## OFFICER FACES KNIFE AND GUN

J. E. Morrison Succeeds In  
Wrestling Weapons From  
Drink-Crazed Negroes

Confronted by two drink-crazed Negroes, one armed with a knife, the other a gun, Officer James E. Morrison settled a dangerous situation Saturday evening by arresting Earl Pendleton, 24, on a charge of felonious assault.

### Faces Knife and Gun

Entering a house near the New London Avenue School, Officer Morrison was met by James Pendleton, 27, who ran from the house with blood streaming from a slashed arm. He grabbed the fleeing Negro, only to find the younger Pendleton rushing at him with a knife. Releasing his hold, he turned to grapple with the onrushing Earl, and while wrestling with him, he found himself deprived of his gun by the frightened James. Raising to the occasion, Officer Morrison, in a capable manner, succeeded in gaining possession of both weapons. James was removed to the Homeopathic Hospital, while Earl is held under bond for a hearing before Magistrate Daniel Thompson, set for Monday night.

Chief of Police William H. Cunningham and Officer LeRoy C. Hill arrested Margaret Lewis, colored, on a charge of assault and battery, Monday, following a complaint made by Bessie Tunnel, colored, 96 Rose Street. She is being held under \$200 bond for the Court of General Sessions.

Officers Samuel Tibbett and Hill arrested James Greenplate, Newark, for driving while under the influence of liquor early Sunday morning. Arraigned before Magistrate Thompson on Sunday, Greenplate pleaded guilty to the charge and was fined \$100 and costs.

## TOWN COUNCIL DELIBERATING PARKING TIME

Revised One-Hour Limit Has  
First Reading; Zones Are  
Established

### SAFETY LANE SHIFTED

Plans Made For Retirement  
Of Bonds Aug. 1; Water  
Savings Effectuated

The troublesome parking question as it applies to Main street made its monthly reappearance before the Council of Newark at the June meeting Monday night, when another revision to the present ordinance was introduced and passed the first reading.

Proposed by Councilman C. Emerson Johnson, persistent sponsor of a one-hour measure, the revision, if adopted finally at the July gathering, will limit parking on Main street to sixty minutes between the hours of ten o'clock in the morning until ten o'clock at night, within areas from a marked pedestrian crossing at Purnell Hall, to Academy street, and from Center street to Haines on both sides of Main street.

With Sundays excepted, the proposal carries a provision for three-hour parking on Main street between the tracks of the Baltimore and Ohio Railroad and the tracks of the Pomeroy Branch of the Pennsylvania Railroad at Newark Center, except in the restricted zones.

### Parking Lot Discussed

As a means of handling theatre and shopping traffic, a municipal parking lot was discussed. Town Engineer George C. Price was instructed to estimate the cost of improving various proposed sites, adjacent to Main street as prospective parking centers.

A suggestion from the Newark Chamber of Commerce, proposing zones similar to the Johnson measure, was introduced, but action was deferred in lieu of the reading of the councilman's amendment.

Mayor Frank Collins presided at the meeting, which was attended by Councilmen C. C. Hubert, G. E. Ramsey, Herman Wollaston, G. F. Ferguson and Johnson. Councilman John F. Richards was absent.

### Clean-Up Days Set

Chief of Police William H. Cunningham reported 14 arrests during the month of May. Fines amounting to \$159 were turned in by Alderman Daniel Thompson.

Mayor Collins designated Wednesday and Thursday, May 16 and 17, as clean-up days for the collection of rubbish.

## Committee Seeks Guaranteed Funds To Aid Swimmers

Authorities at the University of Delaware have granted permission for the supervised public use of the swimming pool in Taylor Gymnasium, starting June 28 and continuing until the last of August. Ralph (Irish) O'Connell has been approved as supervisor of the plan.

In order to obtain use of the pool it was necessary for Dr. J. S. Gould, president of the Newark Parent-Teacher Association, to guarantee the university a minimum sum of \$200 to defray necessary operating expenses. Another \$200 was guaranteed to O'Connell for services.

### Committee Formed

With Dr. Gould serving as chairman, a committee has been named to raise the necessary funds. Members of the group are: Miss Edwina Long, of the Business and Professional Women's Club of Newark; Mrs. R. T. Jones, Newark New Century Club; J. Q. Smith, American Legion; C. Emerson Johnson, Council of Newark; and Charles H. Rutledge, Lions Club of Newark.

O'Connell plans a schedule for swimmers, establishing definite periods by age and sex, with several nights a week devoted to adult recreation.

Limited fees will be charged swimmers from which organizations making guarantee payments will be refunded in part or whole. Before the project can start, however, it is necessary to have the \$400 ready for payment.

Lesson for June 13

### THE BROTHERLY LOVE OF JUDAH

LESSON TEXT—Genesis 44:18-34.  
GOLDEN TEXT—Let brotherly love continue, Hebrews 13:1.  
PRIMARY TOPIC—Benjamin's Big Brother.  
JUNIOR TOPIC—Big Brothers.  
INTERMEDIATE TOPIC—Loving as a Brother.  
YOUNG PEOPLE AND ADULT TOPIC—Self-Sacrifice in the Family.

