FADER FILES ON DEMOCRAT HOUSE SLATE

Dickey Makes Announcement That Stirs Party In This Section

IS NATIVE OF NEWARK
Local Business Man Was One of the Early Legion Leaders in State

While Republicans throughout the country are celebrating a one-sided victory over the New Deal in Maine this week, local Democrats are enthusiastic over their prospects of victory in the hundred and county elections in November.

This optimism was born with the announcement this morning by J. Harvey Dickey, chairman of the New Castle County Democratic Executive Committee that John Raymond Fader, Past State Commander of the American Legion, Department of Delaware, and a Newark business man, had agreed to run for State Representative from White Clay Creek Hundred.

Is Widely Known

According to information obtained from a reliable source, Mr. Fader's candidacy for the nomination will be unopposed. His acceptance of the many requests came only after an almost unanimous appeal from Democrats in this area had been made to him. This is his first venture in the political field.

A native of Newark, where he has resided all his life, Mr. Fader is a graduate of the local high school and attended the University of Delaware. While at the latter institution, he was a member of the Sigma Phi Epsilon Fraternity.

Through his deeds as a soldier and as one of the state's outstanding leaders of war veterans, he has become well known throughout Delaware. His wife is State President of the American Legion Auxiliary for this year.

Operates Bakery

He has operated a bakery for the past several years which was founded by his father more than sixty years ago. Mr. Fader is a charter member of the local American Legion Post and was one of its first commanders. As a member of the United States Marine Corps, he saw action in France. He is at present alternate national committeeman from Delaware. He will attend the National Convention in Cleveland next week.

Mr. Fader organized and directs the local Post of Sons of the Legion.

He is a past president of the Newark Lions Club and is a past district secretary of the Lions organization.

Local Legionnaires Leave For National Convention

A party of four members of the J. Allison O'Daniel Post No. 10, Newark, will leave on Saturday for the National American Legion Convention at Cleveland, Ohio, next week.

The group will include Commander J. Q. Smith, Past State Commander John Raymond Fader, Orville Little and Harry Herbener.

Mrs. Fader, president-elect of the combined State Auxiliary Units, will accompany the party, while Frank Springer, East Main street, a member of Delaware Post's drum and bugle corps, will join that organization at the convention.

D. A. R. Hear Address by Dean Hiram Bennett Today

Dean Hiram R. Bennett, of the Cathedral Church of St. John, was guest speaker at the observance of Constitution Day by the Delaware Daughters of the American Revolution, today at the Presbyterian Church. Mrs. Walter S. Williams, state regent, had charge of arrangements for the program.

Mrs. Irvin Dayett, state treasurer of the organization, was in charge of the luncheon which was served by the Presbyterian ladies and followed by a meeting on the Academy lawn.

Members of the Cooch's Bridge Chapter, of which Mrs. Ruth A. McKinsey is regent, acted as hostesses.

SILVER ANNIVERSARY

A. Franklin Fader

Founder and head of the Fader Motor Company, 42 West Main street, which celebrated its twenty-fifth business year last Friday. In addition to being active in the motor field and community affairs, Mr. Fader is a member of the Newark Lions Club, Newark Country Club and several other local organizations.

LOCAL CITIZENS CAN AID PUPILS

Needy Delaware Students Can Hand To Do Work For Room and Board

Citizens of Newark can be of real service to a number of students attending the University of Delaware by cooperating with the Student Self-Aid Committee of the college.

This committee has under its supervision the administration of the National Youth Administration program, whereby the government provides a certain amount of work for a limited number of students. Since funds are limited and work is limited, many students who are not within commuting distance of the University are left without financial resources.

Do Varied Tasks

A number have been working for the members of this community in taking care of furnaces, cutting lawns, attending gardens and doing the heavier chores about the house in return for their room and board.

Since the eating and sleeping question is the biggest problem the students are forced to face, the citizens of Newark are in a position not only to obtain willing workers, but to aid in the solving of this problem.

Perhaps there are many of you who have work for these students and perhaps the various business houses can use college students to advantage. If so, there are many worthy students awaiting an opportunity to serve them.

The Student Self-Aid Committee would appreciate having you list your requirements by mail or telephone (Newark 310) with Professor H. K. Preston, chairman, 103 Evans Hall, Newark, Delaware.

Link Order Elects; 4-H Officers To Meet Friday

At the regular monthly meeting of the New Castle County Chapter of the Order of the Link of the 4-H Chain of Delaware, held Tuesday night, Norman Collins, of Middletown, was re-elected president of the organization. Irene Morrison, of Marshallton, was elected vice-president; Alice Anderson, of Marshallton, was chosen secretary-treasurer, and Joseph Cross of Newark, reporter. Outlines for a winter program were also discussed with Miss Laura B. Rutherford, County Club Agent.

