The Hon. George S. Messersmith,  
Assistant Secretary of State,  
State Department,  
WASHINGTON D.C.

Dear Friend,

I am sending you herewith copy of a Note which Mr. Vidal, my Spanish Secretary, wrote in English for Mr. Weddell. It is not a translation from the Spanish.

I was unable to go to Paris the day Mr. Weddell was there on his way to Spain and so I asked Mr. Vidal to see him and give him the above Note. I think the information he supplied to Mr. Weddell will be very useful.

Cordially yours,

*Messersmith*
