Dear Mr. Messersmith:

With reference to Mr. Heineman's cable of today, I take pleasure in sending you herewith your typewritten copies of a Spanish translation which Mr. Vidal has made of the Catoblepas speech.

We shall have another copy made on a Master and turn out 24 copies, which we shall send you very shortly.

Should you require additional copies, would you be good enough to inform us accordingly.

With best regards,

Sincerely yours,