Officers of the 4-H Clubs in New Castle County who form the Junior 4-H Council are scheduled to meet with Miss Rutherford in the cafeteria of the Newark High School on Friday evening, September 18, at 8 o'clock, D. S. T.

The group will discuss plans for the Achievement Day Program and will outline winter activities of the various clubs.

LOCAL MOTOR CAR CONCERN MARKS START

Fader Motor Company Stages Celebration on Silver Anniversary
FOUNDER WAS PIONEER

The famous name of "Fader for Fords" marked its silver anniversary on Friday, September 11, when A. Franklin Fader, founder and head of Newark's oldest automobile concern, celebrated his twenty-fifth year in business.

Born here fifty years ago, the son of Gottlieb Fader, who expired in 1922, and Mary Smith Fader, who died in 1908, Frank Fader pioneered in the Delaware automotive field.

Following a start on September 11, 1911, he is among the select few to remain continuously in the business in the state since that time.

Delaware College Graduate

Receiving the degree of electrical engineer at Delaware College, Class of 1906, Mr. Fader followed his profession for five years before opening his first garage at 44-46 East Main Street.

His eccentric notion, so regarded in 1911, of entering the automobile business was frowned upon by conservative bankers and building and loan directors who regarded the presence of "gasoline buggies" as a "mere fad."

Sensing a future for the contraption that in those days caused horses to run away and people to stare in awe, Mr. Fader pitched into his venture single handed.

Dug Own Cellar

His meager funds consumed by the purchase of the Main Street lot, he occupied his evenings by digging the cellar and excavating for the foundations of Newark's first garage with his own hands. During the day he was occupied with an electrical contracting business.

Realizing that Mr. Fader was determined to follow his dream, his late father-in-law, George W. Griffin, who was a building contractor, came to his financial aid.

Former B. & O. Restaurant Reopens Under New Mng.

Good food at moderate prices is the motto of the new proprietor.

DELAWARE PROFESSOR OUTLINES SEPTEMBER GARDEN ADVANTAGES

September may seem to be the end of bloom in flower gardens to most people but to Professor Louis R. Detjen, of the University of Delaware horticulture department, it is a good month in which to catch up on the garden jobs.

With the intense heat of the summer a thing of the past, work in the flower gardens is easier and more pleasant and there are many things which, if done now, will improve the garden next year, he points out.

Best Seeding Month

September is the best month to reseed or make lawns. The soil should be in good condition and it should be seeded at the rate of three and one-half pounds per 1,000 square feet. If the lawn is being reseeded, half the amount or one and three-quarters pounds per 1,000 square feet should be used. Mixtures adapted to various parts of the county may be determined by consulting county agricultural agents.

September is a good time to prepare the ground for fall bulbs which should be planted as soon as they arrive in October.

Cooperative Group

The Delaware Safety Council has given its cooperation in leading safety movements. The annual motor vehicle inspection campaign is conducted jointly by the Delaware Safety Council, the State Motor Vehicle Department and the State Highway Department.

OVER \$1,000 IN PRIZES AND COMMISSIONS TO BE GIVEN

People of This Section to Receive Big Pay for Securing Subscription Payments to The Newark Post—Campaign Begins at Once—Candidates Wanted Throughout Territory—Sign Up Today

The NEWARK POST announces in this issue a plan whereby more than one thousand dollars in cash prizes and commissions will be given to the people of this section for getting subscription payments from both old and new subscribers to THE POST.

The prizes will be for \$500, \$200 and \$50 in cash. These awards will be given to the three people who have secured the most votes issued on subscriptions by the closing hour of the campaign, October 31st.

A 20% commission on every dollar collected will be paid to all candidates right at the time subscriptions are reported at this office.

If you are looking for something to do,—some way whereby you may earn some extra money honestly and easily, enter your name today in the big subscription campaign just starting.

Start Today

Every day can be pay day for you. Your first subscription will start you off with that 20% commission. Remember that every dollar counts for you.

Do you plan on going to college this fall? Would you like to buy a home, or take a trip to Europe? Right now is the time to decide and to get busy after subscriptions to THE POST.

You cannot lose, so why not make that start today? Your own subscription for one year or more gives the commission and also the votes. Votes count on the final prizes October 31st, but your commissions are payable right away. What have you to lose?

The first subscription you hand in will give you an extra 25,000 vote ballot. Your own subscription will give this credit if you wish to make a payment now.

The greatest extra vote ballot of the entire campaign is in force right now and will last until October 17th. After that date there will be a big reduction.

Biggest Votes First

Each and every amount of \$15 worth of subscriptions handed in by or for a candidate until eight o'clock Saturday night, October 17th, will give the candidate 200,000 extra votes. You can not have too many of these big extra ballots and of course the more of them you have the more certain you are of being awarded the \$500 cash prize.

