Second Largest NHS Class In History To Graduate Tomorrow

98 Seniors And 3 G. I. Students To Receive Diplomas; Exercises To Start In School Auditorium At 8:30 P.M.

The second largest graduating class in the history of Newark High School will receive diplomas at the 37th annual commencement exercises tomorrow night at 8:30 p. m. in the auditorium.

Ninety-eight seniors and three G. I. students will be presented with their diplomas by Joseph McVey, president of the school board. The class contains 12 more students than last year's and only one less than 1947's record number.

The honorary address will be by Charles E. Metzger, administrative assistant to the president of Temple University. Prizes and awards, which have been announced, will be presented by Principal Frederick B. Kutz. The graduating class will be formally presented by Supt. Wilmer E. Shute.

The principal student speaker will be James Towers, class president. Patsy Ann Rose, also a graduate, will offer a solo. Music will be by the school orchestra and the senior choir under Ernest L. Wilder. The Rev. Theodore L. Lindow will give the invocation and benediction.

The three G. I. students, who will receive high school equivalent diplomas for successfully passing general education tests, are: David T. Perry, Jr., Damon W. Tomlinson and Edmund P. Yarrington.

Officers of the graduating class under President Towers are: Jay Steinbocker, vice president; Betty Menges, secretary; and Gertrude Tierney, treasurer.

Fifteen students who will graduate with scholastic honors are: Elsie Arrabright, Margaret A. Buechele, Richard O. Gifford, Mary J. Gray, Paul M. Hodgson, Jr., Judith B. Kase, Marian E. Mayne, Marilyn C. Murray, Anne L. Neave, Frank Porter, Jr., Dillard W. Rash, Irwin R. Smith, Nancy E. Stanley, Gunvor M. Thrusson and Gertrude Tierney.

Others in the graduating class are: George E. Anderson, Dorothy A. Allen, Mary C. Ayars, Ralph W. Barlow, Jr., Bertha E. Bishop, Barbara E. (Please Turn to Page 9)

Newarkers Graduate At Salesianum High

About Twins Receive Salesian Boy Award

Three Newark youths were among young men graduated by Salesianum High School in exercises last Friday night at the Wilmington Playhouse.

The three were: Eugene R. Riley, son of Mr. and Mrs. Peter Riley, 20 Choate Street, Edmond B. and Joseph J. Stout, twin sons of Mr. and Mrs. Richard H. Stout, 19 Linden Street.

They received their coveted diplomas from the Most Reverend Edmund J. Fitz Maurice, D.D., Catholic Bishop of the Diocese of Wilmington.

Although Newark's representation was small, the quality was high. Eugene Riley received the Salesianum Association year book award. The Stout twins from the All Salesian Boy Award. The Stout did not share the award but received it individually, because, in the opinion of their classmates and teachers, they represented ideal all-around boys.

The grand finale of the week's activities was a farewell dance given the newest members of the alumni by next year's senior class in the Gold Ball Room of the Hotel duPont.

Town's Cash Reserve Nearly Doubles In May

The town's cash reserve almost doubled the past month, \$33,442.85 reported on hand at the end of business on May 31, \$17,811.57 carried over from the preceding month.

Total income for the 30-day period was \$44,412, with expenses drawing off \$10,969.17. Chief source of revenue was \$14,712.58 in electric light receipts, backed up by \$12,333.64 in electric power returns. Another sizeable item was \$9,965.72 in water rents.

Ripley's Famed Collection Of Oddities To Be Shown Monday

Robert Ripley's famed collection of "Believe It or Not" oddities, currently on a national tour under the auspices of the Disabled American Veterans, will be shown in Newark on Monday by the Caesar Rodney Chapter, No. 3, Delaware DAV.

Feature of the display will be the world-famous "Man or Image," a Japanese artist's life-like reproduction of himself, in the creation of which he used his own hair, teeth, fingernails and toenails.

The mobile exhibit, mounted on a custom-built trailer, will be stationed before the National Five and Ten on Main Street from 10 a. m. to 10 p. m. Admission will be free. Funds raised through voluntary donations will be used by the State Department and chapters of the DAV to carry on ser-

Lockerman Graduates From West Point; Is Slated For Flight Training In Texas

Samuel W. Lockerman

Cadet Samuel Whittingham Lockerman, son of Mr. and Mrs. S. P. Lockerman, Newark, was graduated Thursday at the United States Military Academy, West Point, N. Y. and was commissioned a Second Lieutenant in the U. S. Air Force.

During his four years at West Point, Cadet Lockerman was a member of the Cadet Chapel Choir and Cadet Glee Club. After 60 days leave, he will receive his flight training at Goodfellow Air Field, San Angelo, Texas.

NHS Alumni Elects Knox As President

About 200 Attend Annual Banquet Saturday

Clarence Knox was elected to succeed Samuel Talbot as president of the Newark High School Alumni Association at the group's annual election proceeding a banquet for the current graduating class last Saturday evening at the high school.

Others named to direct the Association for a year were: Miss Evelyn Weaver, vice-president; Edson Detjen, treasurer; Ruth Anna Lumb, recording secretary; and James Foster, corresponding secretary.

About 200 old grads attended the affair, features of which were reunions by the classes of 1925 and 1930. About a dozen members of the former were on hand and some 25 of the latter. Many had not seen each other since graduation.

Speaker at the banquet in the cafeteria was Dr. Ward I. Miller, superintendent of schools in Wilmington, who reported on his recent "flying classroom" tour of western Europe. He attempted to describe the current thinking of ordinary Europeans, especially as regards educational and political matters. In France, he said he talked with four leaders of the Communist Party who stated frankly they were working in complete harmony with Moscow and criticized the United States for its imperialistic and capitalistic policies.

Finest Total \$685
Magistrate Clarence Foster reported collection of \$685 in fines during May.

Instructional Swim Classes To Open At U. of D. Pool, June 26

Recreational Swimming Will Start June 19; Hours Are Listed

Dates for opening of instructional swimming at the university women's pool were announced this week by Fred Sposato, recreation director.

Recreational swimming will begin June 19 as announced last week. The hours will be from 2 to 4 p. m. Adult hours will be from 7 to 9 p. m.

Instructional swimming will start June 26, with classes daily for boys from 10 to 11 a. m. and for girls from 11 to 12 noon.

An innovation this year will be a Family Swim Night for children and adults every Wednesday evening.

Persons interested in joining a horseshoe league to be sponsored in the summer program are urged to notify Mr. Sposato. A round robin play will be organized if sufficient interest is shown.

A badminton league will also be organized if enough players are rounded up.

Mr. Sposato also announced that the town picnic site northwest of town has been mowed and cleared of winter debris. Athletic kits are available to groups wishing to use the area. Application for holding picnics there should be made through Mr. Sposato.

Town Fluorine Plan Moves Step Ahead

Council Orders Shipment Of Chemical

The fluorine experiment, hanging fire here awaiting installation of equipment, moved a step ahead Monday night, when the Town Council authorized the ordering of the first shipment of sodium fluoride, the chemical which will be fed into the town water supply as a curb on tooth decay in children.

When the shipment arrives, the work on the equipment now going on at the water pumping station will be completed and the long heralded experiment will be launched.

No word was available on when delivery of the chemical could be expected.

2-Week Methodist Bible School Opens On June 12

A two-weeks Bible School for boys and girls between three and 14 years will open at the Newark Methodist Church on Monday, June 12 and continue through June 23. The hours will be from 9:30 a. m. to 11:30 a. m. each day.

A program of worship, recreation and handwork is planned around the theme "Bible Life and Times".

Included will be such activities as story reading, modeling in clay, spatter painting, songs and games.

The instructor will be Miss Lura Hunter.