The fundamental unit of society is the family. It is of more importance than the state, the church, and the social order of which it is a part. The breakdown of the home and the sacred relationships sustained between parents and children, or brothers and sisters, points to the destruction of society itself.

God established the family in the garden of Eden. His plan and purpose have never been changed, nor have his laws for the protection of the home, for the sanctity of marriage, for brotherly love, been set aside. Men and nations may devise other plans and follow the dictates of the flesh, but that road always leads to ruin.

The continuation of our story of the life of Joseph and his brethren begins before us today the filial and paternal love of Judah, and affords us an opportunity to stress true brotherly devotion. No one should fail to review the connection between the chapter before us and the lesson of last week. Joseph had been dealing with his brethren who had failed to recognize him as the one they had sold into captivity. He was bringing them kindly but definitely to that point of repentance at which he could show himself gracious to them. In doing so he had brought disaster upon them. Being happy on their way homeward with a new supply of food, they were overtaken and Benjamin, the beloved of Jacob, stands accused as a thief, and by their own words condemned to die.

In this crisis the mouths of the ten others are closed, but Judah, who had really saved the life of Joseph (Gen. 37:26, 27), stands forth to make an eloquent and pathetic appeal to Joseph. It presents him as a brother who is

#### I. Courageous

Easy rests the yoke of family life as long as all is joyful and prosperous. But when adversity strikes, when sorrow comes, or sickness, or sin, then the true test of devotion is at hand.

It was a brave and manly thing for Judah to stand before the one whom he knew only as the man who was "even as Pharaoh." The circumstances were all against him. He expected the flaming anger of the offended ruler. His brethren had collapsed in despair. It was one of those dark hours which come to every family when someone must demonstrate true love by being strong-hearted and steady.

#### II. Intelligent

Crises call for more than a cheerful smile or an encouraging word, much as they do mean in such an hour. But we must be prepared by our close contact with our loved ones to speak and act with vigor and assurance.

The plea of Judah is a masterpiece of logic, argumentation, and appeal, demonstrating that Judah was not only well-informed about his family and its problems, but ready to use his knowledge skillfully and effectively.

#### III. Sacrificial

One step deeper goes the devotion of this man to his father and his brother. He has done no wrong that merits punishment, but evidently his brother has been guilty. Had he been of the spirit of Cain he would have said "Am I my brother's keeper?" and let him answer for himself. Why should he suffer for another? Why should he allow himself to be imprisoned in a strange land to save his father from sorrow and his brother from what seemed to be the just reward for his deeds?

Thus reasons the man of the world, but such is not the language of love. "Let thy servant abide instead of the lad as a bondsman"—so speaks the true brother. And this is but a faint prefiguring of the One "who sticketh closer than a brother," who "though he was rich, yet for your sakes became poor that ye through his poverty might be rich" (Prov. 18:24; II Cor. 8:9).

Let us improve the opportunity to review our relations with our own family, to determine whether there is aught that we in intelligent and courageous self-sacrifice should do for our own.

#### An Aim in Life

We want an aim that can never grow vile, and which cannot disappoint our hope. There is but one such on earth, and it is that of being like God. He who strives after union with perfect love must grow out of selfishness, and his success is secured in the omnipotent holiness of God.

#### A Guide to Paradise

The life of a faithful Christian man is a guide to paradise.—Thos. a Kempis.

### Rector Wins Fight To Protect Food Record

George Rector, food authority associated with the Phillips Packing Company, of Newark and Cambridge, Md., has been awarded an important decision in the New York State Supreme Court.

As owner of the original famous Rector's in old New York, Mr. Rector filed an injunction to restrain other restaurants, taverns and cafeterias in New York from using his name.

Justice Samuel H. Hofstadter said, in announcing the decision, "the arbitrary use of the name of the defendants impinges on the reputation thus created." New York establishments using the name "Rector's" were ordered by the court to desist within three months.

## THIS WEEK—150 YEARS AGO

### The Story of the Constitutional Convention of 1787

By RAYMOND PITCAIRN

**LARGE STATES vs. SMALL**  
"We are sent here to consult, not to contend with each other."

Frequently that admonition from wise old Benjamin Franklin must have occurred to the fifty-five patriots who wrote our Constitution at Independence Hall, Philadelphia, a century and a half ago.

And it was just 150 years ago this week—on June 11, 1787—that the first of those differences between the large states and the small, which were to cause so many stirring debates, brought forth Poor Richard's gentle warning.

Meeting in Committee of the Whole to consider the novel provisions of the Virginia Plan, the delegates had heatedly discussed whether membership in the upper branch of the National Legislature—our present Senate—should be in proportion to the population of each state, or whether all states should be equally represented.

The first plan favored, of course, the larger states, with their greater number of inhabitants; the second plan the smaller ones.