Each five subscriptions until Wednesday night October 21st will give 25,000 extra votes.

All extra votes are votes in addition to the votes given on each payment as shown in all subscription books and also as shown in the page advertisement in this issue of THE NEWARK POST.

Make no mistake about these vote offers. There is nothing about them confusing or mysterious. It is stated in plain language just when the big extra ballots will be given. There is no percentage of the last offer of votes given. This way whereby any candidate will know at once how many votes he or she will have coming on a certain amount of subscriptions.

Look over the Extra Vote Offers carefully. See to it that you understand it and if you do not then by all means ask about it right away. Dates are given. The amounts of money necessary to gain a big ballot is stated. The number of subscriptions you must have to gain a big ballot is also stated.

Remember this,—you do not have to have the whole amount of \$15 at one time to gain the big ballot. Neither do you have to have the five subscribers at one time to get the 25,000 extra ballot.

As soon as your subscriptions and money are handed in, a record will be kept and as soon as the \$15 amount, or the five subscriptions, are completed the big extra ballot will be given you.

The management of THE NEWARK POST and the campaign manager wish to make one rule clearly understood by all those who may enter.

Commission Rules

Should a candidate already have received during the campaign the sum of \$100 in commissions and be awarded the first prize, then the \$100 commissions is to be deducted from the (Continued on Page 4)

The dance tomorrow night will be semi-formal in nature as is the usual custom and will begin at nine o'clock, standard time.

Over \$1,000 in Cash Prizes

and Commissions to be given to the women, men, boys and girls of this section for getting paid-in-advance subscriptions to THE NEWARK POST from both new and old subscribers. Any payment of one year or more will give votes.

Every Day Is "Pay-Day"

\$500.00 CASH WILL BE FIRST PRIZE

Given to the Person Who Has Secured the Most Votes Issued on Subscription to The Post by Closing Hour Saturday, October 31. Old or New Subscriptions as Well as Back Payments Give Votes.

25,000 Extra Votes Given on Your First Subscription

THE PLAN IS BRIEF

The object of the distribution is two-fold: primarily to increase the already large subscription lists of THE NEWARK POST, to collect arrearages and advance subscriptions and at the same time afford our friends and readers an unparalleled opportunity to profit in a big way, through their spare time during the next few weeks. So it is a plan that works both ways and to the ultimate good of all concerned.

In order to gain this end quickly and advantageously, one of the most valuable and attractive lists of prizes ever offered by a newspaper in this section has been made ready for distribution among those who participate most heartily.

Ambition and energy are the only requisites of success. The plan adopted is the fairest and most impartial conceivable. There will be no "double" vote offers, extra votes given or any extra vote inducement whatsoever inaugurated during this competition, other than what has been announced in this issue. Neither will there be any long term subscription accepted. The plan of the campaign is straightforward and simple and is fully outlined in this announcement.

Let it be understood at the very outset that this is not a "beauty" nor "popularity" contest, but a strictly legitimate competitive proposition for enterprising men and women, and boys and girls, and one in which no elements of chance enter. One feature of this competition is the fact that there will be no losers in this race.

How to Enter the Campaign

The first step in order to become a candidate and compete for a prize is to clip the entry blank appearing elsewhere, fill in your name and address and mail or deliver to the Campaign Department of THE NEWARK POST, Newark, Del. This coupon entitles you, or the person whom you might nominate, to 10,000 FREE votes. These votes are given you as a starter, and speed you on your way to win. Only one such nomination will be accepted for each candidate.

How Votes Are Secured

The next step is to call or write the Campaign Department for a free working outfit consisting of an official receipt book, copies of THE NEWARK POST, and other information relative to launching an active drive.

Thus equipped, you have but to go to your friends and neighbors, relatives and acquaintances and have them pay up a subscription to THE NEWARK POST through you. THAT'S ALL THERE IS TO IT. However, you will never win anything unless you make the start; and while it will not be a very difficult matter to capture one of the big prizes, nevertheless it is necessary that you start early. You must plan out your campaign the same as any successful business man plans out his work for a season, and above everything else, let no one discourage you . . . stick to it and finish. Anything worth having is worth striving for. A few short weeks and you have earned real money.

It takes votes to win. The fastest way to get votes is by securing new and renewal subscriptions to THE NEWARK POST. On each subscription turned in a certain number of votes are issued, varying according to the amount paid and during which "period" same are received at the Campaign Department. See schedule of votes elsewhere.

Early Start Means Easy Finish

The advantages of an early start are manifest. Not only do you have the FULL TIME in which to secure the winning votes, but now and up to and including October 17th you will receive the maximum schedule of votes on subscriptions, then, also, the first in the field will undoubtedly get the "cream" of votes and subscriptions, while those who put off entering until a later date will have to take what is left.