William Homewood Dean Dies After Long Illness

A life long resident of Newark, William Homewood Dean, who formerly owned a hardware store here and later was a landscape contractor for many years, died Thursday morning. Mr. Dean, who was 68, had been ill for some time.

Mr. Dean was a son of the late Joseph and Elizabeth H. Dean, and a grandson of the late William, Dean founder of the old Dean Woolen Company here.

During World War I, Mr. Dean was engaged in construction work with the DuPont Company.

Surviving Mr. Dean are his wife, Mrs. Maybelle Press Dean; three daughters, Mrs. Raymond Benson and Miss Margaret Dean of Newark, and Mrs. A. D. Bradford of Gwinhurst; two brothers, Archie H. Dean of Upper Montclair, N. J., and Frank H. Dean, a retired naval officer of Washington, D. C., and four grandchildren. A son, William H. Dean, Jr., was killed in Germany Dec. 7, 1944.

The funeral took place from the Jones Funeral Home on Sunday afternoon. The Rev. H. Everett Hallman, pastor of the Presbyterian Church officiated. Interment was in the Newark Cemetery.

St. John's Church Plans Open House For Pastor

An open house will be held at St. John's R. C. Church next Tuesday to welcome the Rev. Leo W. O'Neil, pastor, on his return from a vacation abroad.

20 Motorists Fined For Speeding; Sixty Arrests Past Month

Police Force Steps Up Violations of 25-Mile Limit in Town

Twenty motorists were fined here for speeding in May as the local police force stepped up its campaign against violations of the 25-mile limit in town.

The unusual number of speeding offenses sent the total arrests for the month to 60, virtually double the amount for the previous month.

The force also carried out 14 investigations, including six accidents, two reports of petty larceny both of which were cleared, three cases of malicious mischief also cleared, one report of a lost child who was subsequently returned, two reports of larceny and one report of a stolen auto.

Two persons were held for the Family Court, six for the Court of General Sessions, two for the Court of Common Pleas. One person was sent to the workhouse, and one fugitive was returned to the State of Virginia. Three cases were dismissed and two were nolle prosequere.

The breakdown of arrests other than for speeding follows: reckless driving, two; failing to stop at "walk" light, three; driving on wrong side of highway, two; breaking and entering, six; fugitive from justice, one; unregistered motor vehicle, one; no operator's license, one; passing red light, four; assault and battery, three; drunk on highway, one; driving drunk, two; failing to identify self at accident, one; trespassing, two; intent to defraud, one; driving during period of revocation, one; failing to stop for police officer, one; passing "stop" sign, one; and drunkenness, three. During the month, 24 street lights were reported out of order. Lodging was provided three travelers. The police car covered 4052 miles, and the motorcycle 317 miles.

29 From Newark In U. Of D. Graduation

Among 425 Students To Receive Degrees

Twenty-nine Newark students were among the more than 425 students who received degrees at the University of Delaware's commencement exercises Sunday.

They were: Frank H. Buck, Jr., Richard Gilpin Buckingham, William Howard Burnett, John David Clemens, Robert Lloyd Cox, Edward James Davis, Harry Elliott Downs, Edward Hall Elliott, Manfred I. Goldwein, Margaret Agnes Humphreys, Alex Jackson, Edward H. Lake, Peter Armstrong Landskroener, Charles Jackson Lewis, George A. Lindenköhl, III, Roy Francis Nichols, Robert Hunter Overdeer, Wayne John Pollari, John Albert Rothrock, George Rouvalis, Thomas Edward Runk, George Junior Schen, Thomas Russell Silk, Albert Bernard Smith, Everett Burns Smith, Jr., Charles Richard Steinke, Thelma Gertrude Thompson, Albert Abner Thorp, and Samuel John Wright.

Presbyterians Plan Children Exercises

Annual Sabbath School Program Sunday

The annual Children's Day exercises of the First Presbyterian Sabbath School will be held Sunday, June 11, commencing at 10:30 a. m. in the Sunday School auditorium.

Following the usual custom, this will be a combined service of the church and Sunday School. There will be a special offering for Sunday School missionary work in the Ozarks.

On the following day, the Daily Vacation Bible School will open at 9:00 a. m. and will continue for ten morning sessions during the following two weeks. The first half of the sessions will include Bible study and memory work, and the period after recess will be devoted to illustrated subjects and an activity program.

Invitations Sought For N. Y. 'Fresh Airs'

Applications for entertaining a "Fresh Air" child here during the summer are open until June 28. Mrs. A. P. Colburn, chairman said this week. The children will arrive July 12.

The "Fresh Airs" are New York tenement children who are given a two-week vacation in the country each summer through the Herald Tribune Fresh Air Fund, which pays their transportation and medical care. The host families have no expense other than entertaining the children for the two-week period.

The needy children are selected through leading New York social agencies. Further information may be secured from Mrs. Colburn.

Council Passes Parking Meter Ordinance Without Opposition

Plan to Install 170 Machines By July 1; Lawmakers Fail To Name Successor to Levis; Hear Request For Negro Councilman

An ordinance calling for the installation of about 170 parking meters here, principally on Main Street, was passed by a unanimous vote of the Town Council at its June meeting on Monday night.

Expected opposition from the Chamber of Commerce failed to develop. The businessmen, who sent a delegation to protest the measure when it was first proposed last month, did not have a representative at Monday's session.

The lawmakers failed to take action on the appointment of a successor to Councilman Robert C. Levis, who resigned a month ago because of ill health. Mayor Wallace Johnson said that Council was considering several possibilities for the post, but the question did not come up for a vote.

Foul Balls Drive Local Homeowner Underground; Raises Plea For Mercy

Harried by foul balls and sizzling liners, James Hicks, of Haines Street, this week raised a plea for mercy from the Newark AA Baseball Team.

Mr. Hicks, who lives directly behind the diamond on the Continental Field, says he has been driven into practically an underground existence by popping fouls and reverse singles during games. In recent weeks, wild balls have sailed through his windows, brokden shingles on his roof and damaged his television aerial.

It has gotten so, he says, that he's afraid to venture into his garden during games, what with baseballs falling like "buzz bombs" around him.

He took his plight to the Town Council on Monday night, asking for protection. The lawmakers called on the team for cooperation.

Manager Leroy Hill said yesterday that steps are now being taken to stop the barrage. The diamond is being moved closer to the backstop and a "bonnet" is being placed over the latter to prevent "pop-ups" from getting out of hand.

W. O. White Elected To Head Lions Club

William O. White, treasurer of the Curtis Paper Company, was elected president of the Newark Lions Club at the unit's annual election on Tuesday night.

Other new officers are: C. H. Schaefer, first vice-president; Carroll W. Mumford, second vice-president; Russell L. Hardy, third vice-president; and Al Kish, treasurer.

Named to directorships are Richard Roberts, and Ralph Brosius. Larry Timmons was appointed Lion Tamer, and G.M. Flanagan, tail twister.

Mr. Mumford, who was elected second vice-president, rounded out a nine year term as the club's secretary-treasurer. He was awarded a certificate of merit for the conscientious performance of his duties during that period.

Portable Iron Lung Campaign Hits Goal

Town Council Votes Final \$25 Required

The town was finally assured of a portable iron lung for emergency community use Monday night when the Town Council voted \$25 to the Veterans of Foreign Wars campaign.

The donation puts the drive over the top, according to VFW officials. The lung, which will cost \$1200, will be kept in the firehouse, along with the town ambulance and other such equipment. The firemen will be instructed in the use of the device, which will be available to anyone free of charge in an emergency.

The drive, launched months ago by the VFW, included a canvass of the town and local industries. The final contribution by the Council was recommended by Mayor Wallace Johnson, who is also a physician. He said the lung could be instrumental in saving many lives.