Jealously guarding the Home Rule which the Revolution had won, the smaller states feared that their freedom might be threatened.

"Federal liberty," asserted one delegate, "is to states what civil liberty is to private individuals."

"There is no more reason that a great individual state contributing much, should have more votes than a small one contributing little than that a rich individual citizen should have more votes than an indigent one," declared William Paterson of New Jersey.

Discussed also during that week were questions as to whether members of the upper house should be chosen by the people, named by the legislatures or as suggested by George Read of Delaware, appointed by the Chief Executive.

States Rights were vigorously defended when Pinckney of South

Carolina, proposed that the National Legislature be given power to veto the acts of state legislatures. Following sharp debate, this was voted down decisively.

"The National Legislature with such power may enslave the states," a delegate protested. "Such an idea will never be acceded to. It has never been suggested or conceived among the people."

It was further agreed that each state should be guaranteed a republican constitution and its existing laws.

Provisions were also approved for necessary changes to the Constitution.

"Amendments will be necessary," foresaw George Mason of Virginia, "and it will be better to provide for them in an easy regular and constitutional way than to trust to chance and violence."

Typical of the spirit of democracy which characterized the Convention was the discussion on qualifications and terms of office of members of the National Legislature.

Some of the delegates urged one-year terms in the lower branch, with annual elections, "as the only defense of the people against tyranny." In the upper house, however, longer terms of office were favored. Edmund Randolph, author of the Virginia Plan, urged the need for a firm and secure Senate to serve as a brake on both the lower house and public officials, and particularly to guard the Constitution against encroachments.

Finally a term of seven years was approved. As with the other recommendations made in Committee of the Whole, final action awaited, however, later decision—and frequently changes—at formal sessions of the Convention.

## OFFICERS ARE SELECTED AT LAST SESSION

Red Clay Creek Society Is Re-organized At Meeting Held On Monday Night

### ARMSTRONG NEW HEAD

By Sara A. Pennington  
Merrill, June 9.—Members of the Red Clay Creek Church Christian Endeavor Society entertained the Wilmington-New Castle County C. E. Union on Monday night for its final business and social meeting this summer. More than 150 young people were present.

**New Officers**  
The union officers were elected as follows: president, Laurence Lee, of Wilmington; first vice president, Wesley Armstrong, of Wilmington; second vice president, Edward Fluharty, of Wilmington; corresponding secretary, Miss Ellen Montgomery, of Wilmington; recording secretary, Miss Irma Wright, of Wilmington; treasurer, Leslie Whaley, of Wilmington; pastoral advisor, the Rev. John Darling, pastor of Hanover Presbyterian Church; Chorister, Edgar Tweedle, of Centerville.

The society winning the banner for having the largest number of its members present, was St. Paul's M. E. Church group. A program of outdoor games was enjoyed and a devotional service followed a weenie roast served by a large bonfire.

**Scholarships Awarded**  
Scholarships to the summer short course at the University of Delaware have been awarded to Charles Nelson and Thomas Jaquette of the Three-in-One Boys 4-H Club. Both boys were selected because of their fine club work.

An all day quilting was held in Harmony Grange Hall last Wednesday by members of the Women's Missionary Society of Red Clay Creek Church and their guests. The group completed four beautiful patchwork quilts which will be donated to the Needlework Guild at Hockessin this fall.

Those present were: Mrs. Ella Guest, Mrs. Clarence Guest, Mrs. Anna Barrett, Mrs. D. M. Buckingham, Mrs. Joe Woodward, Mrs. Bertha Armour, Mrs. Irvin Klair, Miss Annie Klair, Miss Bertha Chandler, Mrs. Frank Cooper, Mrs. E. H. Miss Clara D. Morrison, of Philadelphia, is a guest at the home of Mr. and Mrs. L. H. Pennington.

**Choral Club Meets**  
Last Saturday evening, members of the Milford Cross Roads Choral Club and their families, and guests gathered in the garden at the home of Mr. and Mrs. M. M. Daugherty in Newark for their annual picnic supper. Miss A. Jean Easton and Miss Helen Martin were the guests of honor. Both have been the directors of the club. Miss Easton, who has resigned as New Castle county rural music supervisor, was presented with a sterling silver compote and corsage by the club. The wedding of Miss Easton and Mr. Robert Morrison, of Philadelphia, will be held July 17 at her home in Leonia, N. J. Miss Martin was welcomed back by her friends as she has been doing special work at Columbia University for the past six months.

### Short Course For 4-H Clubs Opens Here Wed.

More than 200 Delaware farm boys and girls will assemble here next week for the 19th annual 4-H Club Short Course at the University of Delaware. The three-day session opens on Wednesday and is brought to a close on Saturday.

One of the most important 4-H Club events on the calendar, the course this year will, as usual, be held under the direction of the Agricultural Extension Service with Laura B. Rutherford, New Castle County agent, in charge of the program for girls, and C. E. McCauley, state boy's club agent at large, in charge of the events for boys.