Don't lose valuable time waiting to "see what the other fellow is going to do," but pitch right in and show the "other fellow" how to do it.

TAXPAYER'S RIDDLE BOX

Q: Why are taxes so high and so numerous?

A: Because the New Deal policy calls for so much spending that the Federal government from March 4, 1933 to June 30, 1936 paid out the fantastic total of 25 billion dollars.

Q: Was all that money raised by taxes?

A: Oh no! Despite the back-breaking burden of taxation, the New Deal administration is spending \$2.12 for every dollar brought in by the tax collector. IF THE NEW DEAL IS CONTINUED THE BURDEN WILL CONTINUE TO GROW.

Q: Where does that other \$1.12 come from?

A: By borrowing against the credit of the United States. While spending billions of dollars of borrowed money may create a temporary appearance of prosperity, we and our children, as taxpayers will have to pay the bill. FOR EVERY SINGLE DOLLAR SPENT UNDER THE NEW DEAL WE WILL HAVE TO PAY BACK TWO DOLLARS!

Endorse Underpass

The construction of an underpass beneath the B. & O. R. R., as suggested by Lieut. O'Daniel Post of the American Legion, has been endorsed by Minnehaha Tribe. The absolute necessity for a safe passage from one side of town to the other, especially for school children, was considered of more importance than the cost of the project.

Nominations

Tuesday evening the first nominations for officers for the ensuing term were made. Nominations will also be made on next Tuesday evening and the election will be held on Tuesday, September 30.

Six o'Clock Saturday Night

Members of Minnehaha Tribe are requested to report to the Wigwam at 6 o'clock, or as soon thereafter as possible, on Saturday night. It is the tribe's desire to have as many as possible in degree suits for the adoption ceremonies on Frazer Field.

Local Motor Car Concern Marks Start

(Continued from Page 1)

The building was a two-story structure that housed one of Newark's earliest motion picture theatres, operated on the second floor by Ira Mote. The "nickleodeon" remained on that site for two and one-half years before the growing garage business expanded to fill the entire building.

Signed Ford Contract

In January, 1913, one year and four months after the first garage had been opened, Mr. Fader accepted a franchise to sell and service cars manufactured by the Ford Motor Company. He has handled that car without interruption ever since.

A fire in 1914 partially destroyed the first building. That and a keen foresight ament the possibilities of congested traffic in the central portion of Newark's growing business district, caused Mr. Fader to move his business to the present location at 42 West Main Street.

The site, which had been occupied by the livery stable operated by the late Alfred C. Stiltz, was purchased from the late James McKelvey, then owner and proprietor of the Deer Park Hotel, in May, 1915.

Served During War

His place of business confiscated for a war school by the Motor Transport Corps in 1918, Mr. Fader was made an instructor in motor mechanics. He was jointly in the services of the army and Delaware College. Groups of 100 men were schooled in automobile mechanics for periods of eight weeks.

The arrangement, which started on May 1, 1918, lasted until the Armis-

time in November although Mr. Fader remained in service until the end of the year.

Recalls Early Days

In disclosing some of his earlier experiences, Mr. Fader revealed the information that prior to 1920 all cars, with few exceptions, were of the "open" type. Ford introduced his first closed car, a model "T" two-door affair, in 1920. It sold for \$1,050 less bumper, spare tire, speedometer, and demountable rims. Windshield wipers were still unknown.

The first Ford car in Newark, a six-cylinder affair, was owned by A. A. Curtis and was chauffeured by Mr. Fader after school hours. The car sold for \$2,800 less windshield and top, which could be furnished at the extra cost of \$125 and \$165 respectively.

Mr. Fader delivered his first automobile in January, 1913, to William MacDonald, then a local representative of the Metropolitan Life Insurance Company, who now makes his home in Elkton while still employed by the same concern.

Operated Branch

Ford cars prior to 1907 were classified as model "N," when the famous model "T" was introduced.

During his first year in business Mr. Fader sold thirteen touring cars, considered a banner crop. His peak year for sales was reached in 1929 when 351 cars were delivered.

For a period of six years, 1915-21, the concern operated a branch at 219 French Street, Wilmington, where distributing rights were held for the

This troupe has been in this country just a few weeks, arriving here on the Queen Mary. During their trip over two of the Midgets were married. The photo above was taken after the happy ceremony. The feature picture for the two days will be Francis Lederer in "My American Wife." A matinee will be held each day starting at 3:30, admission will be adults 25c, children 10c. Prices for the evening shows will be adults 40c, (balcony 30c), and children 15c.

The same rule holds good for the second prize of \$200 cash. If a candidate has been paid \$80 in commissions and wins second prize, then that candidate would have \$120 coming the closing night.