Tortured Conscience, Wakeful Nights For Pushmobile Judge

(A smidgen of discontent over the judging at the Cub Pack Pushmobile Derby on Memorial Day has set Assistant Cubmaster Borchardt to wrestling with his conscience, and he has come up with the following explanation, which, if nothing else, pictures the tortures of a man who has obviously spent many sleepless nights trying to make the ideal of fair play live with the cold, hard facts of Pushmobile Derbies. We hope some solution is worked out before Mr. Borchardt takes to wandering in Outer Darkness.)

Dear Cub Pack Derby Fans:
There has been some disagreement with the judges' decisions on the Memorial Day races on South Academy Street, so, as chairman of the Derby, I decided to compile a few statistics, and here's what I came up with. Car Two won the speed prize for winning nine heats. But just a minute—it won only nine out of eleven heats in which it raced, whereas Car Six won six out of its seven heats, giving it a better average. Besides, Car Six beat Car Two in the only heat in which they competed, so I guess that makes Car Six the fastest. But hold on—the only car to beat Car Six was Car One, so that makes Car One faster than either Car Two or Six. Nope! Can't be—Car Six also beat Car One once, and Car Two beat Car One four out of five times they raced. So that brings us back to Car Two and Six. Now, comparing the number of heats won in each of the three lanes, we find that the center lane was slower than the outside lane, and the time that Car Six beat Car Two, Car Two was in the slower center lane.

149 In Ninth Grade Promotion Friday

Annual Exercises In Auditorium at 9 A. M.

A class of 147 pupils will receive certificates promoting them into the Newark senior high school at the annual ninth grade exercises tomorrow at 9 a. m. in the school auditorium.

Following the processional and opening exercises, four student addresses will be given on historical places in Newark. The speakers will be: Marilyn Robertson, Nancy Pennock, Marguerite Tierney, and Edward Sobolewski.

The ninth grade will be presented by Miss Greta McKinsey, who will preside at the exercises. The certificates will be presented by Supt. Wilmer E. Shue, and Principal Frederick B. Kutz will announce the prizes and awards.

A brief address of acceptance will be given by Elwood Hanna, ninth grade president.

The program will conclude with the "moving up" of the junior classes into the places held by the seniors at assemblies.

Announced as members of the ninth grade junior honor society are: George Batchelor, Paul Blansfield, Eileen Folk, Marilyn Hildreth, Jane Hitchens, Alan Huebner, Dolores Lloyd, Peter Mahanna, Elaine Muller, Betty Lou Murray, Patricia Miller, Nancy Pennock, Robert Prickett, Marilyn Robertson, Charles Skinner, Diane Smith, Marian Smith, Edward Sobolewski, Helen Starkey, Barbara Thuresson, Marguerite Tierney, and Audrey Tweed.

Eight grade honor society: Janet Barnett, Janet Campbell, Diane Chalmers, Ben Day, Violet Gray, Joan Jackson, Stephanie Klahr, John McDowell, Wilma Klemann, Nancy Trivitts, Jane Walton, Nancy Wilson, Virginia Wimmer and Marie Woerner.

Local Visiting Nurse Makes 252 Calls In May

Miss Alice Leak, Newark's visiting nurse, made 252 calls in May, including 208 nursing and 44 instructive visits, according to her monthly report.

Requiring the most attention were six cases of apoplexy to which Miss Leak made 39 visits. Also adding considerably to the total number of visits were six cases of heart disease, which required 35 visits and eight cases of kidney disease which required 32 calls.

The breakdown for the remainder follows: prenatal, 4, visits, 11; maternity, 5, visits, 12; cancer, 3, visits, 11; arthritis, 2, visits, 9; diabetes, 3, visits, 27; la grippe, 2, visits, 8; operations, 1, visits, 9; anemia, 3, visits, 7; intestinal diseases, 4, visits, 7; miscellaneous cases, 16, visits, 46.

AAUW Unit Selects Committee Chiefs

Committee chairman appointments for the Newark Branch of the American Association of University Women were announced by Mrs. Samuel Handloff, newly elected president.

Education Chairman is Mrs. F. H. Bratton. Chairman of the Membership Committee is Mrs. W. H. Fisher and Legislative Committee Chairman is Mrs. R. W. Mason. Mrs. J. R. Perkin will head the International Relations Committee; Mrs. John Reynard, the Fellowship Committee; and Mrs. N. H. Longenbach is Study Group Chairman.

Miss Jane Gardner will be Chairman of the Arts Committee; Mrs. John Munroe, Social Studies Chairman; Mrs. Robert T. Hall, Hospitality Chairman; Mrs. Russel Hardy will be Chairman of the Refreshments Committee; Mrs. George Axinn, Publicity Committee; and Mrs. H. Clay Reed, Historian.

Other officers of the Newark AAUW elected at the last meeting include: Mrs. L. A. Grettum, Vice President and Program Chairman; Recording Secretary, Mrs. R. L. Pigford; Corresponding Secretary, Mrs. W. S. Van Asdlen; Treasurer, Mrs. William H. Russell, and Assistant Treasurer, Mrs. Victor Patterson, Mrs. Mark Olson, past president, is also a member of the Executive Board.

LITTLE THINGS about the Stars

TELEVISION - RADIO - HOLLYWOOD

GEORGE LILLEY

MEET CORLISS
Janet Waldo: Beautiful and bright radio star. Janet plays the title role of "Meet Corliss Archer" (Sunday evenings, CBS), one of the year's surprisingly successful programs in the Hooperatings. The young actress came to Hollywood from the University of Washington in '42. After making the rounds of the "no casting today" signs, Janet took a different tack. Simply walked backstage at a rehearsal, introduced herself, support of Merle Oberon. Since then she has appeared on most of the major dramatic programs out of Hollywood. Quiet, serious, Janet designs her own clothes, cooks, sews, rides horseback, skis. Husband, radio writer-producer Robert E. Lee, thinks she is about the greatest little actress there is. So do a lot of "Corliss" fans.

SMOCKS FOR SUGARPLUMS
For a growing array of arty tiny tots, the nation's biggest contest is on. The kids of radio's "Juvenile Jury" (Sun. afternoons, Mutual) are conducting a real old Bohemian art competition, "Art for Art's Sake," in which any child not yet 12 may enter drawings. Any subject is permissible in any medium—crayon, pencil, water color, oil, ink. Emcee Jack Barry advises there is no limit to the number of entries; kids may submit as many drawings as they like. Prizes are art supplies for both the schools of the winners and themselves. Professional artists are the judges: Norman Rockwell, Earl Oliver Hurst, John Groth. Entries may be mailed to "Juvenile Jury Art Contest," Box 710, New York 46.

Very Little Things
"We the People," the radio-TV program (Friday nights, NBC) for one of the few times in its 13-year history, devoted its entire program to one subject. The occasion was a behind-the-scenes view of the circus at its winter home, Sarasota, Fla. A back-scenes highlight: an ex-Philadelphia artist-advertising designer, Martha Hunter. Her unique job: 24-hour a day "mother" to two baby gorillas—Gargantua II (14 months old, 18 lbs.), Mlle. Toto (about nine months old, 15 lbs.). Two of six in captivity, the babies (cost: \$10,000 each), sensitive and introverted, must be brought up with constant care and affection. Miss Hunter, sleeps in the same room with the pair, spends most of her waking hours with them in their nursery, stocked with baby chairs, tables, spoons and children's toys.

Benita Colman
... no hangover
... actors tend to live their parts off screen," says Colman. "After a 12-hour studio day, we become so absorbed in our roles, it is hard to shed them when we get home. When two partners are emoting by the fireside—murder!" There is yet to be a divorce among topflight radio couples. "Radio gives a common interest," Benita Colman adds, "yet lets man and wife live a normal life. We come to Hollywood twice a week—rehearsal and broadcast. We are home for dinner, back in this world, at the usual hour. There is no actor hangover."