Miss Lewis was mounted on Spotlight, which won in the pony class; and had a leg up on the winner of the 3-gaited saddle class. Miss Ann Cann, of Newark, rode Holden of Hillendale Farm to victory in the green hunter event at the same show.

## FORD "60" OWNERS REPORT 22-27 MILES PER GALLON

The 60-horsepower Ford V-8 is writing remarkable mileage records on American roads. Private owners and fleet operators alike report averages of from 22 to 27 miles on a gallon of gasoline.

You can fill the tank of your Ford "60" and drive all day—300 to 400 miles—without stopping again for fuel. Besides costing less to run than any Ford car ever built, it sells at the lowest Ford price in years. That's double economy!

The "60" delivers V-8 smoothness and quiet at speeds up to 70 miles an hour. It is built into the same roomy body as the famous "85"—with the same modern features of comfort and dependability that make the 1937 Ford V-8 unquestionably THE QUALITY CAR IN THE LOW-PRICE FIELD.

**Ford V-8 "60"**

FORD V-8 \$529 at Dearborn Factory. Prices begin at \$529. Transportation charges, State and Federal taxes extra.

This price is for the 60-horsepower Coupe, illustrated above, equipped with front and rear bumpers, spare tire, horn, windshield wiper, sun visor, glove compartment, and ash tray.

JUNE 10, 1937

## Governor McMullen Seeks Concerted Effort

Planting time of 1937 is here, well advanced. This promises to be a more prosperous year than for many years. Hope in the future has returned to the hearts of many of our Delaware people.

Let us all assist as much as we possibly can in the economical program that is being put forth at Washington by our President, and to that end I am urging you through the agency of your paper to ask the assistance of everyone in this great work:

By giving work to the unemployed.

The unemployed by diligently seeking employment.

Where land is lying idle, offering it to someone in the neighborhood for their use.

By asking for land if you are idle and you may be able to get it for very little, and in some cases, nothing.

So that each and everyone of us may return to a state of individual responsibility that for nearly 300 years was the cause of making this the greatest country for industry and happiness on the globe.

## Police Request Is Reasonable

A request made by town police officers at the Council meeting Monday night discloses a lamentable fact that should be and can be adjusted.

Permission for some time off duty over week-ends was asked by the officers and when the fact that these men are often called upon to work as many as ninety hours a week is considered, a Saturday night and Sunday off from their duties is the only decent gesture the town can make.

These men have been carrying out their tasks without a single week-end off for three years and one cannot condemn them for this simple request.

The fact that the force, composed of three policemen and a part-time man, has been driven to ask for this periodic relief, more strenuously emphasizes the fact that there is a sad lack of personnel in the Newark Police Department.

When we consider the fact that Dover is protected by eight guardians of the law and a town the size of Middletown is amply provided with police, it can't be asking too much for Newark, with a troublesome colored section, to have more police protection than that now afforded.

The members of the present force are wholly efficient, yet each cannot do more than one man's work.

### Lovers' Reunion

Monday evening of this week was marked by the annual Farewell Hop at the University of Delaware, which reminded this scribe of some unusual events on the same occasion a year back.

It so happened, on that particular night in 1936, a certain columnist (?) employed by this paper had borrowed the editor's car in which to haul his fair lady to the shindig. No, we're not out to avenge cracks made by that columnist (?) concerning us in last week's paper, we're merely recalling things on anniversary dates.

During the course of the evening in question, we were seeking some fresh air prior to retiring, and happened to spot the editor's vehicle parked in an unusual place. Thinking said editor might be in trouble, we stopped with an intent to lend aid.

Imagine our surprise, however, when we discovered neither the editor, nor anyone in need of assistance. It was merely the columnist (?) pouring forth his ardent love and choosing, as a scene, a location adjacent to the town's water works.

Mebbe the old boy needed moonlight over the water for inspiration, but he'd hardly find it around a pumping station. Or mebbe he's the kind of a guy who is used to hanging out near the (vinegar) works. Being in love, he wouldn't know the difference, of course.

### State Theatre House Notes

Friday and Saturday

Twentieth Century-Fox's spectacular musical smash hit, "One in a Million" plays this picture house these two days with Sonja Henie, Queen of the Silvery Skates, executing dazzling dances on crystal ice and romancing with Don Ameche, and pulling another hilarious performance out of his gag-bag. Ned Sparks dead-panning his way to new laughs. Jean Hersholt more lovable than ever, and The Ritz Brothers running wild as they do in all their pictures. Borrah Minevitch and his Gang playing hot rhythms on their harmonicas and Dixie Dunbar and Leah Ray contributing beauty and hi-de-ho to the film. Leonard Paraskins and Mark Kelly wrote the story and screen play while Lew Pollack and Sidney D. Mitchell composed the music and lyrics of the films song hits. The skating ensembles were staged by Jack Haskell.