However, should a candidate already have been paid \$60 in commissions and be awarded the third prize of \$50, then that person would keep all the amount of commission but would not be awarded any other amount of money. Still, if a candidate had been paid \$30 in commission and then be awarded third prize of \$50 that candidate would still have \$20 more coming the closing night of this campaign.

So enter your name today. Start right out in your section and gather in every possible subscription before another starts near where you live. Variety Shower Given

A variety shower was given last Thursday evening by Mrs. Ralph Hill and Mrs. Manlove McMullen for Miss Grace McMullen of Appletton, Md. The marriage of Miss McMullen to Mr. Raymond Crossan, Landenberg, Pa., will take place on Thursday, September 24.

film deals with the daring long distance flights of the pioneers of aviation, men who gambled with death to drive their ships through storm and fog to make regular air service possible. Ross Alexander, Beverly Roberts and Humphrey Bogart head the supporting cast.

Richard Dix in "Yellow Dust," a thrilling western, will be added to the bill on Saturday.

Monday and Tuesday

Francis Lederer and the lovely Ann Southern make gay the screen of this theatre these two days in "My American Wife," the film version of the Saturday Evening Post story by Elmer Davis. The picture spins the tale of a foreign nobleman who weds an American girl and returns to Arizona, only to learn that she wants him to remain in braids and spangles, while he wants to become a rancher. Fred Stone and Billie Burke, aided by Ernest Cossart and Grant Mitchell, round out the excellent cast and keep the romance moving at a brisk pace until the close.

Wednesday and Thursday

With the life in the U. S. Navy as a background of the film, "Follow the Fleet," Fred Astaire and Ginger Rogers will dance and sing their way into your heart in this film. Although

ROAMIN' WITH RUTLEDGE

Deserve A Split

While members of Newark's Bi-State League team have been subjects of praise on some occasions this summer and have received bitter criticism on others...

"THE ROAMER"

That reward will come by way of cash for some and gold baseballs, or some other remindful trinket to be prized in later years...

They are deserving too, of everything and anything they get by way of a split out of the current post-season series...

Don't Overlook the Prez

When the last session of the campaign is held—and it'll be very soon—just as a matter of seeing the right thing done by a right guy...

Many people, other than players, have contributed regularly toward the success of one of the finest teams ever to represent this burg in baseball circles...

Se, Jackets, when you're dividing your half of the series spoils, don't overlook the guy who kept you going when you never knew there was danger of your breaking apart...

We bring this to your attention lest ye forget, which is a common fault with too many of us humans.

Good Prospects

Turning an eye toward winter sports—basketball, to limit the issue—as they will line up in local independent circles, this town should be represented by the finest cage team in history...

GEORGE'S TIMELY TRIPLE AFTER THREE PASSES BRINGS VICTORY

Whiteman Given Lead Fans Side in Thrilling Ninth; Aiken Hurls 4-Hit Ball but Loses; Cooney Still on Hitting Streak; Pandours Lead in Series, 2-1, as Result of 7-5 Triumph Here Saturday

By "The Roamer"

In a pulsating finish that had their backers verging on hysteria—a dramatic climax that was both nerve-wracking and invigorating—a result that was as sudden as it was unexpected—the Jackets defeated Perryville, 3-2, last Sunday at Oxford in the third game of the 1936 post season series for the Bi-State League title.

Two standout performances—Ernie George's scorching triple with the bags loaded and Paul Whiteman's feat of striking out three Pandour hitters in the ninth after he had been spotted the final margin—were directly responsible for the upset.

Perryville, after winning at Continental Field on Saturday, 7-5, looked headed for the diadem in three straight games. With "Sadie" Aiken doing the usual good turn on the hillock, the Pandours sported an edge of 2-0 going into the ninth.

Aiken Loses Control

That advantage was guarded for two-thirds of the final chapter, but the payoff took place when George rifled a three-and-two pitch against the left field boards to clear the sacks and place the Jackets ahead.

Whiteman made sure of the result by pitching his heart out to retire Hornberger, Stan Bailey and Goldey on strikes in the ever dangerous Pandours' half of the session.

Aiken, who had worked a wonderful game, holding the Jackets to four days over the entire route, suddenly lost control in the ninth to pass three men and thereby set the stage for George's thrilling clout.

The Pandours managed to retire two men between Aiken's passes, but the damage exploded ere the third hand could be erased.

Perryville 7, Newark 5

Taylor Biles' aggregation made it two straight in the classic set on Saturday when Jackson and Craig were bumped for fifteen blows as the Jackets fell, 7-5, before a gathering that exceeded 500 paying patrons.

