Dear Dannie:

I have your note of May 7 stating that during the last few weeks I have not mailed to you directly copies of the letters which I am addressing to E. A. Craydon in Toronto covering our conversations with the authorities here. It is a fact that during the last few weeks I have not sent copies of these letters to you, but this has been an oversight, as I need not tell you that we have been very much occupied here.

Toronto has instructions to send these letters on our conversations with the authorities to all the members of the Board, except those residing in Mexico. I have asked Toronto to use special precautions about sending the copies of the letters to Brosens while he may be in Buenos Aires, and I do not know what practice they are following, but I have told them not to send them to him in Buenos Aires.

With all good wishes, I am

Cordially and faithfully yours,

George S. Messersmith