Sonja Henie

### Monday and Tuesday

Newspaper comic strips may mean laughter to great many people, but to Tyrone Power they're no joke. Indirectly, however, they are responsible for the handsome young actor's entrance to the motion-picture world. Power is starred with Loretta Young and Don Ameche in "Love is News." This star has become a screen sensation since his lead in "Lloyds of London," but it was not so long ago that he was hunting for any sort of radio work he could get. During his search for employment, Tyrone, whose actor-father had raised his son in the tradition of the Shakespearean stage, was given an audition by a Chicago radio station. Later he came to the talking screen.

### Wednesday and Thursday

Unforgettably portrayed by the star of "The Informer" and an inspired cast, "Nancy Steele Is Missing," presents a powerful drama of vengeful hate balked by its own fury and punished by man's greatest love.

Victor McLaglen

The performances of Victor McLaglen, winner of the Motion Picture Academy award for the best performance of 1935; Walter Connolly, outstanding actor of the stage and screen; and Peter Lorre, Europe's one-man chamber of horrors, make this film a tremendous document of emotion-lashing power, filled with tense thrills and strong passions.

**IN MEMORIAM**

In sad but loving memory of our dear husband and father, who passed away one year ago on June 11, 1936. You suffered hours; yes hours of pain. To wait for cure, but all in vain. 'Til God above knew what was best. He called you home to give you rest. We often sit and think of you. And speak of how you died. To think you could not say, "goodbye" Before you closed your eyes. For all of us, you did your best. Oh, God grant you eternal rest. Mrs. Anna E. Jones and family.

## How About It, Governor?

We are pleased to note that better minds than ours are being focused on the need for opening public-main-tened armories in Delaware for community use. Periodical outbursts concerning the situation have taken place in this corner for more than a year, without any degree of success. Outside of some combined heckling and abuse by national guard officers, who apparently resent any move to have their supposedly sacred edifices used for anything but drills and the like, we haven't been able to stir a ripple.

Unabashed by lack of success, however, we persist in the belief that the idea of using armories for civic centers, such as is done in Maryland, has a decided edge over the ridiculous situation that exists in Delaware.

If Governor McMullen, as commander-in-chief of the Delaware National Guard, possesses the power, then we quite agree with the idea being advanced that he should order the immediate opening of all armories for use by the general public.

R-W-R

## It's Acute Here

A condition exists in Newark that is so nonsensical it is laughable to strangers. While parents skimp and save to meet taxes of various kinds, their sons, in particular, are permitted to waste endless after-school hours, through winter after winter, in environments that are anything but uplifting, because a modern and well equipped gymnasium lies comparatively idle at the Women's College; another gymnasium, such as it is, is guarded like it were priceless at Delaware College; ample facilities in a public school have never been made available for a supporting community use as a recreational site; and a state armory is closed to public use unless the usual fee of \$28 a night can be laid on the line.

Yet each of those structures is maintained in full, or a big part, by public funds. Meanwhile, we laugh at Italians, scorn Germans for being bent by dictators!

R-W-R

## "All" Newark High Team

Students at Newark High School are selecting an "all-star" football team from a list of players who have performed under the tutelage of Coach William K. Gillespie during his nine-year tenure as athletic director.

Following a request by students, Coach Gillespie, in a recent issue of the YELLOW JACKET BUZZ, pupils' publication, released the names of several former players as being outstanding at various positions. From that group, the coach, in a forthcoming issue, will announce his final selections. Students, meanwhile, are vying for a suitable award by duplicating Gillespie's choices.

The grid mentor leaves no doubt about his favorite for the center post and names Bayard Perry without any hesitation. Concerning Perry he wrote, "while varsity center in high school, (he) was the outstanding center in the state. No boy could go in and under on the defensive like Perry and his submarine tackles were responsible for breaking up not only the attack of our opponents but the morale of the opposing team as well." And that in itself is quite a tribute. Perry, unfortunately, failed to make the football and scholastic grade in college to the disappointment of his former coach and many followers.

R-W-R

## List Is Strong

Boys named by Gillespie made football history at the school and several have advanced to find fame in collegiate circles.

The group includes: Vic Willis, Winnie Mayer and Jack Daly, ends; Wilson Worrall, Bill Holloway, Harry Gallagher and Bobby Jones, tackles; Harpo Cagle, Merritt Burke, Charlie Schwartz and Willard Crater, guards; Irvin Smith, Frank Mayer, Pinkie Roberts, Bill Dean, Bill Barrow, Eric Mayer, Ray Smith, Ernie George and Paul Skillman "among the many good boys that have lugged the leather for Newark High School."

## Ten Outstanding Athletes To Graduate At Newark High School

INCREASED NUMBER EXPECTED  
FOR 1937 POST TENNIS CLASSIC

C. Roy Donoho, Last Year's Champ, May Not Defend; Miller, Mix And Dawson, New Residents, Expected To Enter; Trophy Now On Display At Rhodes Drug Store

By Ace Seeds

Some thirty-five racquet swingers are expected to line up on Saturday, June 26 to match strokes for the handsome trophy which will be presented to the winner of the second annual Newark Post tennis tourney, scheduled to take place on the University of Delaware courts.