The irresistible Joe Cooney, repeating his exhibition of Labor Day, found the offerings of Newark's hurlers for another quartet of blows in five chances at the plate to lead the winning attack. He was generally aided and abetted by Lucas, Hornberger and Jebb, the victorious chucker who wobbled but won.

Falling on the big right hander for three runs in the first inning, the Jackets took a temporary edge of a lone marker, but that was soon erased as both Jackson and Johnny Craig, who ascended the peak at the start of the seventh, failed to put the brakes on the murderous Marylanders.

Cooney Starts Trouble

Cooney opened the ball game in characteristic style by pushing a single to left. Lucas followed with a bunt for a basehit to Jackson. Ryan sacrificed. On Bud Lloyd's hopper to Daly, Lucas was nipped off second when Cooney held third. Hornberger doubled down the right foul line as Cooney and Lloyd counted the first two runs of the contest.

The Jackets lost no time in getting to Jebb, however, as Whiteman drew a pass and Barrow tripled to deep right-center for the initial local run. Charshee popped to Bud Lloyd, but Sheats singled over second, counting Barrow. Roberts singled to left and took second of John Bailey's poor throw to third in an attempt to trap Sheats.

"Sticks" Cain bashed his first of three hits of the fraecas off Hornberger's glove to tally Sheats.

Pandours Take Lead

Perryville deadlocked the count in the second on Sentman's blow to right, a walk to Jebb, Cooney's one-baser to short center and Lucas' long fly to George.

The Pandours forged ahead, 4-3, in

(Continued on Page 7)

George, went to bat with the bags loaded and two away in the ninth... they were almost hysterical (weren't you) when he rattled the left field barrier for a triple and the ball game.

BLUE HEN GRID PROSPECTS

Introducing EARL LAW SHEATS

Standing one inch over six feet and tipping the scales at 170 pounds, Earl is a creditable addition to Coach Lyle Clark's University of Delaware football squad.

He is no stranger to Newarkers for his performance in the Bi-State baseball loop, when he has been needed to fill Vic Willis' shoes at first base, has made him a well-known and popular figure in this town.

The lanky end prospect hails from Middletown where he earned four varsity letters in baseball, three in basketball and one in football. Other athletic achievements include a record 53.9 quarter mile which he ran in a Tome School meet. Sheats was also awarded the good sportsmanship medal for three years in recognition of his athletic achievement at Middletown High School.

Earl should be a prominent figure in University of Delaware sports this year.

CLARK SENDS HEN GRIDDERS INTO ACTION

Dick Roberts Outstanding Performer In College Football Scrimmage

NEW N. H. S. PROSPECTS

Stevens, Green Material, But Has Makings of Full Back, Says Gillespie

Driving his charges through an hour and a half scrimmage yesterday afternoon, the first the squad has had this year, Coach Lyle Clark started seriously whipping the University of Delaware gridders into shape for their first contest with Georgetown on October 3.

35 On Squad

Despite a turnout of 35 men, in which are included several fine prospects, Coach Clark still waxed pessimistic over the outcome of this year's grid campaign. He expressed dissatisfaction with the initial showing of the Blue Hens.

Playing at a half back position on the tentative varsity, Dick Roberts was easily the outstanding star of the first workout as he reeled off long gains through the second team line. Barring injuries the fleet-footed back is on the way to another good year. "Sully" Davis, a Wilmington boy, who this year donned Delaware moleskins for the first time, was used at the full back post and, according to Clark, may develop into a good back. He was also pleased with the work of Gerald Dougherty, also of Wilmington, and Charles Allen, of Seaford, who held down the guard posts on the second team line. Disappointment was expressed by the Blue Hen coach, however, at the performance of Bob Ramsey, a Merceburg Academy turnout. "He needs plenty of coaching," Clark said, "I guess we expected too much from him."

Tentative Varsity

Lining up as a tentative varsity and playing on the offensive most of the time was a team composed of: Joe Scannell and "Teedie" Wilson, ends; Olaf "Swede" Drozdov and Charlie Schwartz, tackles; Captain Jack Hodgson and Frank Frankofski, guards; Jim Dillon, center; Lew Carey, quarter back; Roberts and Ramsey, halfbacks and Davis, fullback. Horace Payne was also used at a guard position and Ed Graham, Wyoming, Del. prospect, saw action in the backfield.

On the defensive team were eight freshmen, with Jack Daly at an end post and Ernie George and Fenton Carey in the backfield the only veterans. The recruits included Earl Sheats, of Middletown, end; Fritz Ware, Paulsboro, and Lew "Rube" Hayman, Devitt Prep, tackles; Allen and Dougherty as the guards; with Howard Viden, Paulsboro, and Bill Augustine, of Turtle Creek, Pa., rounding out the backfield. Charlie Sadowski, a substitute lineman last year, held down the pivot post.

