Purely Personal

Dear Dannie:

I am sending you herewith a copy of a letter which I have received from Lic. Carrillo Flores, the head of the Nacional Financiera, which is self explanatory and which is in reply to a letter which I wrote him during a three-months' trip which he made to Europe on a mission of the Mexican government and during which I am sure he did some useful work. Lic. Carrillo Flores is one of my best friends here and I have great respect and esteem for him in every way, and he knows our country very well as well as his own. I know that Lic. Carrillo Flores holds the sentiments which he has expressed in this letter, as he has expressed them to me on a number of occasions in conversation, but I need not tell you that I appreciate very much his having written to me in this way. I am merely sending the letter to you as I thought it would be of interest to you.

With all best wishes,

Cordially and faithfully yours,

GSM/cbc