Jack Barry
... all for art

Phone Hockessin 598

The Captain William McKennan Chapter, D.A.R., will award a silver medal to Mrs. James Marsey, regent. Patsy, 12 years, is a student in the sixth grade. The presentation will be made at the closing day program at the home of Mrs. James Marsey, regent, Patsy, 12 years, is a student in the sixth grade at Hockessin School and won the award over six other contestants. The subject was "Abigail Adams," a patriotic woman of the Revolutionary period. The chapter started the history essay contests last year and the winner was Catharine Schultz. This year, her sister, Carol Schultz, won honorable mention.

At Pleasant Rural School No. 34 on Newville Road, held its annual picnic yesterday with a closing day program presided by Mrs. Elsie Wideman, teacher. Perfect attendance awards were won by Jean Shakespeare, Lois Richard Ulmer, and Larry Ulmer. Today, the students with their teachers and the first and second graders of the Yorklyn School with their teacher, Miss Sarah Potts, went by bus to Philadelphia where they visited the zoo and the aquarium.

Mrs. Garton Taylor and children, Mrs. and Bruce, of Chester, Va., are spending some time with Mrs. Taylor's parents, Mr. and Mrs. Marvin Lovejoy, Loveville Road, Mrs. Taylor suffered a badly sprained wrist recently. Eleanor Woodward and Miss Pearl Woodward, daughter of Mr. and Mrs. Amer Woodward of Limeville Road, are graduating this month. Miss Woodward received her degree Sunday at the University of Delaware while Miss Pearl will graduate June 14 from the school in Wilmington.

The Mill Creek Presbyterian Church will give the annual Children's Day program to be given next Sunday morning at 11 o'clock directed by Mrs. Marjorie Shakespeare assisted by Mrs. T. Jamison, Mrs. Clara Miller, Mrs. "Mother Nature" and July will be the "Spring Fairy." The girls in the department will represent the following flowers: "Lilies," "Roses," "Juniors," "Larkspur," "Fox-glove-not," "Bellflowers," "Pansies," "Kindsarten." The program will be observed. Refreshments will be served and will begin Saturday afternoon at 7 o'clock.

The Fellowship services Monday night at the Mill Creek Mission and will go to the Baird Mission tonight. Saturday night, the group held a barn dance at the barn. The building committee announces that in cash and pledges to date the John D. Blake Memorial fund. Contributions may still be made to Elmer Stoutland. The Young Women's Bible Class will

be entertained for June at the home of Mrs. A. Lindley Fager near the church on June 14.

Mermaid

Mrs. Norman Dempsey, home economics chairman of Harmony Grange, carried off first prize in the county contest for housecoats held last Thursday at the quarterly meeting of the New Castle County Pomona Grange at Port Penn. She won first prize in her local order and by winning first in the county, is eligible to enter the state contest on June 29 at Fruitland Grange, Camden. The county judges were Miss Louise Whitcombe and Miss Katharine Jones, of the Extension Service.

Miss Marian Hanby, assistant state physical education director, attended "Play Day" at Harmony Rural School No. 45 last Friday and took pictures of the children as they participated in organized games. The baseball game was won by the boys. Monday night, the eight children in the school with perfect attendance records namely, Anthony Springer, of first grade, Annie May Case, Barbara Cannon, Nancy Barlow, second grade; Robert Cannon, Daniel Barlow, third grade; and Francis Annand, sixth grade; with their teacher, Mrs. Elsie W. Stradley, attended the ball game between the Wilmington Blue Rocks and Lancaster Red Roses.

A family picnic was held Decoration Day at the Calvin Ball home. Those present include the W. H. Naudains, the W. H. Narvels, the Willard Balls, the Porters, the Rambos and Mrs. Bessie Ball.

Mrs. Edward Naudain and Miss Marguerite Alexander attended the Norris-Meyers wedding in Kennett Square, Pa., Saturday afternoon.

Pleasant Hill

Mr. and Mrs. Elwood Sheldon, Mr. and Mrs. Walter Patterson, and Mrs. Edith Patterson Motored to Baltimore May 26 and attended the wedding of Miss Betty Mae Wilson, daughter of Mr. and Mrs. Norman Reese Wilson and Mr. Oliver Clovis Collins, son of Rev. and Mrs. Oliver Collins which took place in the First Methodist Church at 8 p.m. with a reception following in the social hall. The bridegroom is well known in this community as his father served as pastor of Ebenezer Methodist Church also churches in Wilmington.

The board of education of Ebenezer Church met Monday night and completed plans for a Daily Vacation Bible School to open on June 19 for anyone in the community between the ages of 3 and 21 years. The sessions will be from 9 to 11:30 daily, Monday through Friday with closing exercises June 30. The pastor, the Rev. Edwin Horney is the director.

A combined meeting of the W.S.C.S., the Mite and Helping Hands Circles held a covered dish supper Saturday evening at the home of Mrs. Louise Dempsey. Aug. 1, another affair will be held at the Dempsey Home. The Ebenezer Fellowship will meet tonight at the home of Mr. and Mrs. Ralph Kee in Newark.

A reception for Rev. Horney to welcome his return to Ebenezer will be held in the church social hall on June 17 instead of June 13. The annual Children's Day program will be held

June 18 in charge of Mrs. Anna Cameron of youth department and not next Sunday.

Corner Ketch

Union Juvenile Grange No. 10 is the name of the recently organized youth order. At its meeting, Saturday afternoon, a Bible, a gift from the state grange home economics committee, was presented to the master, Bobby Dempsey by Mrs. Eulalia Dempsey, the matron who is his mother. Mrs. Dempsey received the Bible from the county youth chairman, Miss Margaret Carpenter. The young grangers will have a novelty booth at the Union

Grange festival June 10. Joan Long, Betty Ann Greenplate, and Zelma Crossan are the committee. The date of the sock social has been changed from June 13 to June 15. There will be skits, songs, piano solos by Peggy Harris, Carol Harris, and vocal solo by Bobby Dempsey.

The Three-in-One Homemakers' Club will meet this afternoon at the home of Mrs. W. Floyd Jackson on the Pleasant Hill-Corner Ketch Road for a demonstration on "Aluminium Tray Making" and a talk on "Old China and Glass" by Mrs. Mildred Harrington of New Castle.

Stieff Celebrates
its 50th Anniversary

IN 1942 The Stieff Company was fifty years old and had planned a promotion to celebrate this occasion. World War II prevented them from doing this, inasmuch as they confined their efforts to war work. Ever since then, they have been looking forward to having this occasion celebrated. This year they are carrying out their original plans.

YELLOWJACKET HIGHLIGHTS

A Column of News Contributed By the Journalism Class At Newark High School

Students and Teachers Make Summer Plans

The Journalism class of Newark High School has been making a survey of pupils' and teachers' plans for this summer. Each member of the class was asked to interview and write up five people on this topic. From these names, the following were chosen that seemed to have the most interesting and different plans. They are as follows:

- Ralph Barrow—Going to the hospital for a spinal operation.
 - Mr. Overby—Going for a visit to his home in Kentucky and then to his husband's home in West Virginia.
 - Wesley Smith—Going to fly to Texas, Mexico, New Mexico, Arizona, and maybe California.
 - Nancy Murray—Already has a job at the University of Delaware working as an assistant secretary to Mr. Hodgson. She will be working in the Academic Extension Department.
 - Chandler Irwin—Farming.
 - Henry Correll—Going to be a counsellor at Camp Barnes.
 - Miss McKinsey, Miss Wilkinson—Plan to go to Wildwood, New Jersey, for the summer.
 - Alvin Sparks—Plans to get a job some place and play baseball for Newark Cubs and American Legion.
 - Dorothy Hawthorne—Plans to get a job at Chrysler plant and spend week-ends at Wildwood Beach.
 - Robert Yoder—Going to Boy Scout camp and hopes to go to Michigan afterwards.
- Many other people have planned to get jobs of some kind while some others are just going to stay home and rest up. There are also other trips planned; in addition some of the more industrious students are expecting to further their education by attending summer school.