Bill Hammel, a freshman prospect, also from Paulsboro, was used in the defensive team's backfield while Kirby Preston, a substitute lineman last year also saw action.

Casualties

Other candidates seeking berths include Russ Wheeler, Bruce Lindsay, Paul Bruno and Bob Anderson, all of Wilmington.

Three casualties came as a result of work prior to yesterday's scrimmage. "Bruz" Wilson, a back and brother of "Teedie," varsity end, suffered a recurrence of a foot injury which may keep him from action the rest of the season. "Sonny" Kenworthy and "Tubby" Arronoff, both guards are also suffering leg injuries which are not, however, serious.

High School Outlook Bright

With Wilson Stevens, six foot, 185 pound bone crusher added to his Newark High School roster, Coach W. K. Gillespie is even more optimistic over

NEW BOWLING LOOP FORMED AT NATIONAL

Fibre Company Circuit Will Operate at Legion Alleys and Kennet Square

SCHEDULE ALTERNATES

The National Fibre League, already formed and with a schedule completed will start peppering pins on Friday, October 2, in the newly constructed American Legion Bowling Alleys, it was announced by Manager Adams yesterday. This league, composed of six teams including Newark, Fibre Specialty, Kartavert, Phenolite, Wilmington and Yorklyn, is the first of the organizations to go into action. The season opens at Kennet Square the week previous to the Newark contest. Matches will alternate between the local alleys and Kennet Square.

For the Ladies

From the bowling alley snooper comes the following suggestions and timely hints to the ladies.

How would you like to give your husband or boy friend a good trimming on these new alleys? You know that before he gets used to the alleys you can beat him rolling duck pins. Duck Pin contests are now the most popular of sports for the girls and many are beginning to out-do the males in this sport. Mixed double matches of six teams each will be started for each group of six couples who wish to learn to bowl ducks.

Nervous?

It will not be necessary to be a little nervous about the darkness of Chapel Street or Cleveland Avenue to reach the new location on Main Street.

Notice is hereby served on Art Bowlsby, "Hoppy," Ernie Cornog, Rip Smith, Henry Mote, Phil King, and the boys from Elkton that these alleys have been balanced and are uniform in every respect.

All scores will have to be re-established and as there has been a slight delay in delivery of the foul lights, (Continued on Page 7)

FLASHES

By BILL FLETCHER

WITH THE RESIGNATION of Dr. Charles M. Wharton, a new instructor steps into the teaching staff of the

Physical Education Department at the University of Delaware. Joseph A. Shields of Camden, N. J., and a graduate of Springfield College, is the new addition. Shields will be placed in charge of a program of intramural athletics—a program of sports widespread enough to give every boy in the school an opportunity to participate. The plans, which have not yet been completed will not only include the major sports, but will take in many of the minor activities such as ping-pong—and maybe even knitting. The innovation of inter-class competition is a decided improvement to Delaware's athletic program—there have been too many boys on the sidelines.

Boxing and wrestling intra-mural competition will also be conducted.

WITH 35 CANDIDATE with which to work, Coach Lyle Clark still isn't so pleased with his squad and the Blue Hen grid mentor was not entirely satisfied with the showing made in the first scrimmage on Wednesday.

Dick Roberts, local griddier, who has been performing for the Hens at a backfield post, showed up exceptionally well in the first skirmish. His hard running, twisting, spinning and cutting makes him a hard man to stop in any ball game and the cagey halfback should be headed for a good year.

Dick first broke into the Blue and Gold ranks the latter part of his freshman year when, with Joe Crowe incapacitated with an injured ankle and Frankie Mayer expelled from the squad, he was sent into the Dickinson game.

Dick caught the pass and scored the touchdown that beat the Red Devils, 6-0, and since then he has been a regular performer for the Delaware team.

Barring injuries, the local product seems to be headed for his best year on the gridiron.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

By REV. HAROLD L. LUNDQUIST, Dean of the Moody Bible Institute of Chicago

Lesson for September 20

CHRISTIAN LIVING

LESSON TEXT—Romans 12:1-5, 9-12. GOLDEN TEXT—Christ liveth in me. Galatians 2:20. PRIMARY TOPIC—How Jesus Wants His Friends to Act. JUNIOR TOPIC—Paul Explains How to Act. INTERMEDIATE AND SENIOR TOPIC—What Is Christian Living? YOUNG PEOPLE AND ADULT TOPIC—How to Live as a Christian.

As a fitting conclusion to a three-month study of the Spread of Christianity to the gentle peoples of Western Asia, we consider the teaching of the great apostle to the Gentiles concerning "Christian-Living."

The early chapters of Paul's epistle to the Romans present the greatest exposition of profound Christian doctrine ever written. But even as it is true that the fruit of Christian living can grow only on the tree of Christian doctrine, it is equally true that the knowledge of Christian truth should result in Christian living. "Faith without works is dead."