## Champ May Not Defend

Permanent possession of the award may be gained by copping the singles championship three years, not necessarily consecutive. In addition to having possession of the trophy for a year, a gold medal will also be awarded to the winner as a permanent prize.

C. Roy Donoho, winner of last year's tourney, is not expected to defend his title, annexed last year after a torrid 5-set battle with Fred Davies who has also left town. The absence of these two stars, coupled with the influx of several players, crack performers by reputation, has thrown a wrench into the prediction machine and left the tourney wide open.

Heading the list of new contenders for the crown are: Elwood A. Miller, George L. Mix and Robert Dawson, all who will bear watching when the annual classic gets underway. Hailing from Philadelphia, Miller has had plenty of match-play experience with the Y. M. C. A. and the Allen Lane Club. Mix, a former Baltimore resident and Dawson, who comes from Balis-Cynwyd, Pa., also sport excellent tennis reputations.

## More Players Expected

Slated to be the biggest affair of its kind ever staged in Newark, a host of young stars are also expected to join in the competition. A special invitation is issued to all high school players to participate in the tourney.

A lack of feminine players makes it impossible for a separate tourney to be held for women. However, female players are invited to vie with the men for honors, and if enough entries are received, a separate tourney will be held.

Three Laskaris boys, Tom, Leo and Chris, are expected to follow their oldest brother, George, who has already signed, in joining the ranks of aspirants to the crown.

## Probable Entrants

Others expected to participate are: Ned McCully, champion in 1935; Len Fossett, Dave Cronhardt, Jack Sinclair, Chauncey Wheelless, Dr. Francis H. Squire, Prof. R. W. Jones, Dr. C. R. Kase, Dr. C. L. Day, Dr. A. S. Eastman, Robert, Guy and Bill Hancock, W. E. Moore, Sr., Bill Fletcher, Wilson Nichols, Harry Williamson, Bob Strahorn, Bob Medl, Joe Maxwell, E. Knause, Marshall McCully, Bob Thoroughgood, Jim and Ross Hutchison, Harold Tiffany, Carleton Douglass, Alex Cobb, Paul Rice and Charles Daly.

All those interested are requested to fill in their entry blank and mail it to THE NEWARK POST as soon as possible. Entries are also open for the doubles tournament, won last year by Dr. Cyrus L. Day and Fred Davies. A gold medal is awarded to both members of the winning team for permanent possession.

The singles trophy is now on display in the window of Rhodes Drug Store.

## WHITNEY DOING WELL

"Pinkie" Whitney, third baseman of the "Phils" has not made an error since the season opened while shortstop Scharein has committed only one boot. During the same number of games last year Leo Norris then playing shortstop made 7 errors.

To those who will register surprise that Shorty Chalmers' name isn't included with the group, we point out the fact that he was at Tome School when Gillespie arrived in Newark.

## Legion Practice

Manager LeRoy Hill, named for the fourth successive season as leader of the J. Allison O'Daniel Post Junior Legion team, has issued a call for candidates. The opening session will be held at Continental Field on Saturday morning at 10 o'clock.

Any boy under 17 years of age, or who has reached his seventeenth birthday since March 31 this year, is eligible for membership.

The local Legion team won the state championship in 1934 and 1935, and finished in the runner-up position to the Delaware Post team of Wilmington last spring.

Leaders Humbled  
As Pennant Race  
Becomes Tighter

Despite a home run and triple by Deenie Herstine, Jackson's Hardware dropped its initial game in the Newark Twilight League last night, 7 to 3, when the up-and-coming National Fibre team continued to show the form that earned the pennant in 1936. It was Charlie Moore's charges' second win within a week, the Cards being felled, 10 to 7 last Friday.

Boney Jackson and Clarence White-man formed the winning battery last night, while Sidney Argo and White-man handled the assignment against the Cards. Deaver and Pyle worked for Jackson's. Dick Roberts crashed a triple for National off Deaver's slants.

## Continental Advances

Winning over the Cards on Monday by a 7 to 1 count, Ellis Cullen's Continental aggregation can slide into first place by defeating Jackson's in an important tilt carded for Friday night.

Reggie Conway hurled for Continental against the Cards and scattered five opposing hits. The Firemen tagged "Cigar" Butts' offerings for 11 blows, including doubles by Barrow and Conway. Barrow, with three hits in as many official trips to the plate, was the batting star of the contest, driving in a total of five runs.

In addition to Twilight League games at Continental Field during the coming seven days, Ellis Cullen's stars will engage the Continental Diamond Fibre outfit from the Bridgeport plant on Tuesday evening.