A Sophomore Writes Poetry

Among the many talents displayed by Newark students is the ability to write poetry. Sophomore Grace Tubbs wrote me in the "limelight" at present. She writes poems and short stories like the fun of it. The fruit of her recent labors is printed here for the first time.

"Memories Of Love"
Memories of you I will ever hold dear
Through shadows and sunshine and
each little tear;
Memories of something I just can't
explain.
Of flowers, and birds, and walks down
the lane.
Dreams about the times we spent to-
gether
Years in and year out in all kinds of
weather.
But rides, long talks, and hikes; quite
a few

I guess I liked them so well because I was with you.
The winters, the summers, and the sparkles of dew
Mean so much to me just because you were you.
In laughter, in tears, I'll always stand by
For sickness or death and each little sigh
I'll be there when you need me to grant your requests,
To make all your dreams be complete happiness.
Memories forever not just for today
Dreams of tomorrow will not fade away.

Modern Dance Group Performs

The Modern Dance Group, under the direction of Mrs. Grace Gibb, presented an assembly in the Newark High School auditorium on Wednesday, May 24, and at Mount Pleasant School on Thursday, May 25.

The group, together with the South American Dancers, presented two dances to set to the music of Prokofieff and Stravinsky. They were: "Romeo and Juliet," and a "Country Fair."

"Romeo and Juliet," played by Pat Rose and Sylvia Field at Newark and by Ellen Cooper and Julie Diehl at Mount Pleasant, depicted the actual story of two lovers, and, of course, the tragic climax and ending. Choreography and dance routines were planned by the Dance Group and Mrs. Gibb.

"The Country Fair" depicted all the gaiety and merriment one would find at a country fair anywhere. Some of the characters in this dance were a tight-rope walker, played by Judy Kase, a snake charmer, played by Stephanie Klar, two dancers, played by Ellen Cooper and Diane Carr, and the Crier at the Fair, played by Cissie Murray.

The climax and ending of the show featured the South American Dancers in the presentation of a Tango which starred Judy Kase and Jair dos Santos. Other dancers were: James Towers, Teresa Duffy, Betty Menges, David George, Cissie Murray, and Bill

Officers Are Named By County Dairymen
Two Newark Men on Slate

Henry C. Mitchell, of Hockessin, was elected president of the New Castle County Dairy Herd Improvement Association at the association's annual banquet. Other officers are Edwin Pierson, of Hockessin, Vice-President; Willis Passmore, of Wilmington, Secretary-Treasurer; Dan Harris, Korner Ketch; William H. Naudain, Newark; Irvin Armstrong, Middletown; Mrs. Caroline Keene, Middletown; Fred Stafford, Middletown; Steve Barczewski, Jr., Newark; and Albert Bryant, Warwick.

Mr. Charles R. Gearhart, Dairy Specialist, Penn. State College, gave the main address.

Industrial Arts Foundry Is Operating
One year ago this past fall Mr. Ellsworth Hoffman installed a foundry in the basement of the Industrial Arts building. The main reason for the installation was to give boys a chance to cast metal projects.

So far the boys have done little work on metal because wood has been stressed more in Industrial Arts.

Some projects like door knockers, screw drivers, candle holders, and mantle pieces have been the only projects made.

Later on Mr. Hoffman, Industrial Arts Instructor, plans to have an oven and core material in the foundry for making round objects like pipes.

Know Your Schools

Meet Newark's School Teachers

(Fourteenth in a series)

Miss Sara F. Steele's home is here in Newark, where she attended the Newark Public Schools and the University of Delaware. She received her B. S. Degree in Education from the University. She has been teaching school here in Newark for 25 years and is at present one of the First Grade instructors.

She was active in home service during the war, knitting and making bandages for the Red Cross; serving weekly in the Warning Center; serving at the Emergency Center as a member of a first aid team; and was a hostess at the Canteen.

Miss Steele has done some traveling in Canada and British Columbia and has also traveled some in the United States.

MISS SARAH STEELE

Open Letter

May 24, 1950

Mr. Sam Diehl, Jr.
Member of Council
214 Kells Ave.
Newark, Delaware
Dear Mr. Diehl:

Since talking with you last Monday in reference to resigning as Town Engineer I was unexpectedly called home yesterday A.M. In arriving I found that my father-in-law had a stroke and is now an invalid, and under the circumstances it is more convincing that I be relieved as soon as possible of my duties as town engineer.

I am leaving with profound respect to all the members of Council and to all my associates, and if after leaving I can be of any assistance I will be glad to come down and consult with your department without charge.

Very sincerely yours,
C. C. Reynolds,
Town Engineer.

NHS Seniors Receive Gifts From Bridgewater

Sterling silver gifts were presented to members of the Newark High School graduating class by W. B. Bridgewater, local jeweler, at a coke party for the seniors last Friday in the Main Street store.

The boys received sterling silver key chains, and each girl was presented with a sterling silver pattern spoon and another spoon of her own choice. About 89 seniors appeared at the store during the three hour reception. Student hostesses were Betty Menges and Judy Kase.

U. of D. Student Wives Elects New Officers

Mrs. William Meeley was elected president of the Delaware wives, the organization of graduate students' wives, at a meeting held this week at the University of Delaware.

Other newly-elected officers are: Vice-president, Mrs. George Weisgerber; secretary, Mrs. James Donnelly; treasurer, Mrs. George Naimark. Heading the publicity committee is Mrs. Jay Harnic; membership committee, Mrs. Kenneth Smeltz; and house committee, Mrs. Richard Ditto.

Mrs. Meeley, who succeeds Mrs. Arthur E. Geers as president, announced that the executive committee will meet June 1 to formulate plans for the coming year.

Town Council Changes Monthly Meeting Date

In a resolution at its June session, the Town Council changed its regular meeting date from the first Monday to the first Tuesday of each month.

The time will be 8 p.m., as usual.

Drive-In's Sunday Shows To Aid Charity

Proceeds from all Sunday shows at the Elkton Drive-In Theatre will go hereafter to some charitable purpose, the management announced this week. This week's receipts will be turned over to the Elkton Fire Department.

For thrift with light, either daylight or electric, there is an advantage in light-colored walls, woodwork, and furnishings. This is because the white or light colors reflect light and dark colors absorb it.

Demonstration Of Iron Lung, June 25

Newark's portable iron lung, available to any citizen in an emergency, will be given a public demonstration June 25 at 10 a.m. at the firehouse. All Aetna volunteers are especially urged to be present in order to familiarize themselves with the operation of the device.

Purchase of the lung was assured this week when the Veterans of Foreign Wars campaign finally attained its \$1200 quota. Only two fires were reported here last week, the first coming around 2 p.m. Thursday when paper became ignited behind a furnace at the home of M. W. Merhige, Read Village. The damage was slight.

The second call was sounded at 7 a.m. Friday, when smoke was reported in the rear of the home of Dr. Charles H. Schultheiss, East Main Street. There was no sign of a blaze when the firemen arrived.

In his monthly report, Fire Recorder Charles E. Moore listed two calls in town during May, causing about \$200 in property loss. The volunteers also answered nine calls in the district for fires causing \$1000 in property damage. Two calls came from outside the district for fires resulting in a \$10,000 loss.