Our lesson pointedly presents the true Christian life as being

I. A Life Yielded to God (Rom. 12:1-3).

A recognition and deep appreciation of the mercies of God leads to a yielding of body and mind in living sacrifice to God. If we are Christians our bodies are temples of the Holy Spirit. We must not lend our bodies to activities which destroy their usefulness or hinder our service for God but rather yield the body with all its abilities to God!

But after all "it is the inside of a man that counts." The presenting of the body in living sacrifice is possible only when there has been the inner transformation by the renewing of the mind. One cannot live physically without being born; it is equally impossible to live a Christian life without having been born again.

The Christian life is yielded to God not only for its own peace and satisfaction, but it is to be

II. A Life of Service (vv. 9-15).

We are not saved by serving but we are saved to serve. In the first place the Christian serves the Lord. He abhors evil, but his life is not merely negative, for he cleaves to that which is good. He is not lazy, but diligent. His spirit is aglow with zeal for God and his cause. He is full of joy and hope, patient under trials, a man of steadfastness in prayer.

Such a man will not fail to serve his fellow-man. He will really love the brethren, not merely make a hypocritical show of loving them. He will seek the honor of others rather than his own glory. He will be given to the almost lost art of hospitality. He will be ready to stand by his brother, in the day of joy or of sorrow. He will go even further, for he will bless those that persecute him.

The measure is not yet full for we note next that the Christian lives—

III. A Life of Humility (v. 16).

In these days when we are urged to assert ourselves, to demand our rights, to "succeed" at any cost, and when men are measured by their worldly achievements, it sounds rather old-fashioned to talk about humility, about condescending to lowly things, of not being "wise in our own conceits."

But humility is still the crowning grace of a truly Christian life. Those who follow the lowly Jesus, in fact as well as in profession, are still strongest when they are weak, and mightiest for God when they are humble.

Note also that we follow a victorious Christ who calls to us

IV. A Life of Victory (vv. 17-21).

It is possible to talk much about the victorious life—to discuss it at length as a theological question—and have little real victory. Paul speaks plainly. The Christian is honorable in all things. He meets every obligation. He is a man of peace. He is not concerned with avenging himself upon one who has done him wrong. Spite fences, boundary disputes, family quarrels, are not for him. Evil is not to overcome him. God gives the victory.

A great lesson, and one that we cannot study without some disquieting thought. Christian, how does your life and mine appear as they are held up to the mirror of God's Word? Let us make a covenant that by God's grace and power we shall go forward in real "Christian living."

A Human Being

There cannot be a more glorious object in creation than a human being, replete with benevolence, meditating in what manner he might render himself more acceptable to his Creator by doing most good to his creatures.—Felding.

Visions of Better Hfs

POLICE MOVE IN DRIVE ON AUTO OWNERS

Enforcement of Inspection Law Is Rigid; Three Lanes Open

CAN SUSPEND LICENSE

A police campaign to halt all motor vehicles which fail to display the official 1936 approved sticker on their windshields, is in full swing. Realizing the necessity of having motor vehicles on the road which are safe for driving, police are enforcing the safety inspection law to the letter.

Drivers Get Notice

The driver of each motor vehicle which has not yet been inspected is given a five days' notice, during which period he must have it examined and approved. A duplicate copy of the order is sent to the State Motor Vehicle Department by the police.

Provisions is contained in the State Motor Vehicle laws for the suspension of the registration of any car which fails to undergo the inspection and to be found safe.

Three Lanes Open

Safety lanes are maintained in Dover and in Georgetown, in addition to the one at Bancroft Parkway and Pennsylvania Avenue in Wilmington. A fee of \$1 is charged for each motor vehicle inspected, as the annual free inspection campaign, under the joint auspices of the State Motor Vehicle Department, the State Highway Department and the Delaware Safety Council, has ended.

Auxiliary Group Elects Officers For Coming Year

At the regular meeting of the J. Allison O'Daniel Unit, American Legion Auxiliary, held at the home of Mrs. A. E. Tomhave last Monday night, officers were elected for the coming year.

The new officials are: Mrs. Allan Cooch, president; Mrs. Harry Herbener, vice-president; Mrs. J. Harvey Dickey, secretary; Mrs. Leon Case, treasurer; Mrs. A. E. Tomhave, historian; Mrs. Francis Lindell, chaplain; and Mrs. Paul Lovett, sergeant-at-arms.

Convention Reports

Reports of the recent State Convention held in Wilmington were made. Posters designed and displayed by school children before Memorial Day, during the Legion Poppy Drive, were judged at the convention and one of Lois Detjen's works received honorable mention.

The poster was one of the two selected as being the most outstanding and attractive effort on display.
