseball, tennis, golf, and track teams faring not so well in inter-collegiate competitions.

Doc's baseball team seems to be the chief offender, with eight defeats chalked up against two victories, while the tennis team has a perfect average of four straight defeats.

Coach Clark's track team boasts of a .500 average with one victory balancing one loss—also a third in the Mason-Dixon Conference.

The golf team has holed two victories and dubbed two matches—halving one with Rutgers. . . . not so bad. With the elaboration of the physical education department, it seems to us that Delaware should be able to develop enough athletes in the school to at last hold its own against other colleges.

We can not say that the Blue Hens are going out of their class in these contests. They are certainly on a par with Drexel, Haverford, St. John's, Washington College, George Washington, Pratt, American University and Swarthmore. In fact the local authorities have made it a point to stay within bounds.

As far as baseball goes—there seems to be a spark lacking—the spark that wins or loses ball games. Two of the eight ball games lost were by one run; three of them by two runs. In four of these games, lost by a small margin, the Hens had 25 men left on bases.

In defeating Haverford, men were left stranded on all three sacks on two different occasions. (Continued on Page 7)

CAMPUS CAPERS

Last Friday and Saturday thirty-four colleges from the Middle Atlantic States sent more than 140 representatives to the annual convention of the Intercollegiate Newspaper Association which was held at Delaware.

After viewing the presentation of Peer Gynt by the E 52 Players, the delegates betook themselves to the Cafe Grande in Wilmington which had been reserved prior to the occasion.

Bill Cunningham is having a little trouble with the reckless drivers of the college. Last week Mr. Nalin (engineer) bumped in to the Ford truck of the Wallace boys from Northeast, Md., and put it out of commission for a while.

Miss Winslow and her four female dancers presented a very creditable performance a short while ago and it seems as if an unusually large percentage of the boys from college were present.

NEWARK PROM BIG SUCCESS LAST FRIDAY

"Bud" Wilson and His Band Please Local Dancers With Fine Playing

LOCAL BAND IS "HOT"

By Ott Widdoes, Jr.
Last Friday night, the annual Junior Prom at the Newark High School proved to be one of the most successful in the history of the school. It is obvious to those who like to dance, and even you who do not enjoy dancing, that the orchestra played a big part in the popularity of a dance. And Bud Wilson and his boys made it an overwhelming success.

Soft lights and sweet music were enjoyed, that is until someone turned on the ceiling lights, and until Perry started to sing. All fooling aside, though, it was really a very lovely dance, indeed.

Most of the dancers even went through the receiving line which consisted of Mrs. R. S. Gallagher, Miss Anne Gallagher, Mrs. R. T. Jones, Mrs. Orville Little, Mrs. A. J. Doordan, Miss Dorothea Rothwell, Mr. and Mrs. Carleton E. Douglass, Mr. and Mrs. W. K. Gillespie, and a few class officials, who, I am sure will not feel slighted, if I omit their names.

On second thought, I'd better not take any chances. They are as follows: reading from right to left: John "Fireball" Doordan and "femme,"

Robert "Bones" Egnor and "femme," R. T. Jones, Jr. and "femme," and William Richardson. I can't recall seeing one of the fair sex adorning the right side of the last named.

Hostilities started with the theme song of Bud Wilson's very "schnoozy" band. Aforementioned theme song being, "Basin Street."

After turning in a credible performance, Bud and his boys once more picked up the throbbing strains of their theme song, and the dancers wended their way through the receiving line, which had weathered the hand shaking ordeal quite nobly, and then straggled their various ways home.

What's that about the Green Lantern? Well, some went home, anyhow.

Miss Anna T. Lincoln Woman's Club Speaker

The Newark New Century Club met this week at the Delaware Historical Society, Wilmington, where Miss Anna T. Lincoln, curator of the society, spoke. Mrs. Edward W. Cooch, chairman for the day, introduced the speaker.

Keynoting history, Miss Lincoln illuminated her remarks by pointing out some of the many interesting exhibits in the museum maintained by the society.

At the short business meeting, preceding the talk, two delegates were elected to represent the club at the State Federation Convention to be held in Rehoboth in June. Mrs. J. Fenton Daugherty and Mrs. Irvin J. Dayett were named delegates with Mrs. Hugh F. Gallagher and Mrs. Miller D. Darrell being chosen as al-