The town ambulance made 49 mercy runs, covering 1508 miles.

Good Breakfast Cuts Afternoon Fatigue

Protein Rich Morning Meal Is Best

Something new can be added to the popular slogan, "Eat a good breakfast to start a good day."

The addition is, — "and put in some protein-rich foods," so says Miss Gertrude Holloway, extension nutrition specialist, at the University of Delaware.

Miss Holloway tells us that in comparing eight kinds of American breakfasts, scientists in the U. S. Department of Agriculture have obtained evidence that breakfast featuring protein-rich food, such as milk and eggs, can do more for the eater's sense of well-being and stave off fatigue hours longer than a morning meal with less protein.

To learn more about physiological effects of eating different combinations of food in the morning, nutrition chemists in the Bureau of Human Nutrition and Home Economics, served meals for test periods to nine laboratory workers. In the 2-year study, breakfasts put to test ranged from a cup of black coffee to a hearty meal that included eggs and bacon.

Those in the experiment consistently reported a sense of well-being when breakfast contained the larger amounts of protein. Their feelings agree with the record of their blood-sugar level, the physiological indicator of the body's response to different meals, used in the study.

Under the experimental conditions, say the research workers, the favorable feeling of well-being seemed to depend more on the amount and quality of protein in a breakfast than on the calories from starch, sugar, or fat. Influence of a breakfast with plenty of

protein lasted even into the afternoon, when the workers ate a light lunch of a sandwich and coffee.

Stressing need for further research, the scientists say:

"It begins to appear that the nutritional effectiveness of foods depends to some extent upon the way they are distributed in the day's meals."

It is an advantage, they conclude, to provide about a third of the day's protein allowance in breakfast, and to have some top-quality protein in this meal.

Miss Holloway tells us that any of the following foods eaten at breakfast time will provide approximately 1/3 of the day's protein requirement:

A cup of milk, an egg, 2 slices of bacon, a slice of ham, a slice of whole wheat bread, 3/4 c. whole grain cereal or 3 pancakes.

Old Deed Discloses Newark Academy Was Built In 1770

A 180-year-old deed turned over to the University of Delaware this week by the Security Trust Company has revealed that the first building at the old Newark Academy, one of the university's predecessors, was built several years earlier than had been believed.

The old deed, formerly the property of the late Miss Lena Evans of Newark, an alumna and long a benefactor of the university, was sold in the settlement of her estate and later acquired from the purchaser by Security Trust Company for the purpose of giving it to the university.

Joseph P. Wertz, vice-president and Trust Officer of Security Trust Company, has turned over the deed to William D. Lewis, librarian, and Dr. John A. Munroe, associate professor of history and assistant to the dean of Arts & Sciences.

Though in existence since 1743 as a small academy in nearby Pennsylvania and Maryland, the academy was first chartered at Newark in 1769. Modern histories had thought the earliest academy building was constructed several years later, when emigrants returned from England with money from several prominent contributors including George III.

But the deed, dated March 21, 1770, shows that an academy building was already standing at that time. A certain Jonathan German or Germain had granted permission for erection of the building even before he sold to the academy's trustees the acre of land on which it stood. The academy building was described as "a commodious house . . . for the educating of youth in the learned languages, arts and sciences." German's price for the acre was 18 pounds, 10 shillings, and the trustee-purchasers were John Evans, Samuel Platt, Henry Darby, Hugh Glasford, James Anderson and William Armstrong. An informal option was granted to the trustees for purchase of adjoining land, which apparently was bought later since the academy's property grew considerably from the original acre. The entire lot abutted on "the Great Road," which evidently was the present Main Street of Newark.

The 1770 academy building of stone passed from the scene in 1839, succeeded by the present brick structure, the oldest part of which was built in 1840. Newark Academy as an institution ceased operations in 1898. Meanwhile, however, an 1833 offshoot of it became Delaware College and later the University.

Large eggs should weigh 24 to 27 ounces; medium, 21 to 24 ounces; pullets, 18 to 21 ounces.

WILLING WORKERS MEETING JUNE 13

The Willing Workers Society of the Head of Christiana Presbyterian Church will meet on Tuesday evening, June 13, at the home of Miss Mary Johnston, Nottingham Road.

Miss Martha Board, president, will preside with Mrs. Ernest Freeman Hall conducting the devotionals. A very interesting program has been arranged by the committee, Mrs. David VanPelt and Mr. Roger Watkins. Assisting as co-hostesses will be Miss Lillie Scott, Mrs. George Jackson and Mrs. Elma Fox.

GLASGOW HOMEMAKERS WILL MEET TUESDAY

The Glasgow Home Demonstration Club will meet this Tuesday afternoon, June 13, at the home of Mrs. H. P. Madsen, Orchard Hill Farm, near Newark.

After the business meeting the program leader, Mrs. Neilan, will demonstrate textile painting.

Members of the Wirmadousis club will be special guests at this meeting. A social hour will follow the meeting and demonstration. The host club extends an invitation to any interested person who is not a member to attend.

BAKE AND FOOD SALE FRIDAY, JUNE 9

A bake and food sale will be held on Friday afternoon June 9, in front of Abbott's Shoe Store, 92 East Main Street and will be sponsored by the J. Allison O'Daniel Unit No. 10 American Legion Auxiliary. Selling will start at 3:30 o'clock with Mrs. Paul D. Lovett as chairman.

CHICKEN SALAD PLATTER AT WHITE CLAY CREEK

The annual chicken salad platter supper at White Clay Creek Church of Capitol Trail will be held on Thursday evening, June 15 at the church. Miss Elizabeth Brown is general chairman with a special supper committee including Elizabeth Benson, Alice Hamel and Margaret Johnston. Mrs. David R. Eastburn, Sr., is dining room hostess with table chairmen including Mrs. Florence Reed, Mrs. Margaret Wilson, Mrs. Nancy Brown and Mr. Willard Johnston. Strawberries and ice cream will be in charge of Norris Brown. Mrs. James Bishop will be in charge of the cake and candy table with Miss Hazel Johnston in charge of the fancy table. Serving of the first table will be at 5:50.

SUNDAY DINNERS SERVED AT COUNTRY CLUB

Effective last Sunday, Mrs. Best of The Charm House, began serving Sunday dinners to members of The Newark Country Club, and their guests, on the clubhouse porch. About 50 members availed themselves of the first opportunity to enjoy Sunday dinner at the club last week when turkey, baked ham, steak and lobster tails were featured on the menu. Reservations are not necessary. Dinner is served each Sunday afternoon until seven o'clock. All members, and their guests, are invited to take advantage of these dinners this Sunday and each Sunday throughout the summer.

EXECUTIVE MEETING OF THE DELAWARETTES

The Delawarettes executive meeting was held last Thursday evening, June 1, at the home of the new president, Mrs. William Meely of George Reed Village. Mrs. Walter Moyer was made program chairman for the coming year. Programs were planned and tentative dates were set. The Delawarettes which is a comparatively new group was formed this past winter being sponsored by the University Women's Club and meets each month.

NHS SPORTS ROUND-UP

A Year Of Sports At N.H.S.
As the school year draws to a close we look back over the sports season. This year Newark had very successful seasons in all major sports, football, basketball, baseball and track.

In football the squad finished with a 4-4 record. They won their big game of the year beating Conrad 45-7. New coaches were enlisted this last season and did very well for the time they had to take over the squad. Most of the starting "11" were seniors but there will be quite a few varsity men back for next year.

The basketball team had quite an excellent season losing only three games and winning sixteen. They lost to P.S. duPont, the Archers, and Sallies. Four out of the five starters will graduate this year. There was also a new basketball coach added this year.