INDIANAPOLIS  
RACERS ENTER  
AT LANGHORNE

Mauri Rose, Jewish Champion, And Other Stars To Vie On June 19

## WILLMAN ALSO ENTERS

Langhorne, Pa., June 9.—Speedway stars, fresh from their exploits and big money-winnings in the Memorial Day 500-mile Indianapolis automobile race, will come east to compete at Langhorne Speedway on Saturday, June 19.

Many of the elite "first ten" finishers in the Hoosier classic will participate. Negotiations already completed have resulted in the signing of Ted Horn, the brilliant Coast sensation, who placed third at Indianapolis, and George Connor, still another Coast star, who finished ninth. Other "first ten" drivers are expected to sign.

## Rose Is Headliner

Mauri Rose, national automobile racing champion and the greatest Jewish driver of all time, is among the early headline entrants. The Columbus, Ohio, ace placed third at Indianapolis last year and he was going strong in the recent running of the Hoosier grind until motor trouble forced him out after he had driven 300 miles.

Horn, Rose and Connor represent three of the nation's most versatile drivers. Each is as good in dirt track competition as on the bricks of Indianapolis. Horn and Rose are well known to eastern fans, having raced in this section on several occasions in recent years. Connor, however, will be making his initial appearing in the east.

## Mans New Miller

Of the trio of Indianapolis stars already entered, Rose is expected to cut the biggest figure. He will man a new single-seated Miller Special and can be relied upon to push it to the limit.

Practically every eastern driver of note will compete in the coming event. Frankie Beeder, crack St. Louis, Mo., ace, who is showing the way as the biggest money-winner of the eastern campaign, will drive one of John Bagley's Cragar Specials.

Tony Willman, the Milwaukee, Wis., star, will return to the Eastern wars in the other Bagley mount. Willman was forced out of the Indianapolis grind with a broken connecting rod in the ninth-sixth lap.

A field of more than fifty cars is expected for the Langhorne meet.

Foxcatcher Beagles Take  
Blue Ribbons At Glasgow

William duPont's Foxcatcher beagles won 15 first places in the sixth annual specialty show at Coveview Farms, Glasgow, Sunday. More than 500 spectators viewed the showing of 123 entries. The affair was sponsored by the Eastern Beagle Club.

Outstanding entries included: Foxcatcher Trinket, best in the puppy class; Louis Batjer's Meadowlark Radiance, best in the novice class; George W. Patterson's Gloria Don Gypsy, bred by Lewis Madden, best in the limit classes; the best American bred bitch and the best of winners over 13 inches and not exceeding 15 inches; Foxcatcher Messenger, best American bred dog; Foxcatcher Ch. Pioneer Skipper, best of winners not exceeding 13 inches; L. S. Knechtel's Ch. Grapeside Gamble, best of breed, dog; and Mr. and Mrs. Arthur W. Hart's Ch. Hart's Sprightly, best of breed, bitch.

## NAMED HEAD COACH

"Big Ed" Thompson

The greatest star in University of Delaware sports history, Thompson was named coach of athletic teams at Fishburne Military Academy, Waynesboro, Va., yesterday. A graduate of Collingdale, Pa., High School, he finished his work at Delaware last year, after starring in football, basketball, and baseball for the Blue Hens.

Willis Named To  
Head State Body  
As Commissioner

Wichita, June 10.—Honus Wagner, high commissioner of semi-professional baseball, today approved the appointment of his old teammate, Vic Willis, Newark, as Delaware state commissioner affiliated with the National Semi-Pro Baseball Congress. The Delaware state tournament, under uniform rules of the semi-pro congress, has been tentatively set for Newark late in July.

The Delaware state champions will be eligible to compete further in the program for the national semi-pro baseball championship, culminating in the final event at Wichita, Aug. 13 to 25, for a minimum cash award of \$5,000.

## Award To Winner

Under uniform plans of the congress, the state champions will be awarded Honus Wagner state championship trophy, plus cash award. All visiting teams will share in the mileage allowance rebate, Wagner said.

This marks the first year Delaware has been represented in the program. All 48 states are featuring tournaments affiliated with the congress, the former Pirate pointed out.

## Game Rained Out

The Newark Yellowjackets-Diamond Ice and Coal Company baseball game scheduled for Continental Field last Sunday was postponed by rain. A new date will be announced later.

Newark has no contest scheduled for this week end, President Huey Morris announced last night.

## PITCHING BOGGED DOWN

Poor pitching is the only thing that has kept the "Phillies" down. What was expected to be the strongest branch of the club has been the weakest to date. Wilson's men have made enough runs to win all except one of their games but the mound corps did not do their duty. La Master is the exception. The chunk little southpaw from Louisville has won 3 and lost 3 and pitched splendid ball in every game.

O'Connell's Baseball Champs Compile Best Mark In Recent Seasons

The 1937 class of graduates at Newark High School will include ten outstanding athletes who have distinguished themselves as representatives of the Academy street institution. While the number of athletes graduating is not large, the list includes all three major teams, namely football, basketball and baseball.

