Dear Annie -

Just a word to tell you
that I gradually feel a little better
but still have to take these calming
drugs and am not too comfortable.
I do think I am getting better
slowly. The doctors feel me it
will take some time.

I was so happy to see you all
and see you looking so much
better. I wish I could have been
with you longer. Please tell
Hettie + Edna I thank them for

their birth day cards which came
today - my 73 birth day. It was
kind of them to remember and I
appreciate it.

This is just a hurried note
but I did want to tell you how
much I enjoyed seeing you
all - I hope next week I will
feel more like doing things &
I hope to write you a longer
letter. Best love to you all,

Cordally & fondly
Mary