Baseball season is not yet over but so far it is a very successful season. Newark has won seven and lost two. The jacket "9" has three games left on the schedule. Frank Porter has won five games for Newark and is the leading pitcher.

Newark's track team placed second in the New Castle County Meet, second in the class "B" division of the Delmarva Relays, and fifth in the Delaware Interscholastic meet. There is one more meet left and that is the one with Elkton on June 1.

Cue Ball Jo-Jo

Juniors Defeat Faculty In Baseball
First game of the intramural softball playoffs between the Juniors and the Faculty was held Thursday, May 25, on the high school diamond.

George Martin, the Junior speedy hurler, allowed one hit as they trounced the Faculty 10-4. The first run was scored on a homerun by Ron Cheadle, the Juniors' center fielder; Martin was the winning pitcher. The next game will be played some time next week. If the Juniors win either one of the next two games they will take the intramural championship.

Rosehill's Driver Is Judged Best Dog In Beagle Show Sunday

Picked Over 44 Other Dogs In Specialty Competition

Competing against 44 other dogs of his breed, Rosehill's driver, owned by Erich P. Lenhart, was judged the best show at the 17th annual specialty show of the Eastern Beagle Club, Inc. at Whiteman's Garage, Milford Cross Roads, near Newark on Sunday.

The judging, held indoors due to rain, was conducted under the regulations of the American Kennel Club. Mr. Lenhart received his trophy from E. Preston Rutter, acting in behalf of Gov. Albert N. Carvel, who was unable to attend.

Rosehill's Driver is the two and one half year-old son of Champion Royal Oak Ronny and Champion Rose Hill's Chatterbox.

First place winners in various classes were:

Puppy dogs, not exceeding 13 inches, Tipster of Royal Oak, owned by Raymond W. Moyer; puppy bitches, not exceeding 13 inches, E. P. Lenhart's Ardale's Della; best of variety not exceeding 13 inches, Mrs. Harriet E. Moyer's Champion Gay Fellow of Royal Oak; puppy dogs, over 13 inches but not exceeding 15 inches, Koko of Wil-Lou, owned by Louis A. Schneider; bitches, over 13 inches, not more than 15 inches, Johnson's Fancy Queen, owner, Edward J. Johnson.

Best of variety not exceeding 15 inches, over 13 inches, Champion Rosehill's Driver; membership class for dogs and bitches not exceeding 15 inches, William W. Jacobs' Bell Hill Sally; membership class for dogs and bitches over 13 inches, not exceeding 15 inches, White Clay Hi-Stepper, owned by Charles S. Hopkins.

Edward J. Johnson's Fancy Queen was judged best of opposite sex of the variety over 13 inches but not exceeding 15 inches.

Save Electric Cost By Changing Bulbs

The thrifty time to change an electric light bulb is when it begins to look dark under the glass, according to Louise R. Whitcomb, home management specialist, Extension Service, University of Delaware. To let the bulb continue burning until it goes out wastes electricity and money.

Once a bulb becomes dimly inside, she points out it may give off only about half as much light as a new bulb yet use the same amount of electric current. Darkening is caused by bits of filament which breaks off and are deposited on the glass. It shows that the filament is wearing thin. Bulbs usually burn out when the electricity is turned on or off because the worm filament breaks from heating or cooling.

Miss Whitcomb says the housewife can check on the condition of bulbs when she dusts. If the dingy look won't dust off, even with a damp cloth, that's her cue to put in a new bulb. Fluorescent lights flicker when they begin to wear out and need changing. That farewell flicker not only is hard on the eyes but wastes electricity as well. Sometimes these fixtures need a new starter to give steady light.

June 21 to 24 are the dates for the annual Short Course for Homemakers at the University of Delaware.

Victory Sunday Over Hickory Will Give Newark Loop Lead

Defeat Will Drop Home Club To Third In Standings; Gate Prizes To Be Offered In Game Here; Newark Idled Last Sunday By Rain

Unable to play the past week because of bad weather, the Newark baseball team resumes action in the Pen Mar League on Sunday, meeting Hickory Hill on the Continental Field.

Hickory currently holds second place, with four victories against two losses. Both of the latter were by the slim margin of one run. A victory Sunday will assure Newark undisputed possession of first place, while a defeat will drop them into third.

The Pen-Mar League is becoming noted this year for its close games, no less than 12 of the past 15 contests being decided by one run. Newark has won its last three by single runs, the Kennet game going 11 innings before Newark mustered the game winning tally.

At Sunday's game here, gate prizes will again be offered to lucky program holders.

Fuzzy McCormick, who has yet to taste defeat this season, will start on the mound for the local team, with George Schaan behind the plate.

Leading the Newark team in hitting at the present time is George Benson, who plays first base and pitches. Benson also has one mound victory against no defeats.

Beauty Dynasty To Skip A Year

There will be no "Miss America 1950" — but don't get excited, boys. The absence of a 1950 Miss America will be merely technical. The board of directors of the Atlantic City pageant decided recently that the beauty queen selected in September will be called "Miss America 1951" since the really will reign in 1951.

The practice has been to identify Miss America with the year of her selection. Last year's winner was dubbed "Miss America 1949," but was not chosen until September, thus outdating her title four months later.

1950 Farm Program Deadline On June 15

The New Castle County PMA Committee thru their Chairman Jay Price is anxious to impress on the farmers of New Castle County that June 15th, 1950, has been set as a deadline for signing their farms in the 1950 Agriculture program.

It is necessary for the farmer to report his intended Conservation practices for this year before he can be approved for assistance. DON'T DELAY, JUNE 15th, FINAL DAY.

Fertilized pasture land, properly grazed and managed, will produce an abundance of feed which can be harvested for the most part by the cattle themselves.

Second Hand Baseball Equipment Is Sought

A shortage of baseball equipment for the softball and hardball leagues being sponsored here as a part of the summer recreation program was disclosed this week by Fred Sposato, recreation director.

Residents are urged to donate second hand equipment for use during the six-week program.

Any donation, including cash, will be acceptable according to Sposato, who may be reached at his residence, 3 Bassett Place.

2 Contests Monday Ring Up Curtain On Town Softball Loop

Play To Continue Thru July 17, Original Opening Date Advanced

An eight-team softball league, sponsored as a part of the six-week recreation program being staged by the Newark Recreation Association, opened competition with two games Monday.

Last week's announcement that the league would start play on June 19 was incorrect according to Fred Sposato, recreation director, who has drawn up a complete schedule for the loop continuing through July 17.

Hardball leagues for boys and softball league for girls are planned this year in the six-week summer recreation program.

Two hardball leagues will be formed, one for boys between eight and twelve, the second for boys between 12 and 15. The softball league will be for girls between 12 and 15.

A league for adult girls will be formed if enough players register with Fred Sposato, recreation director.

Adult softball games will be played every Monday, Wednesday and Thursday evenings, starting at 7 p. m. on the high school field. Teams and their managers are: Red Men under Ralph Keyes; Blue Jays, Preston Fulton; Indians, Willard Jackson; All Stars, Oliver Doherty; Curtis, Al Sander; Spiders, Wayne Polaris; VFW, Kinsey Reynolds; and the Blue Hensmen under Charles Sullivan.

In the opening games Monday, the Blue Jays took over the Red Men, 9-2, and the All Stars swamped the Indians 10-1.

Boxscores and game accounts will be carried each week in the Post.

Jackets Win Three In Row Whirlwind Finish To Campaign

Defeat Archmere Mount Pleasant and Brown Varsity In Final Spurt For Season's Mark Of 10 Wins In 12 Starts

In a whirlwind finish to its 1950 campaign, the Newark High Yellow nine turned in a trio of triumphs last week, topping Archmere, 2-2, on Wednesday, and Mount Pleasant, 4-2, on Friday afternoon, then tripling Brown national, 4-3, in a gruelling 10-inning contest here Saturday morning.