Track, still in its infancy at school, loses Paul (Satchel) Skiffman, considered one of the best coaches in local history. Skillman, a medalist in the shotput, high jump, yard and 220-yard events, and an anchor leg of the relay team, also capped second place in its division the Penn Relays this spring.

## Three Letter Winners

A trio of youngsters, Eddie Grad (Ciggy) Butts, John (Prex) Doss and Skillman earned letters in sports. The first two were members of the football, basketball and ball teams, while Skillman performed in the Penn Relays.

## Sheats Shows Way For Jacket Hitters

Earl Sheats, pounding the ball at a .500 gate in five games, is leading the Newark Yellowjackets with the hickory stick. The elongated farmer boy has smashed out ten safe blows in 20 official trips to the plate.

Ernie George, hitting .375, leads in total bases with 20, while his three home runs top the list of Ruthian sluggers. Barrow, .459, and Willis, .304, are the only other home run hitters.

Whiteman, charged with 31 times at bat, lead in that department. Willis and George have counted six runs apiece to lead the scorers.

Barrow's 11 blows are high, while five men, Sheats, Barrow, Roberts, George and Daly have all hit two doubles. No triples are credited to the Jackets.

## Assessor's List Posted

Taxpayers will be given an opportunity to get a line on property values from the town's assessment book, which is on display at Rhodes drug store, 36 E. Main street. The book will remain there until June 21 at noon, when the Council will sit from 1 to 6 p. m., D. S. T. to hear appeals.

Council authorized the payment of \$100 each to Mrs. Morris Ewing and F. Allyn Cooch, Jr., for auditing services.

The State Motor Vehicle Department was requested to place the lane for the inspection of automobiles and trucks on lower Academy street, adjacent to the Women's College campus.

Suggestions that the lane be moved from Orchard Road were filed by J. Pilling Wright and William H. Evans, supported by an editorial stand taken by THE NEWARK POST. The lane will be operated from July 15 through July 24.

## Elks To Convene

Permission was granted for a parade of colored Elks on June 22 as a highlight of a tri-state meeting scheduled here from June 20 to June 23. The parade will be conducted on Cleveland and New London avenues.

Police are investigating complaints registered by "colored citizens of Newark" in a letter to the Council. The complaints charge William and Marcella Saunders, colored, with maintaining a public nuisance in their store at New London and Cleveland avenues.

Consideration was given a request made by Leon H. Ryan, Nottingham Road, for an extension of the West Main street water main to include 14 building lots opposite the Newark Country Club golf links. Mr. Ryan offered to lay the main at his own expense. Action was deferred pending the determination of costs, ownership of the main and other details worked out.

## Loans Are Negotiated

Plans were introduced for the retirement of \$100,000 worth of bonds due in 1937, as provided for in the special bill sponsored by Senator N. N. Wright, and passed by the recent session of the General Assembly.

The bonds, carrying interest of 4 1/2 per cent, are to be retired by loans from the Newark Trust Company and the Farmers Trust Company of Newark at an interest rate of 3 1/2 per cent. Efforts will be made to retire the bonds on August 1, the next interest-paying date.

Ambulance charges for May, amounting to \$21.35, were paid by the Council.

A request from the University of Delaware for a new and larger water main to the college farm was approved. The cost of the project will be about \$1,450, nearly \$800 of which will be defrayed by the university. Added fire protection is planned at the farm.

## Successful Baseball Season

Making his debut as head coach, Ralph (Irish) O'Connell turned out the school's best baseball team in recent years. The Yellowjackets won five games while losing four engagements. The highlight of the season was the 3 to 2 setback handed Dover, which halted a 15-game winning streak for the Kent countians. Dover completed its season with 12 wins in 15 starts to compile the best school-boy mark in the state.

The Newark team record follows:

## A FEUD BREWING

The "Phils" may be down but don't pick on them. This was the warning that Manager Jimmy Wilson gave the Chicago "Cubs" a few days ago. With the "Bruins" leading 8-3, pitcher Charlie Root "dusted" one of the "Phil" hitters. Wilson immediately issued orders for his pitchers to knock the "Cubs" batters down—and they did.

**Residents Enter Petition**  
Presented by Councilman Wollaston, a petition, signed by 17 residents of the South College Avenue section, asked Council to request the Phillips Packing Company to oil Cannery Lane. Engineer Price promised immediate action on the matter.

Action was delayed until water meters have been installed throughout the town on a proposal made by Councilman Ferguson to increase the quarterly water allowance for each house from 1,650 cubic feet to 1,800 cubic feet.

Officers LeRoy Hill and James E. Morrison, requesting a reduction in working hours and time off over week ends, were advised that a new schedule would be discussed with Chief Cunningham.

Katharine Wilson Williams, agent for the Royal Insurance Co., Ltd., was awarded a public liability and property damage policy covering the new ambulance.

Every hour, night and day, detectives in large cities watch the newsstands that sell "out-of-town" newspapers. Missing men from everywhere, drawn by the irresistible lure of their hometown papers drift invariably to these stands.