The flurry of wins gave the Jackets an outstanding season's mark of 10 victories against two setbacks.

The Brown game here proved a spine-tingler, as the home fans watched Jackets trail for the first five innings, finally tying the count in the sixth and pushing across the winning run in the bottom of the seventh.

Frank Porter stayed on the mound for the Jackets throughout the contest, holding the visitors to one hit, while the Jackets pounded Porter also led the Newark attack with three safe blows, and Harrison and Buckingham had an ace.

Against Mount Pleasant, Newark concentrated its scoring in the fourth fifth frames to overcome a lead their hosts held from the inning. Though they managed single runs in the first and sixth, the Mounties poled ten hits the offerings of Bernard Blum, Harry Baker, Newark garnering equal number, with Knott, Pugh, Barrow contributing two apiece.

Newark's representative in the state rivalry of a local tournament here a few weeks ago, were: David Reedy, Bobby Jones, Frank Devonshire and Richard Brederman.

Free Butter, Cheese For Schools, Agencies

Butter and cheese, acquired by the U. S. Department of Agriculture under price-support programs, have been added to the list of foods available free to school lunch programs and to public and private welfare agencies for the assistance of needy persons in Delaware.

This was announced recently by Ernest S. Mattiford, Acting Chairman of the State Production and Marketing Administration Committee.

Fifteen million pounds of butter and 5 million pounds of cheese have been offered free of cost to eligible agencies at the point of storage, in accordance with provisions of Section No. 416 of the Agricultural Act of 1949.

English Youth Here During War Honored At RAF Graduation

Takes 4 Royal Air Force School Prizes; Attended Local High School

Corporal John M. Pack, of the English Royal Air Force, who with his sister, June, lived here during the war as English evacuees, recently carried off four of six awards at a graduation parade of Royal Air Force apprentices at St. Athan, near Cardiff.

Known to many here, Cpl. Pack and his sister lived with Mrs. John Pilling Wright, Kentway, from 1939 to 1945. Both attended Newark High School.

On their return to England after the war, Cpl. Pack finished his education at Tauton's, Southampton, then, in 1948, joined the RAF as an apprentice.

Cpl. Pack, who is now 19, is the first to take all four prizes at the RAF apprentice school — four is the maximum for any one apprentice. His achievement gained him a cadetship to the RAF College, Cranwell.

Cpl. Pack's parents, Mr. and Mrs. C. Pack and his sister, travelled to see him receive his prizes from Air Marshall R. M. Foster.

The youth still maintains a steady correspondence with Mrs. Wright, who was the first here to receive word of his achievement. His sister, June, who arrived in this country recently on the Queen Elizabeth, is visiting Mrs. Wright at the present time.

Cpl. Pack's prizes were for gaining top place in order of merit, for the highest education marks, the general service training award, and for first place in his trade as general duties clerk.

Cpl. Pack's father is a member of the staff of the U. S. Consulate, Southampton.

Rotarians Inspect Work Delaware River Bridge

A field trip to the site of the Delaware River Bridge constituted the program of the Newark Rotary Club after its meeting on Monday evening. Homer R. Seeley, Project Engineer of the construction, explained the work that had been done so far and told members of the plans for the completion of the bridge.

Visitors at the meeting were W. Harman Money, member of the Middletown Rotary Club, and Prof. W. A. Wilkinson.

Next week's speaker will be Dr. Arthur W. Ayers, of the Viscose Company.

Local Scouts At Camporee

Roughing it over a week-end at a recent camporee near Port Deposit are these scouts of Newark Troop 56 pictured before their tent city. Bottom row left to right are: James Smith, Earl

McMullen, Paul Shaw, Earl Leisure, Robert Yoder and Sam Smith. Back row left to right: William D. Peoples, A.S.M., Albert Porach, Ronald Knisely, Frank Stewart, Donald Millder, Richard Hardy and Barton Mackey.

20 Candidates For Local Moose Lodge

Public Invited To Program, June 16

About 20 candidates for membership in the local lodge of the Loyal Order of Moose now being formed here were lined up the past week, according to Killian C. Albert, national Moose representative assigned to organize a Newark unit of the well-known fraternal order.

A minimum of 100 charter members are needed to set up the Newark lodge, he added.

A program designed to acquaint the public with the benefits of joining the Moose will be staged June 16 at 8 p. m. at the Veterans of Foreign Wars Home, Barksdale Road.

An entertainment program will be offered and slides will be shown of "Moosehart" and "Moosehaven". The former, known as "The Child City", is situated in northern Illinois, where dependent children and mothers of deceased members are cared for and educated. "Moosehaven" near Jacksonport aged and wives among the members.

The program will be open to the public.

Further information on joining the Moose may be secured from Mr. Albert at the Deer Park Hotel or from Daniel Harvey, 27 Tyre Avenue, or James Martin, Academy Apartments.

Local Coop Manager To Address Purdue Parley

Edward McCauley, regional manager of the Southern States Cooperative, will speak at a 3-day parley of the American Farm Research Association opening tomorrow at Purdue University.

His topic will be "Practical Boiler Production in the Delmarva Peninsula."

6-Week Music Study Is Planned At NHS

Summer Course Set For June 12 To July 21

A six-week summer music study program is again planned at the Newark High School under Ernest L. Wilder, music director. The dates are June 12 to July 21.

Individual and class instruction for beginners as well as advanced students will be offered all who subscribe. A slight fee will be charged.

Instruction will be given on the piano, violin, clarinet, trumpet, trombone, piccolo, flute and drums. Instruments may be rented for the course.

Band players and other music students are advised to take the course in order to keep up their progress in technique during the summer.

Registrations may still be made through Mr. Wilder. Last year 35 students enrolled, and it is hoped to secure at least that many again this year.

Food buyers should find milk and its products and chickens particularly good buys at the food counter next month, the U. S. Department of Agriculture says. Milk production will hit the year's monthly high and perhaps the all-time record in June 1950. Chicken prices have been currently low enough to make chickens a popular food item.

A&P's Wonderful Way Of Selling Fresh Fruits And Vegetables

REDUCED FOR QUICK SALE. All fruits and vegetables are carefully inspected when they arrive at your A&P Super Market and although still wholesome, are that day's best. A&P's high standards are immediately reflected in price and put us in a grade fruits and vegetables in top condition are the only line ever included in A&P's regular produce displays.

Customers' Corner

Have you noticed that the price is plainly marked on every item you buy in your A&P? That's done to help you make sure you will be charged the correct price.

It also gives you a chance to check your bill and see that we haven't made a mistake.

If you should ever find any difference between the price marked on the item and the price you paid, please let us know.

Please write: Customer Relations Department, A&P Food Stores, 420 Lexington Avenue, New York 17, N. Y.

It whispurrs!

OWNERS TELL US IT'S THE QUIETEST RUNNING CAR THEY'VE DRIVEN.

A "Test Drive" and you'll even hear Ford's quality, for Ford's two new engines (the V-8 and "Six") are "hushed" to speak in whispers. And Ford's extra-rugged "Life-guard" Body is now "sound-conditioned" to keep noise out.

TAKES HONORS FOR STYLE, TOO!

FORD'S THE ECONOMY CAR IN THE LOW-PRICE FIELD

The '50 Ford's an economical car to buy (your old car probably more than covers the down payment) . . . low in operating costs (its quality keeps upkeep down) . . . high in resale value (Ford's future is built in). Ford's V-8 is America's lowest priced "eight." And Ford's advanced "Six" costs even less. "Test Drive" the one low-priced fine car, before you buy any car.
